[57] · CLAIM

The ornamental design for a headset for use in applying electrical signals to the temples, as shown and described herein.

DESCRIPTION

FIG. 1 is a top, right and rear perspective view of the headset for use in applying electrical signals to the temples, showing my new design with a headband and electrical wire being shown in broken lines for illustrative purposes only;

FIG. 2 is a bottom, left and front perspective view thereof;

FIG. 3 is a top plan view thereof shown on a reduced scale;

FIG. 4 is a left side elevational view thereof shown on a reduced scale;

FIG. 5 is a bottom plan view thereof shown on a reduced scale;

FIG. 6 is a front elevational view thereof shown on a reduced scale:

FIG. 7 is a rear elevational view thereof shown on a reduced scale;

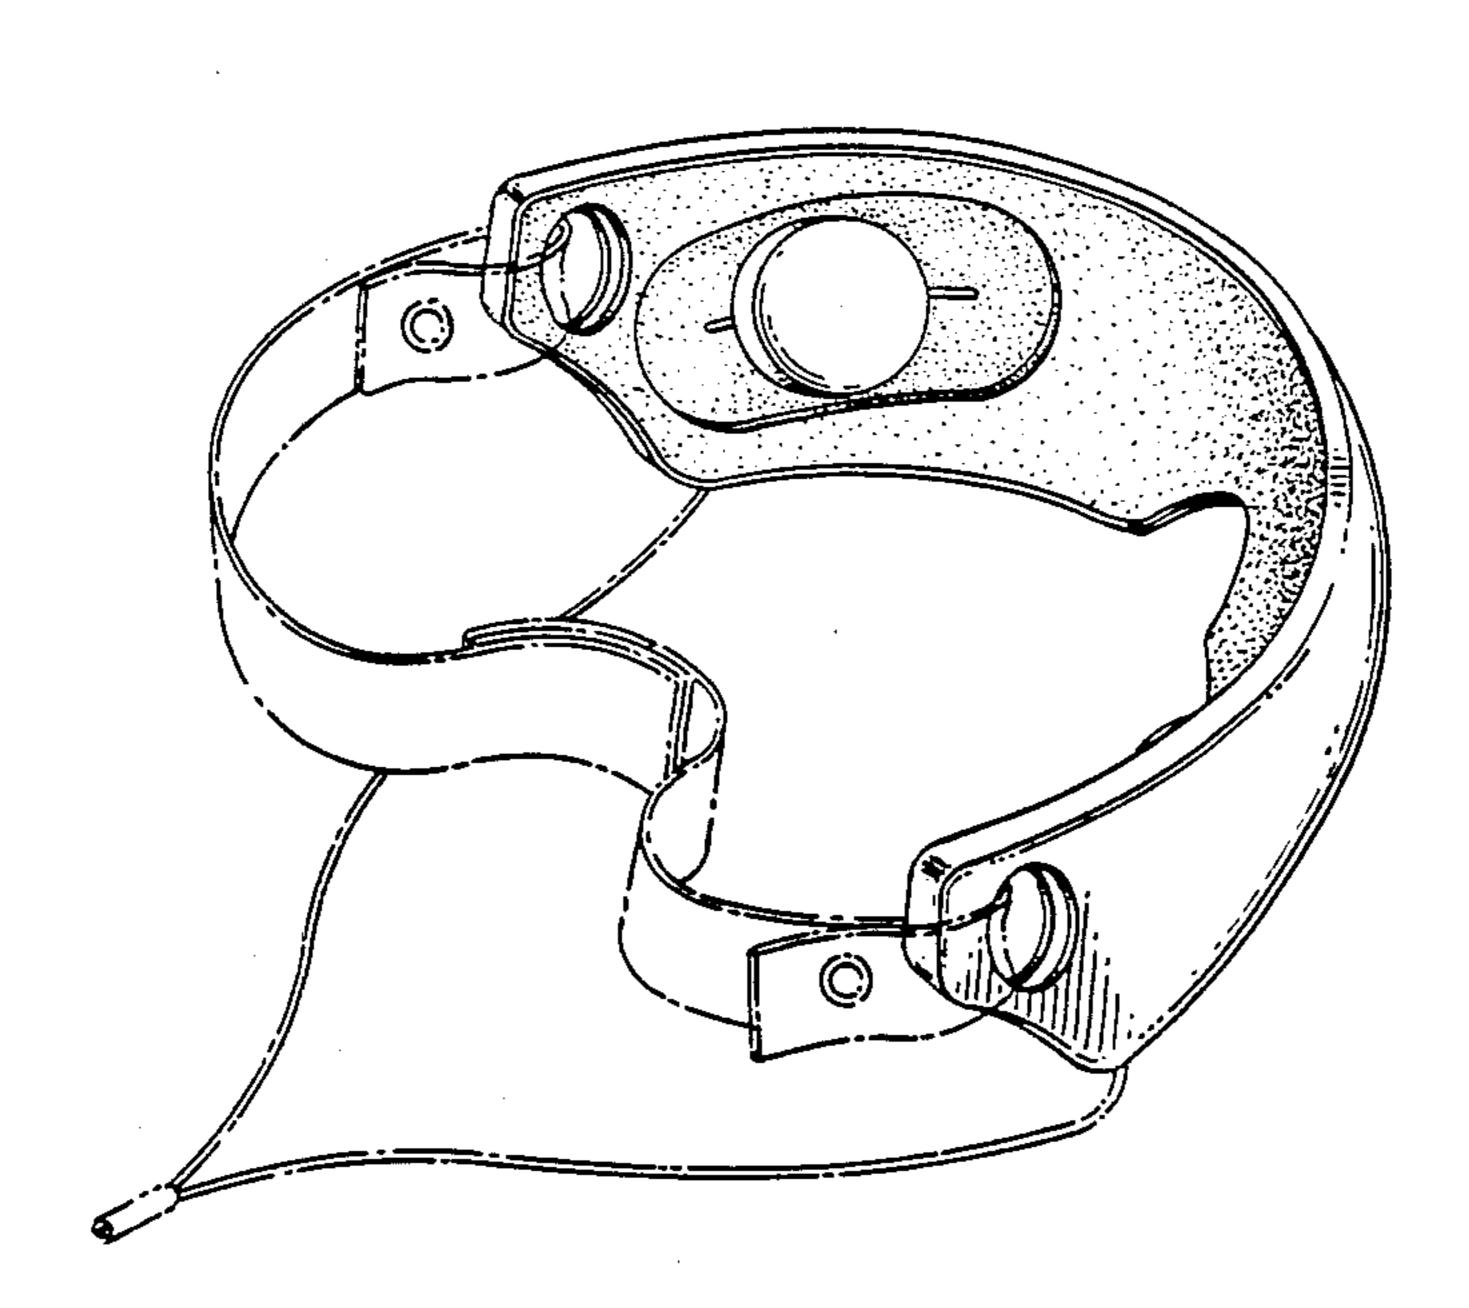

FIG. 8 is a right side elevational view thereof shown on a reduced scale:

FIG. 9 is a cross-sectional view thereof taken along line 9—9 of FIG. 3;

