[57] CLAIM

The ornamental design for a pair of motorcycle belt covers, as shown and described.

DESCRIPTION

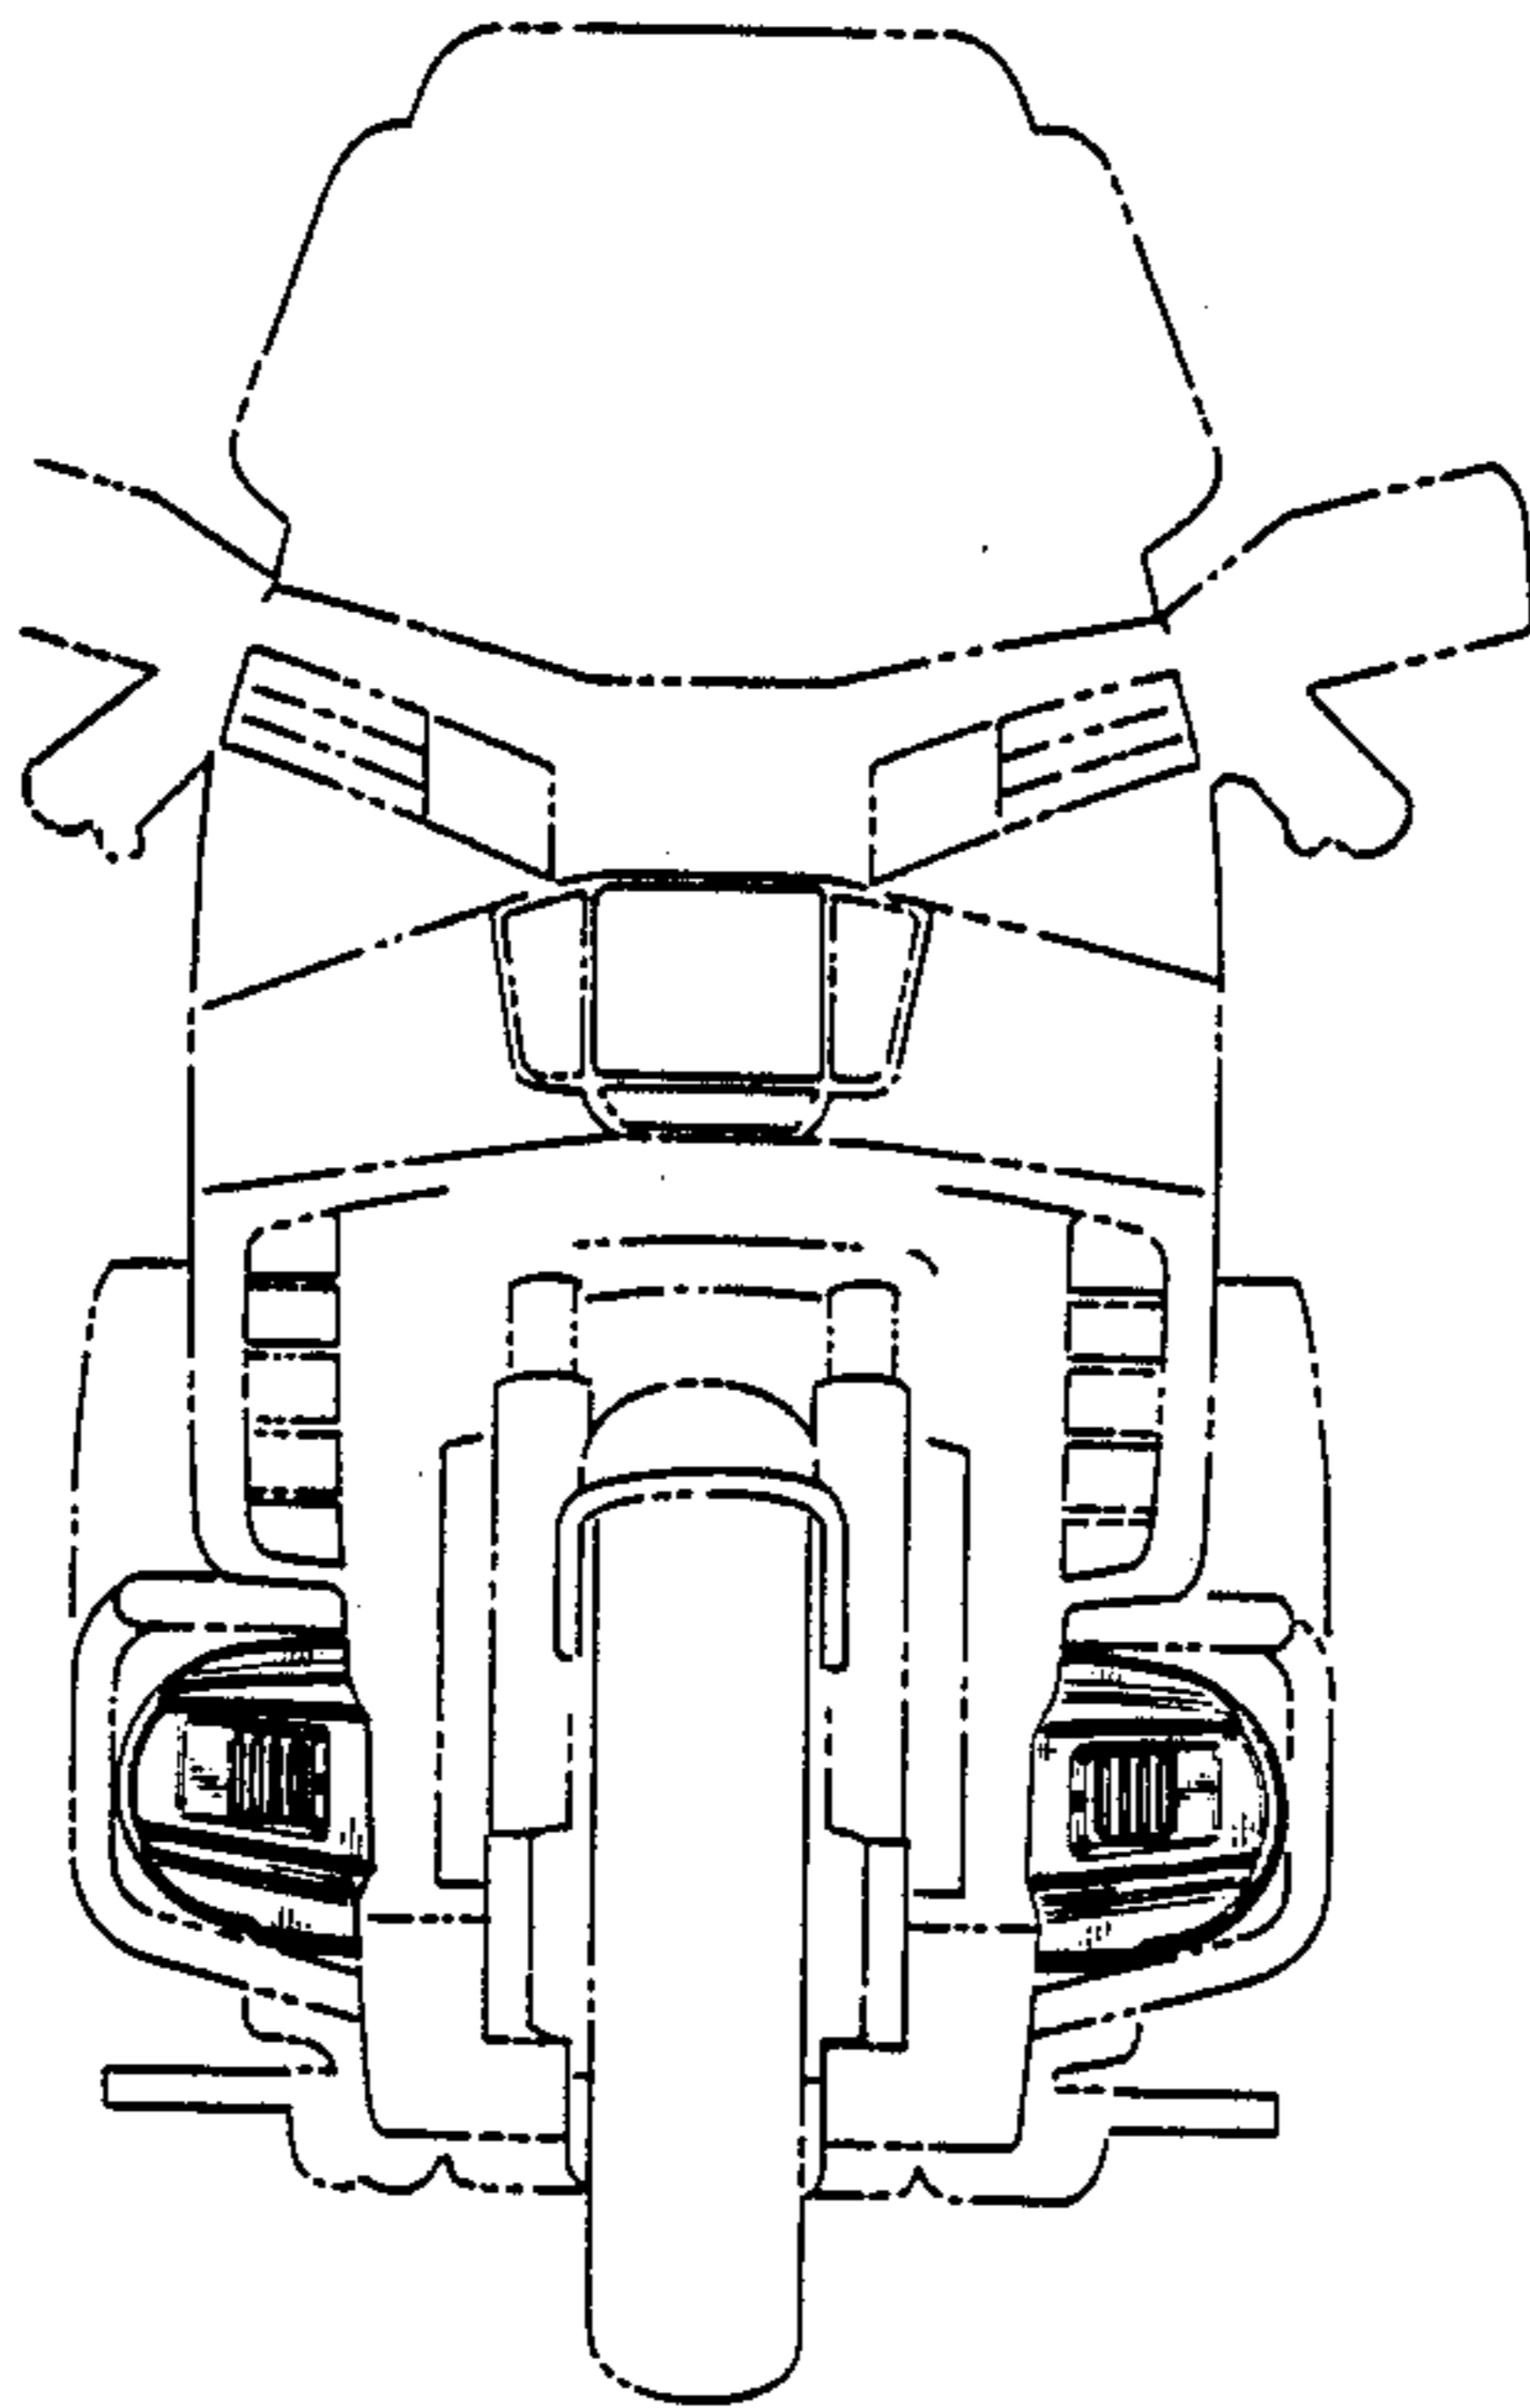

FIG. 1 is a front elevational view of a pair of motorcycle belt covers showing