[57] CLAIM

The ornamental design for a dual utility services console for marinas, as shown and described.

DESCRIPTION

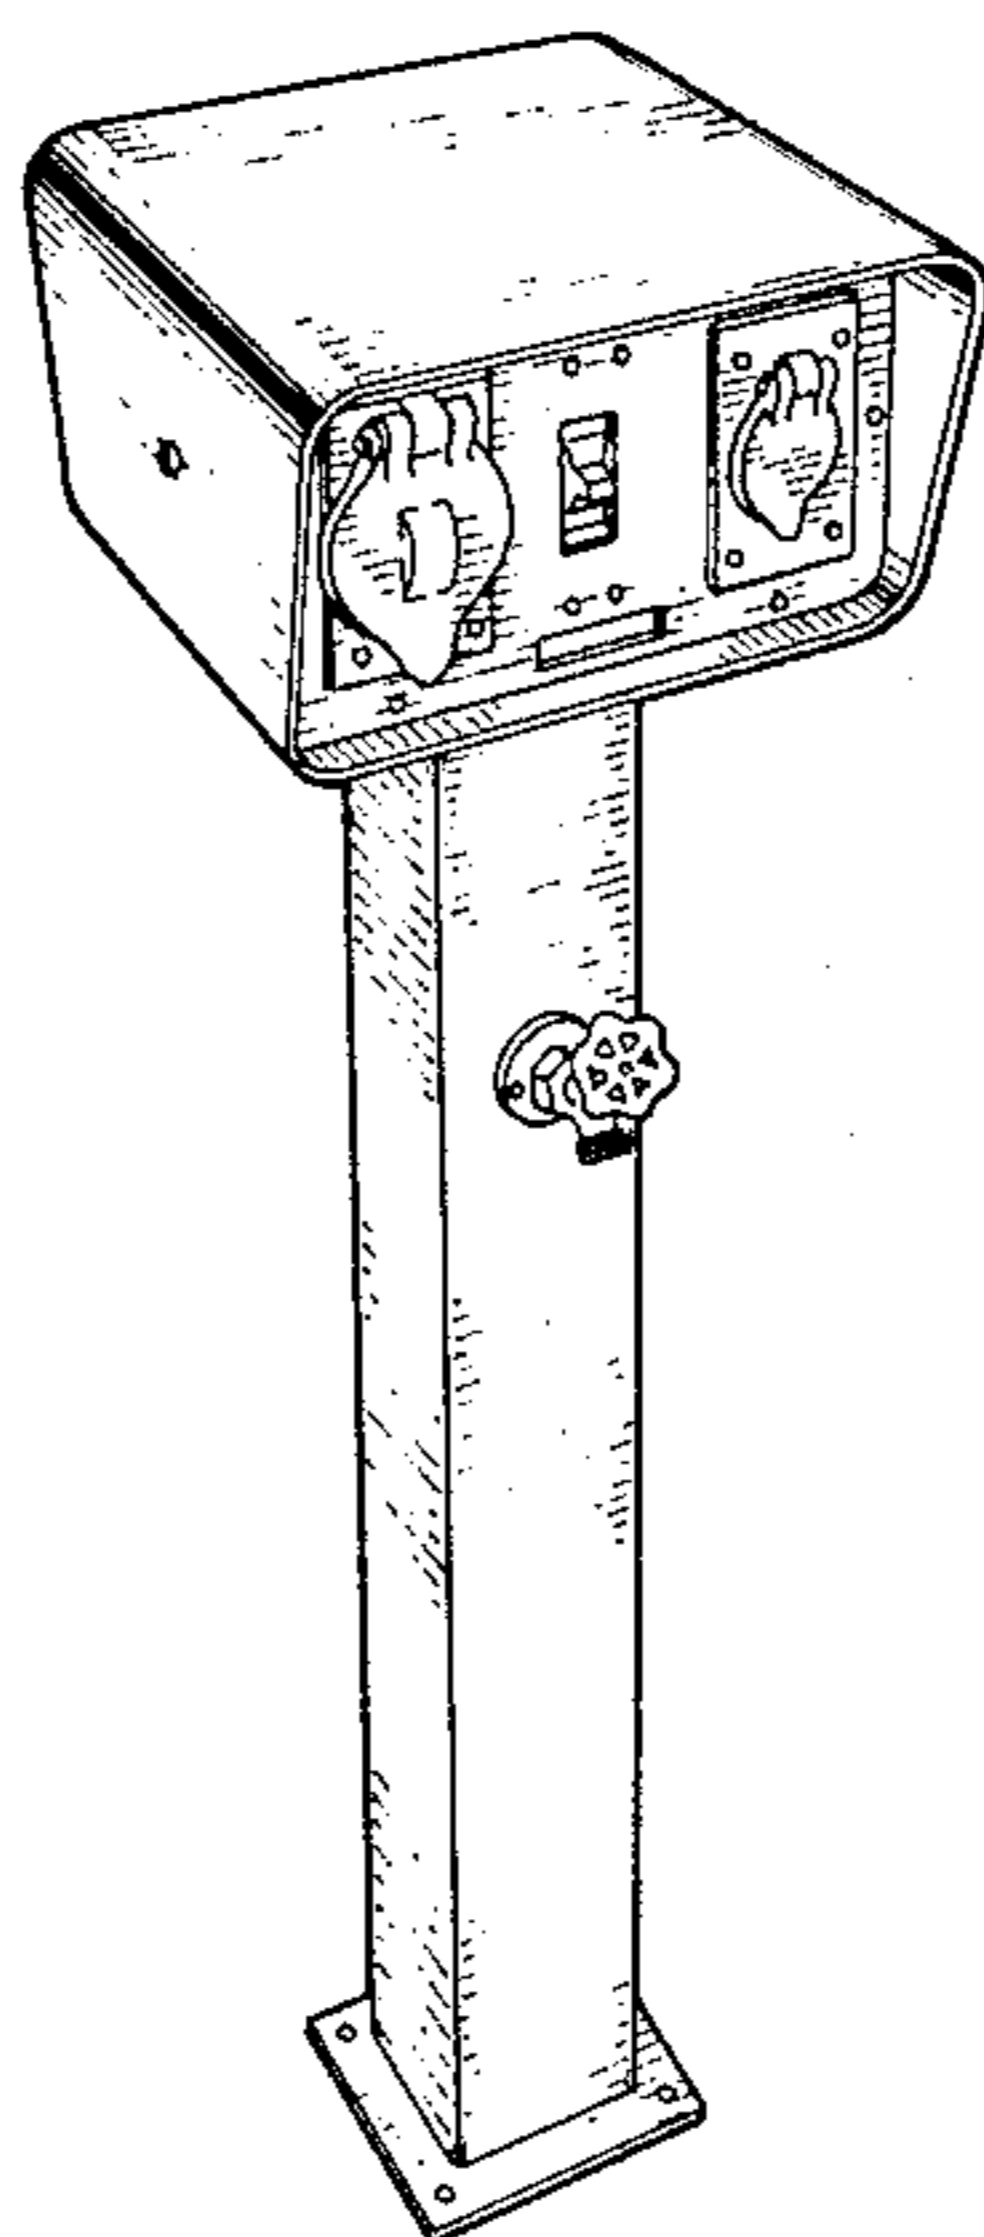

FIG. 1 is a top, front perspective view of the dual utility services console for marinas showing my new design, the rear being identical thereto.

FIG. 2 is a left side elevational view thereof, the right side being a mirror image.

FIG. 3 is a top, front perspective view thereof showing the receptacle covers in open condition, the rear being identical in the open condition.

FIG. 4 is a front elevational view thereof, the rear being a mirror image.

FIG. 5 is a front elevational view thereof showing the receptacle covers in open condition, the rear being a mirror image.

