[57] **CLAIM**

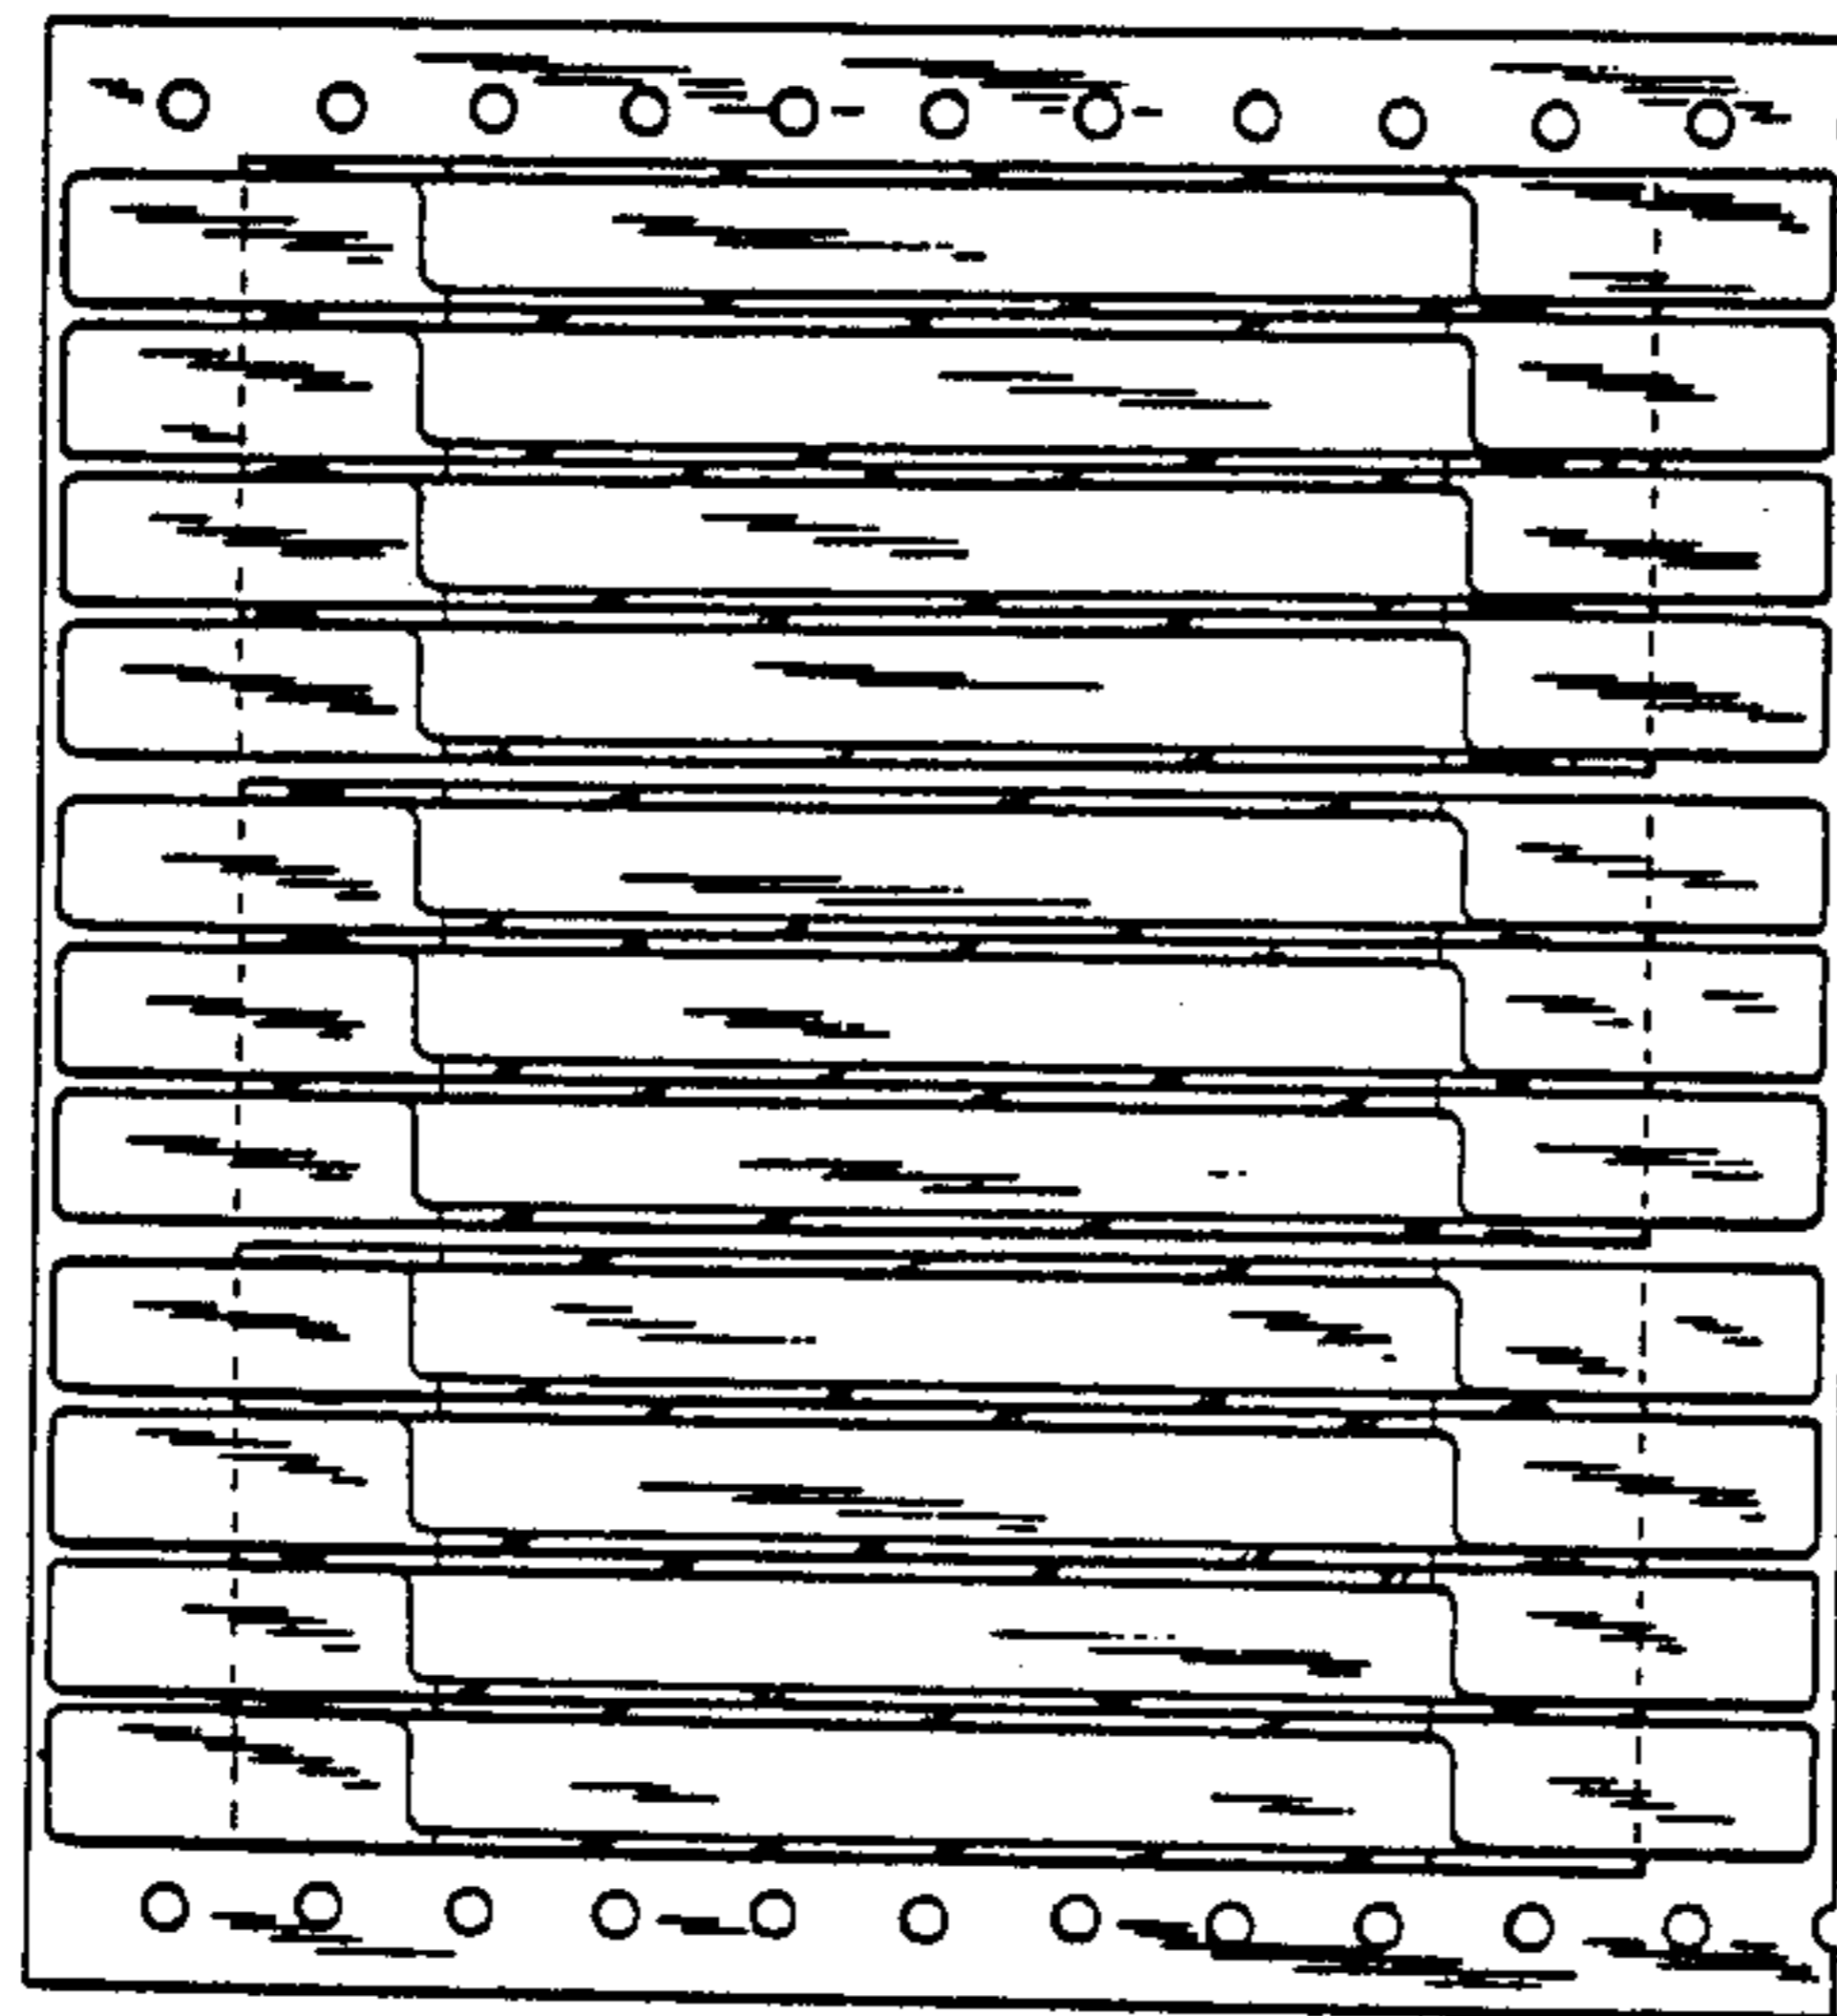

The ornamental design for a package of self-adhesive labels, as shown and described.

DESCRIPTION

FIG. 1 is a top plan view of a package of self-adhesive labels showing our new design. The bottom is plain and unornamented and the article is of conventional thickness.

