[57] CLAIM

The ornamental design for a pet enclosure bag for pest eradication, transportation and security, substantially as shown.

DESCRIPTION

FIG. 1 is a right side perspective view of a pet enclosure bag for pest eradication, transportation and security showing my new design with the broken line-showing of the dog's head being for illustrative purposes only and forming no part of the claimed design, and the left side being identical in appearance; FIG. 2 is a rear elevational view thereof, and FIG. 3 is a bottom plan view thereof, the top being substantially similar in appearance.
