[57] **CLAIM**

The ornamental design for a synthetic resin tube, as shown and described.

DESCRIPTION

FIG. 1 is a top plan view of a synthetic resin tube showing my new design, the tube being symmetrical about its axis and the pattern shown being repeated through the circumference of the tube, the bottom plan view being a mirror image thereof;

FIG. 2 is a side elevational view thereof, the opposite side being a mirror image thereof;

FIG. 3 is an end view thereof;

FIG. 4 is an end view thereof to the opposite end from that shown in FIG. 3; and

FIG. 5 is an enlarged top plan view of a portion of the tube shown in FIG. 1 taken about 5—5.
