[57] **CLAIM**

The ornamental design for a dual wheel combination lock for luggage or similar article, as shown and described.

**DESCRIPTION**

FIGS. 1 and 2 are respectively top front and bottom perspective views, in mounted, closed position, of a dual wheel combination lock for luggage or similar article showing my new design;  
 FIGS. 3 and 4 are respectively exploded front and left side elevational views thereof, with the right side being a mirror image of the left;  
 FIGS. 5 and 7 are respectively top and bottom plan views thereof; and  
 FIGS. 6 and 8 are respectively exploded front perspective and rear elevational views thereof.