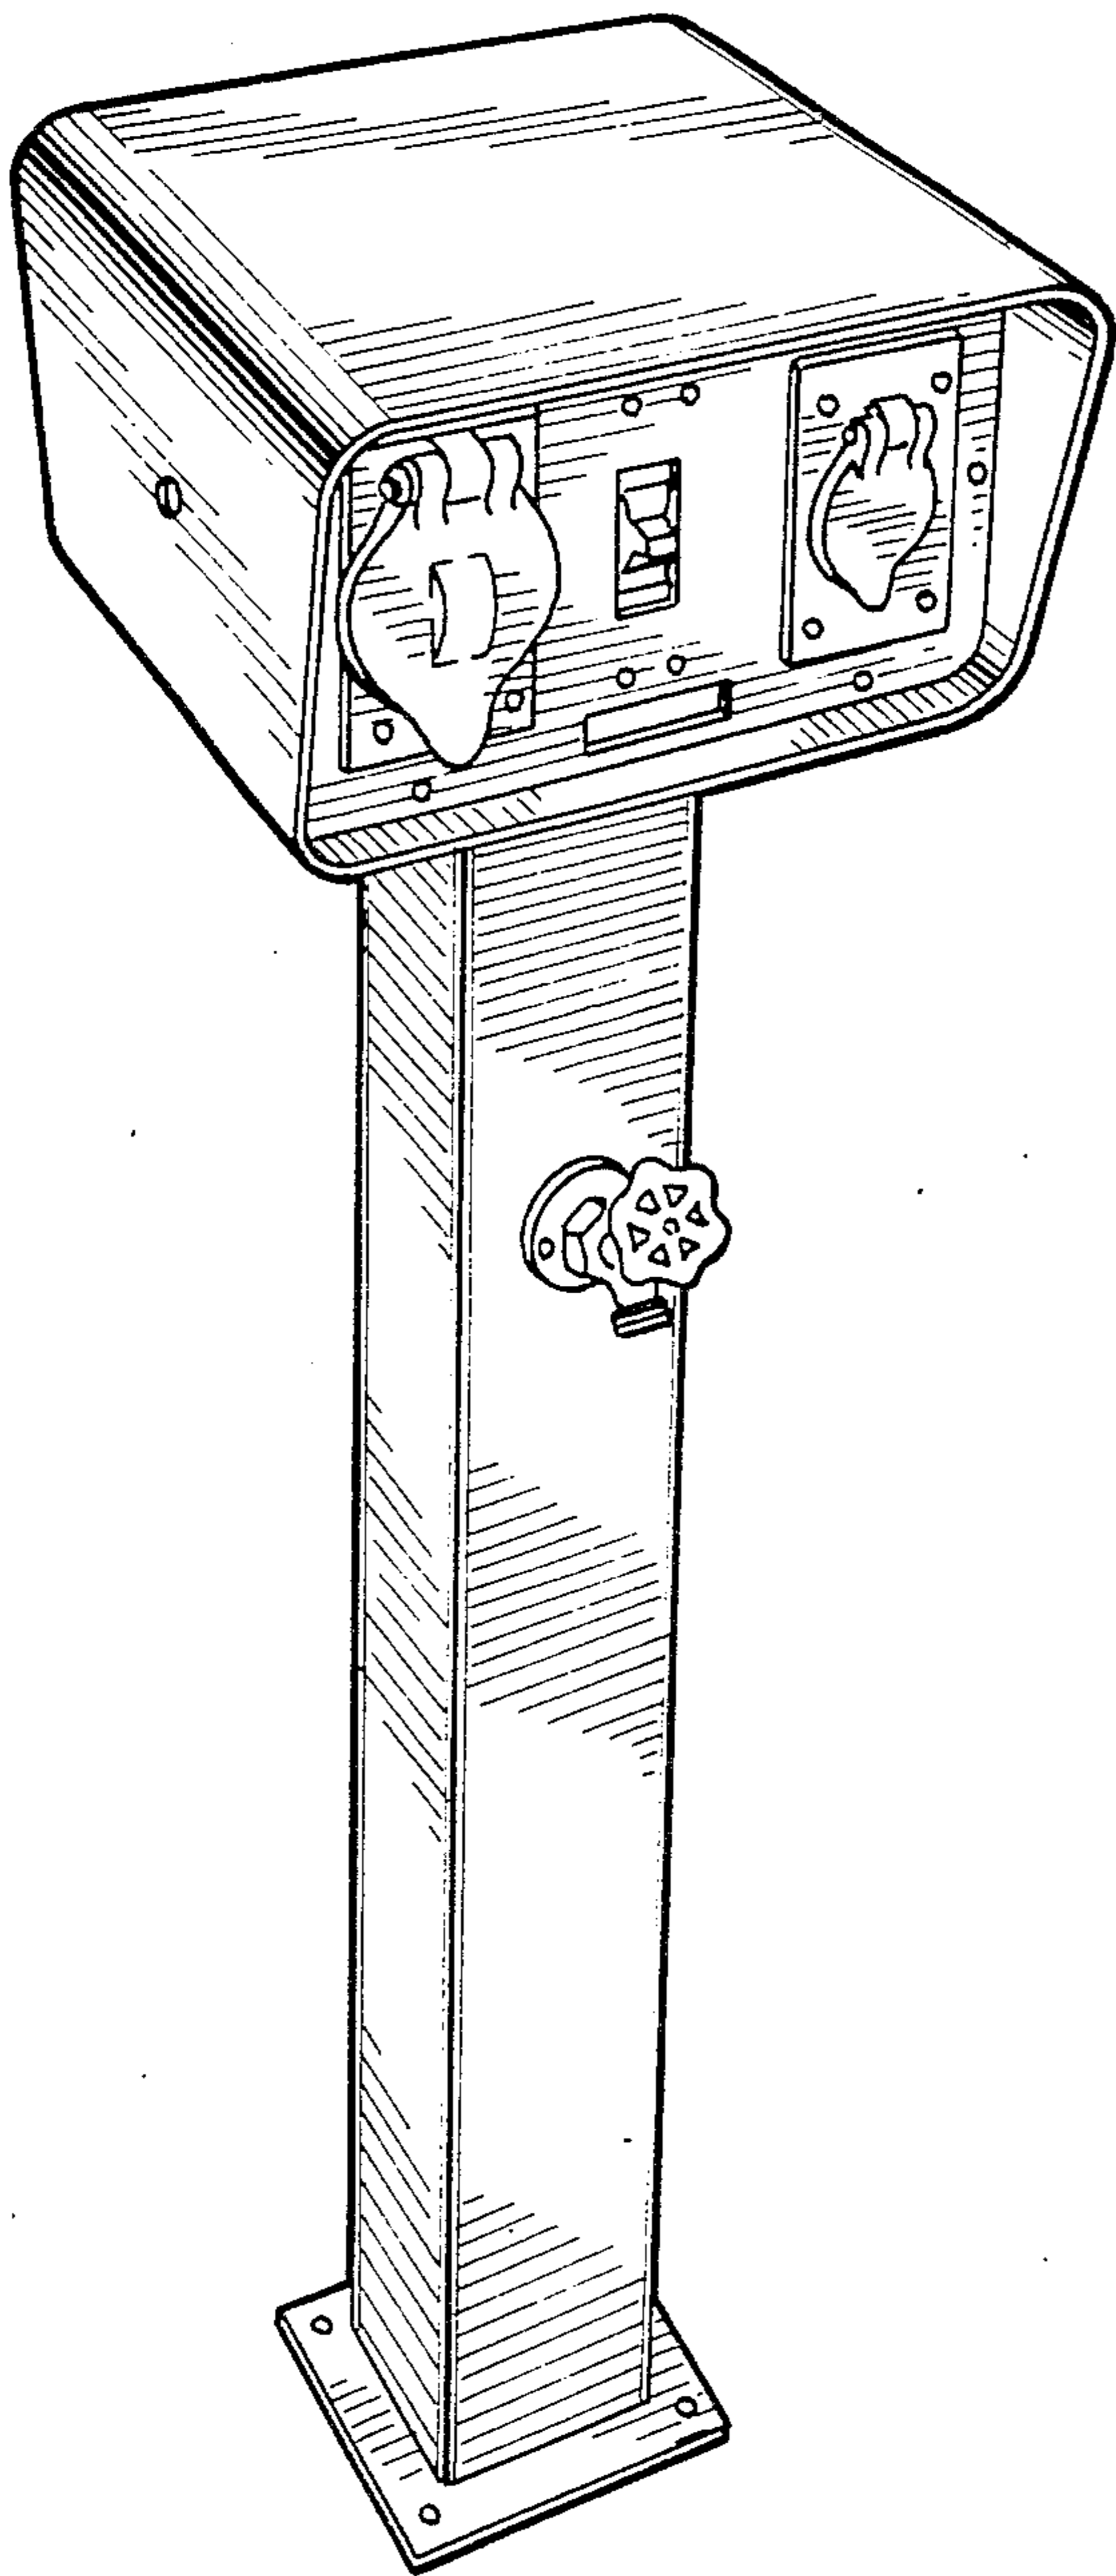

FIG. 1
