[57] CLAIM

The ornamental design for a combined magnetic spinner and trackway, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of a combined magnetic spinner and trackway showing my new design; FIG. 2 is a top plan view of the trackway member; FIG. 3 is a side elevational view thereof, the side opposite being a mirror image; FIG. 4 is a side elevational view of the design shown in FIG. 1 drawn on a larger scale and shown partially in fragment, the side opposite being a mirror image; and, FIG. 5 is a top plan view thereof.
