[57] CLAIM

The ornamental design for a flower pot cover, substantially as shown and described.

DESCRIPTION

FIG. 1 is a top plan view of the flower pot cover showing our new design and showing the textured foil appearance of the inner surface of the outer layer.

FIG. 2 is a front elevational view thereof.

FIG. 3 is a rear elevational view thereof.

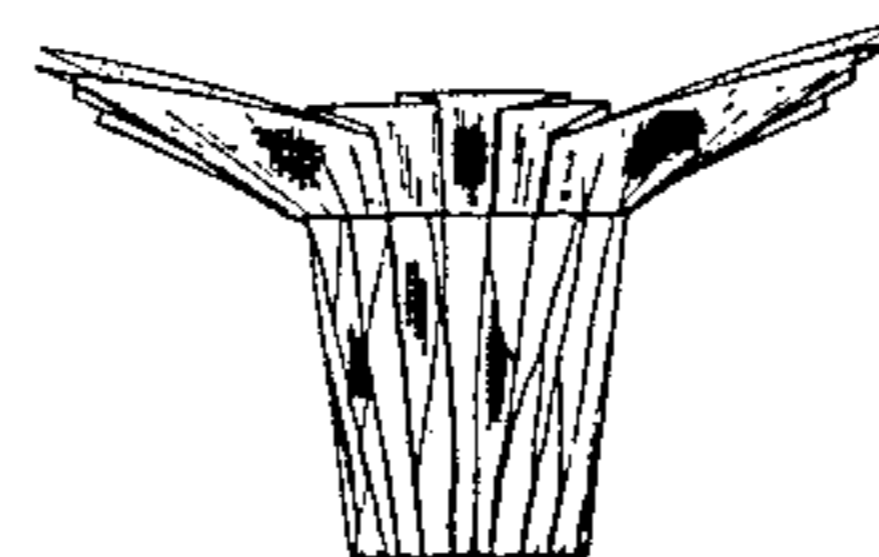

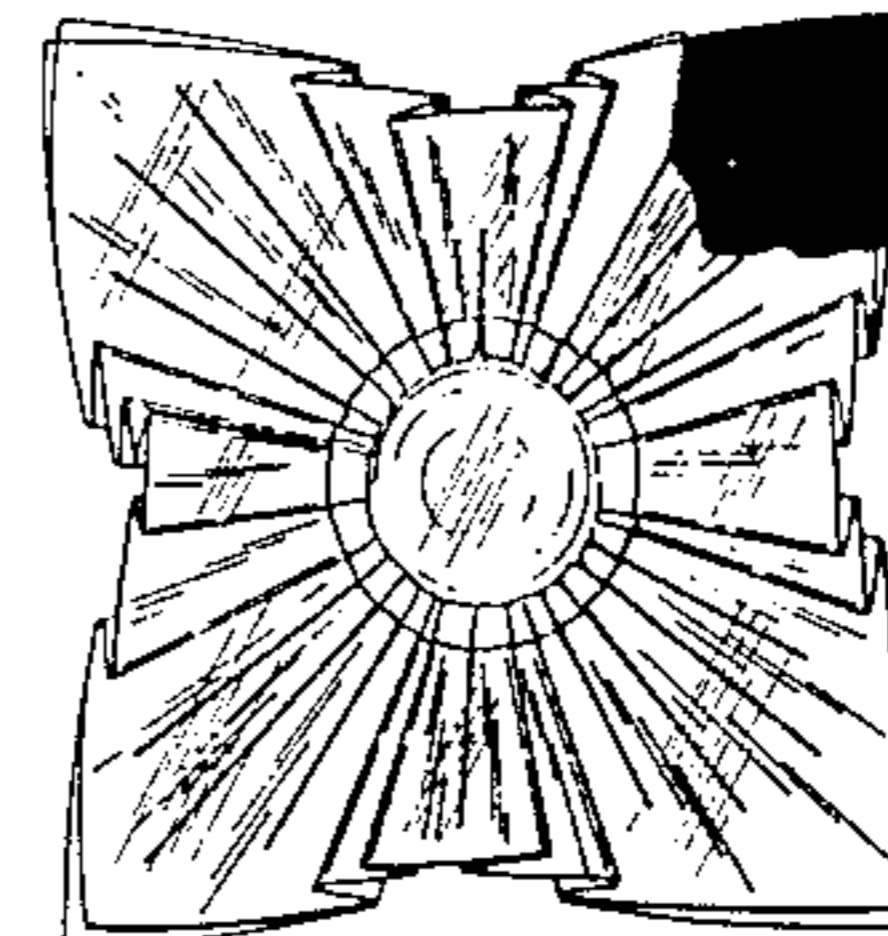

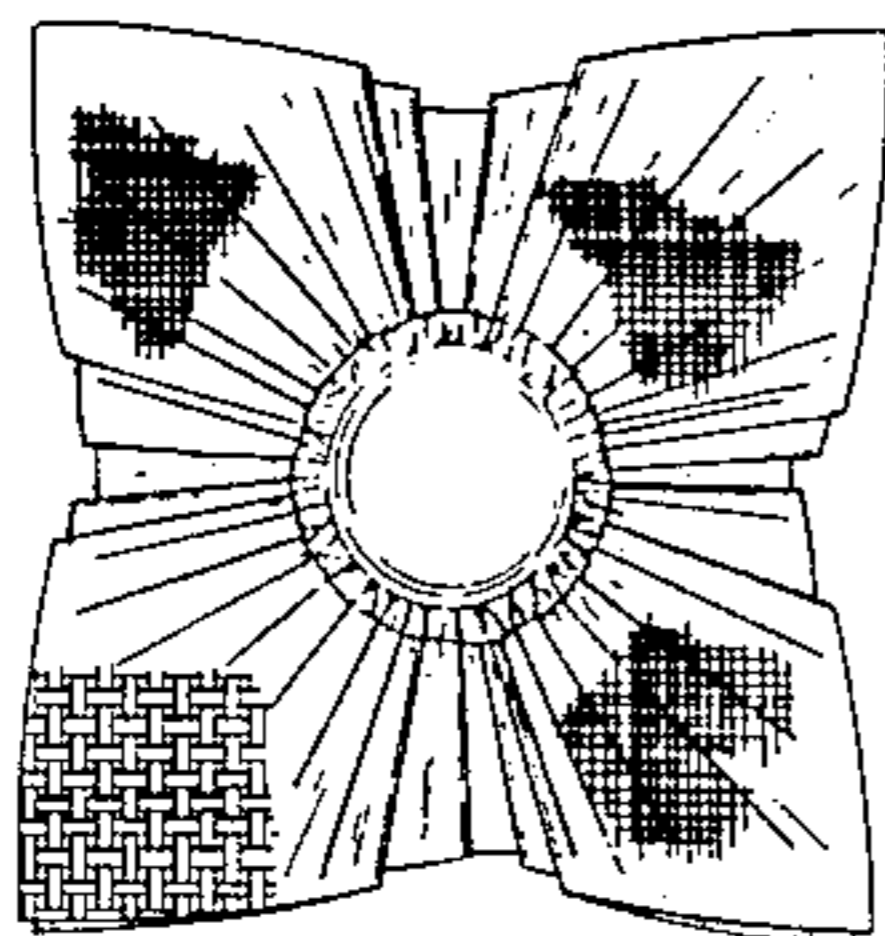

FIG. 4 is a side elevational view thereof.

FIG. 5 is a side elevational view similar to FIG. 4, but showing the side opposite that shown in FIG. 4.

FIG. 6 is a bottom plan view thereof and showing in proportional relationship the basketweave design on the outer surface of the outer layer.

FIG. 7 is an enlargement of a portion of the basketweave print used in our design as indicated in FIGS. 1 through 6.

The portions of the patterns which are shown in FIGS. 1 and 6 are understood to repeat uniformly across their inner and outer surfaces of the outer layer, respectively.

