[57] CLAIM

The ornamental design for an adjustable equipment support stand, substantially as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of an adjustable equipment support stand showing my design, the broken lines disclosed therein being for illustrative purposes only; FIG. 2 is a front elevational view thereof on an enlarged scale, the rear elevational view being substantially the same; FIG. 3 is a top plan view thereof on an enlarged scale, the bottom plan view thereof being substantially the same; and FIG. 4 is a left end elevational view thereof on an enlarged scale, the right end elevational view being substantially a mirror image thereof. FIGS. 2 and 3 have been shown broken away at the center for ease of illustration.
