[57] CLAIM

The ornamental design for a tool caddy, as shown and described.

DESCRIPTION

FIG. 1 is a front elevational view of a tool caddy showing my new design;  
FIG. 2 is a rear elevational view thereof.  
The cross line shading which is partially shown is understood to represent conventional fabric and repeat uniformly across the surface of the tool caddy. The fabric is also of conventional thickness.

FIG. 1

FIG. 2