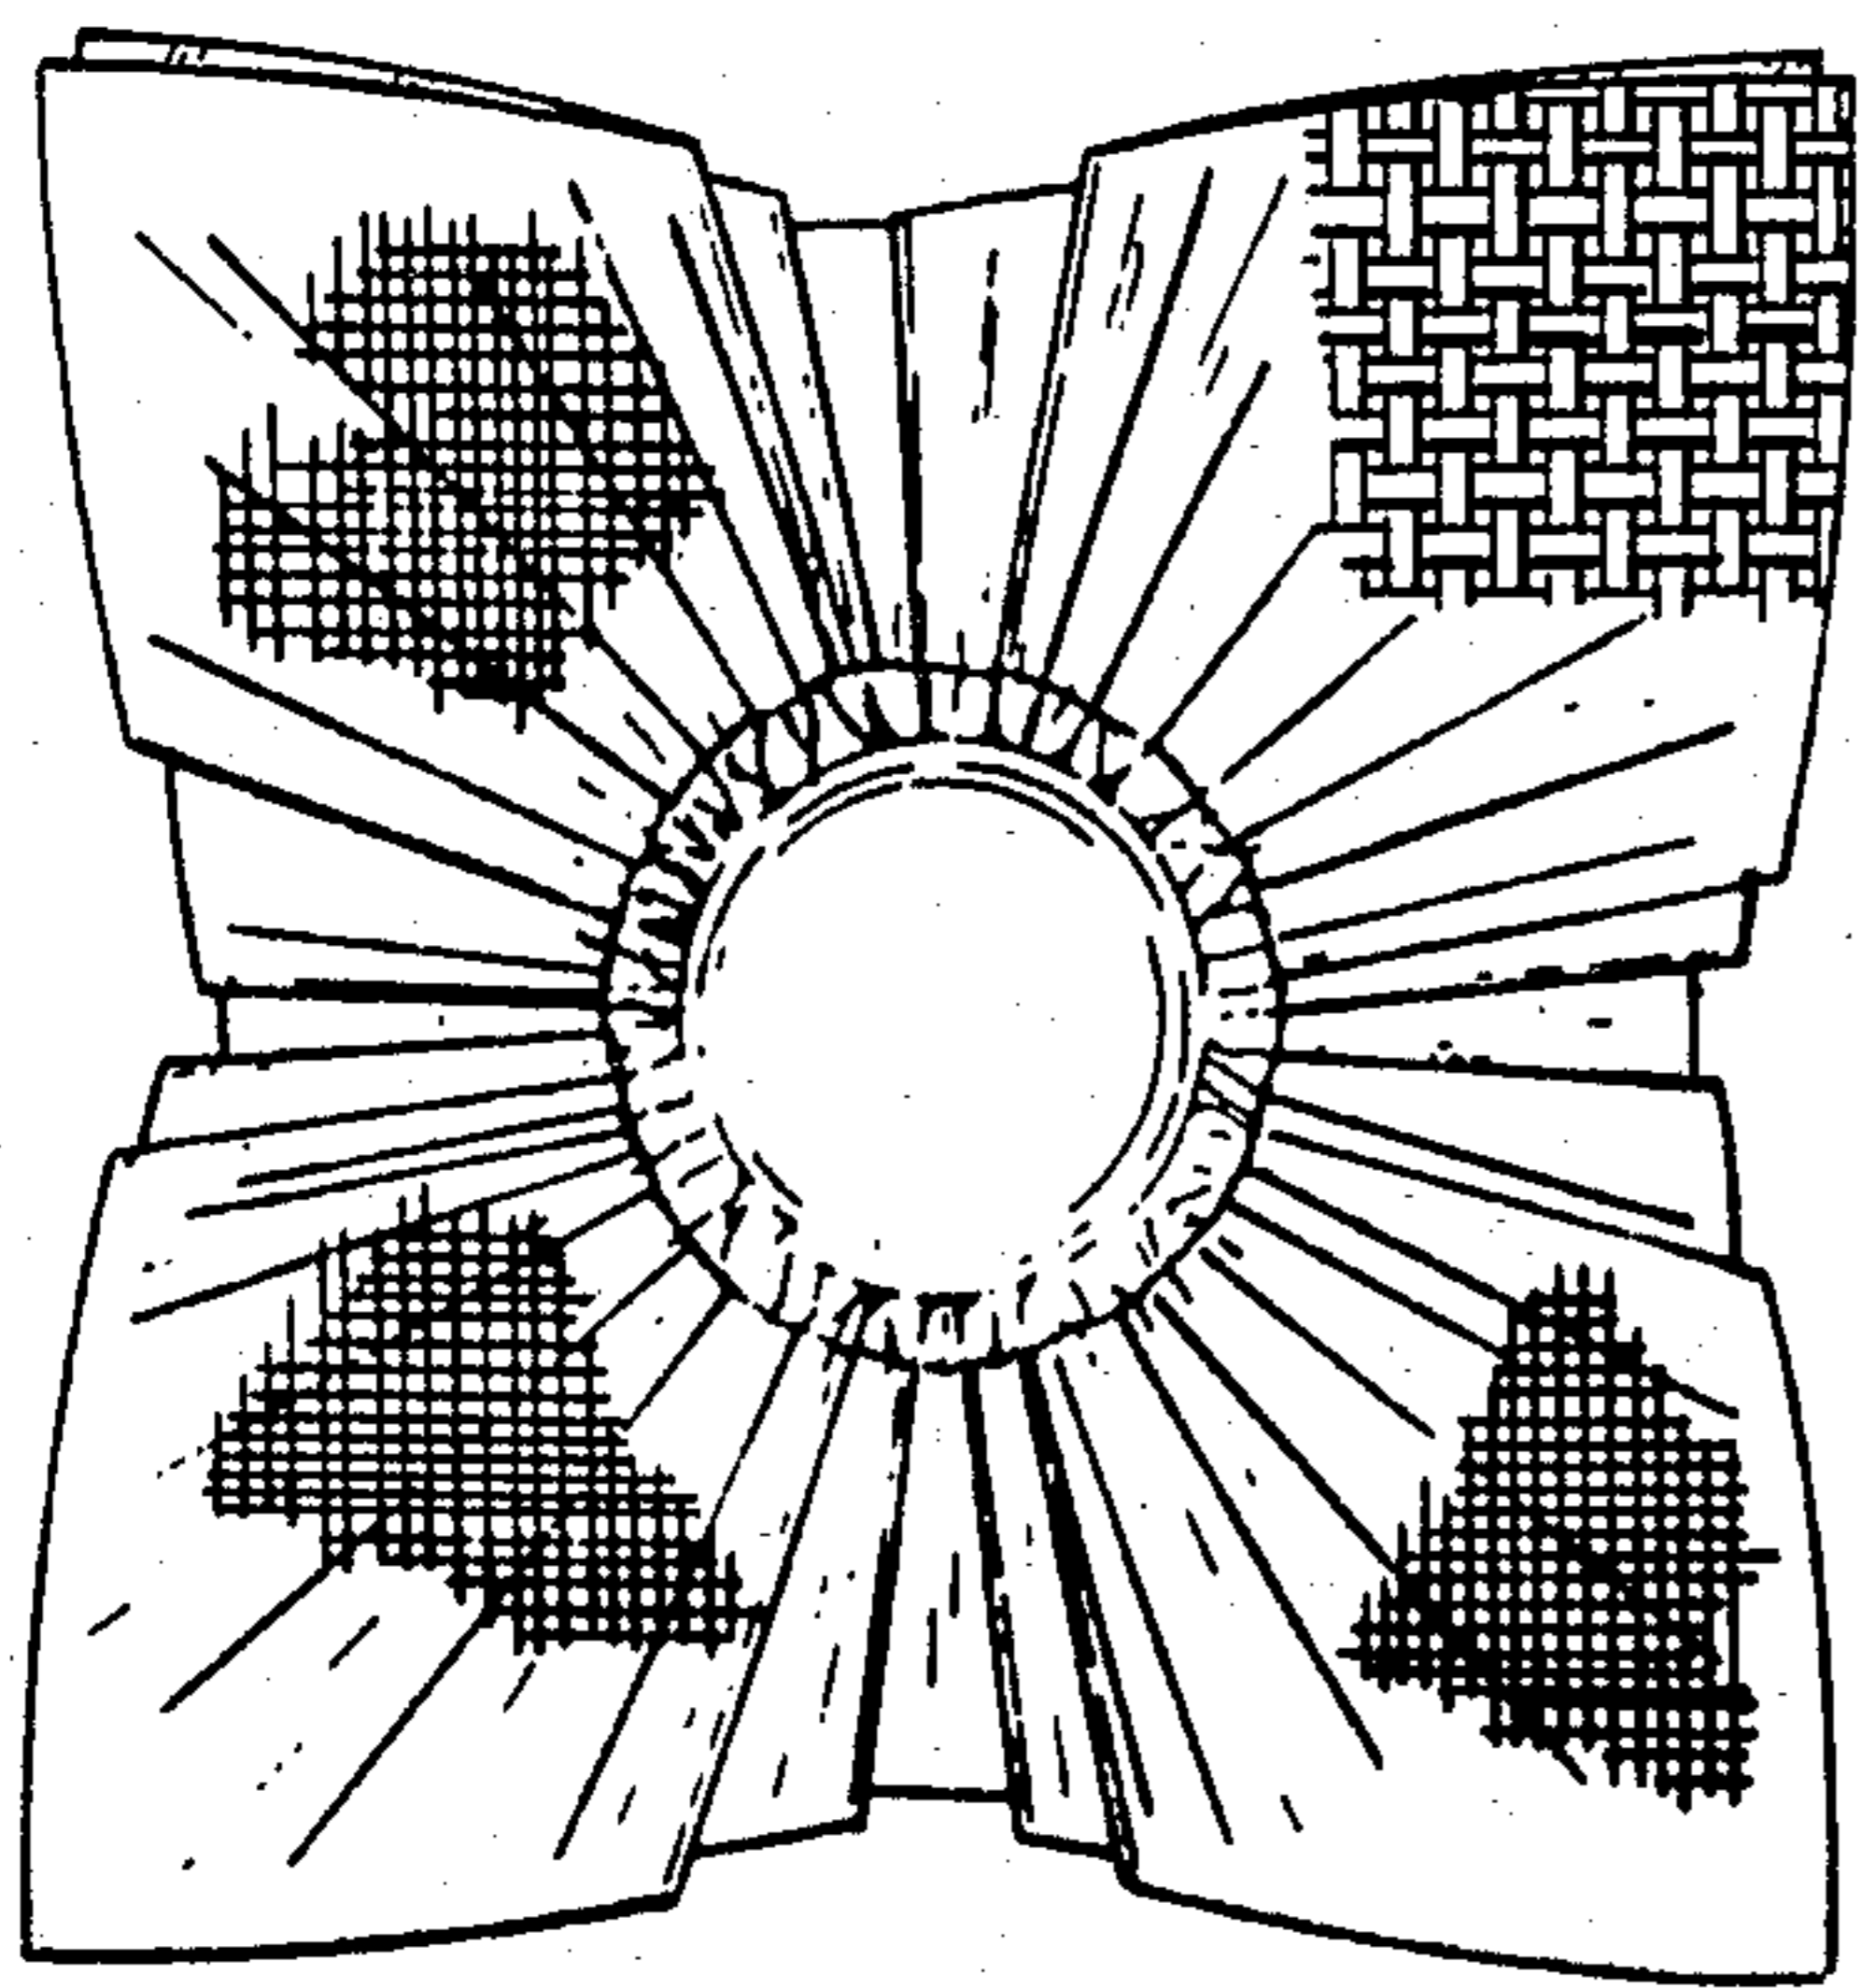