my new design, it being understood that the broken lines are for illustrative purposes only;

FIG. 2 is a rear elevational view of the right side belt cover;

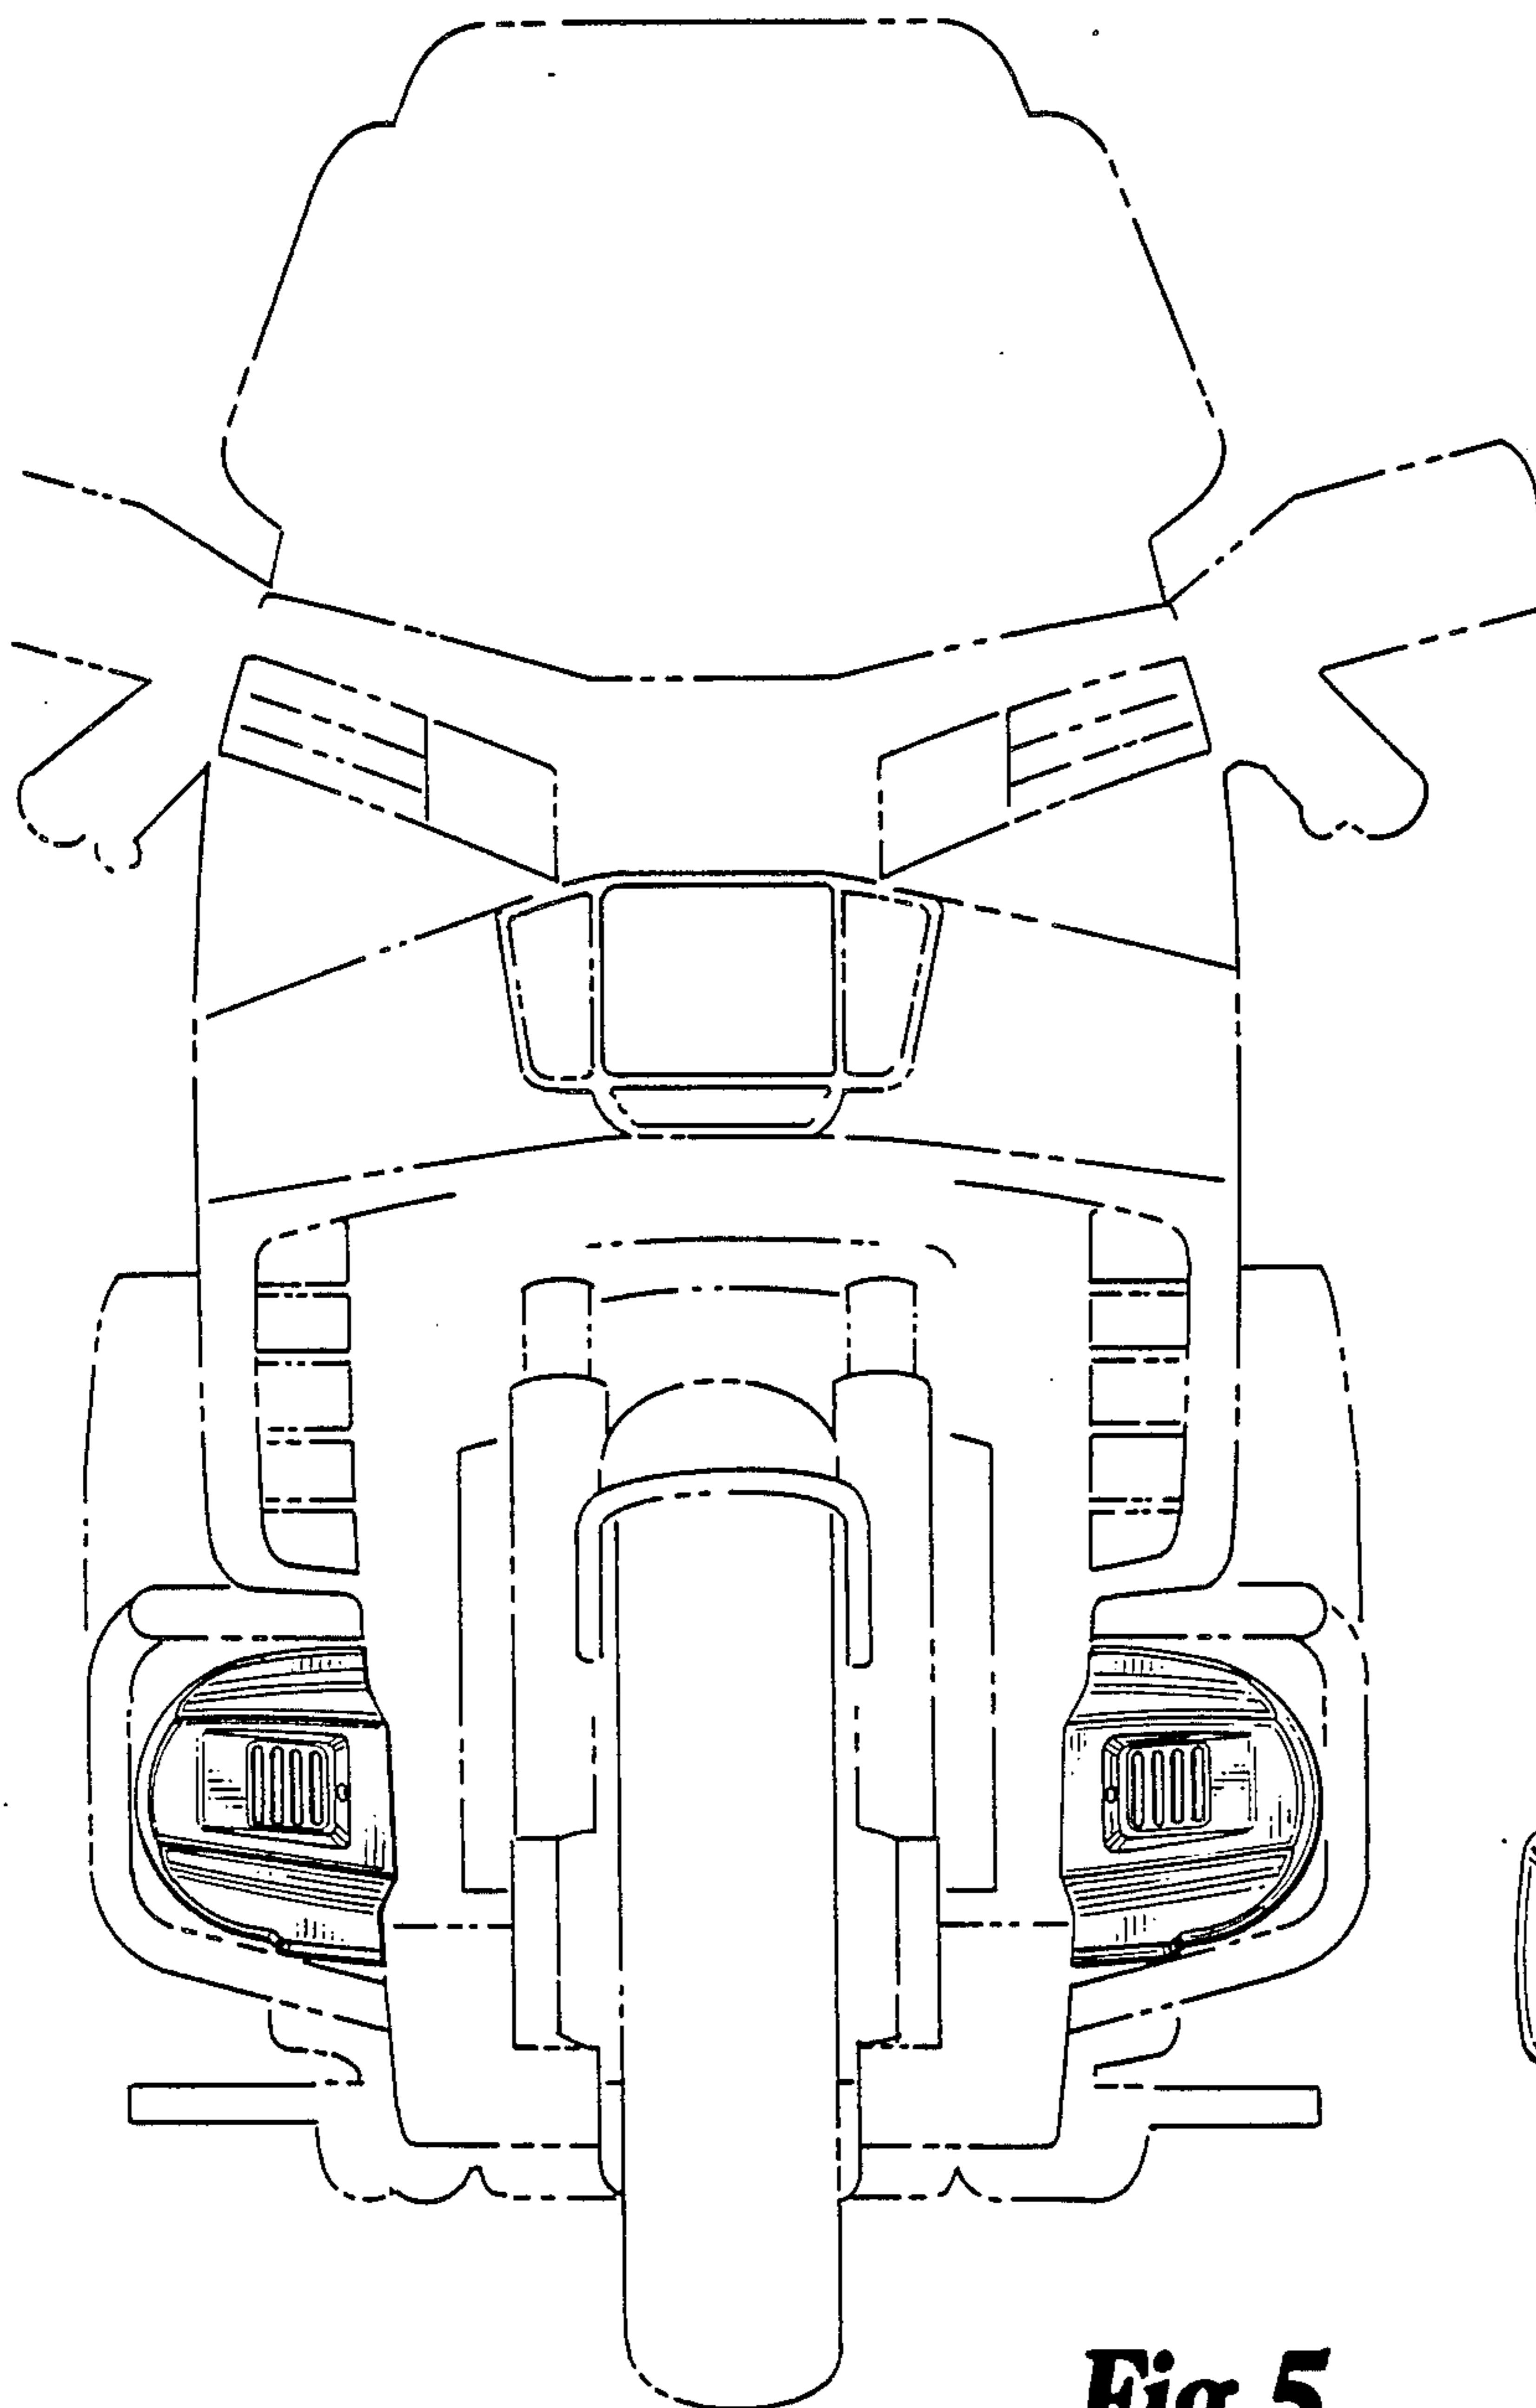

FIG. 3 is a top plan view of the right side belt cover; FIG. 4 is a bottom plan view of the right side belt cover; FIG. 5 is a right side elevational view of the right side belt cover; and

FIG. 6 is a left side elevational view of the right side belt cover.

