[57] **CLAIM**

The ornamental design for an automotive fuel distribution block, as shown.

DESCRIPTION

FIG. 1 is a perspective view of an automotive fuel distribution block showing my new design; FIG. 2 is a side elevational view thereof, the opposite side being the mirror image thereof. FIG. 3 is an end elevational view, the opposite end being the mirror image thereof. FIG. 4 is a top view thereof; and FIG. 5 is a bottom view thereof.