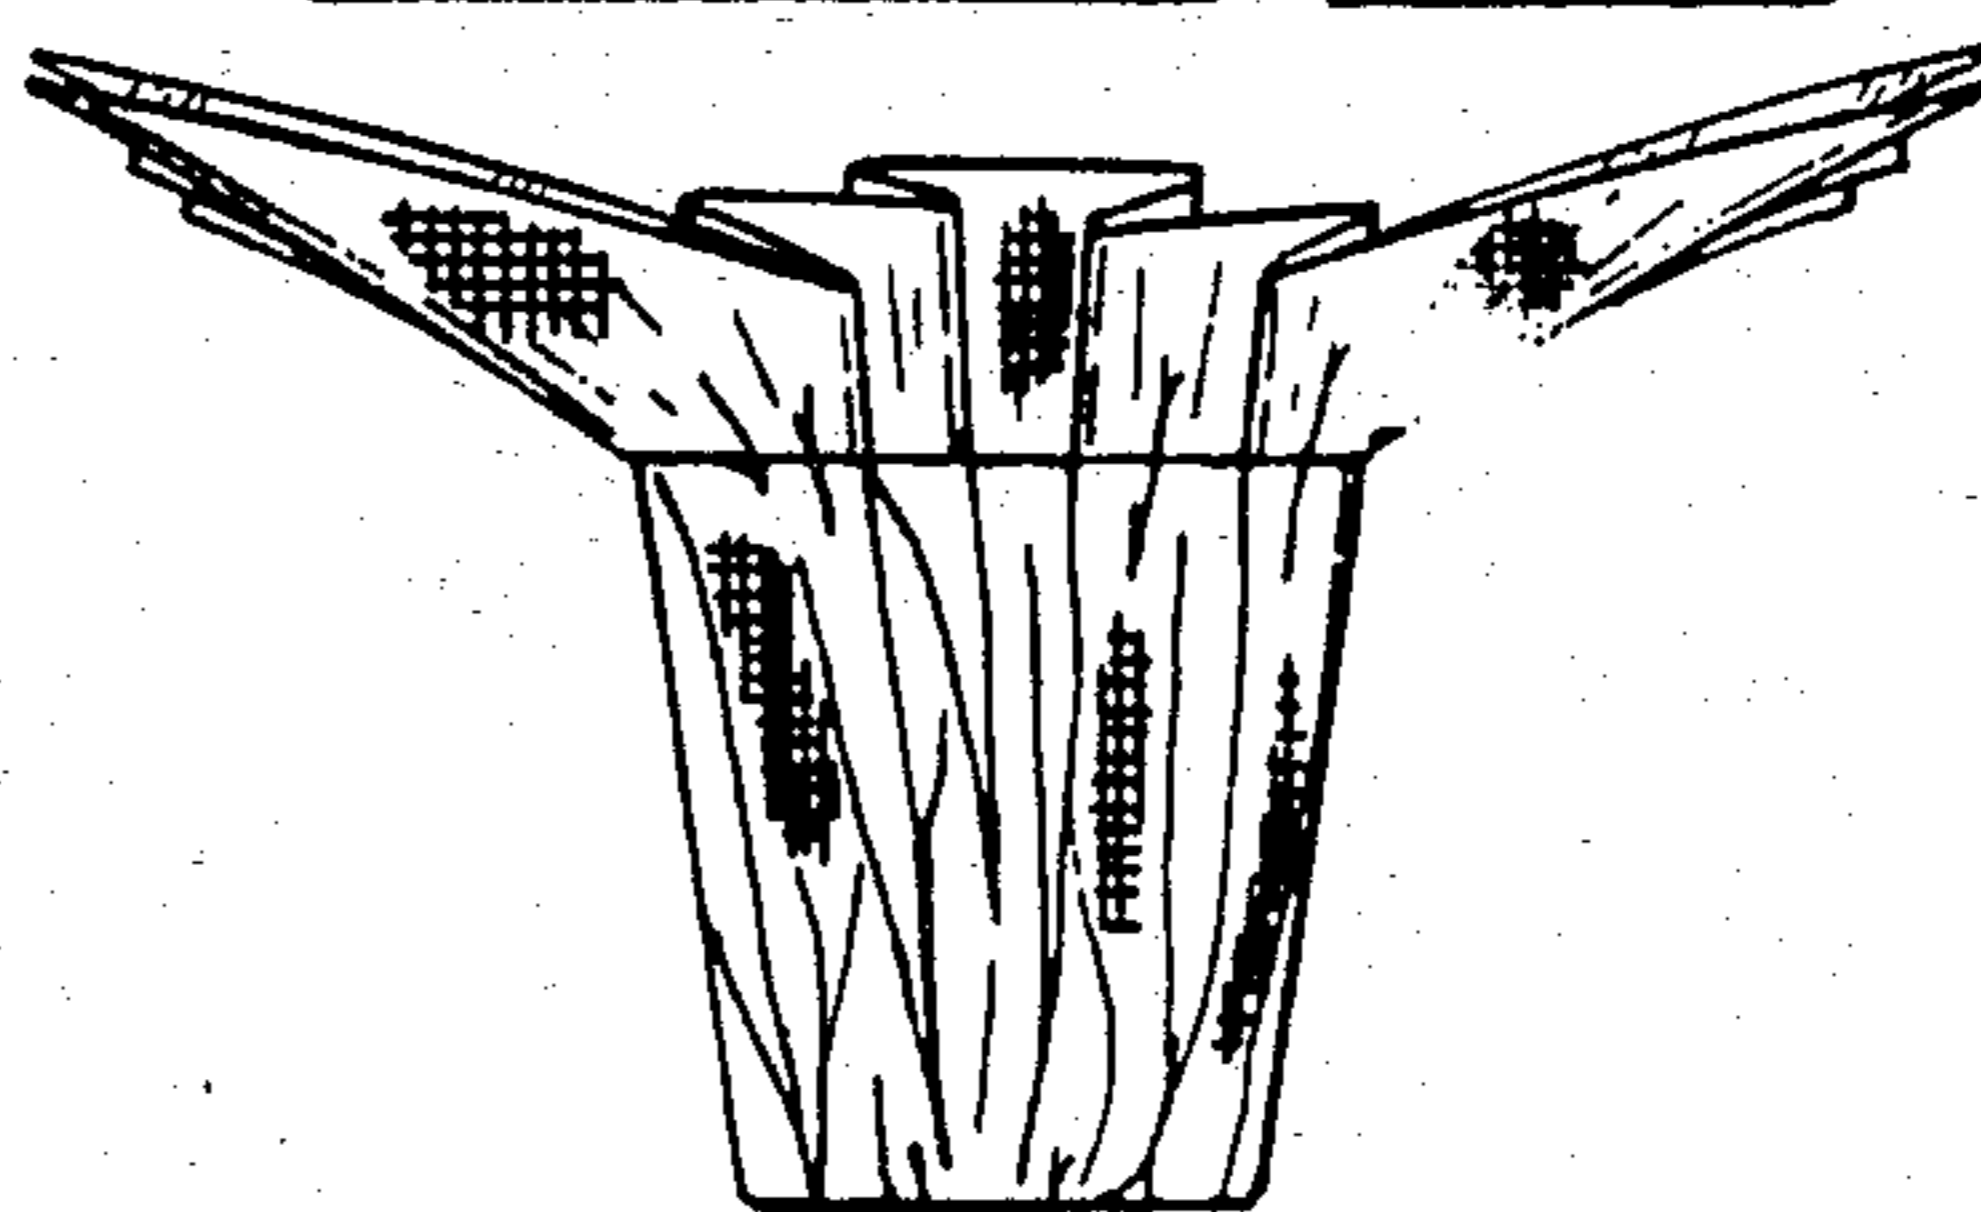

