[57] CLAIM

The ornamental design for a solar powered light housing, as shown and described.

DESCRIPTION

FIG. 1 is a front perspective view of the solar powered light housing showing my new design, the solar collector cells and the support being shown in broken lines for illustrative purposes only;

FIG. 2 is a front elevational view thereof, the solar cells being shown in broken lines for illustrative purposes only;

FIG. 3 is a side elevational view thereof, the opposite side being a mirror image thereof;

FIG. 4 is a bottom plan view thereof, the light, post and hinge being shown in broken lines for illustrative purposes only;

FIG. 5 is a top plan view thereof, the solar cells being shown in broken lines for illustrative purposes only; and FIG. 6 is a rear elevational view thereof, the post being shown in broken lines for illustrative purposes only.