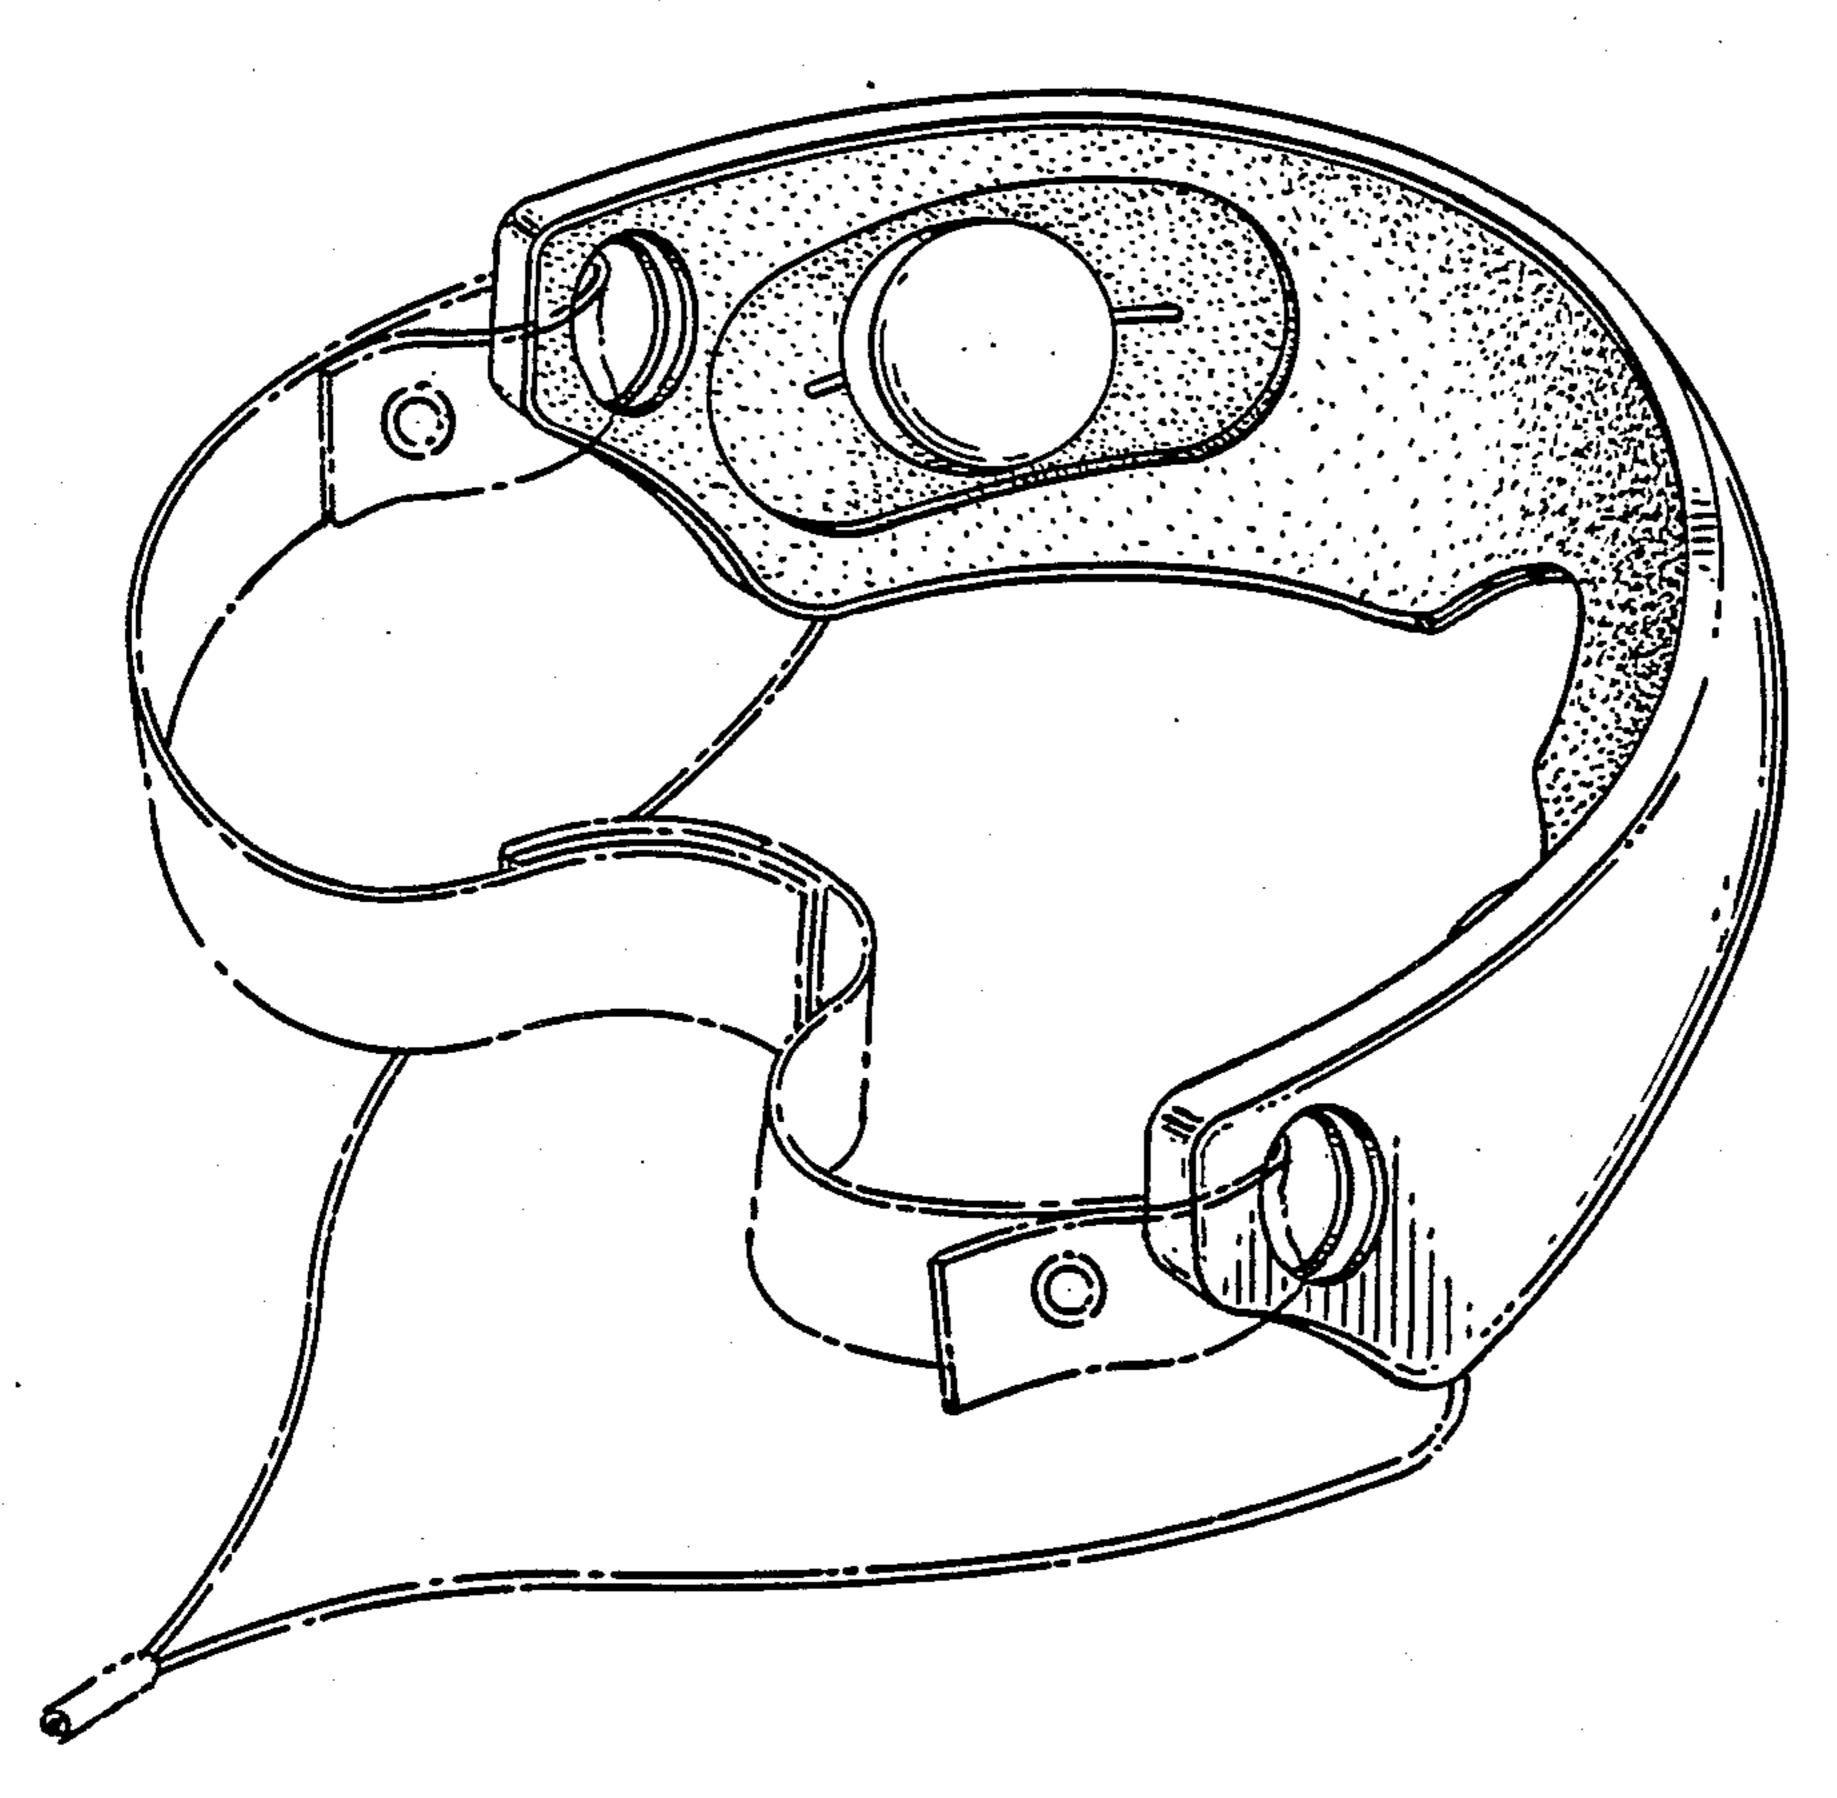

FIG. 10 is a cross-sectional view thereof taken along line 10—10 of FIG. 3;

FIG. 11 is a top, right and rear perspective view of the headset for use in applying electrical signals to the temples, showing a second embodiment of my new design; FIG. 12 is a bottom, left and front perspective view thereof;