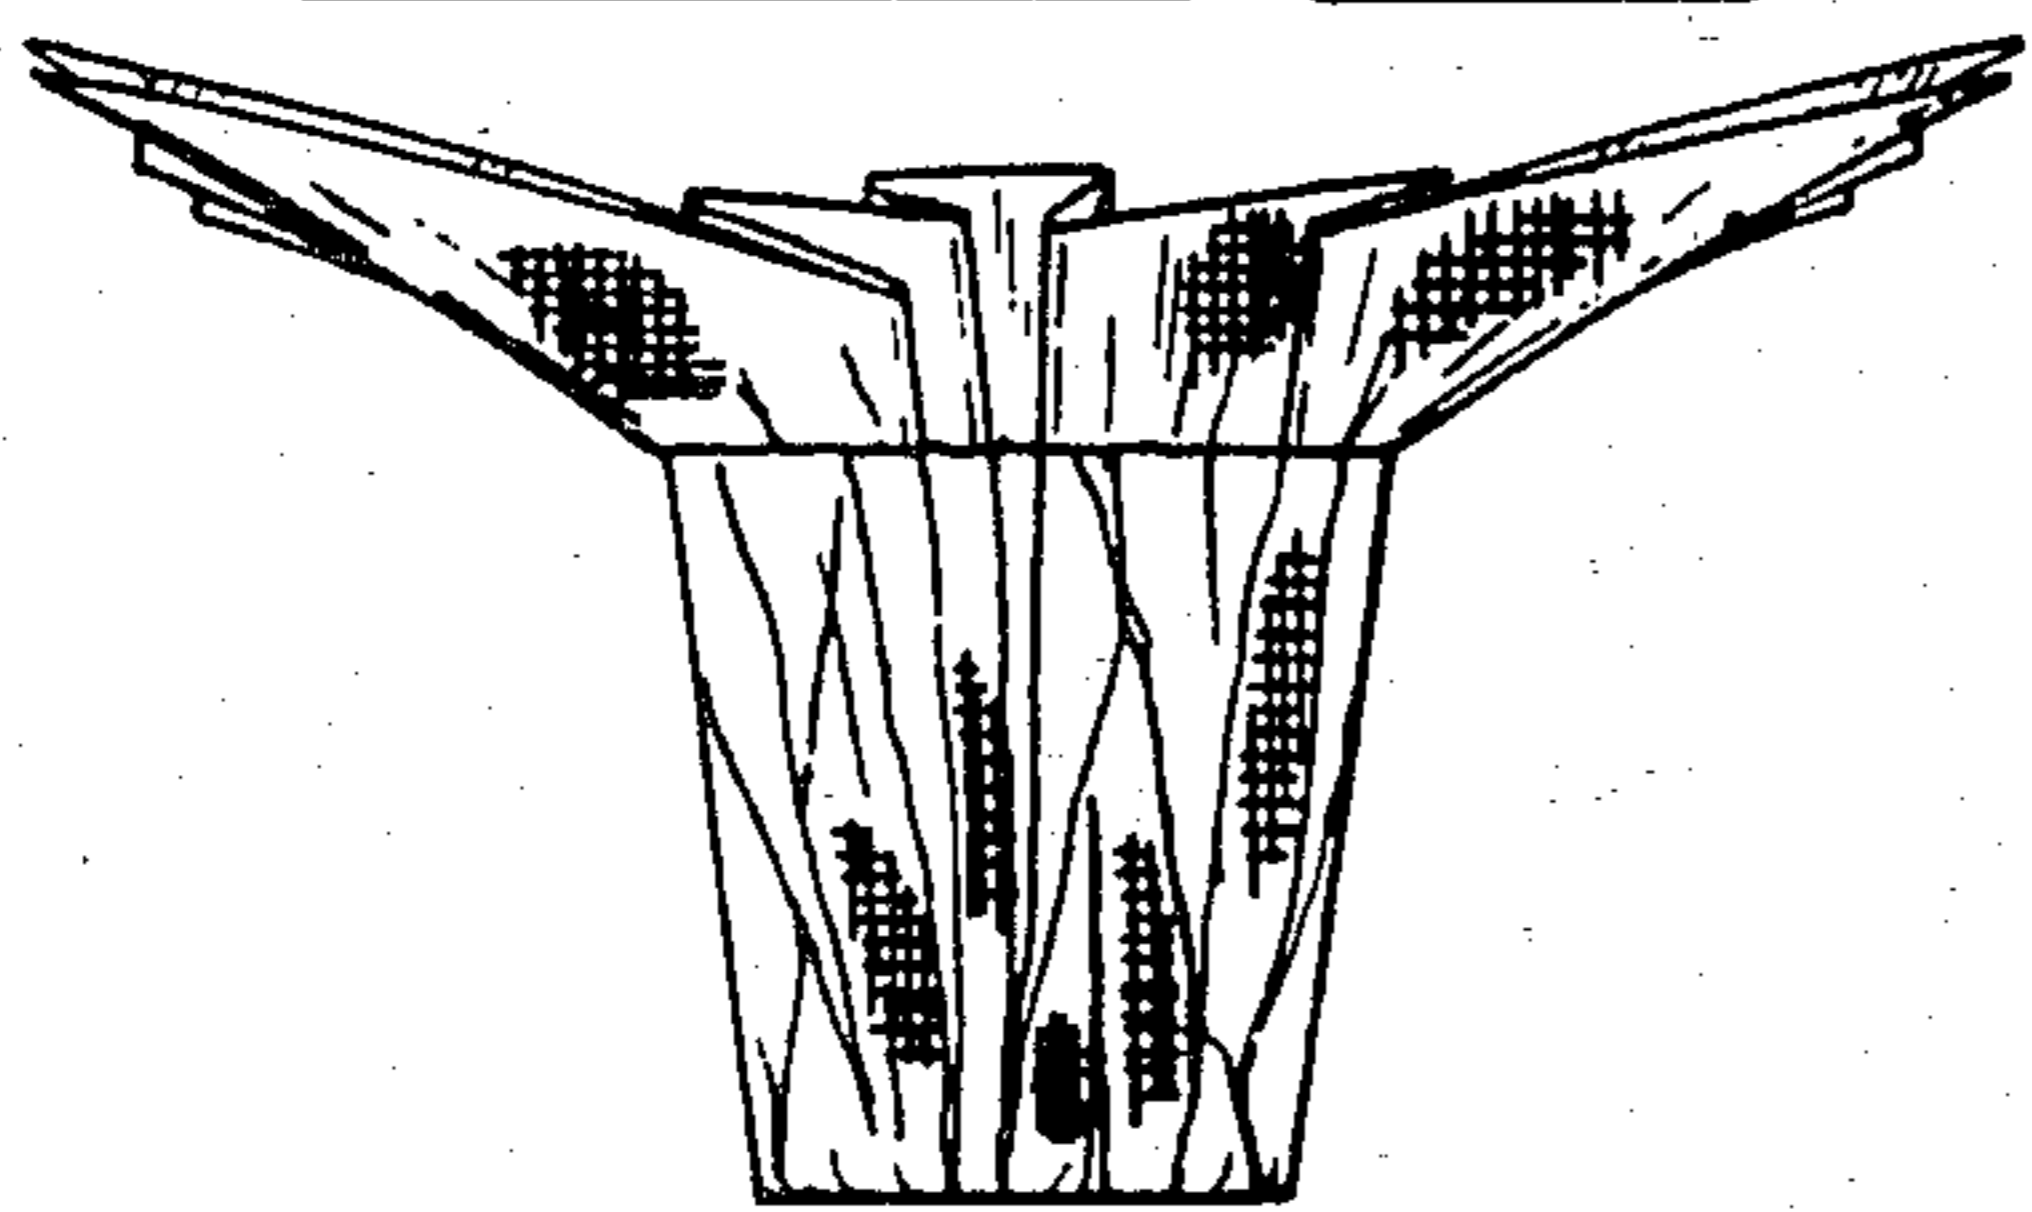

