[57] CLAIM

The ornamental design for a strainer for use in cleaning and sterilizing a plastic lens, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of a strainer for use in cleaning and sterilizing a plastic lens showing my new design;

FIG. 2 is a front elevational view thereof, the rear and side elevational views being substantially the same;

FIG. 3 is a top plan view thereof showing a pattern of straining holes in the horizontal shelf;

FIG. 4 is a bottom view thereof showing a pattern of protuberances on the underside of the horizontal shelf in relation to the straining holes; and

FIG. 5 is a vertical sectional view thereof.