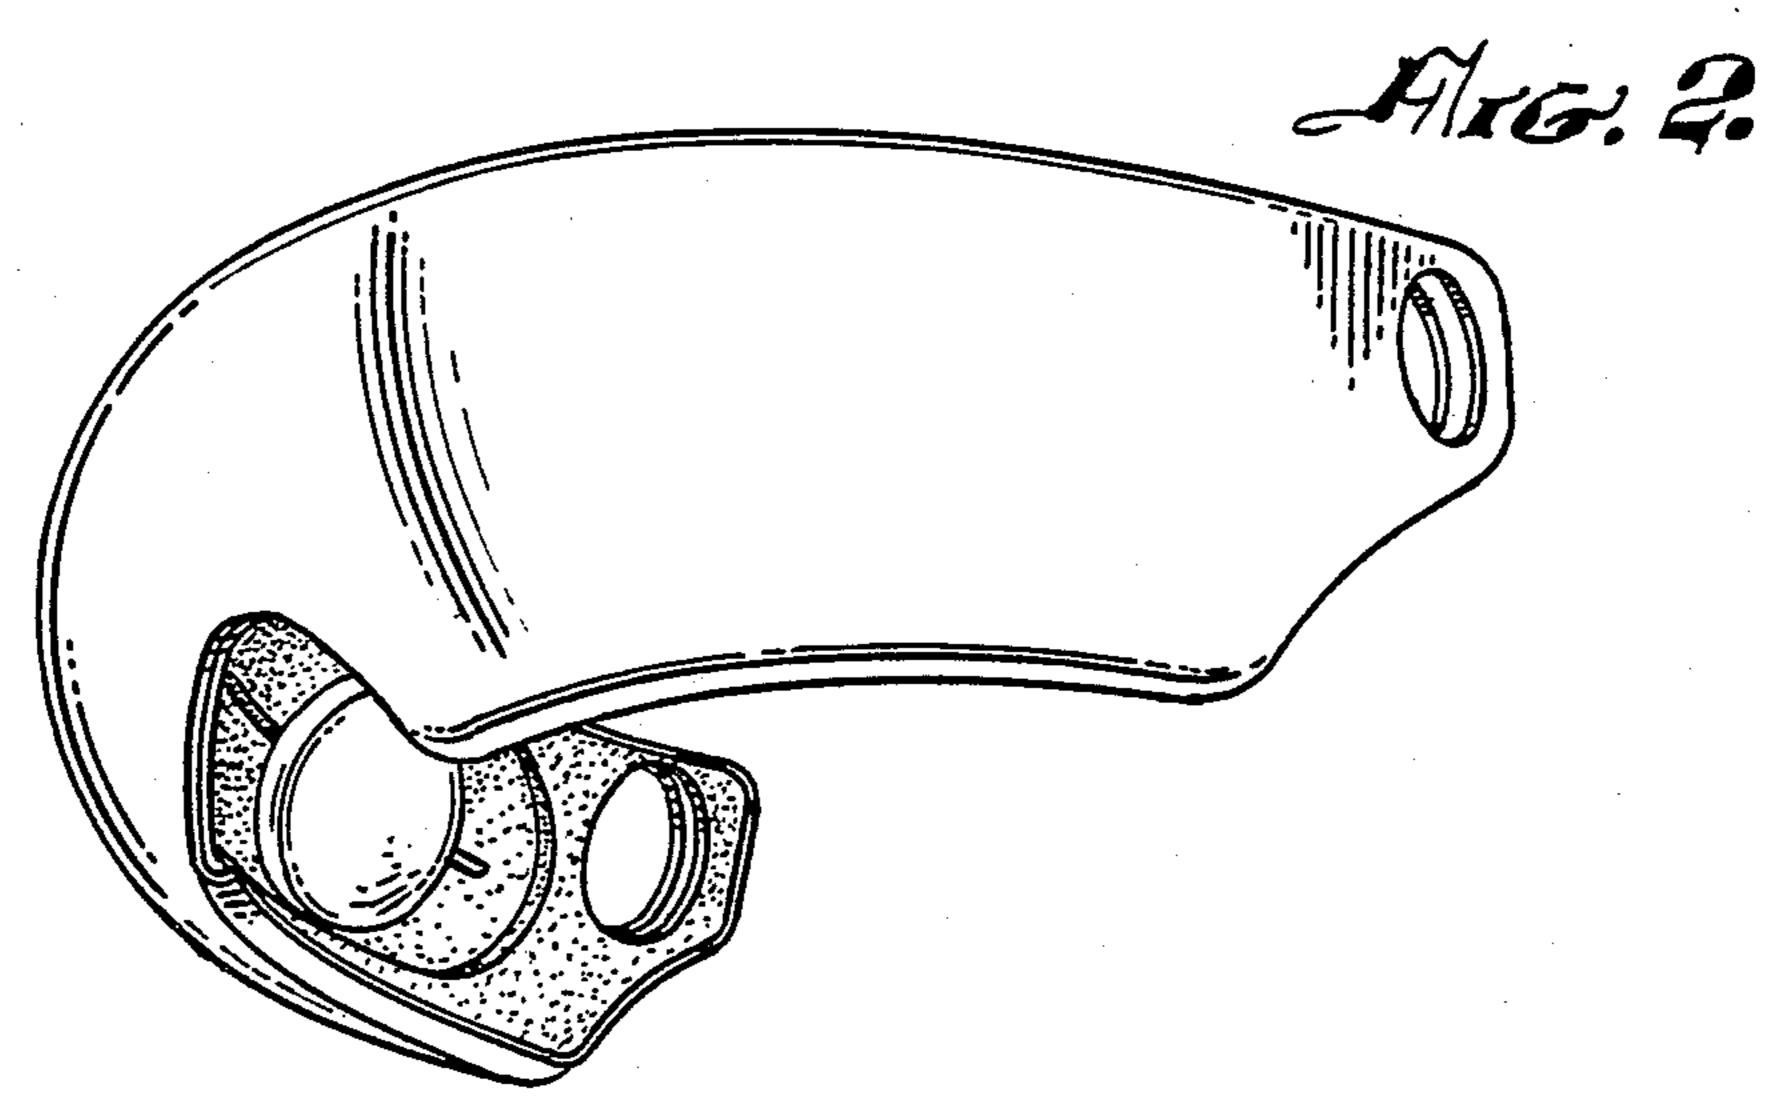

FIG. 13 is a top, right and rear perspective view of the headset for use in applying electrical signals to the temples, showing a third embodiment of my new design; FIG. 14 is a bottom, left and front perspective view thereof.

