[57] CLAIM

The ornamental design for a front panel for an air conditioner, as shown and described.

DESCRIPTION

FIG. 1 is a top front perspective view of a front panel for an air conditioner showing our new design; FIG. 2 is a right side elevational view thereof, the left side being identical in appearance; FIG. 3 is a front elevational view thereof; and FIG. 4 is a top plan view thereof, the bottom being identical in appearance. The broken-line showing of the air conditioner housing is for illustrative purposes only and forms no part of the claimed design.

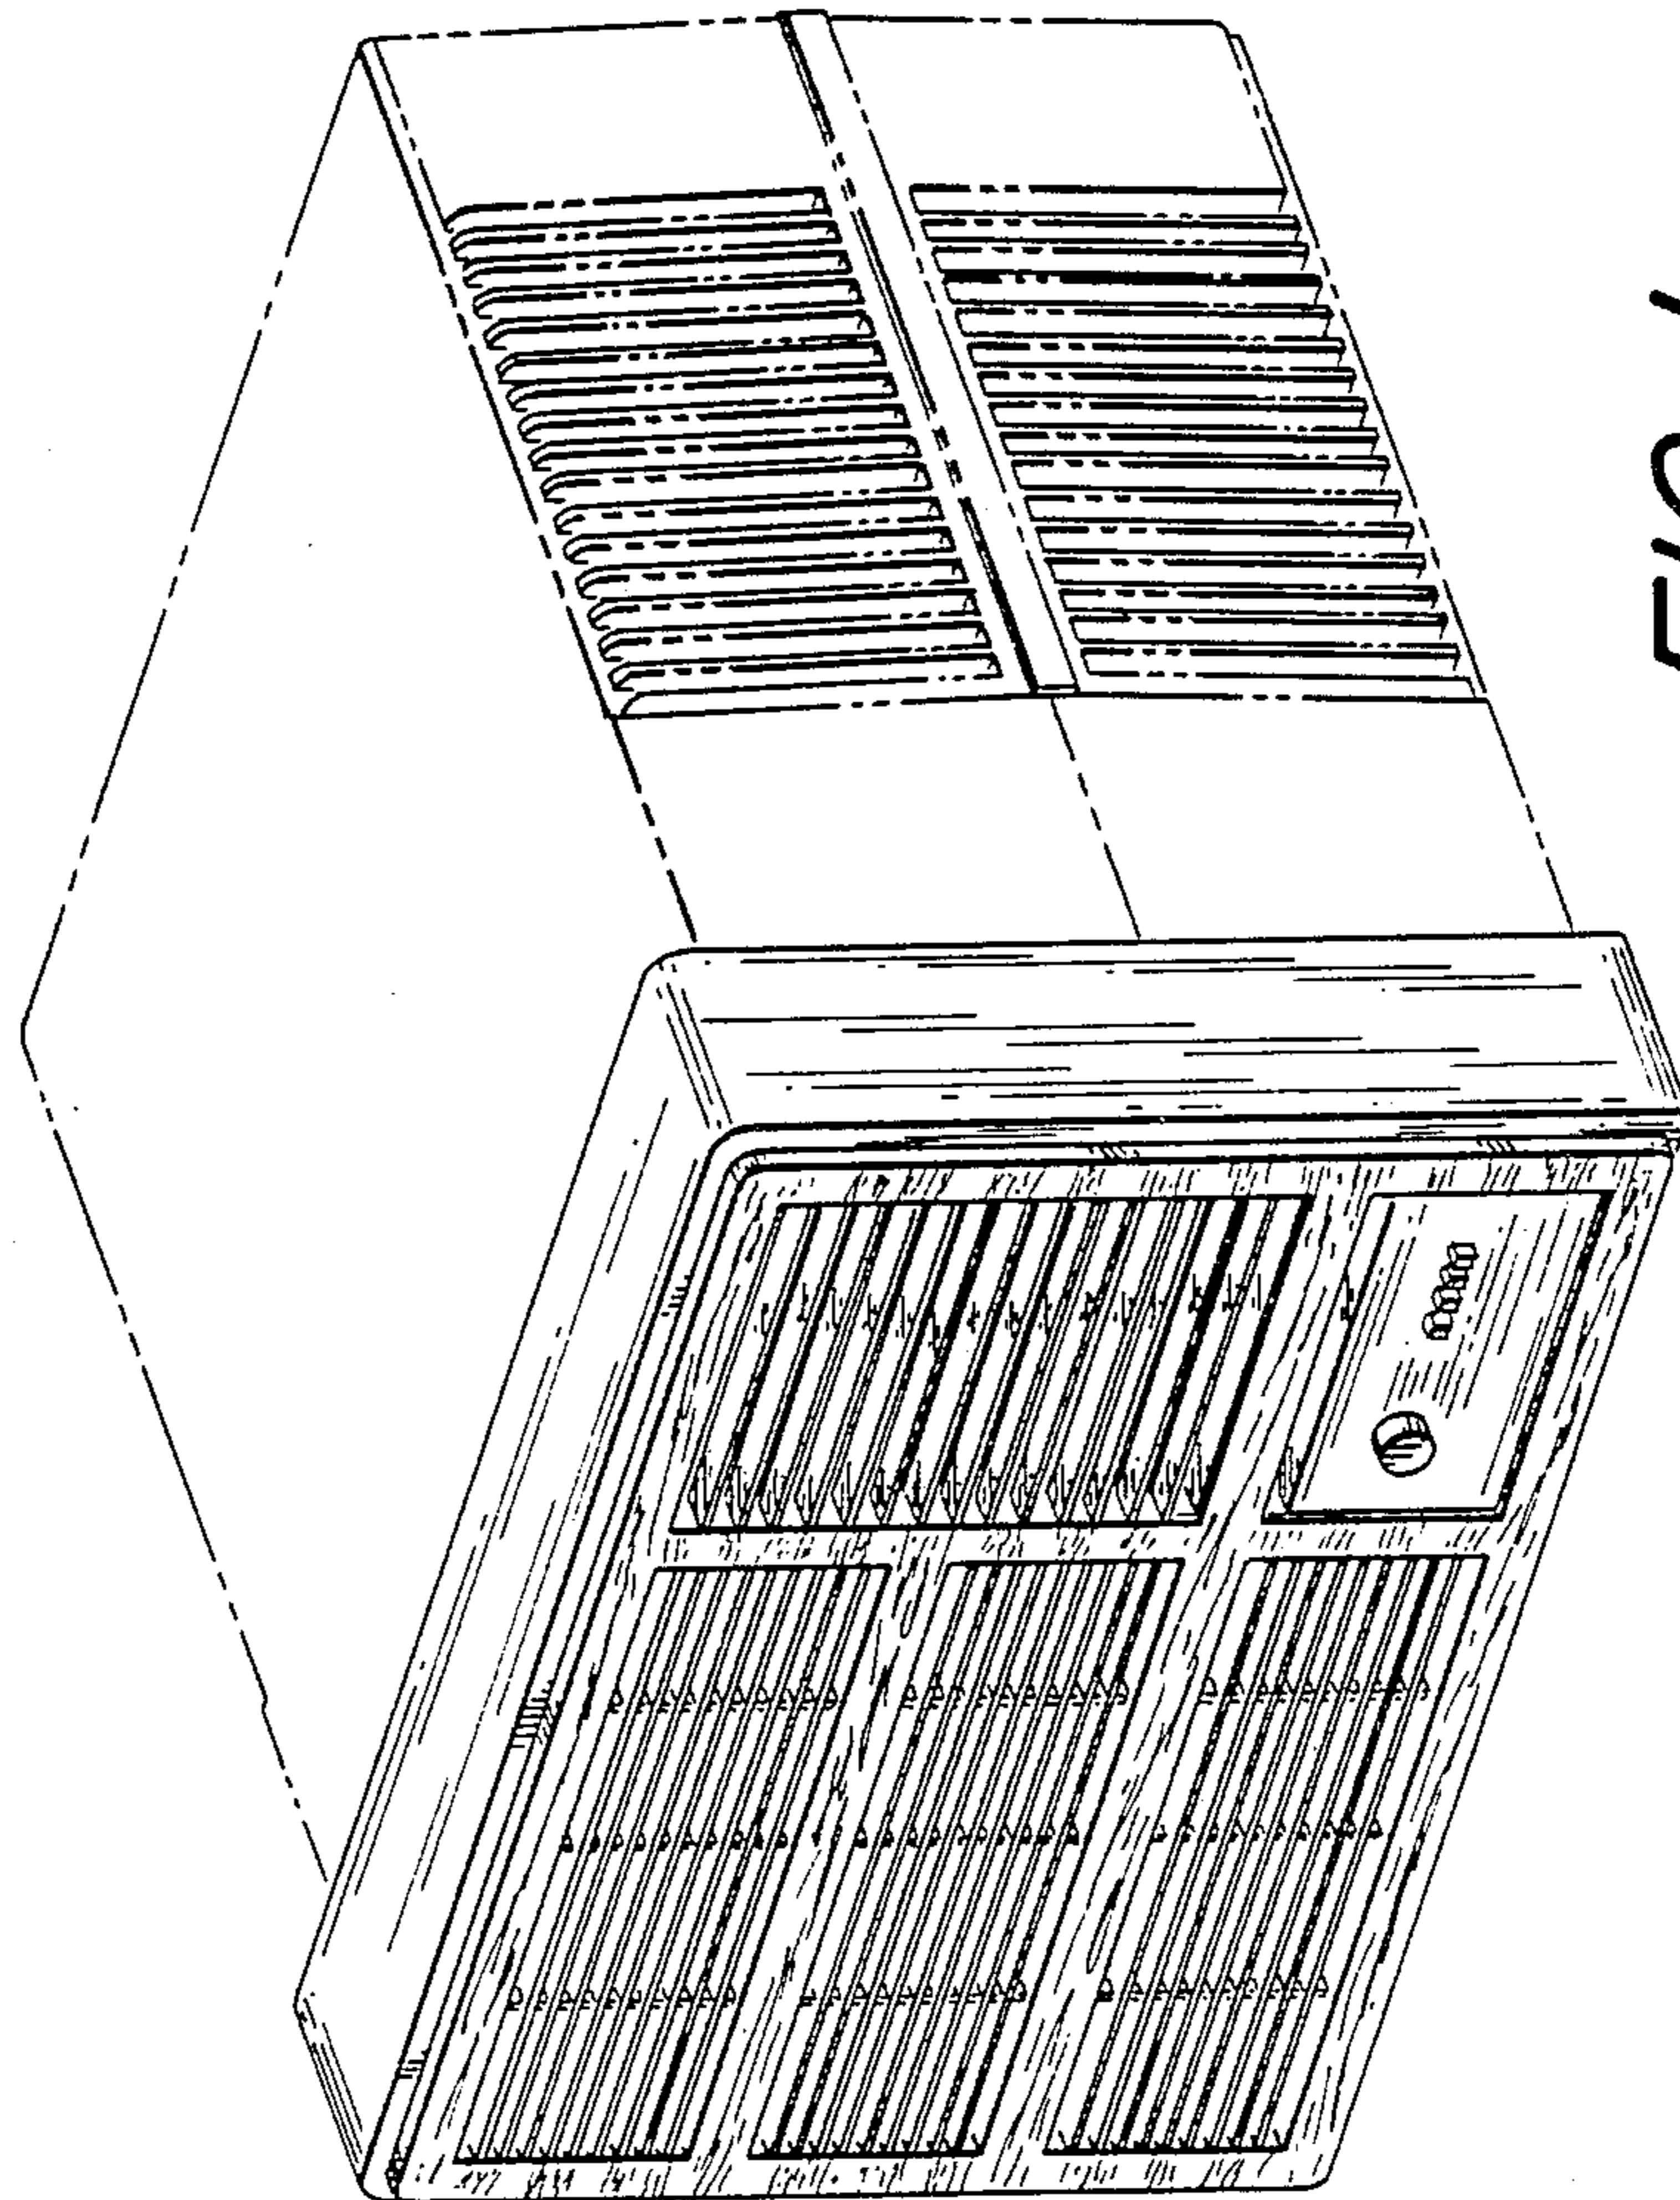

FIG. 1

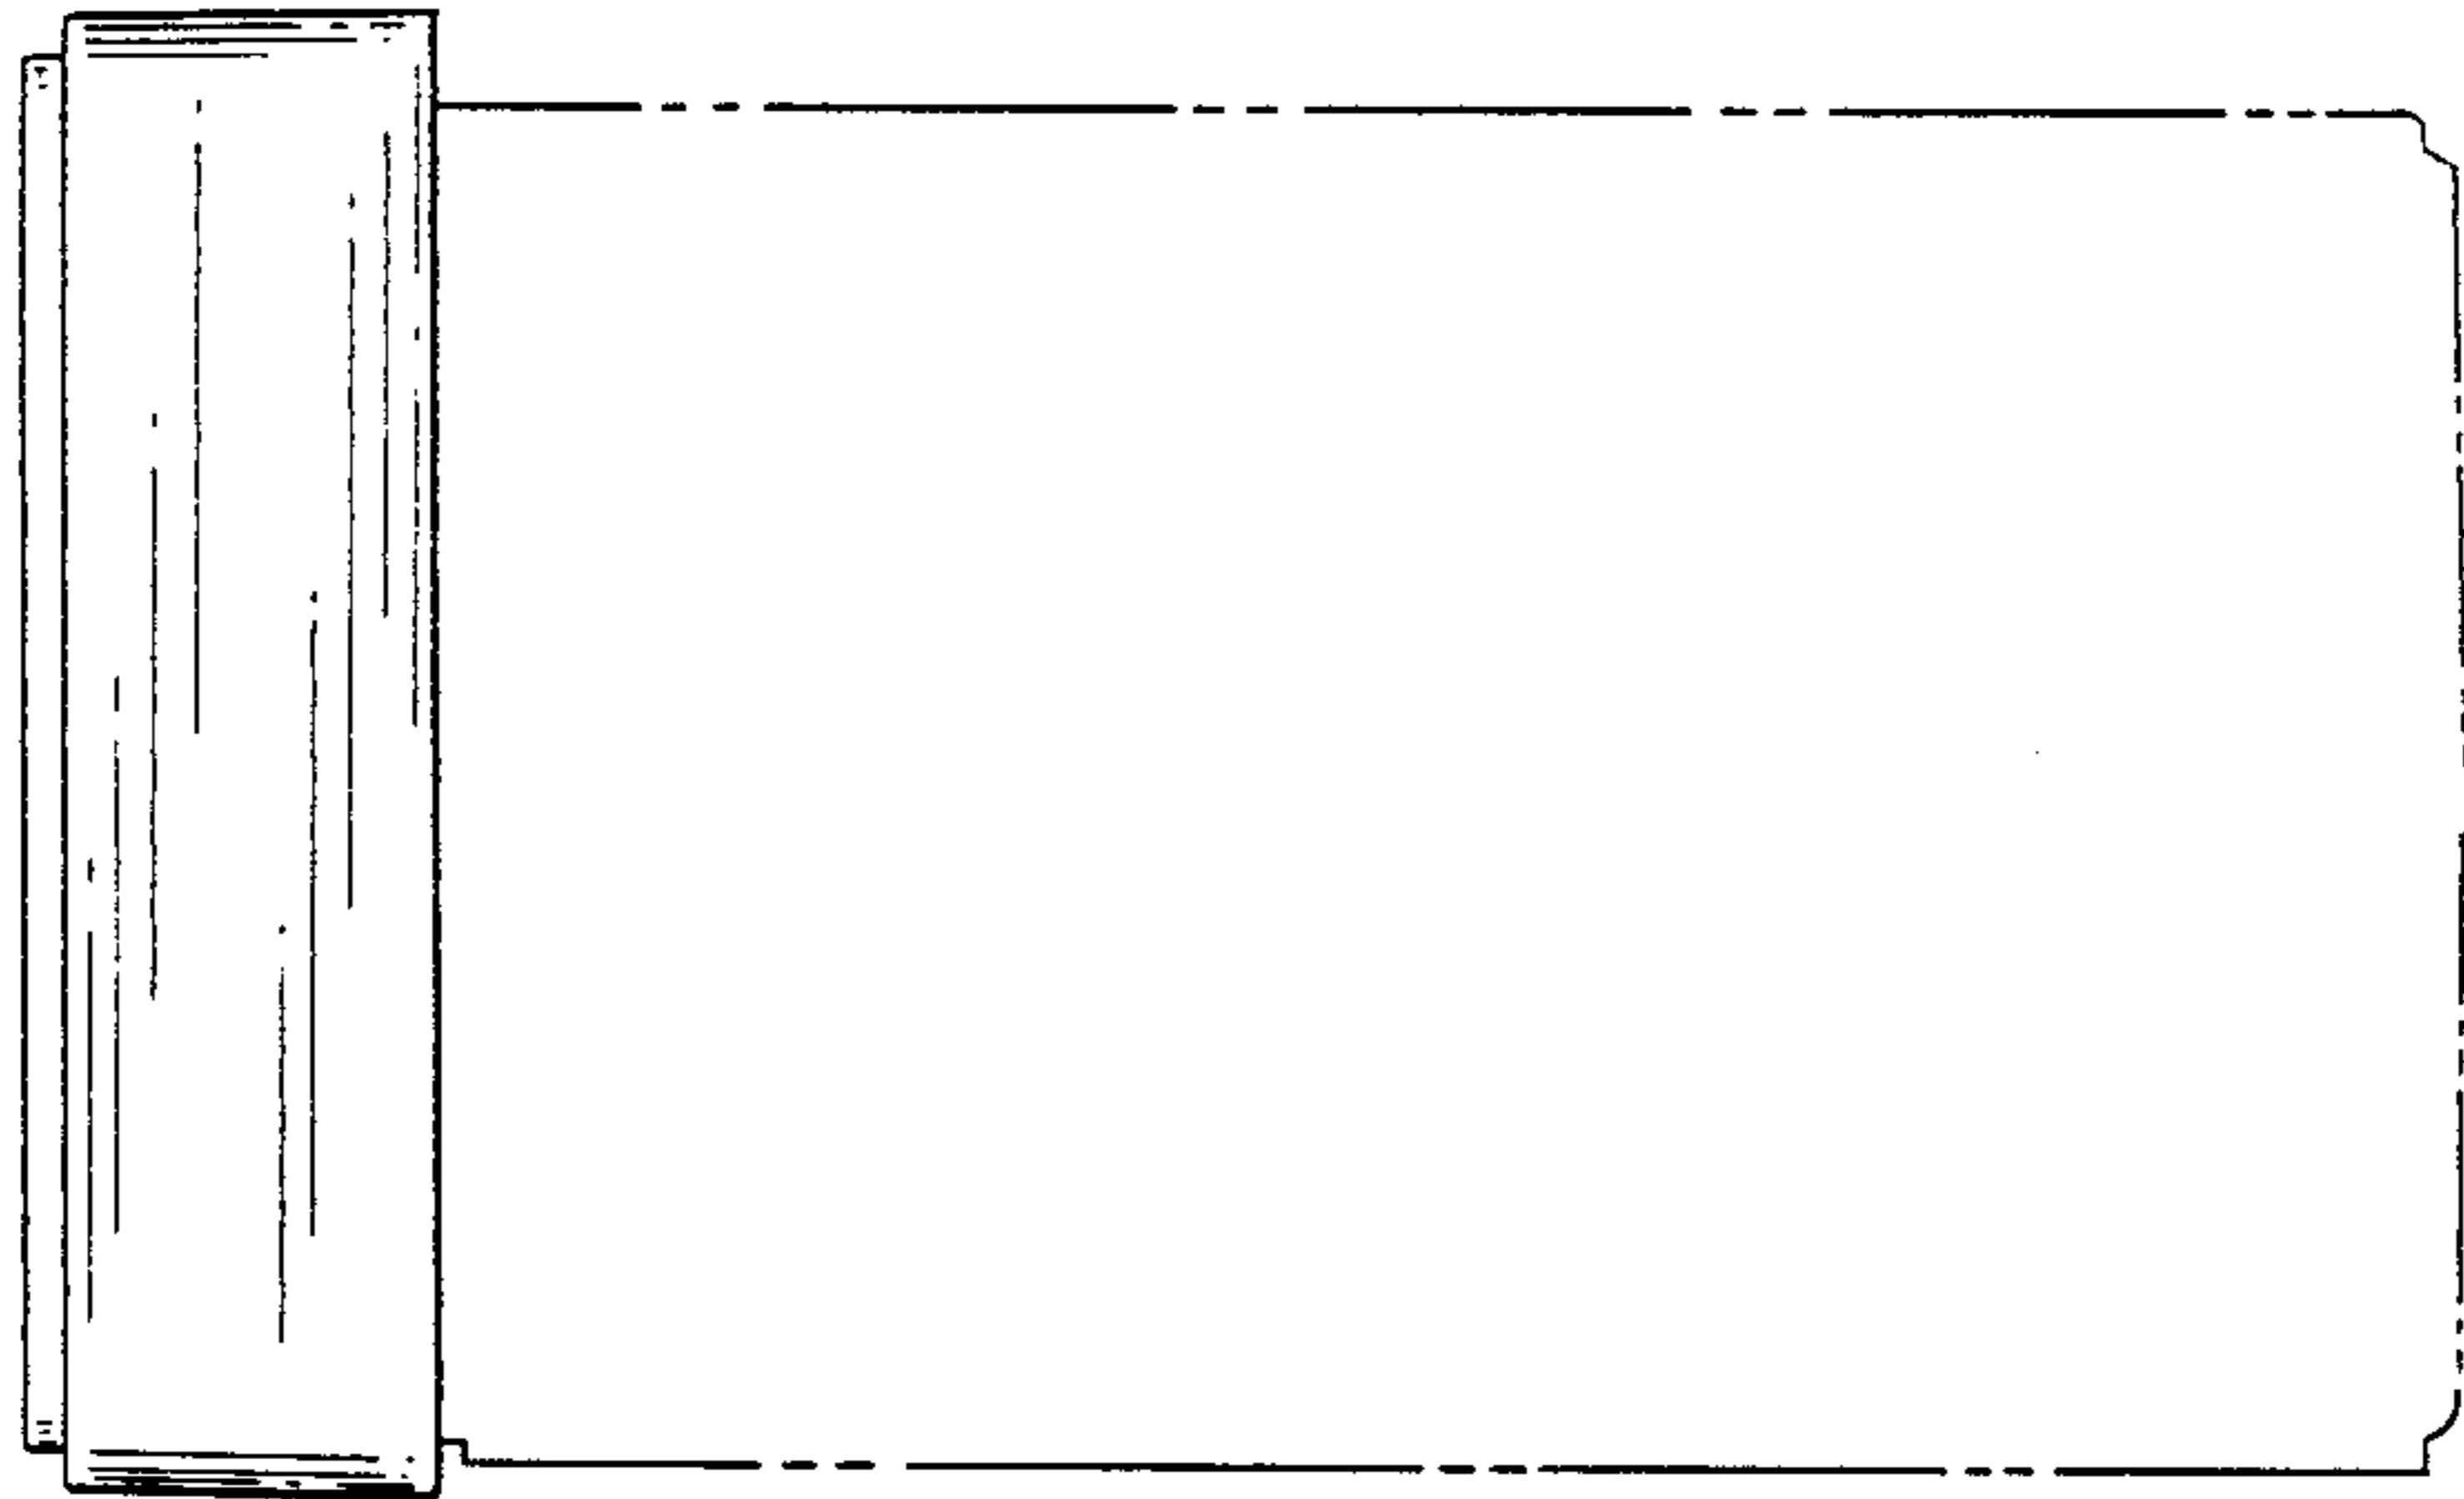

FIG. 2

