[57] CLAIM

The ornamental design for a rotatable switching station, as shown and described.

DESCRIPTION

FIG. 1 is a top, front and left-side perspective view of a rotatable switching station showing our new design; FIG. 2 is a bottom, rear and right-side perspective view thereof; FIG. 3 is a front elevational view thereof; FIG. 4 is a right-side elevational view thereof; and FIG. 5 is a rear elevational view thereof. The power cord in FIGS. 1 and 4 is shown in broken lines for illustrative purposes only and forms no part of the claimed design.