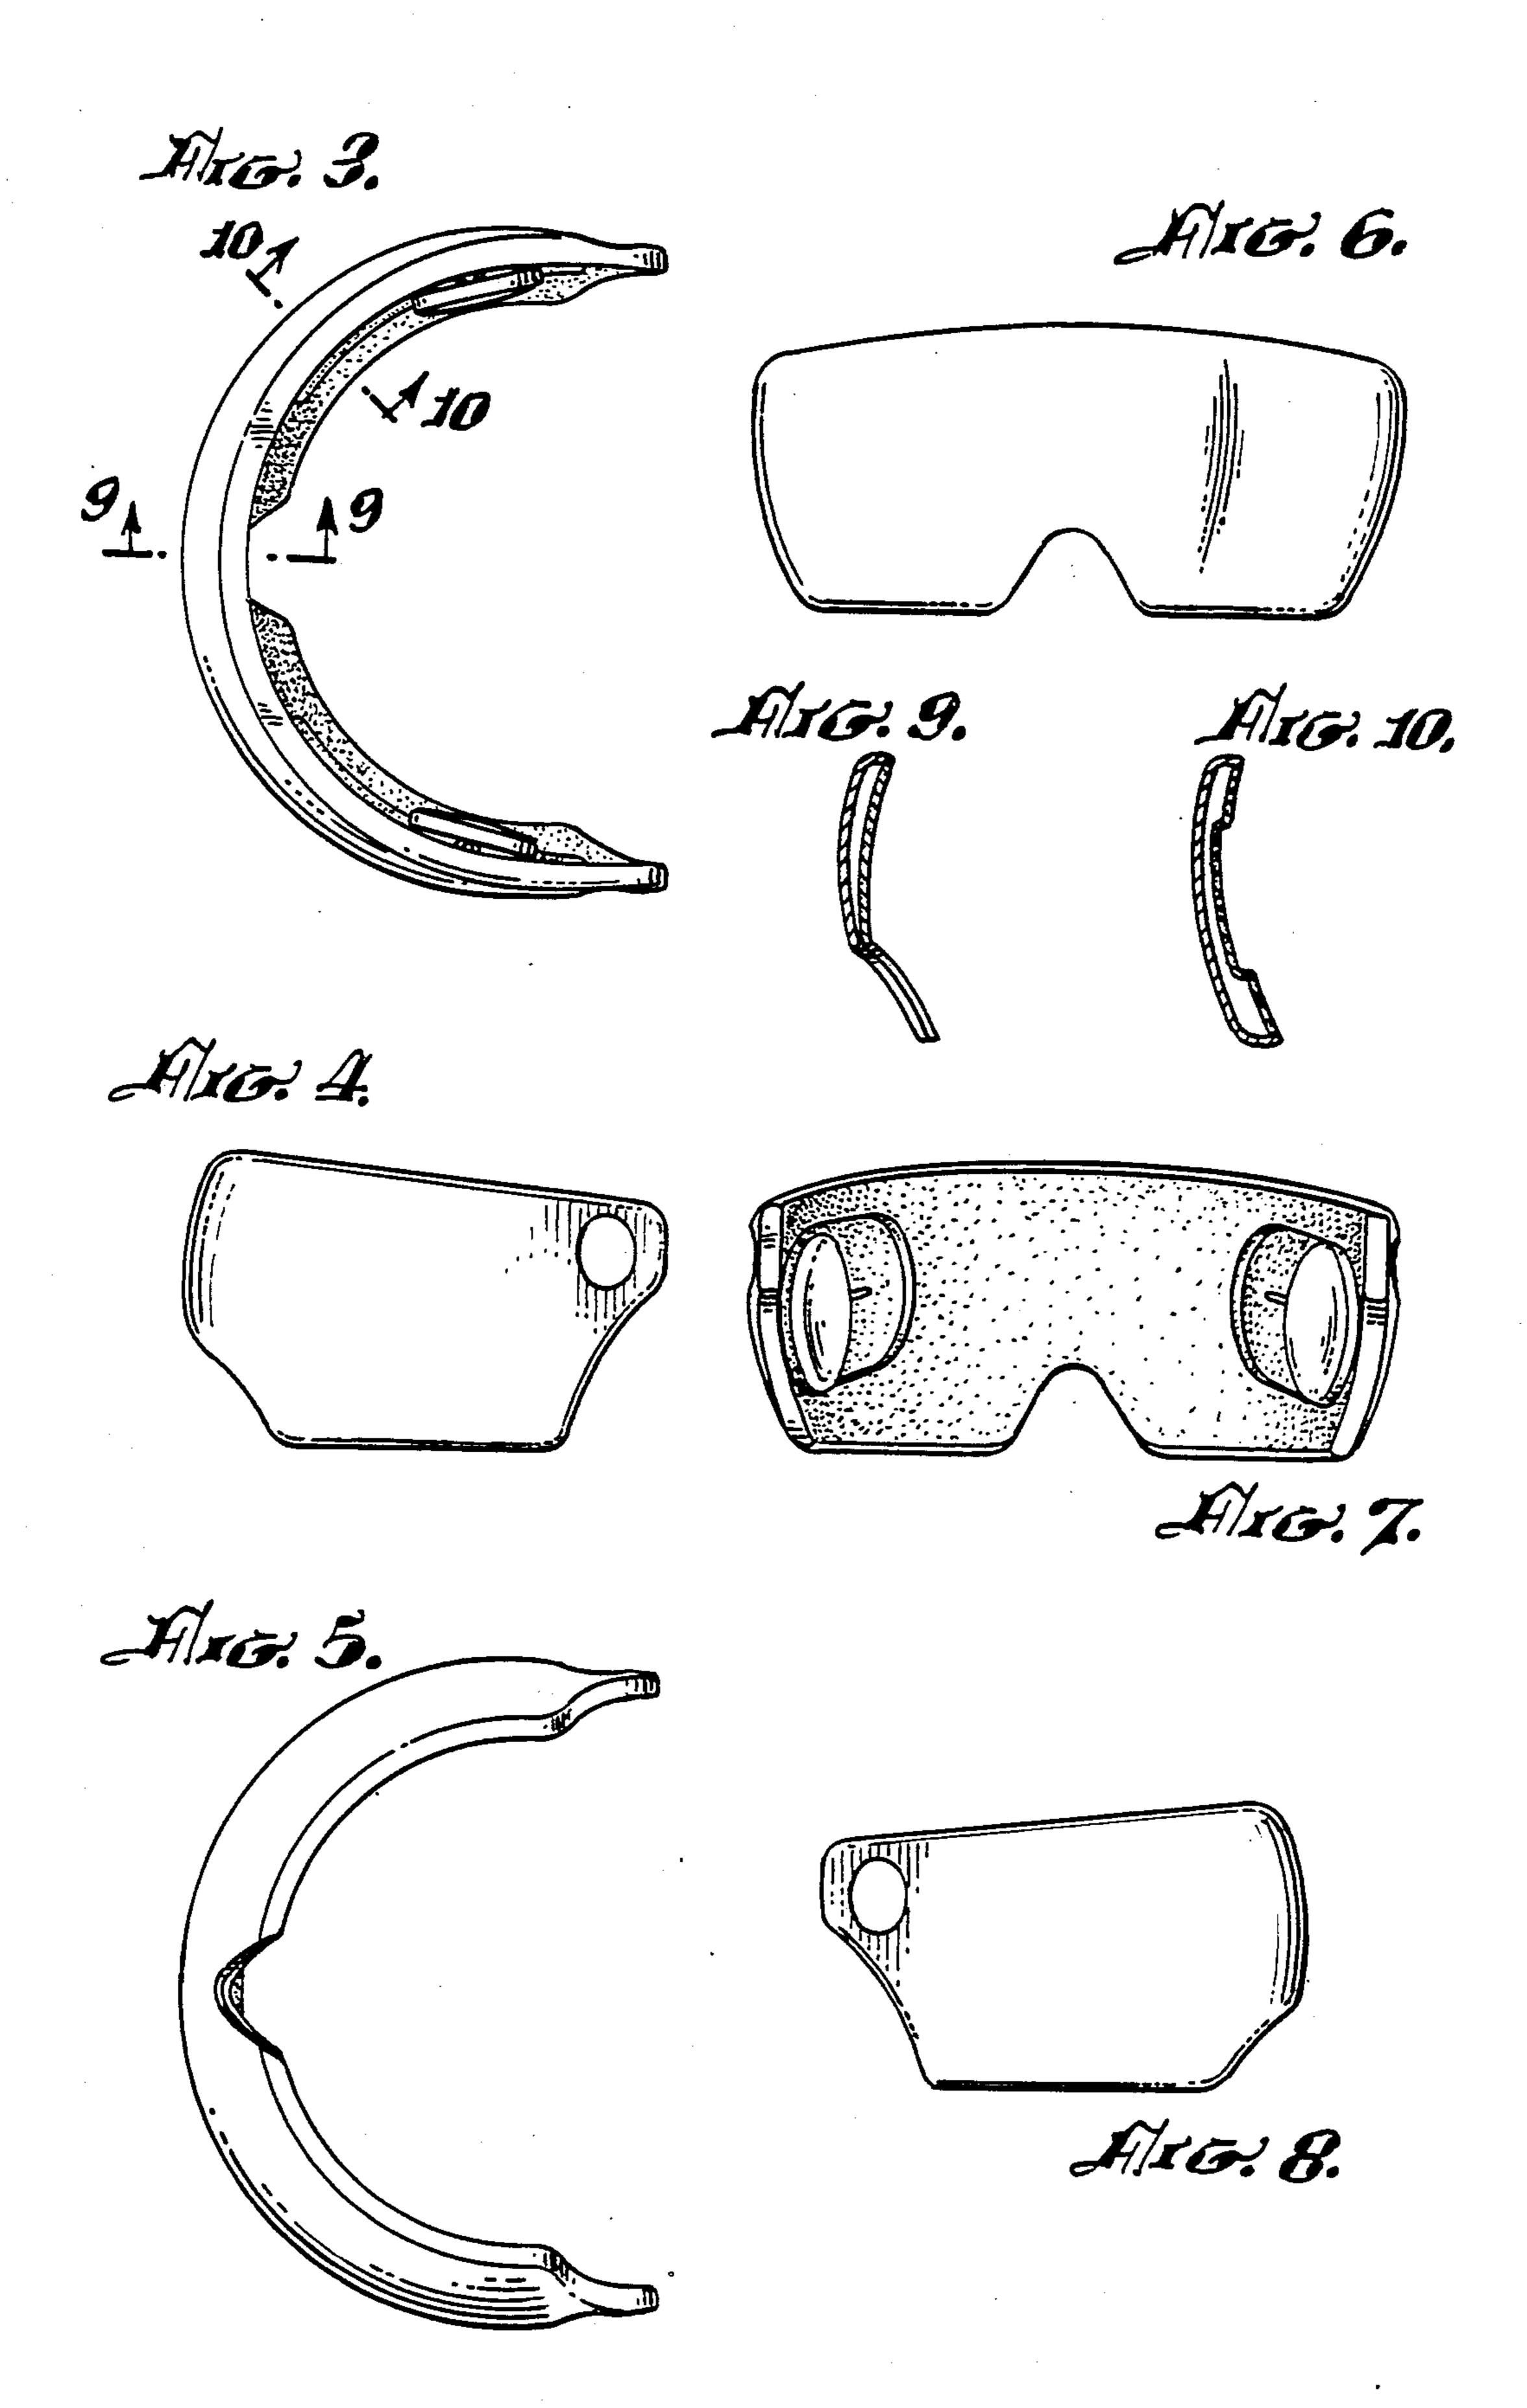

Arg. 1.
