[57] CLAIM

The ornamental design for a tank for pressure feeding of paint or other liquids, substantially as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of a tank for pressure feeding of paint or other liquid showing my new design; FIG. 2 is a top plan view thereof; FIG. 3 is a front elevational view thereof, the rear being identical in appearance; FIG. 4 is a right side elevational view thereof; FIG. 5 is a side elevational view thereof, shown rotated 45 degrees, the sides opposite and adjacent being substantially similar in appearance; FIG. 6 is a left side elevational view thereof; and FIG. 7 is a bottom plan view thereof.
