[57] **CLAIM**

The ornamental design for a hot air discharge tip for
membrane seam welder, as shown.

DESCRIPTION

FIG. 1 is a perspective view of a hot air discharge tip
for membrane seam welder, showing my new design,
the damper handle and damper plate being in mid-posi-
tion;

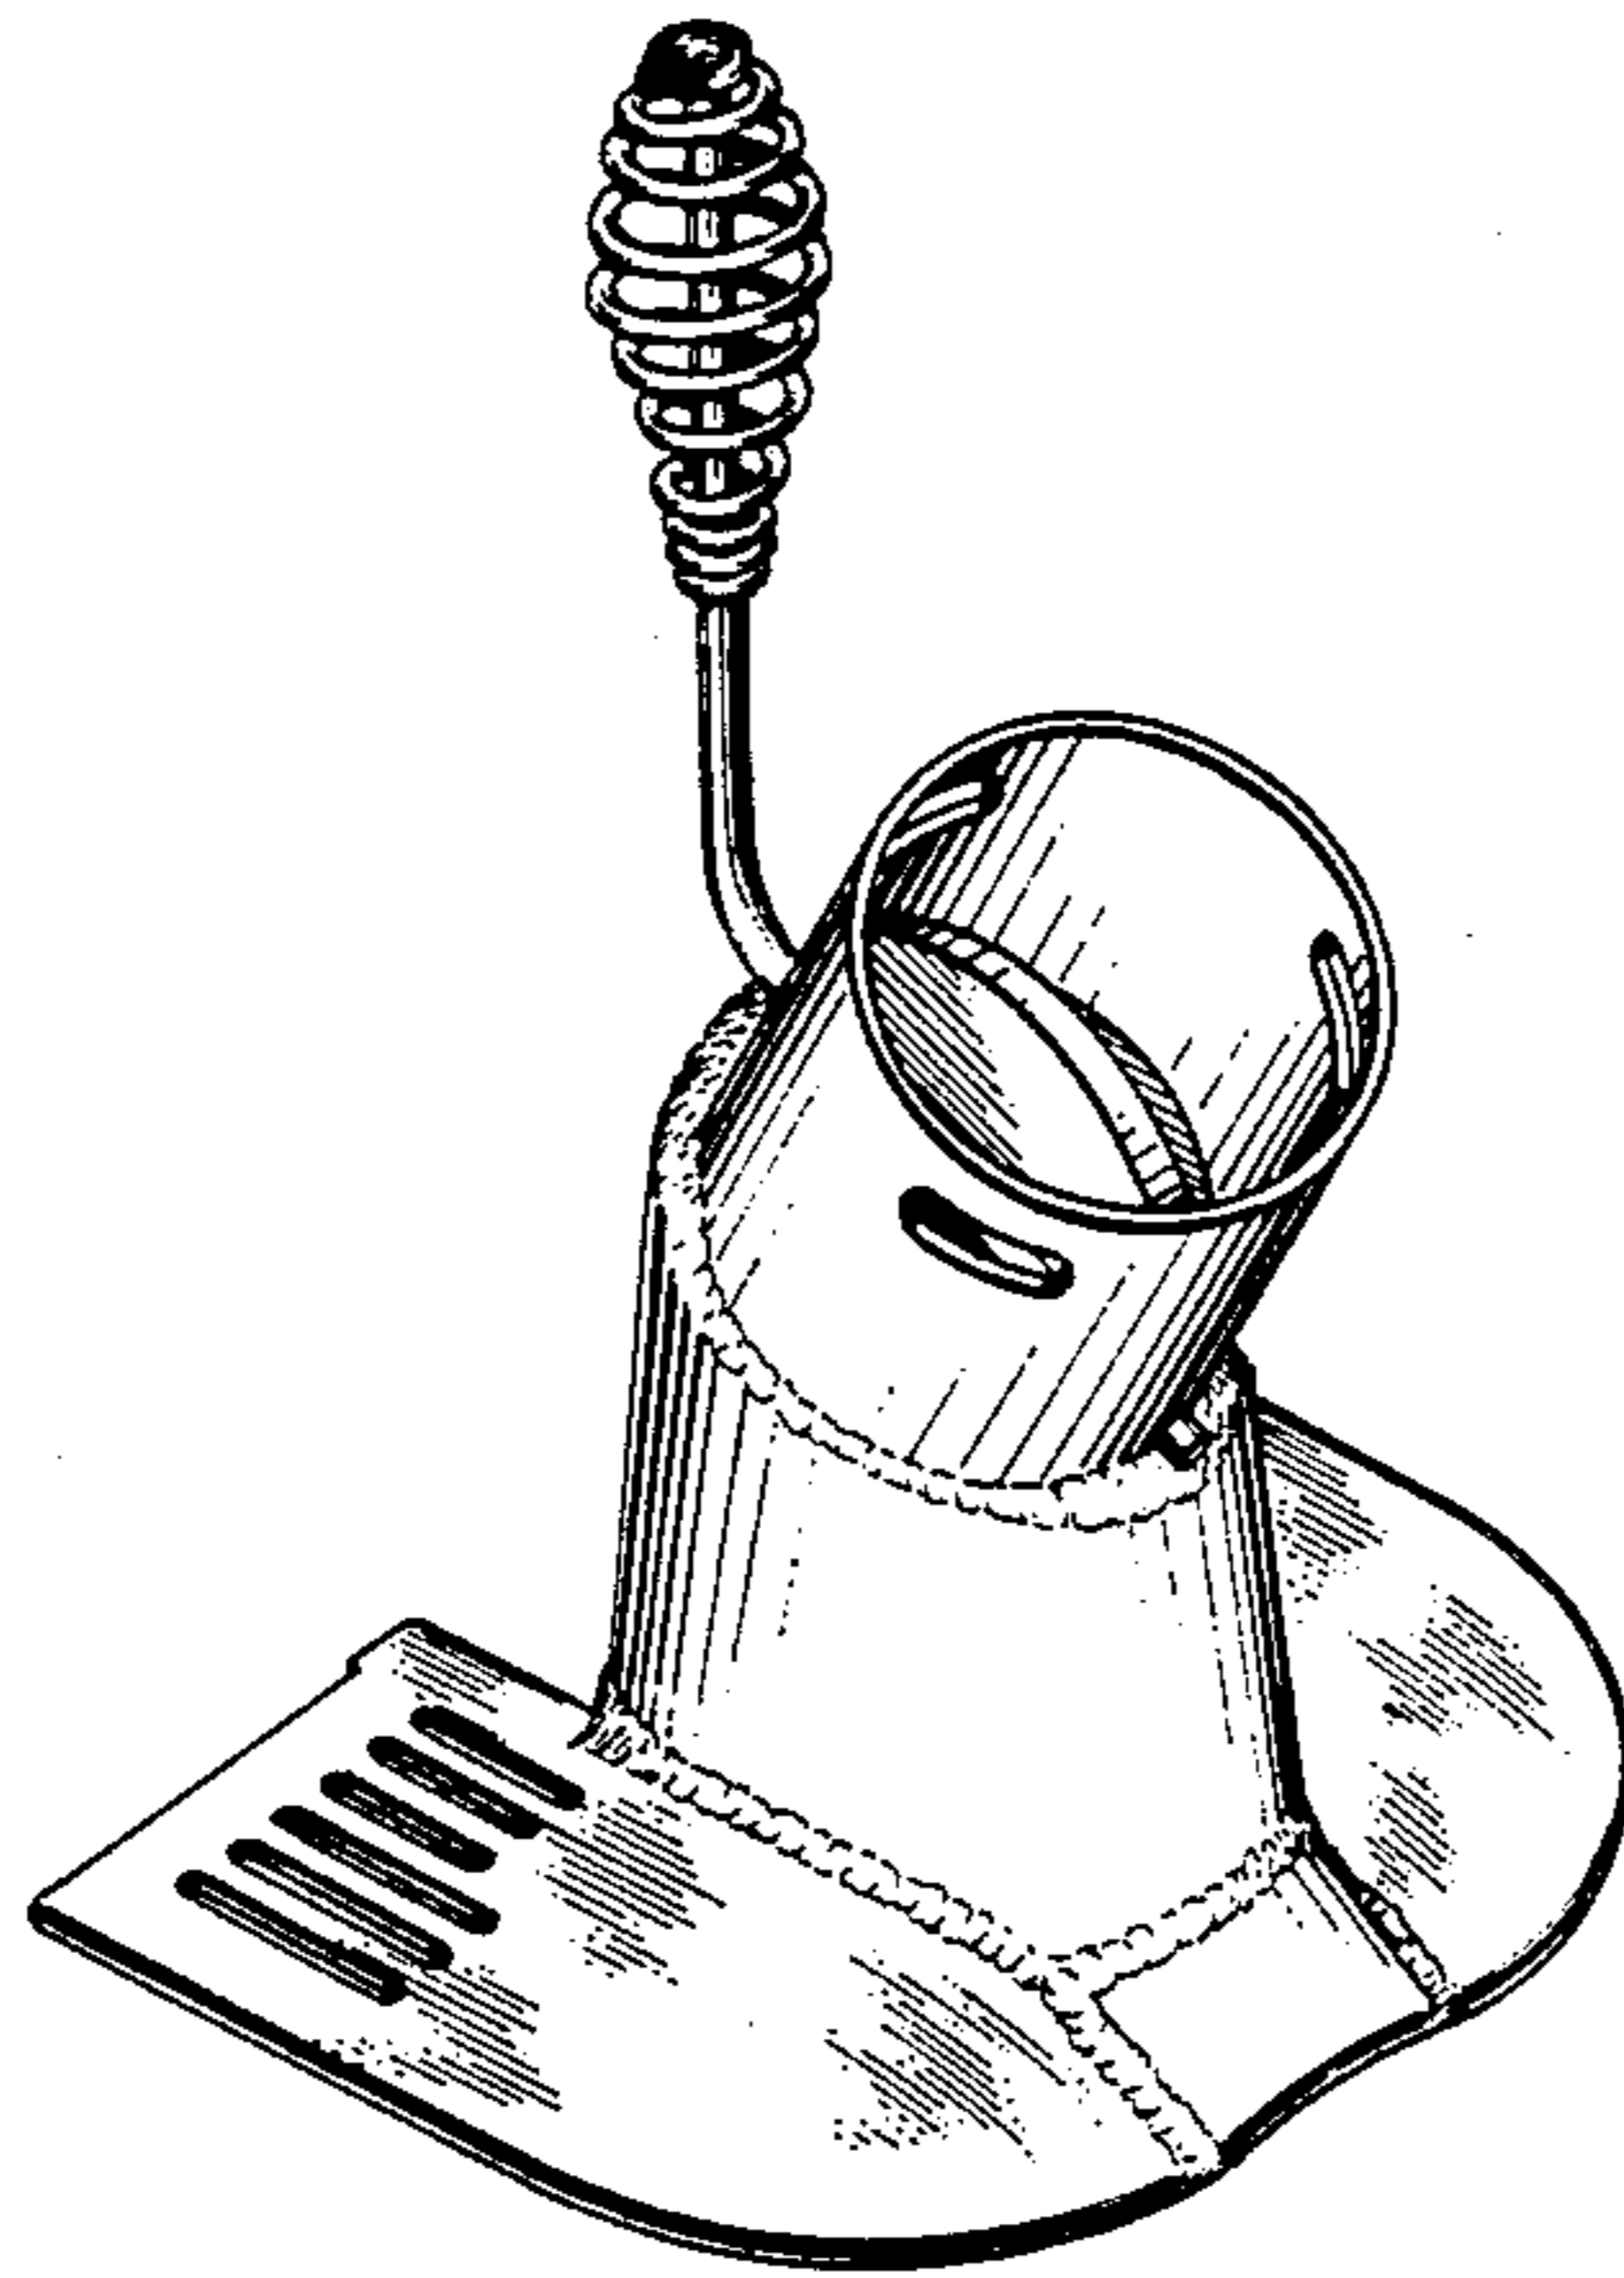

FIG. 2 is a left side elevational view thereof, the right
side being a mirror image;

FIG. 3 is a rear elevational view thereof;

FIG. 4 is a front elevational view thereof;

FIG. 5 is a bottom plan view thereof; and,

FIG. 6 is a top plan view thereof.
