[57] **CLAIM**

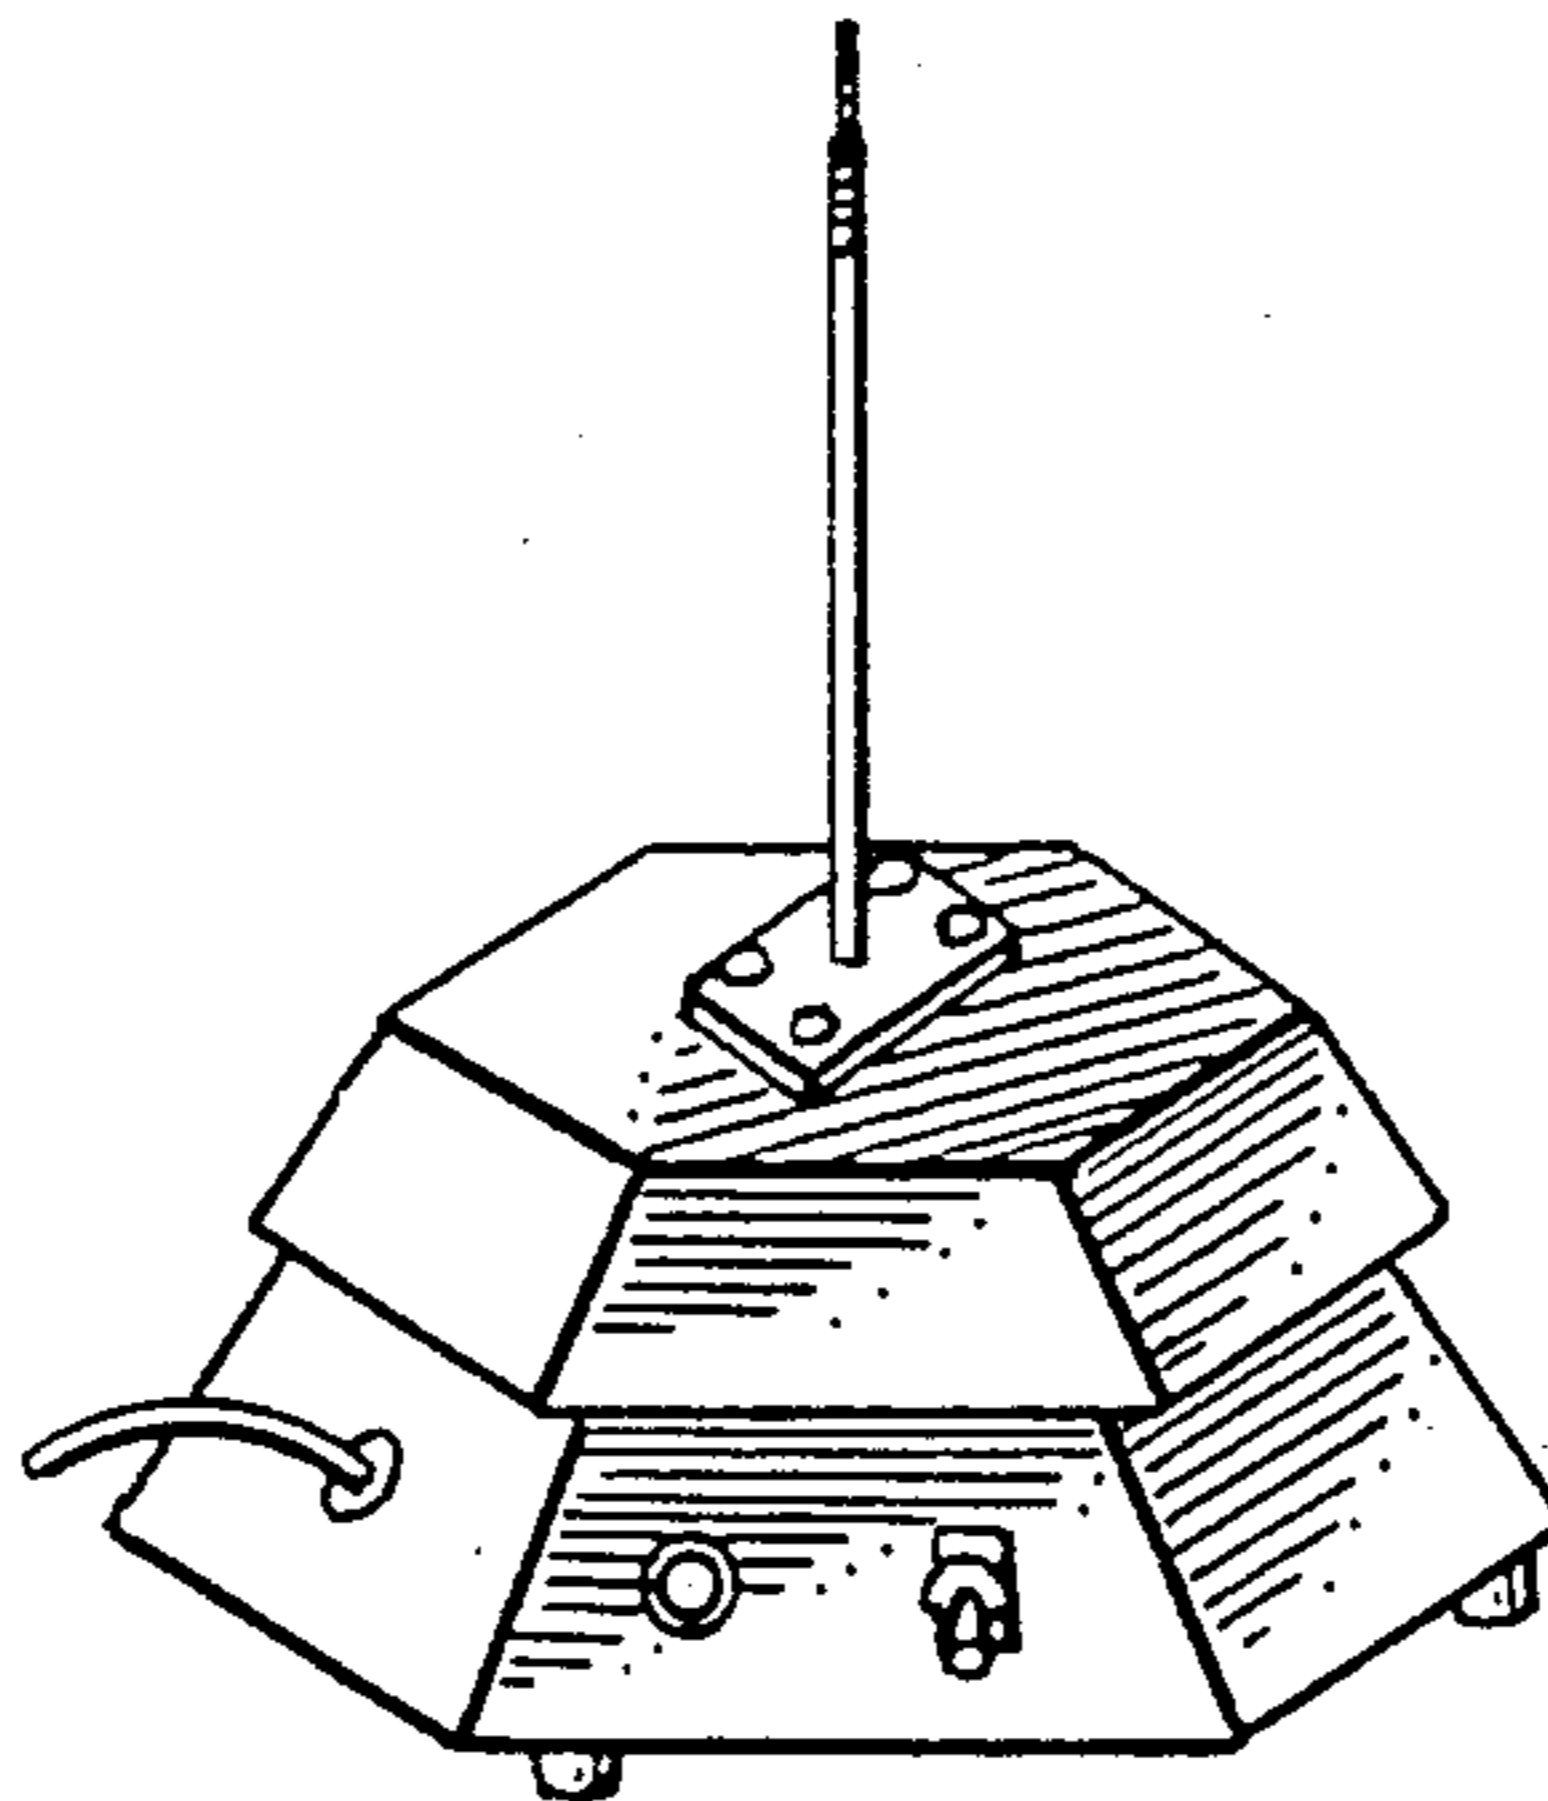

The ornamental design for a vibratory tumbler base, substantially as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of a vibratory tumbler base showing my new design, the cord shown broken away to indicate indeterminate length; and

FIG. 2 is an enlarged side elevational view.