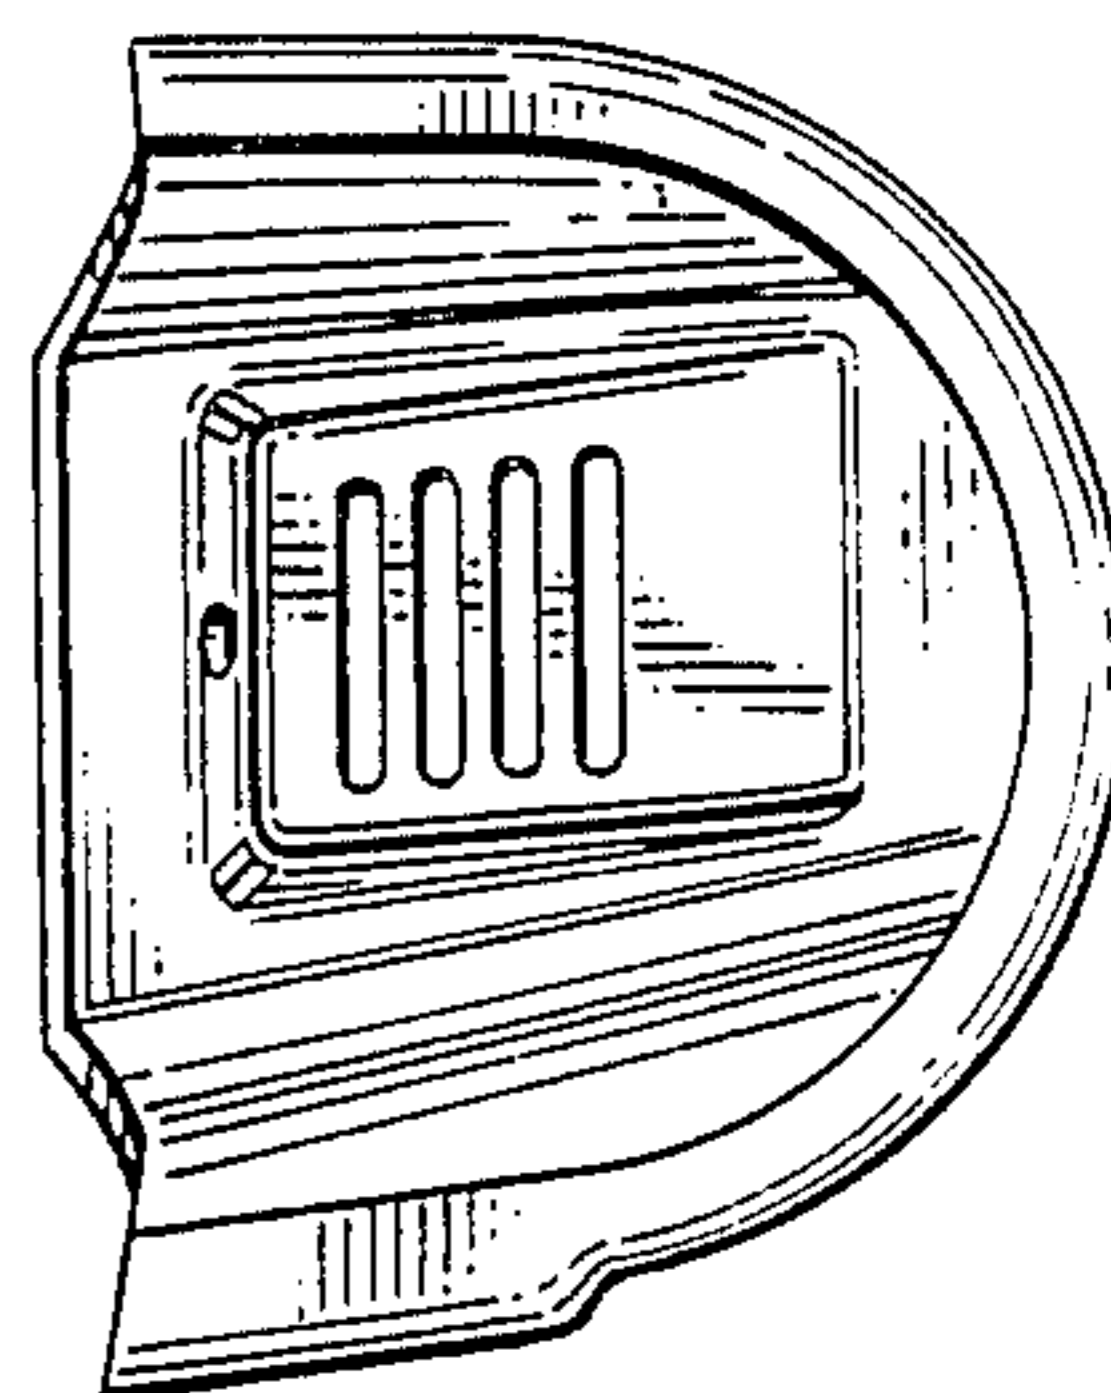

The rear and top and bottom and right and left sides of the left side belt cover are understood to be mirror images of the corresponding views of the right side belt cover shown in Figs. 2 through 6 respectively.
