[57] **CLAIM**

The ornamental design for an electrical line cord surge suppressor, as shown and described.

DESCRIPTION

FIG. 1 is a top perspective view of an electrical line cord surge suppressor showing my new design;

FIG. 2 is a side elevational view thereof, the opposite side being substantially identical;

FIG. 3 is an end elevational view thereof, the opposite end being substantially identical; and

FIG. 4 is a top plan view thereof.

The cord in FIG. 2 is shown in broken lines for illustrative purposes only and forms no part of the claimed design.
