[57] CLAIM

The ornamental design for a combined cap and article retainer flap, substantially as shown and described.

DESCRIPTION

FIG. 1 is a front elevational view of a combined cap and article retainer flap showing my new design; FIG. 2 is a left side elevational view thereof; FIG. 3 is a right side elevational view thereof; FIG. 4 is a top plan view thereof; FIG. 5 is a bottom plan view thereof; FIG. 6 is a rear elevational view thereof; FIG. 7 is a side elevational view with the flap in open position; and FIG. 8 is a top plan view of a modified form of the article retainer flap shown on the cap of FIG. 1; the front, rear and side of the cap are identical to those shown in FIGS. 1-3 and 6.

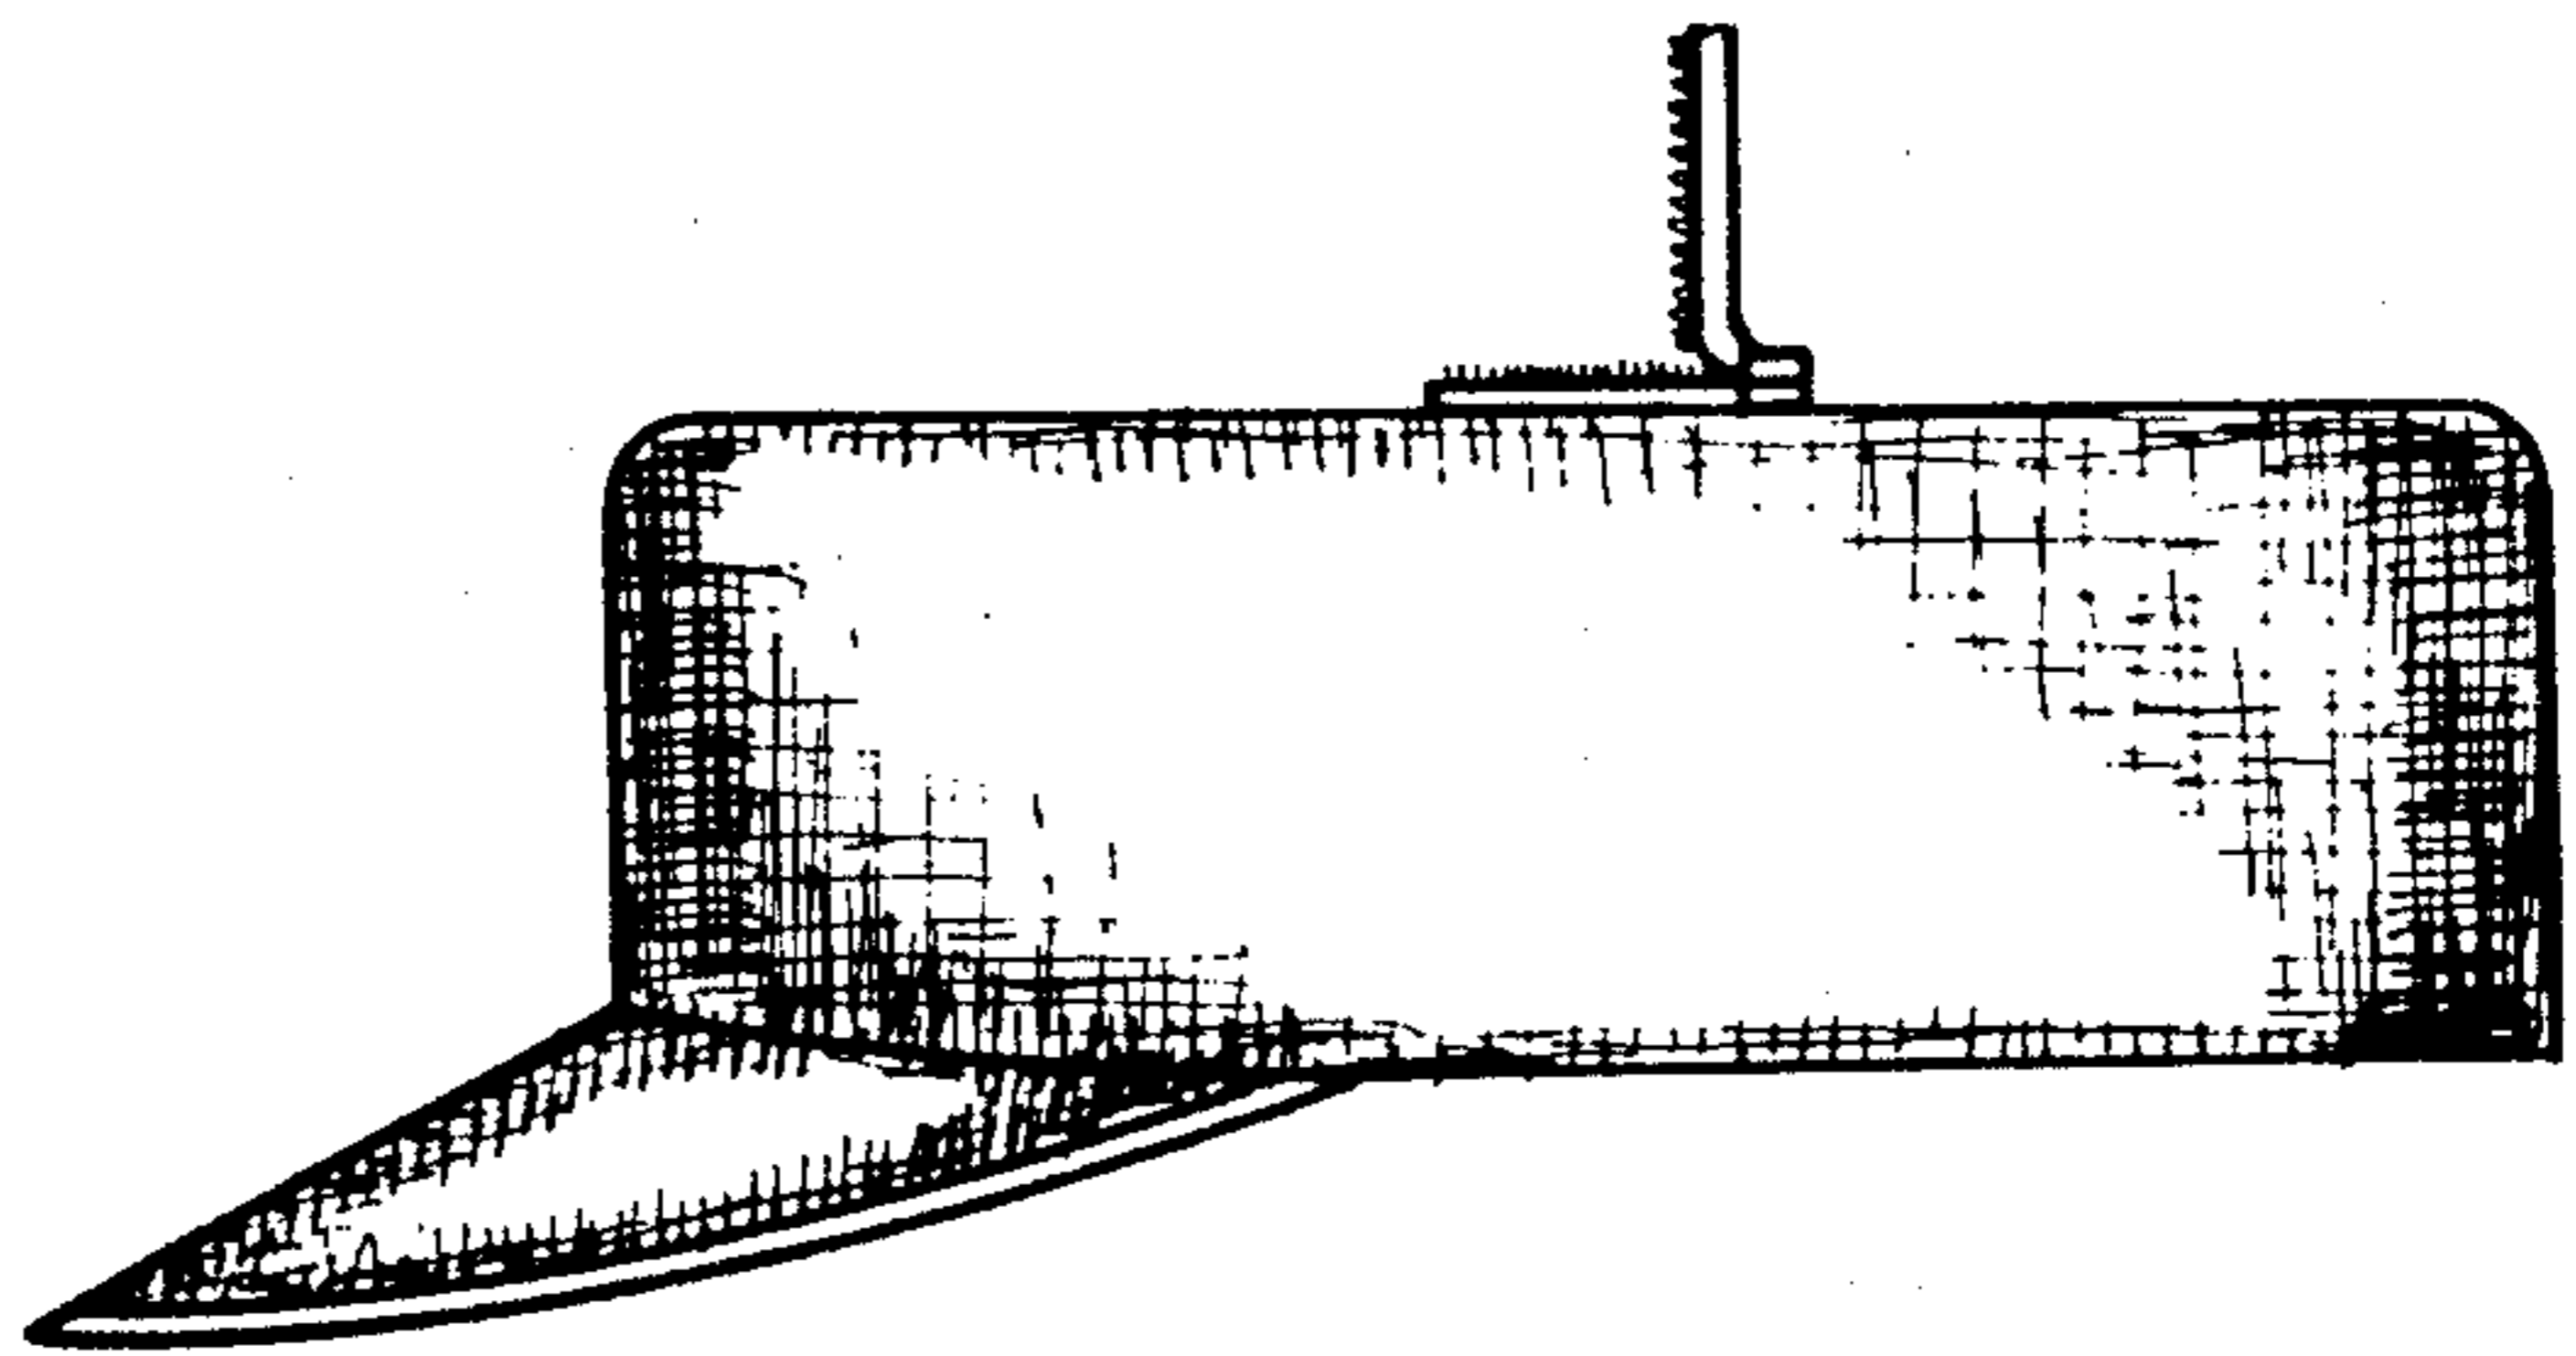

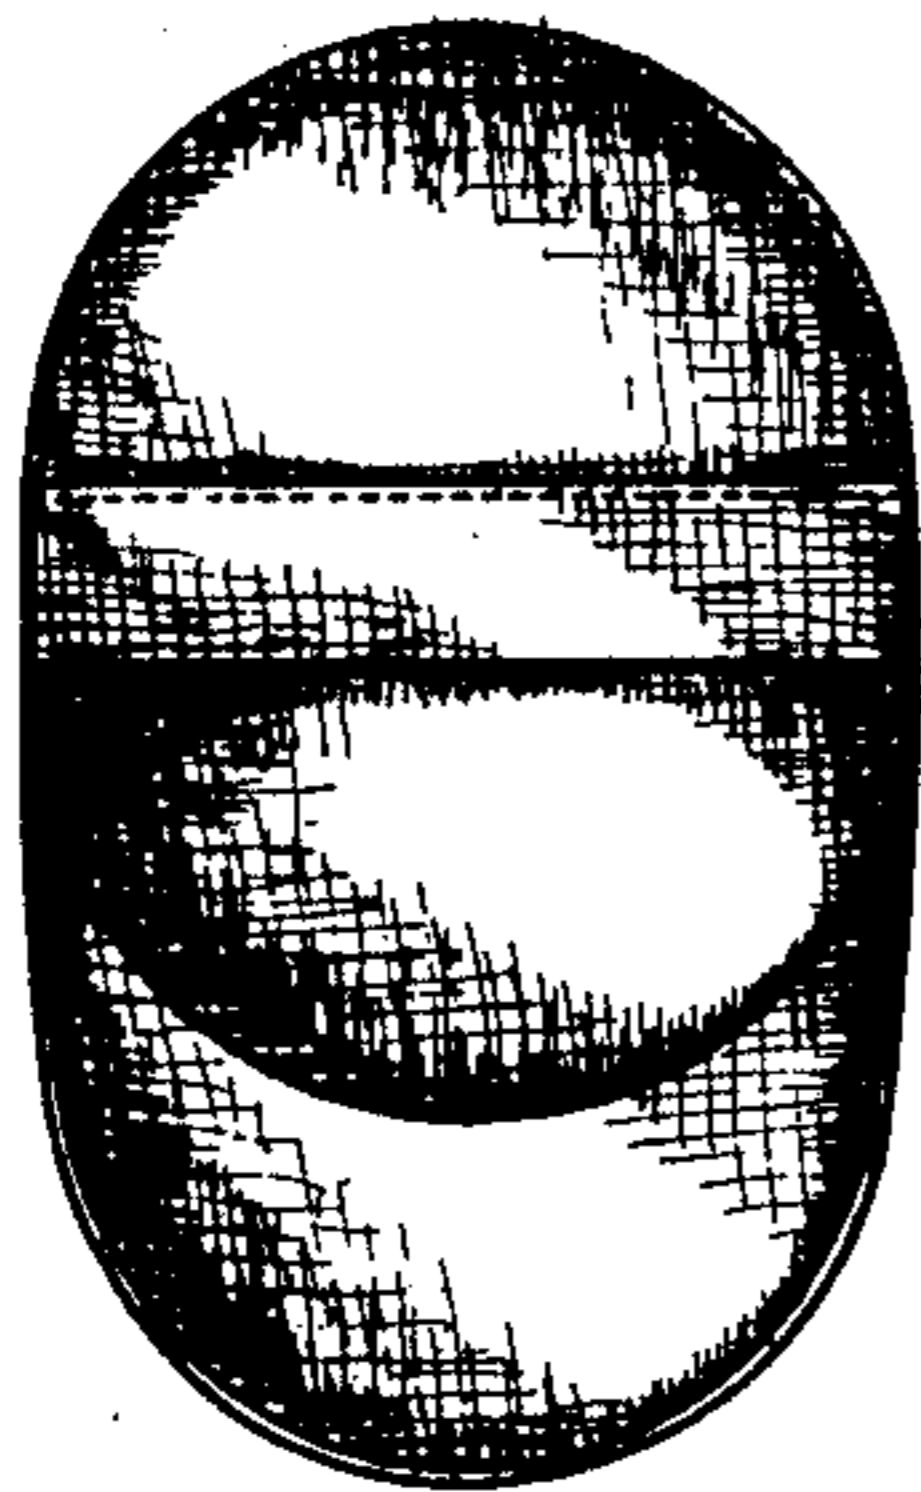

FIG. 1