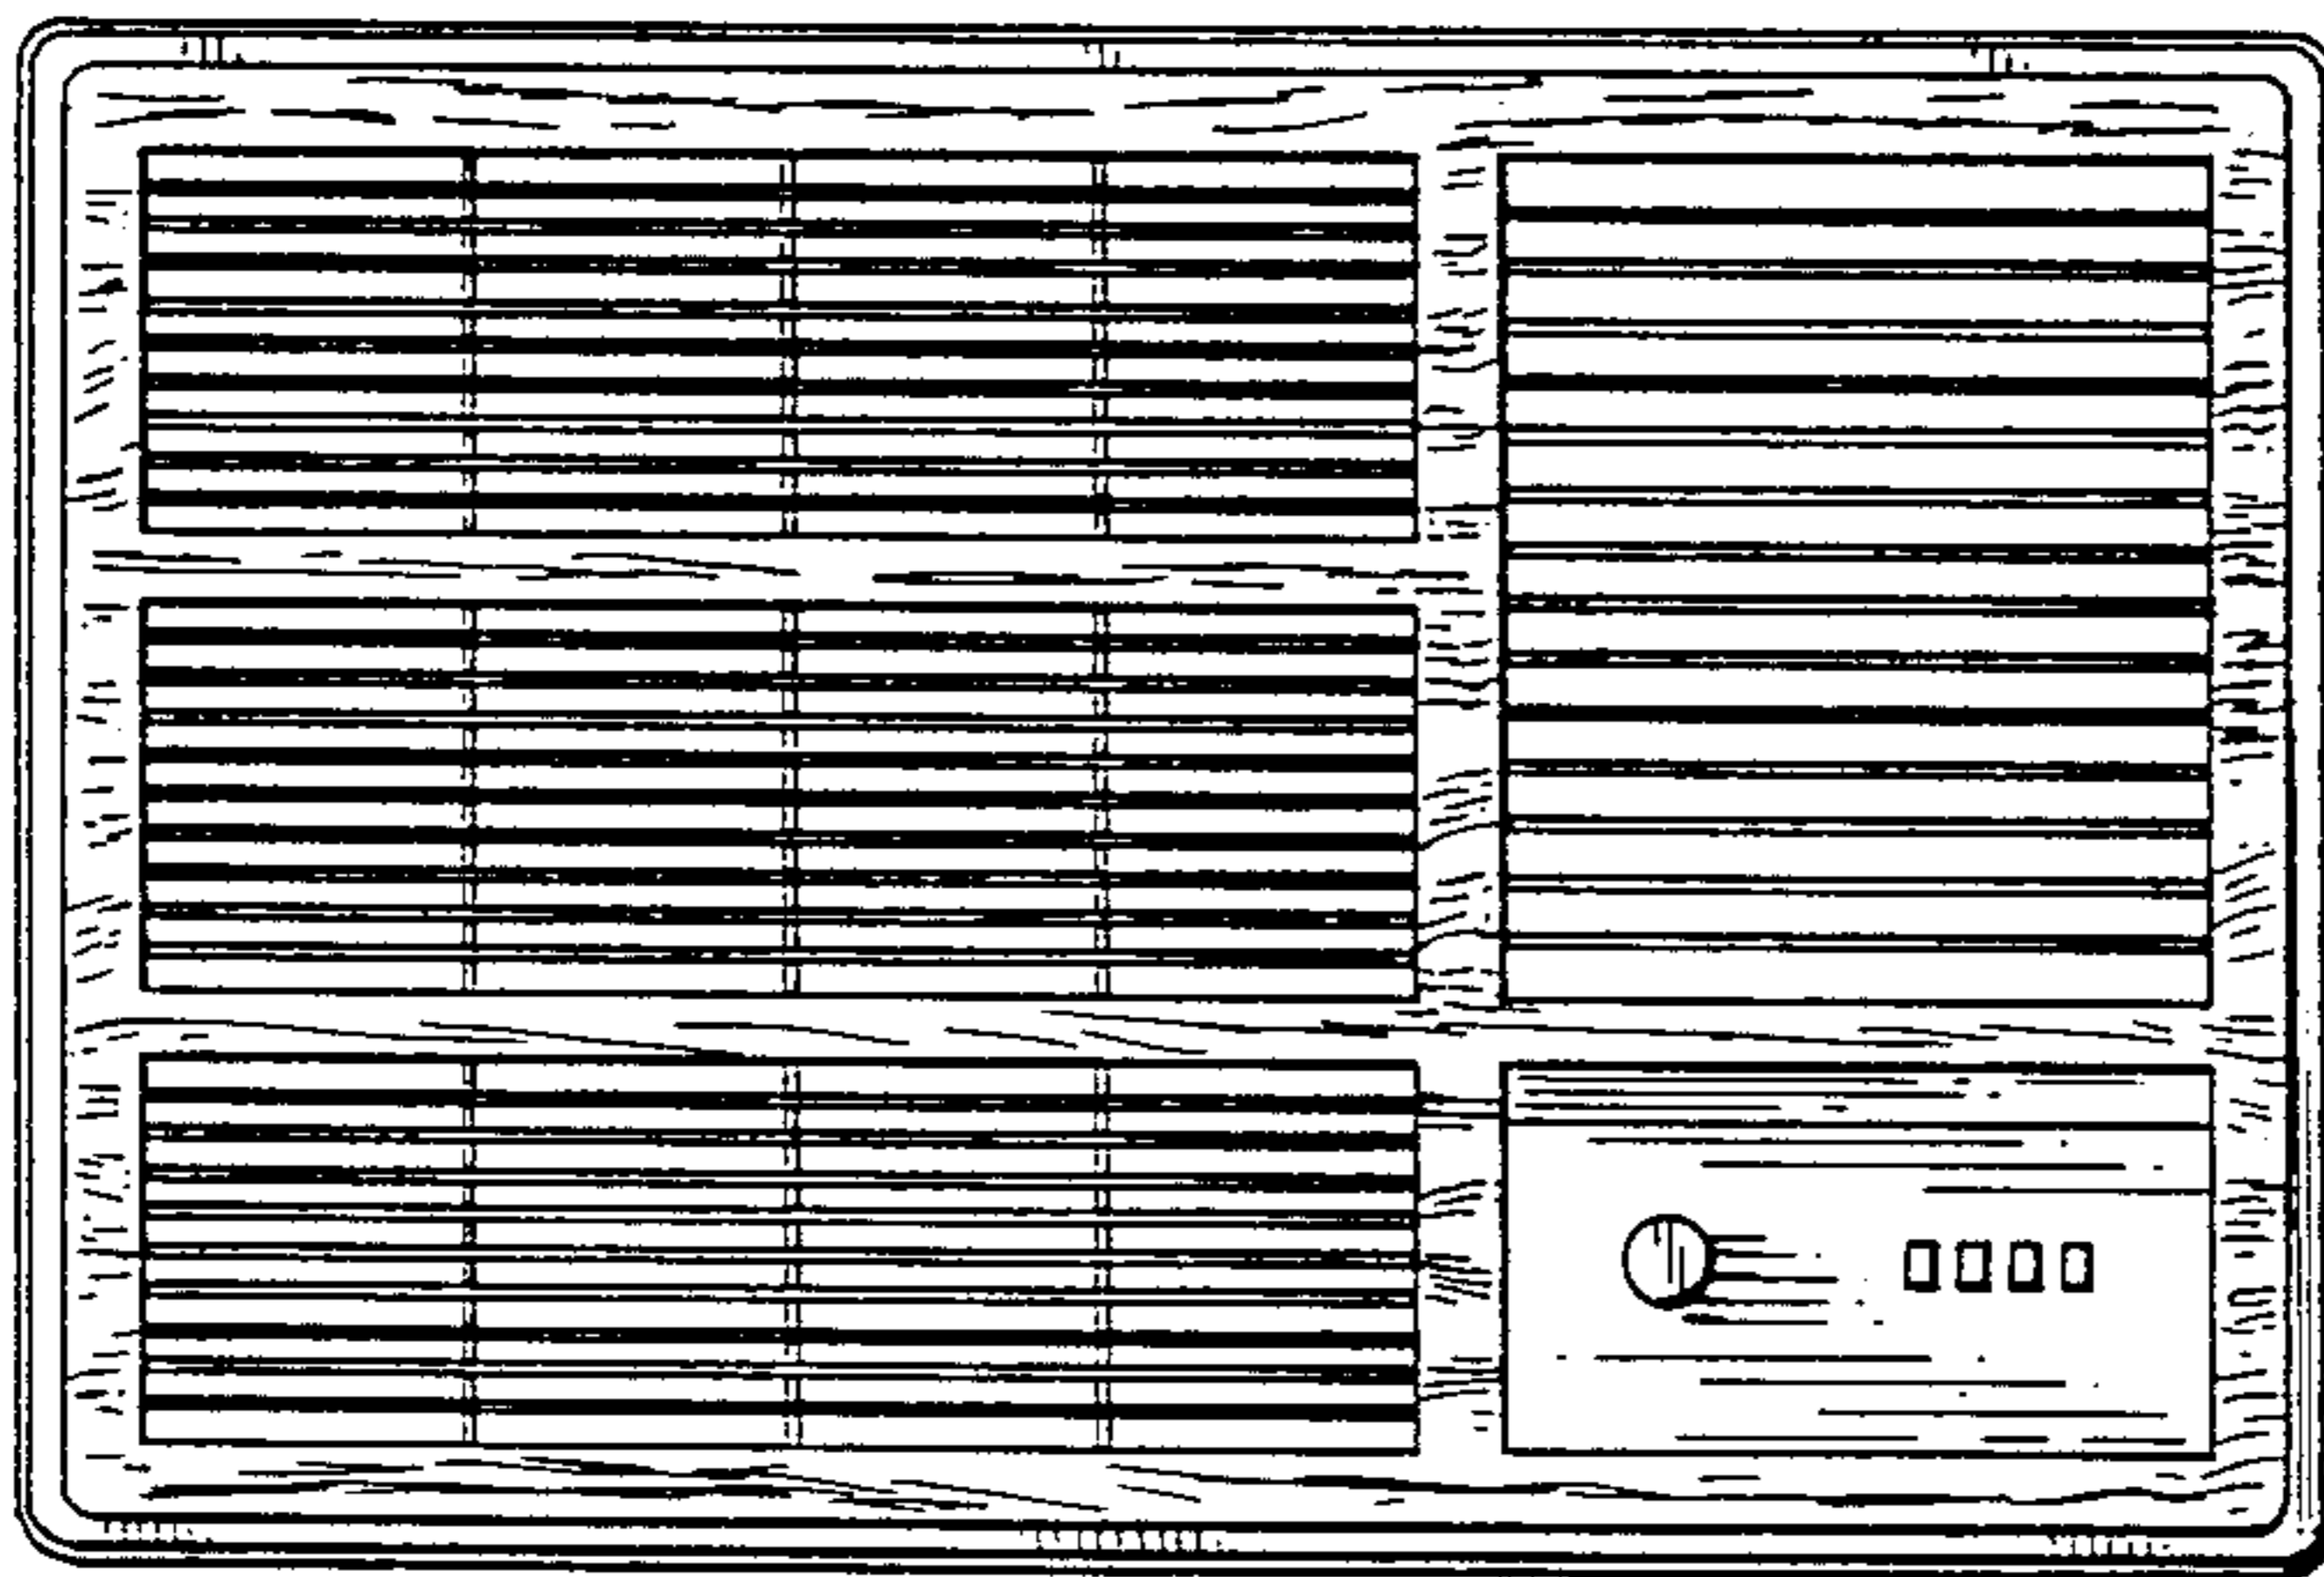

FIG. 3

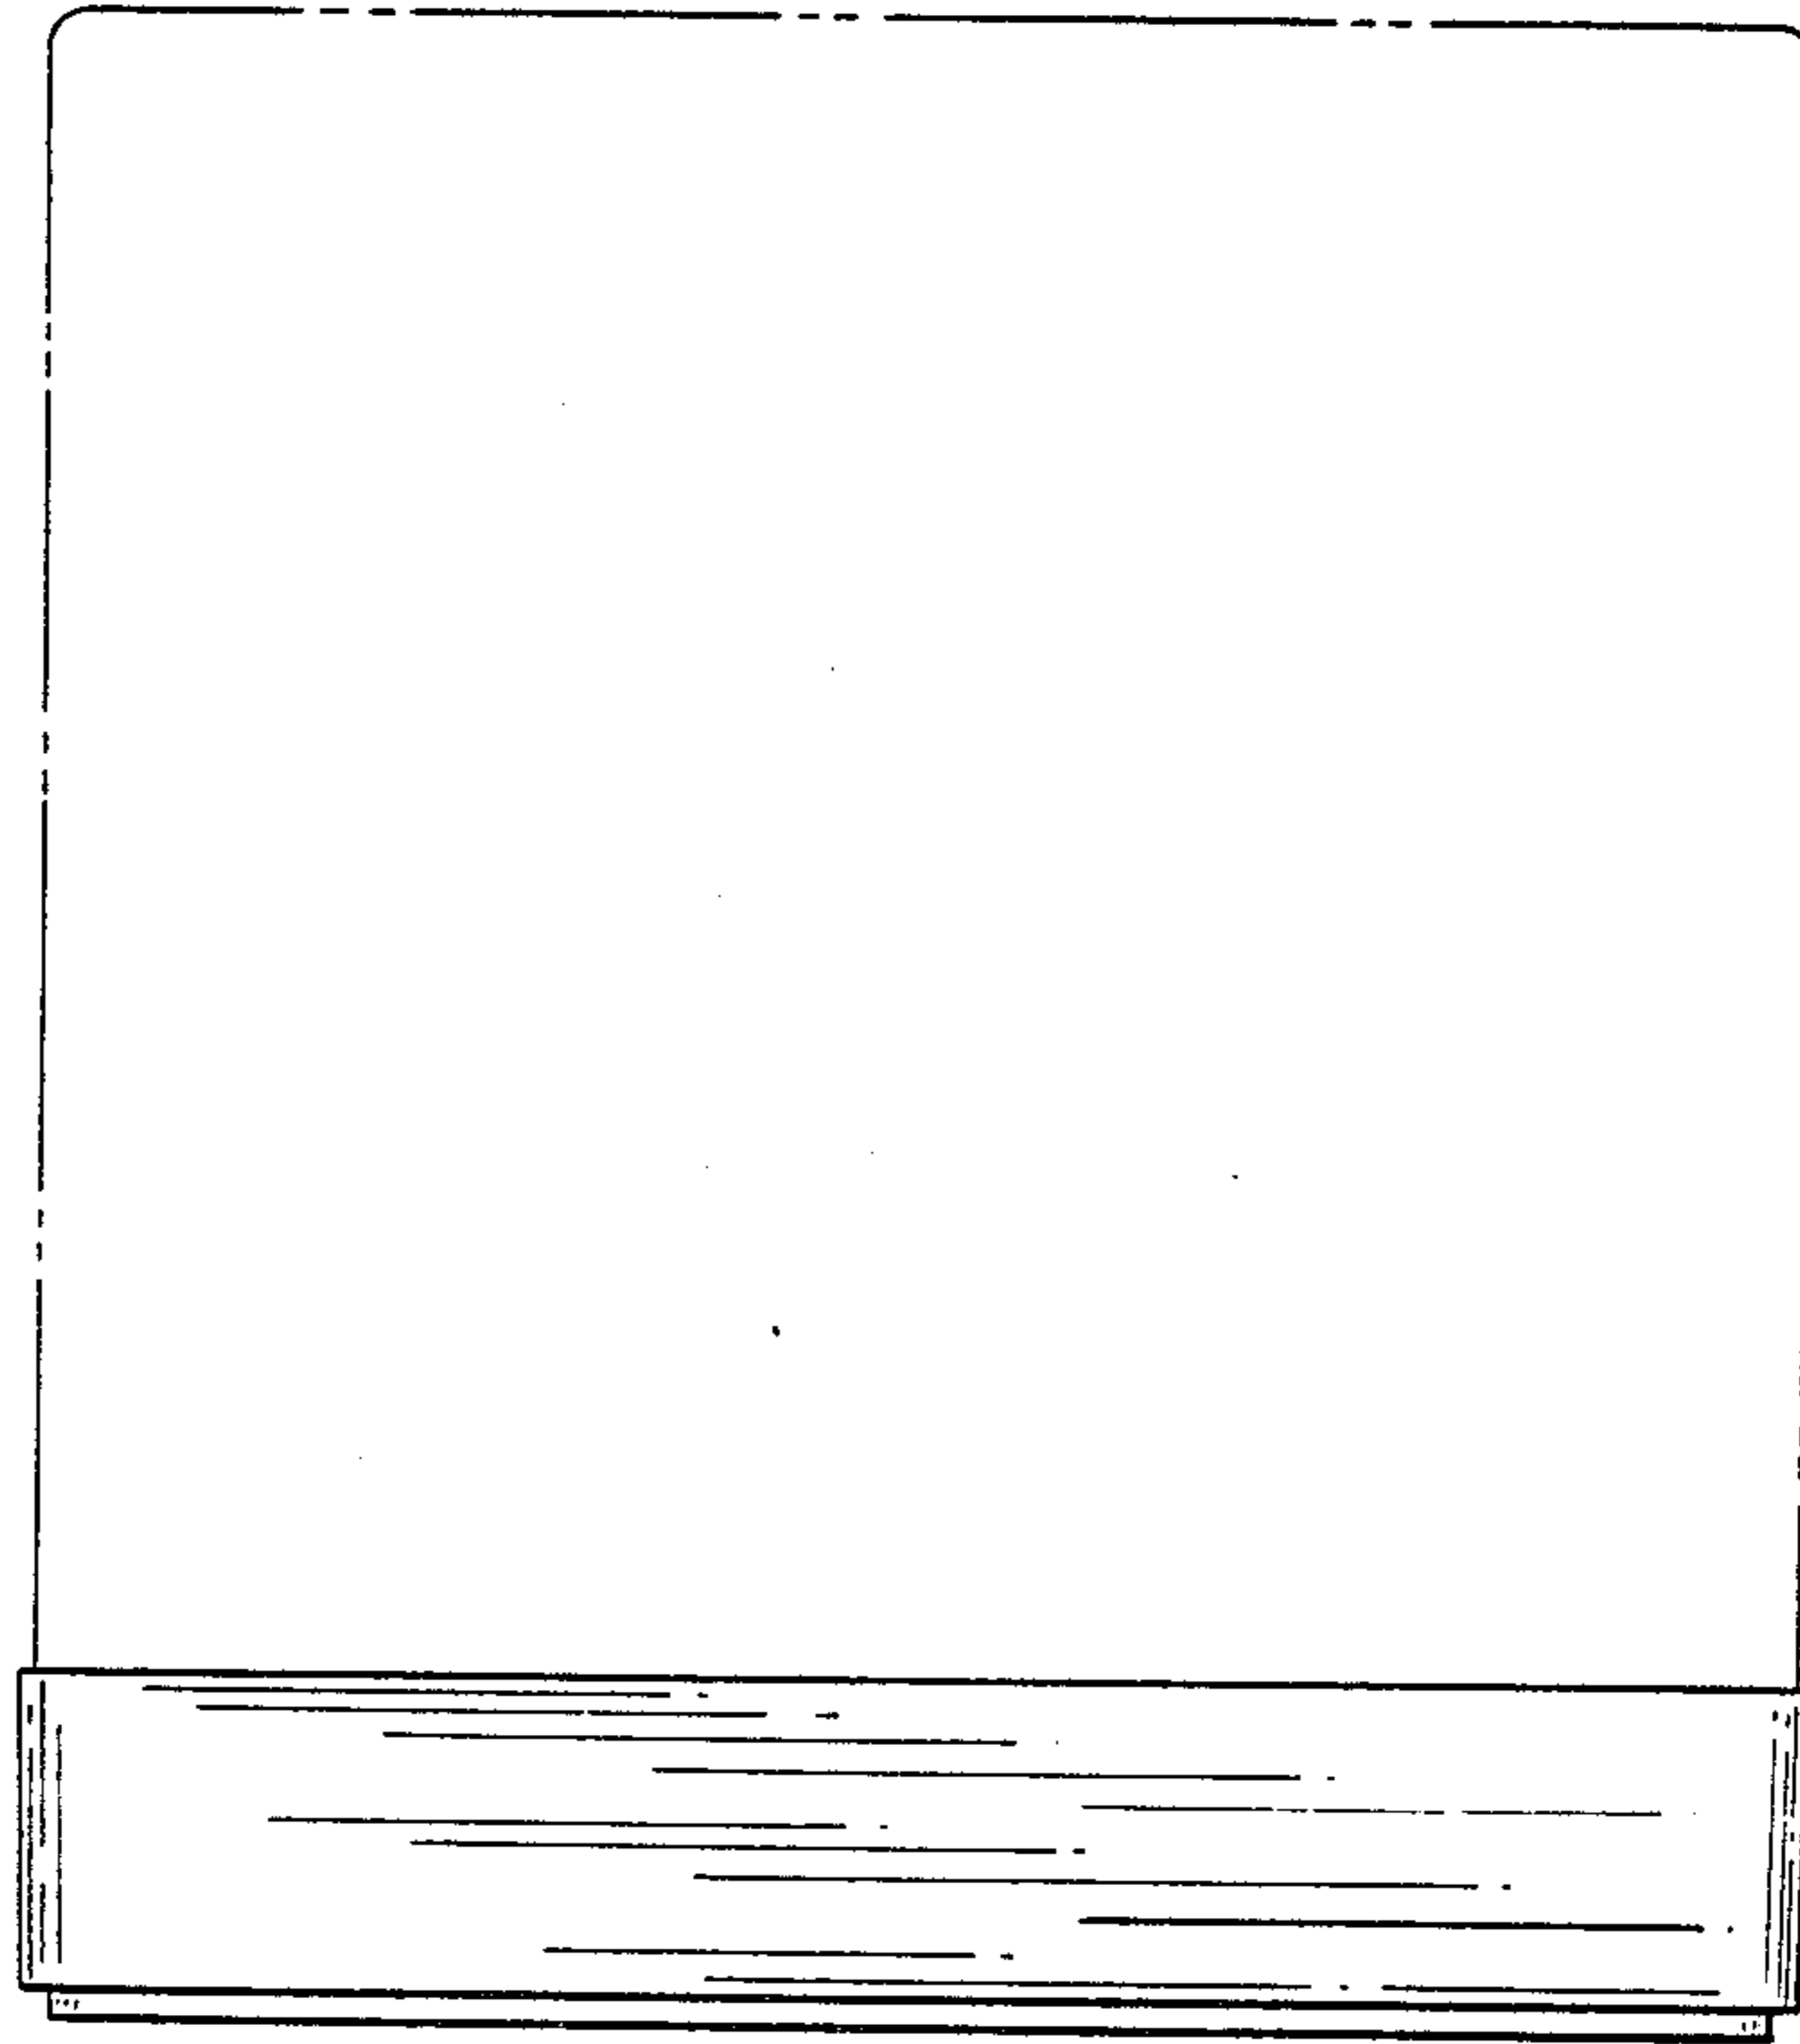

FIG. 4