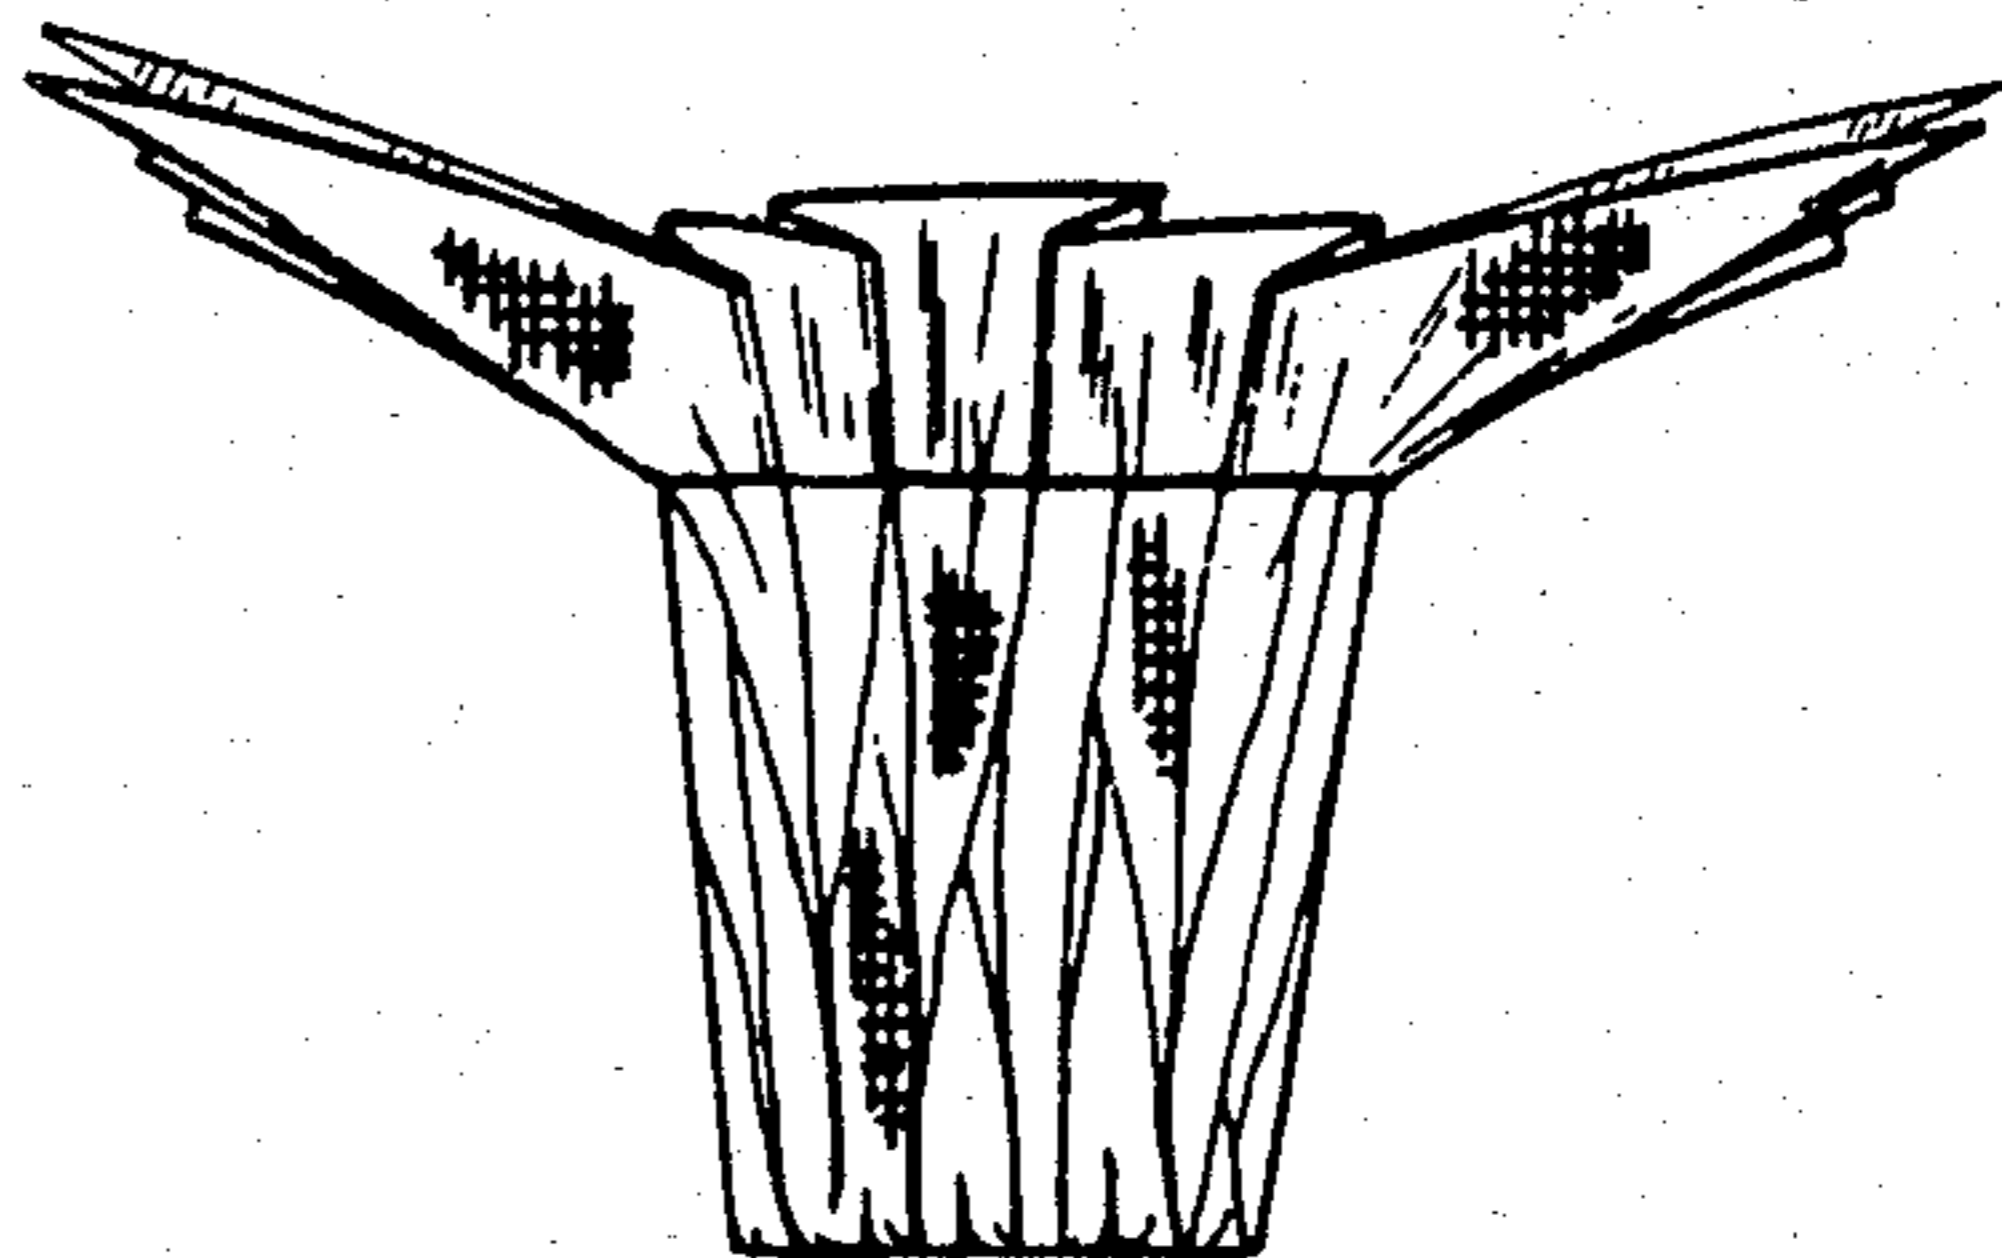