The sides which are not shown are identical to those shown but are all plain and the bottom is unornamented.

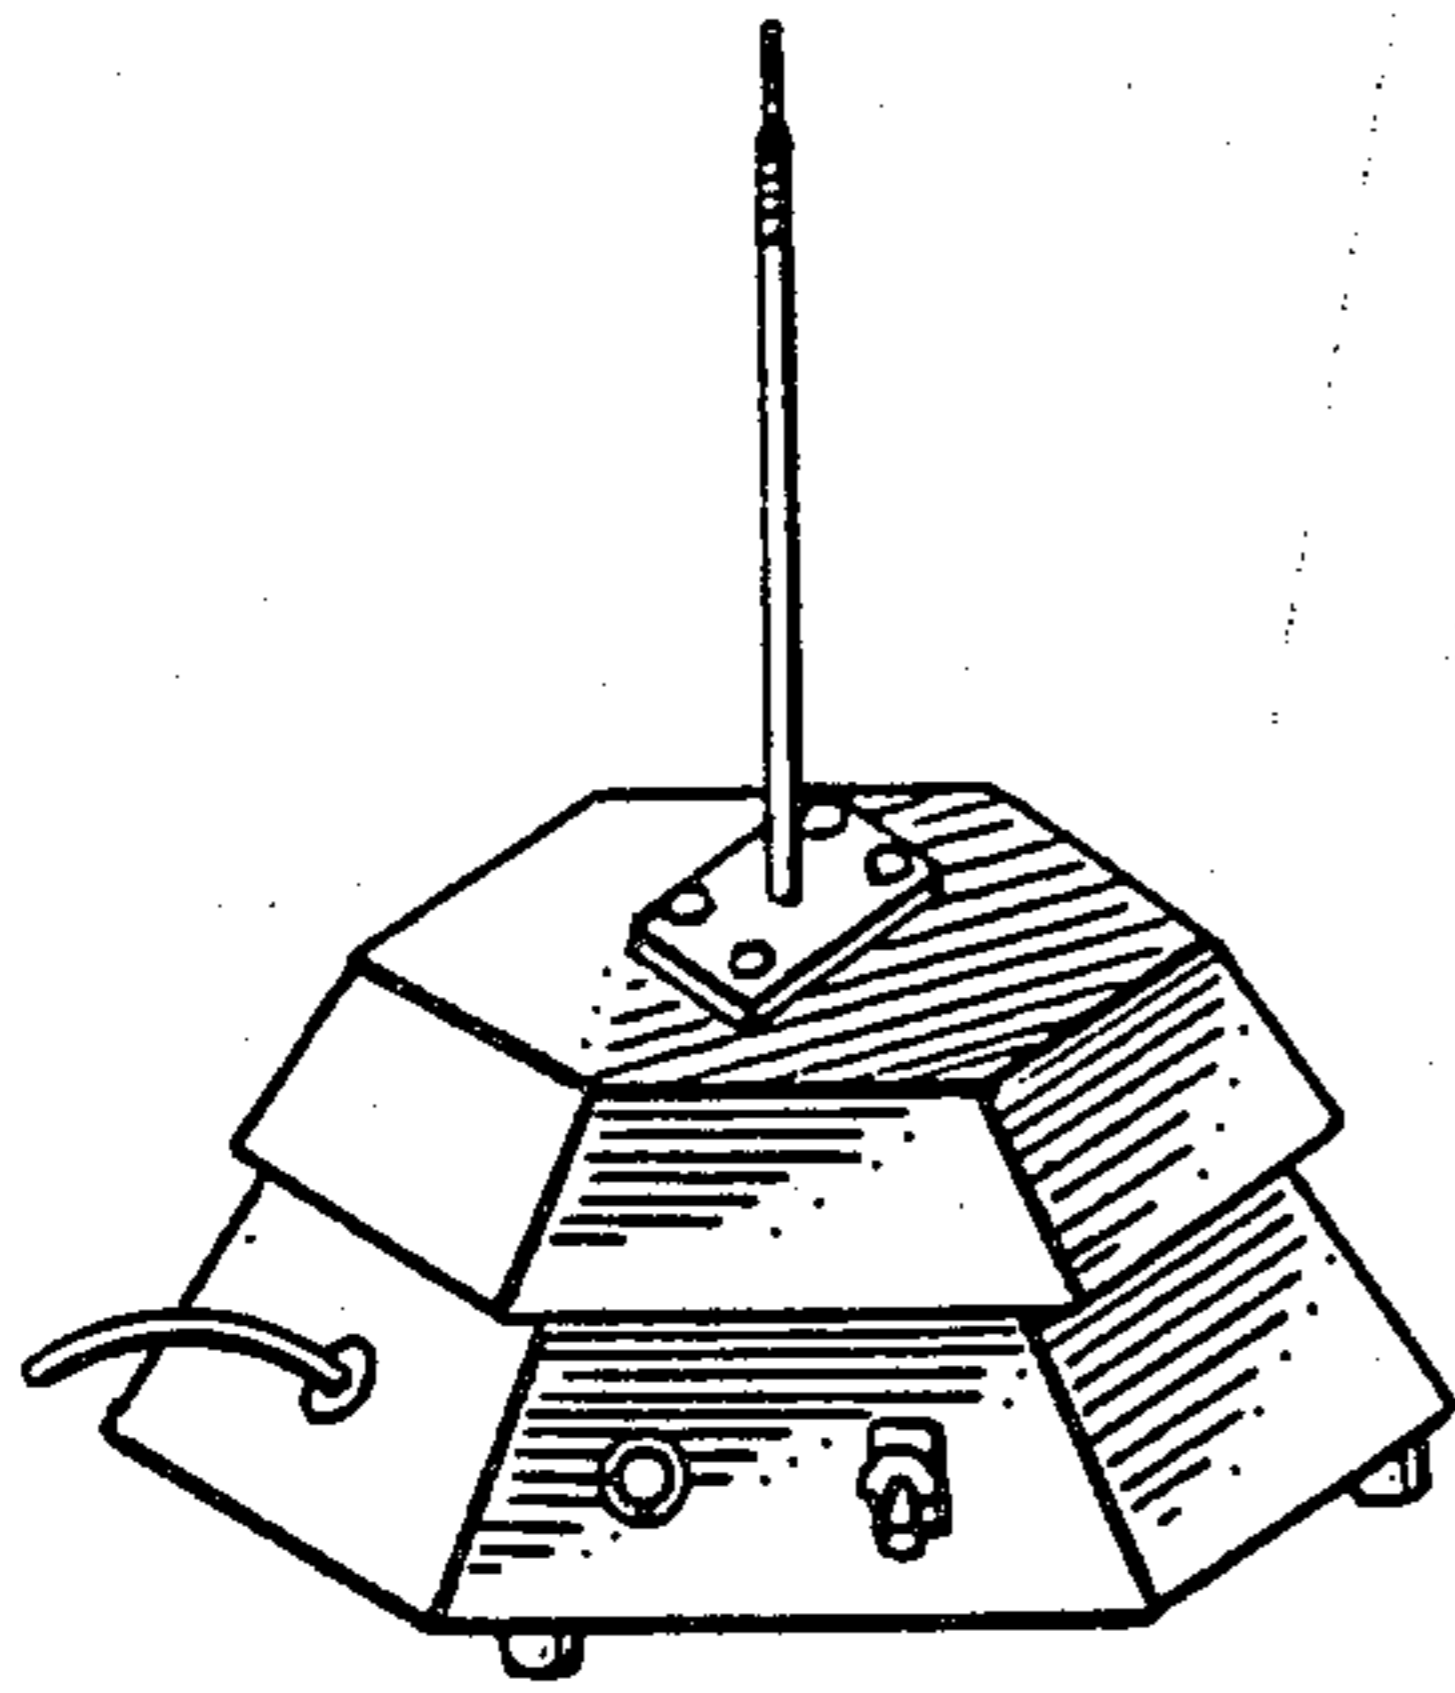

FIG. 1