The double shade line patterns indicating transparency, are understood to continue along the entire tail portion of each self-adhesive label.

The dotted lines indicate strike lines along which the main portions of the adhesive labels are folded.

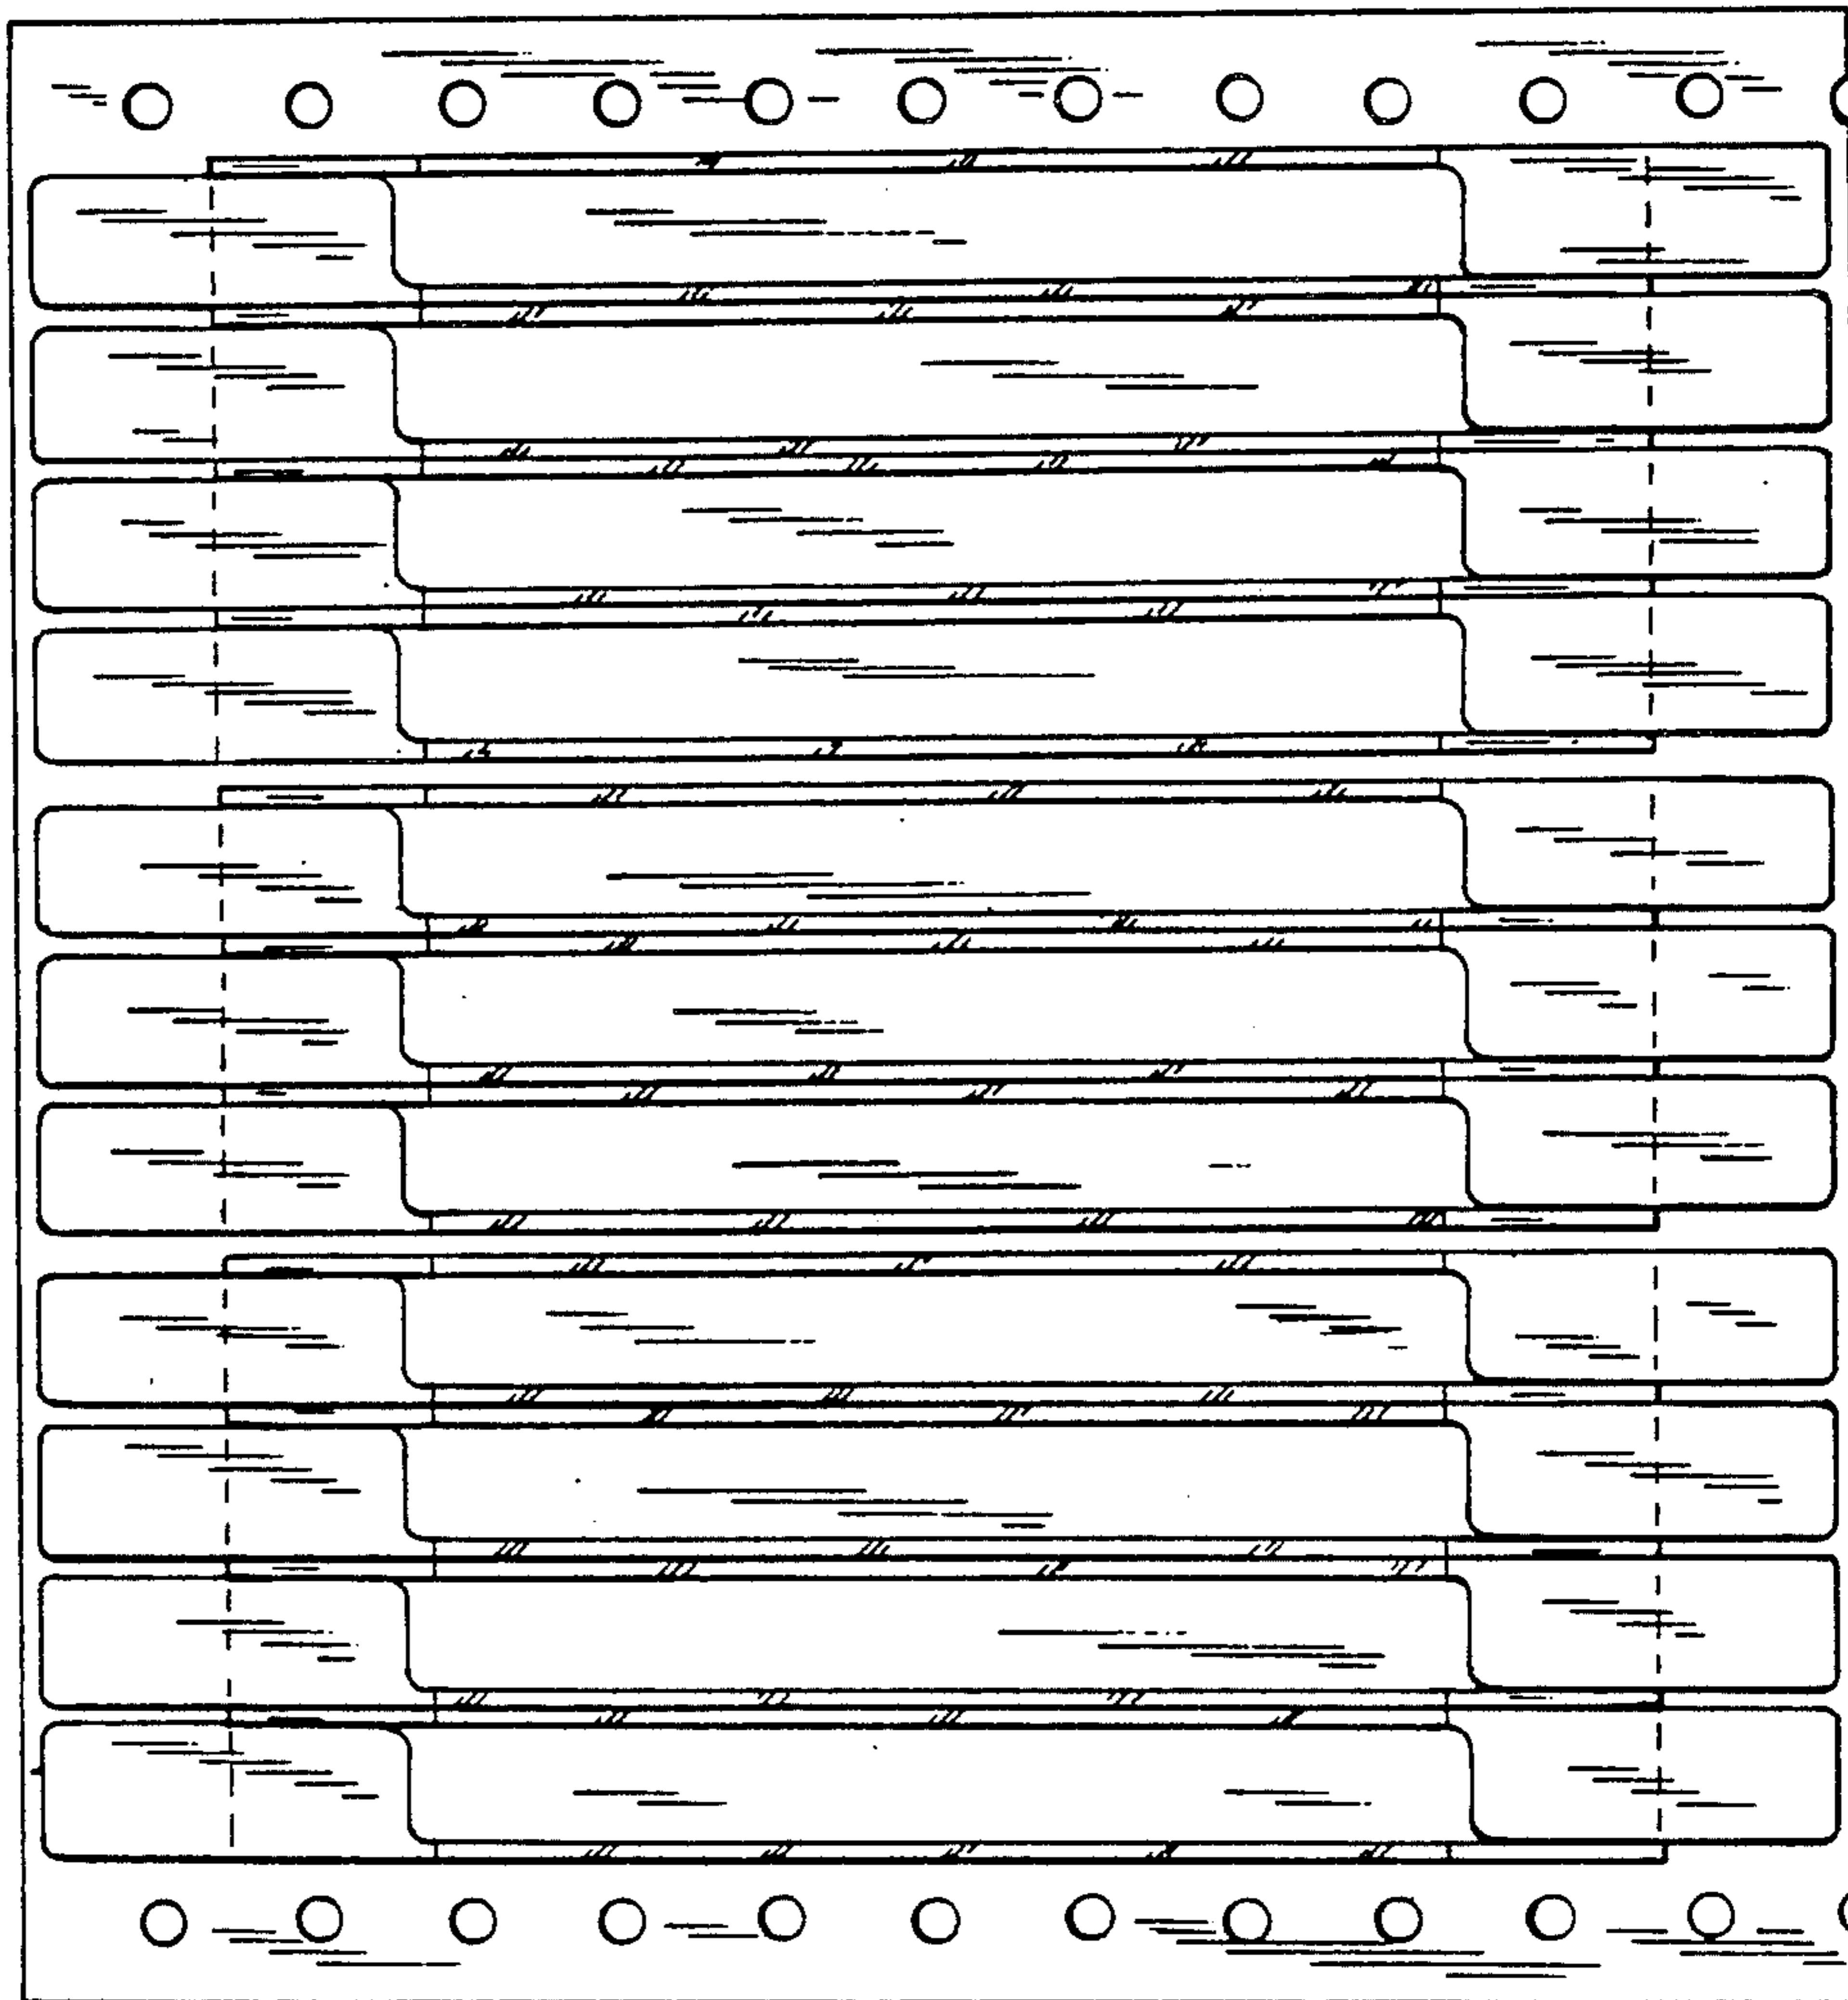

FIG. 1