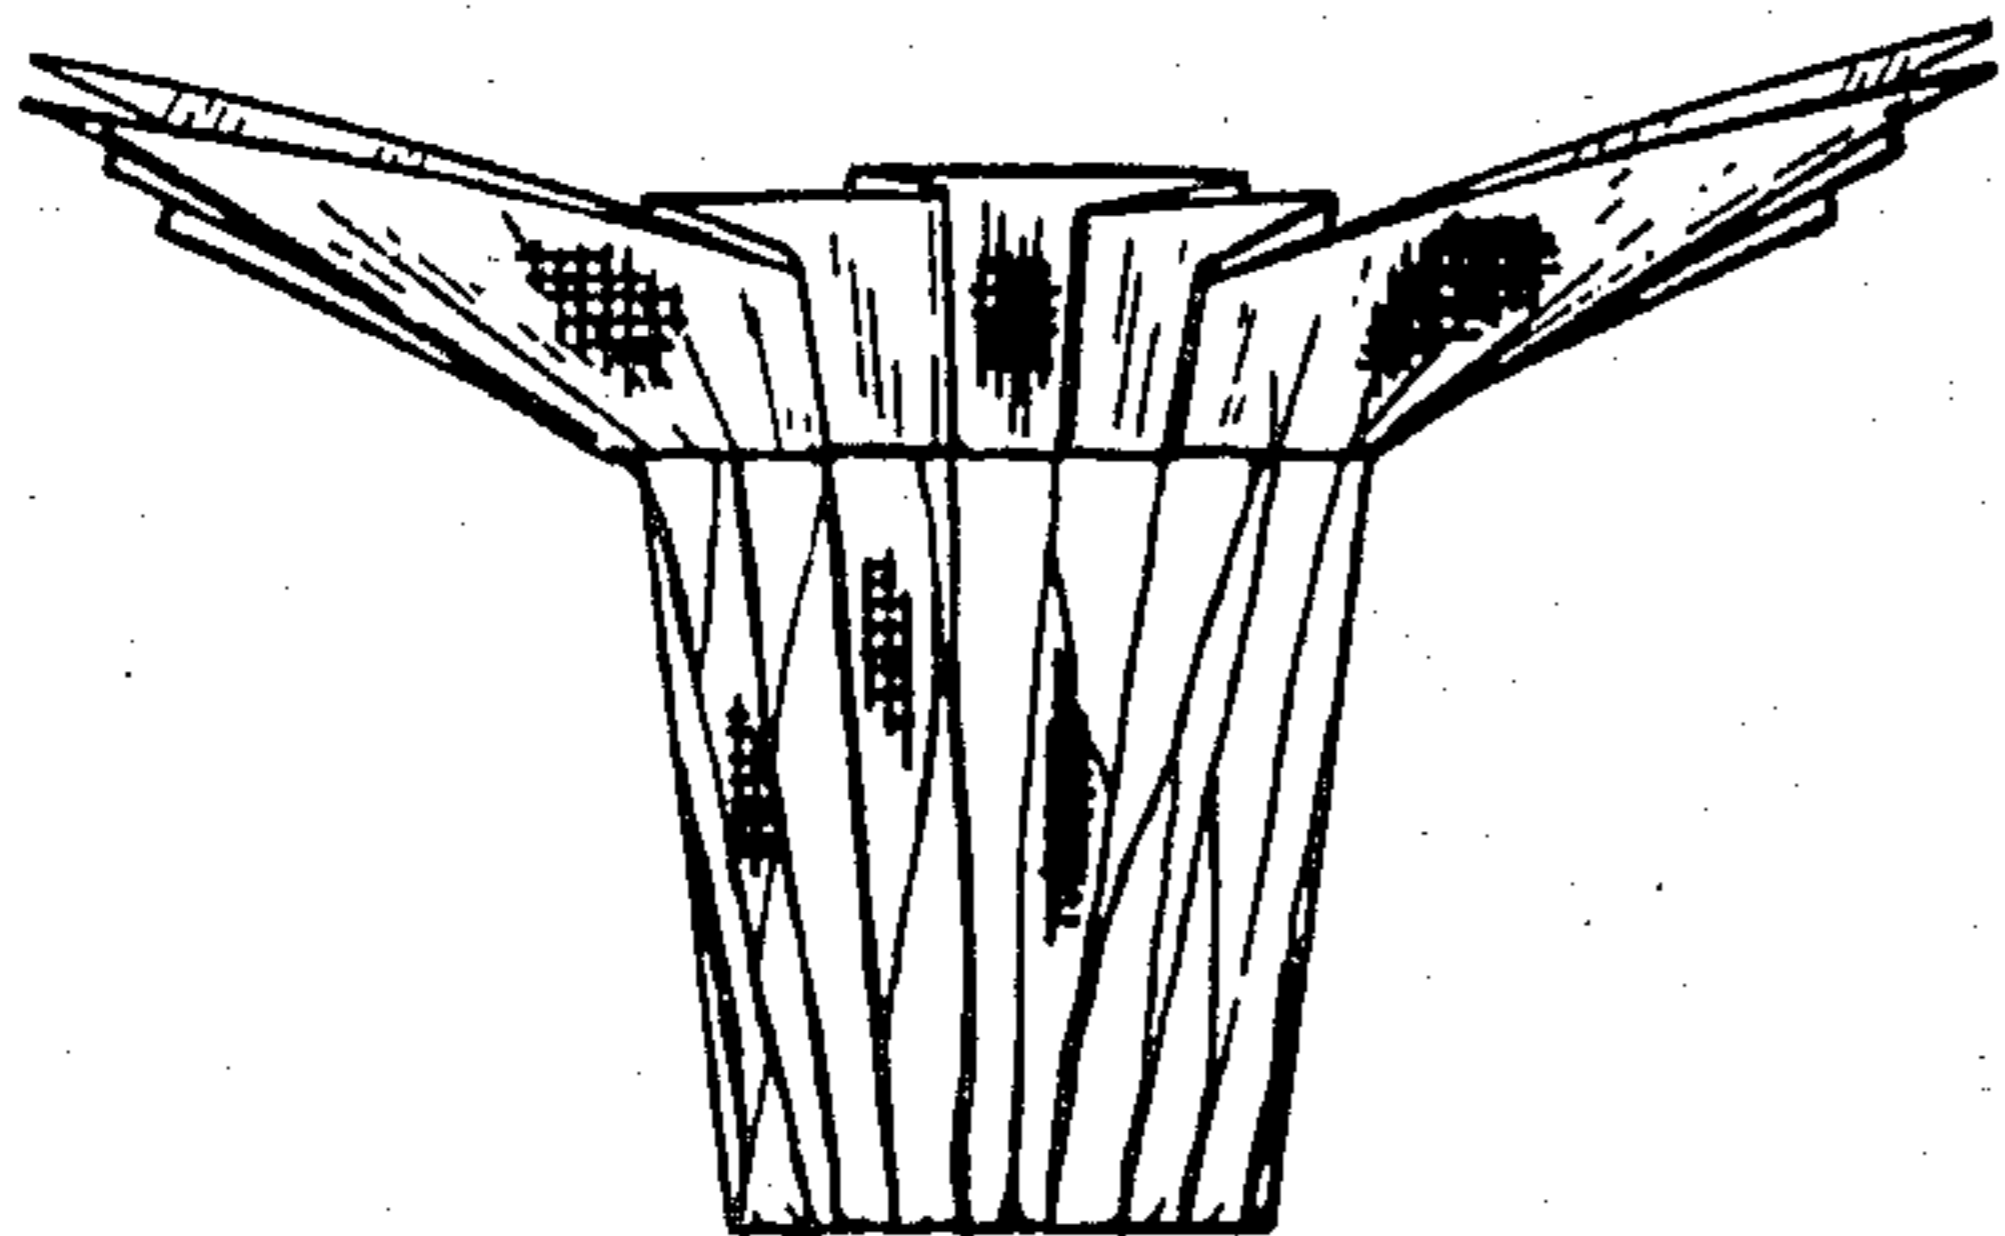