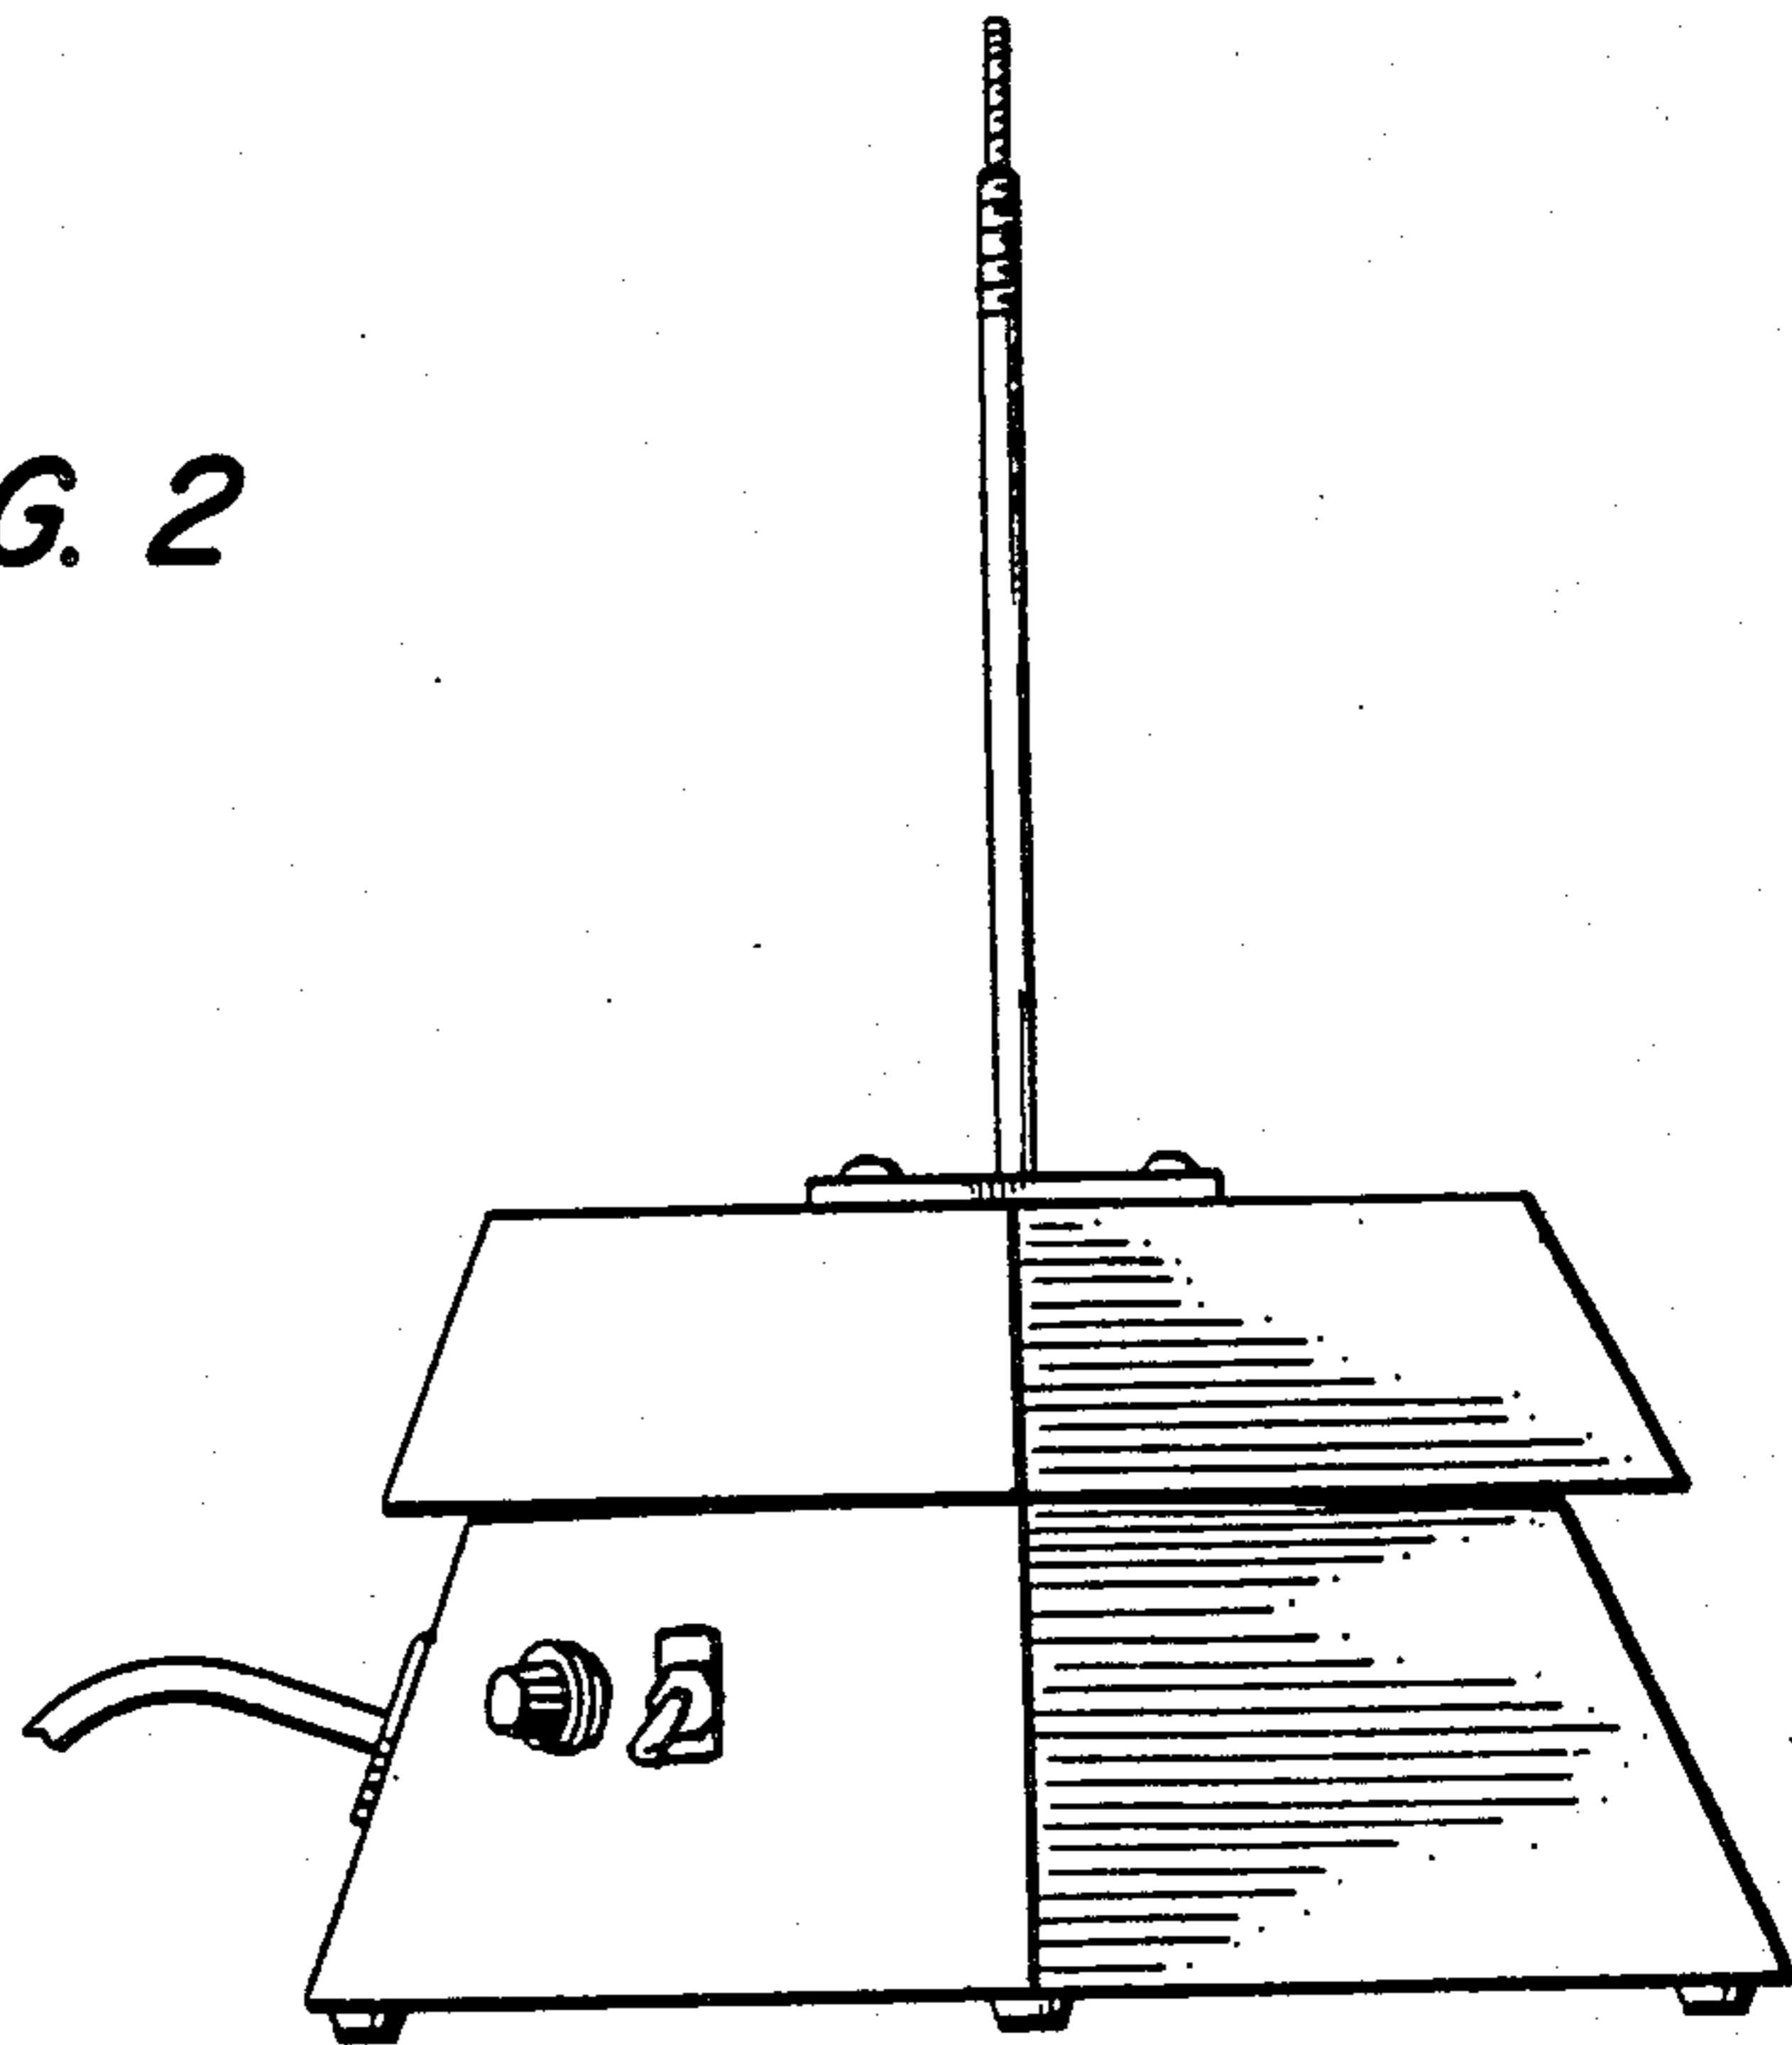

FIG. 2
