[57] CLAIM

The ornamental design for a combined bird beak expander and shield therefor, as shown and described.

DESCRIPTION

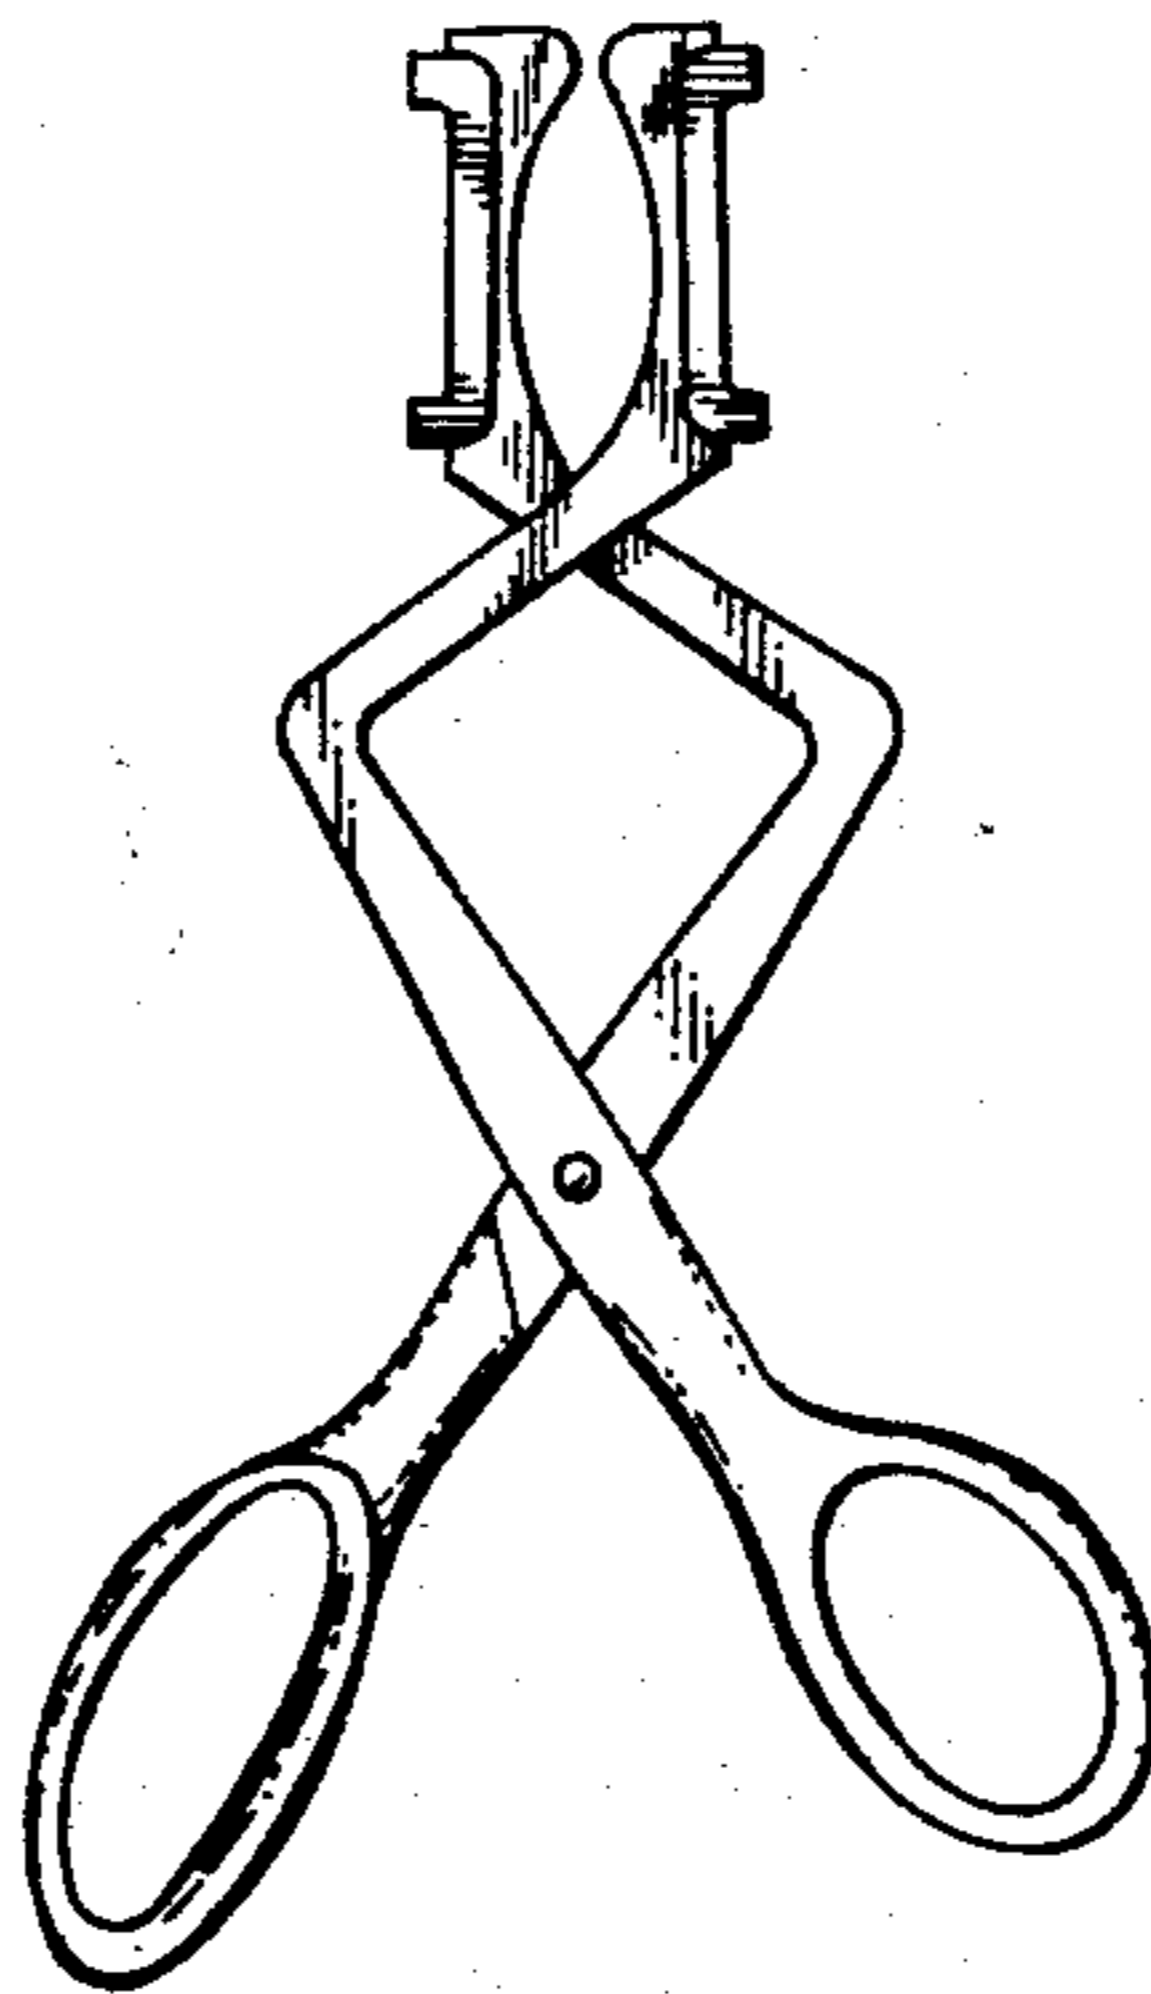

FIG. 1 is a front elevational view of a combined bird beak expander and shield therefor showing my new design;

FIG. 2 is an edge elevational view thereof, the opposite edge being substantially similar in appearance;

FIG. 3 is a top plan view thereof;

FIG. 4 is a perspective view of the shield portion thereof, with the expander portion omitted for clarity of illustration; and

FIG. 5 is a rear elevational view of FIG. 1.