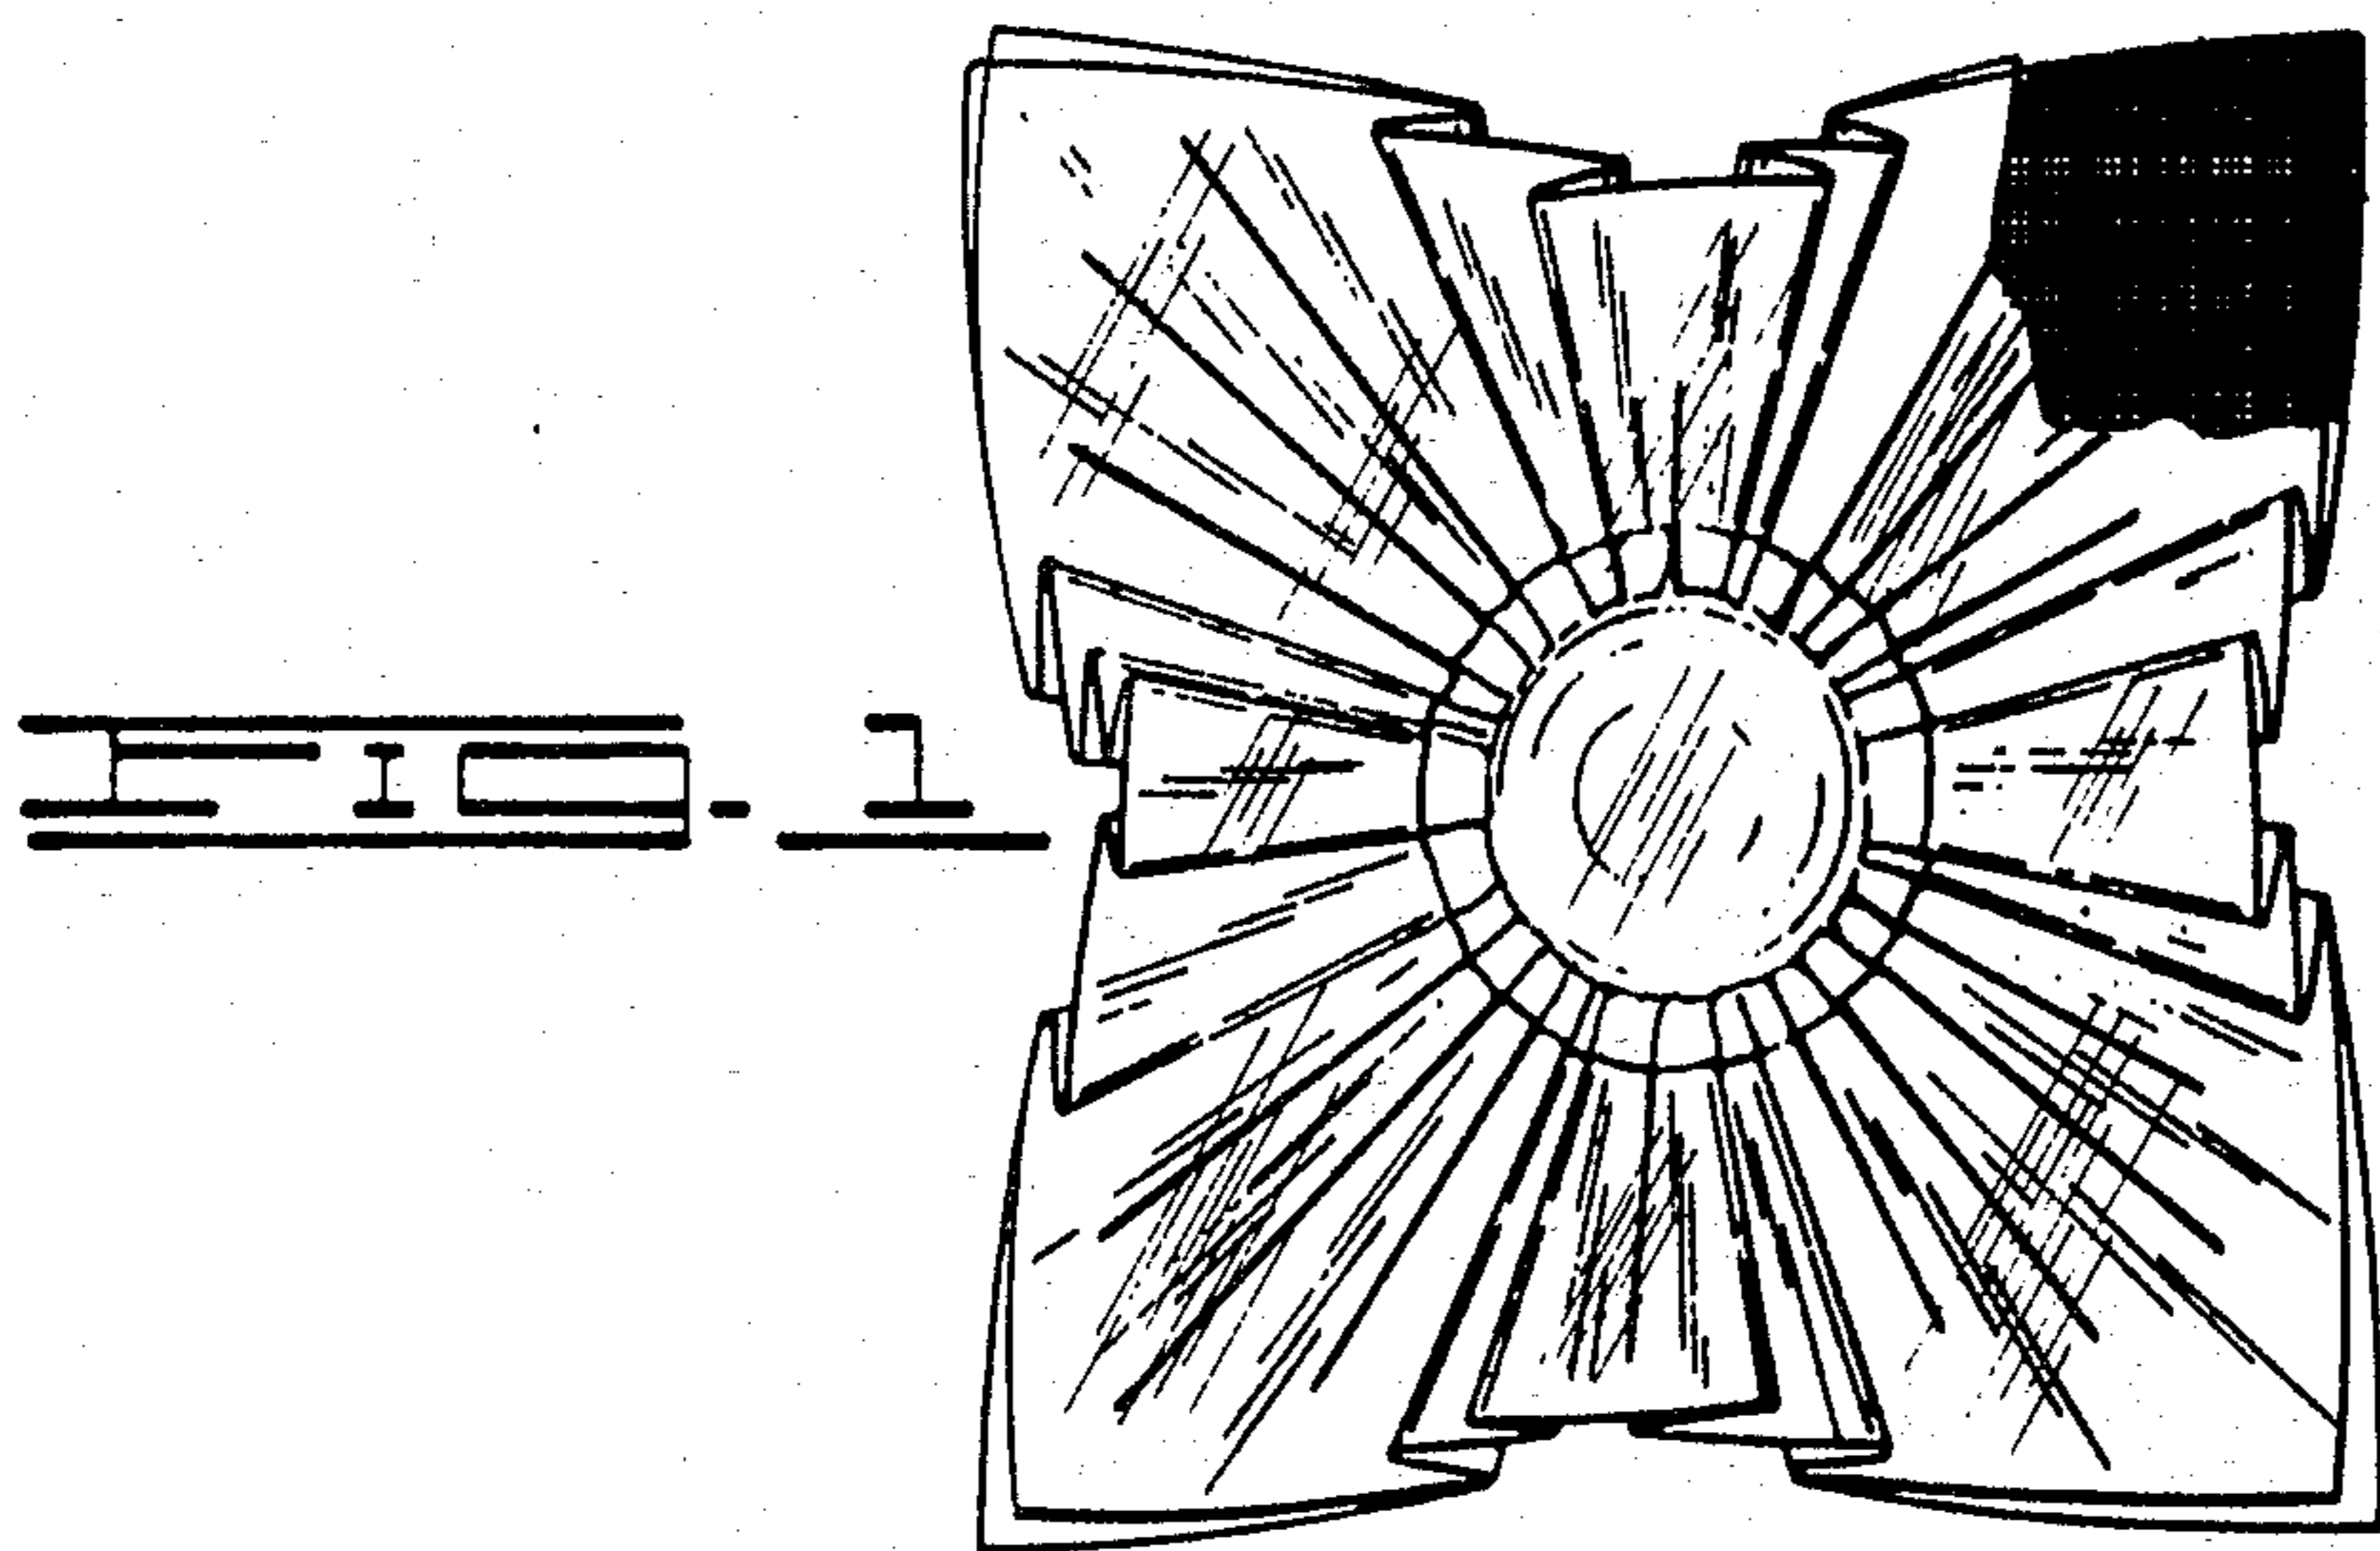

FIG. 6

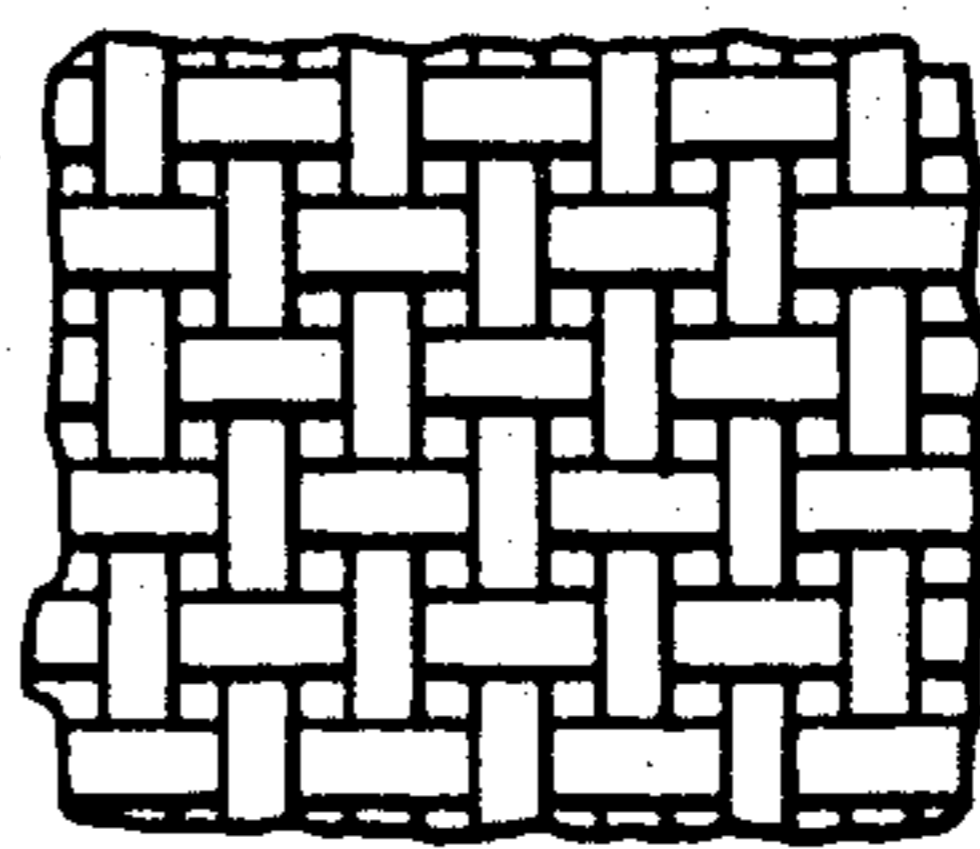

FIG. 7
