[57] CLAIM

The ornamental design for a forward cutting portion of a disposable surgical scalpel blade or the like, substantially as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of a forward cutting portion of a disposable surgical scalpel blade or the like showing my new design;

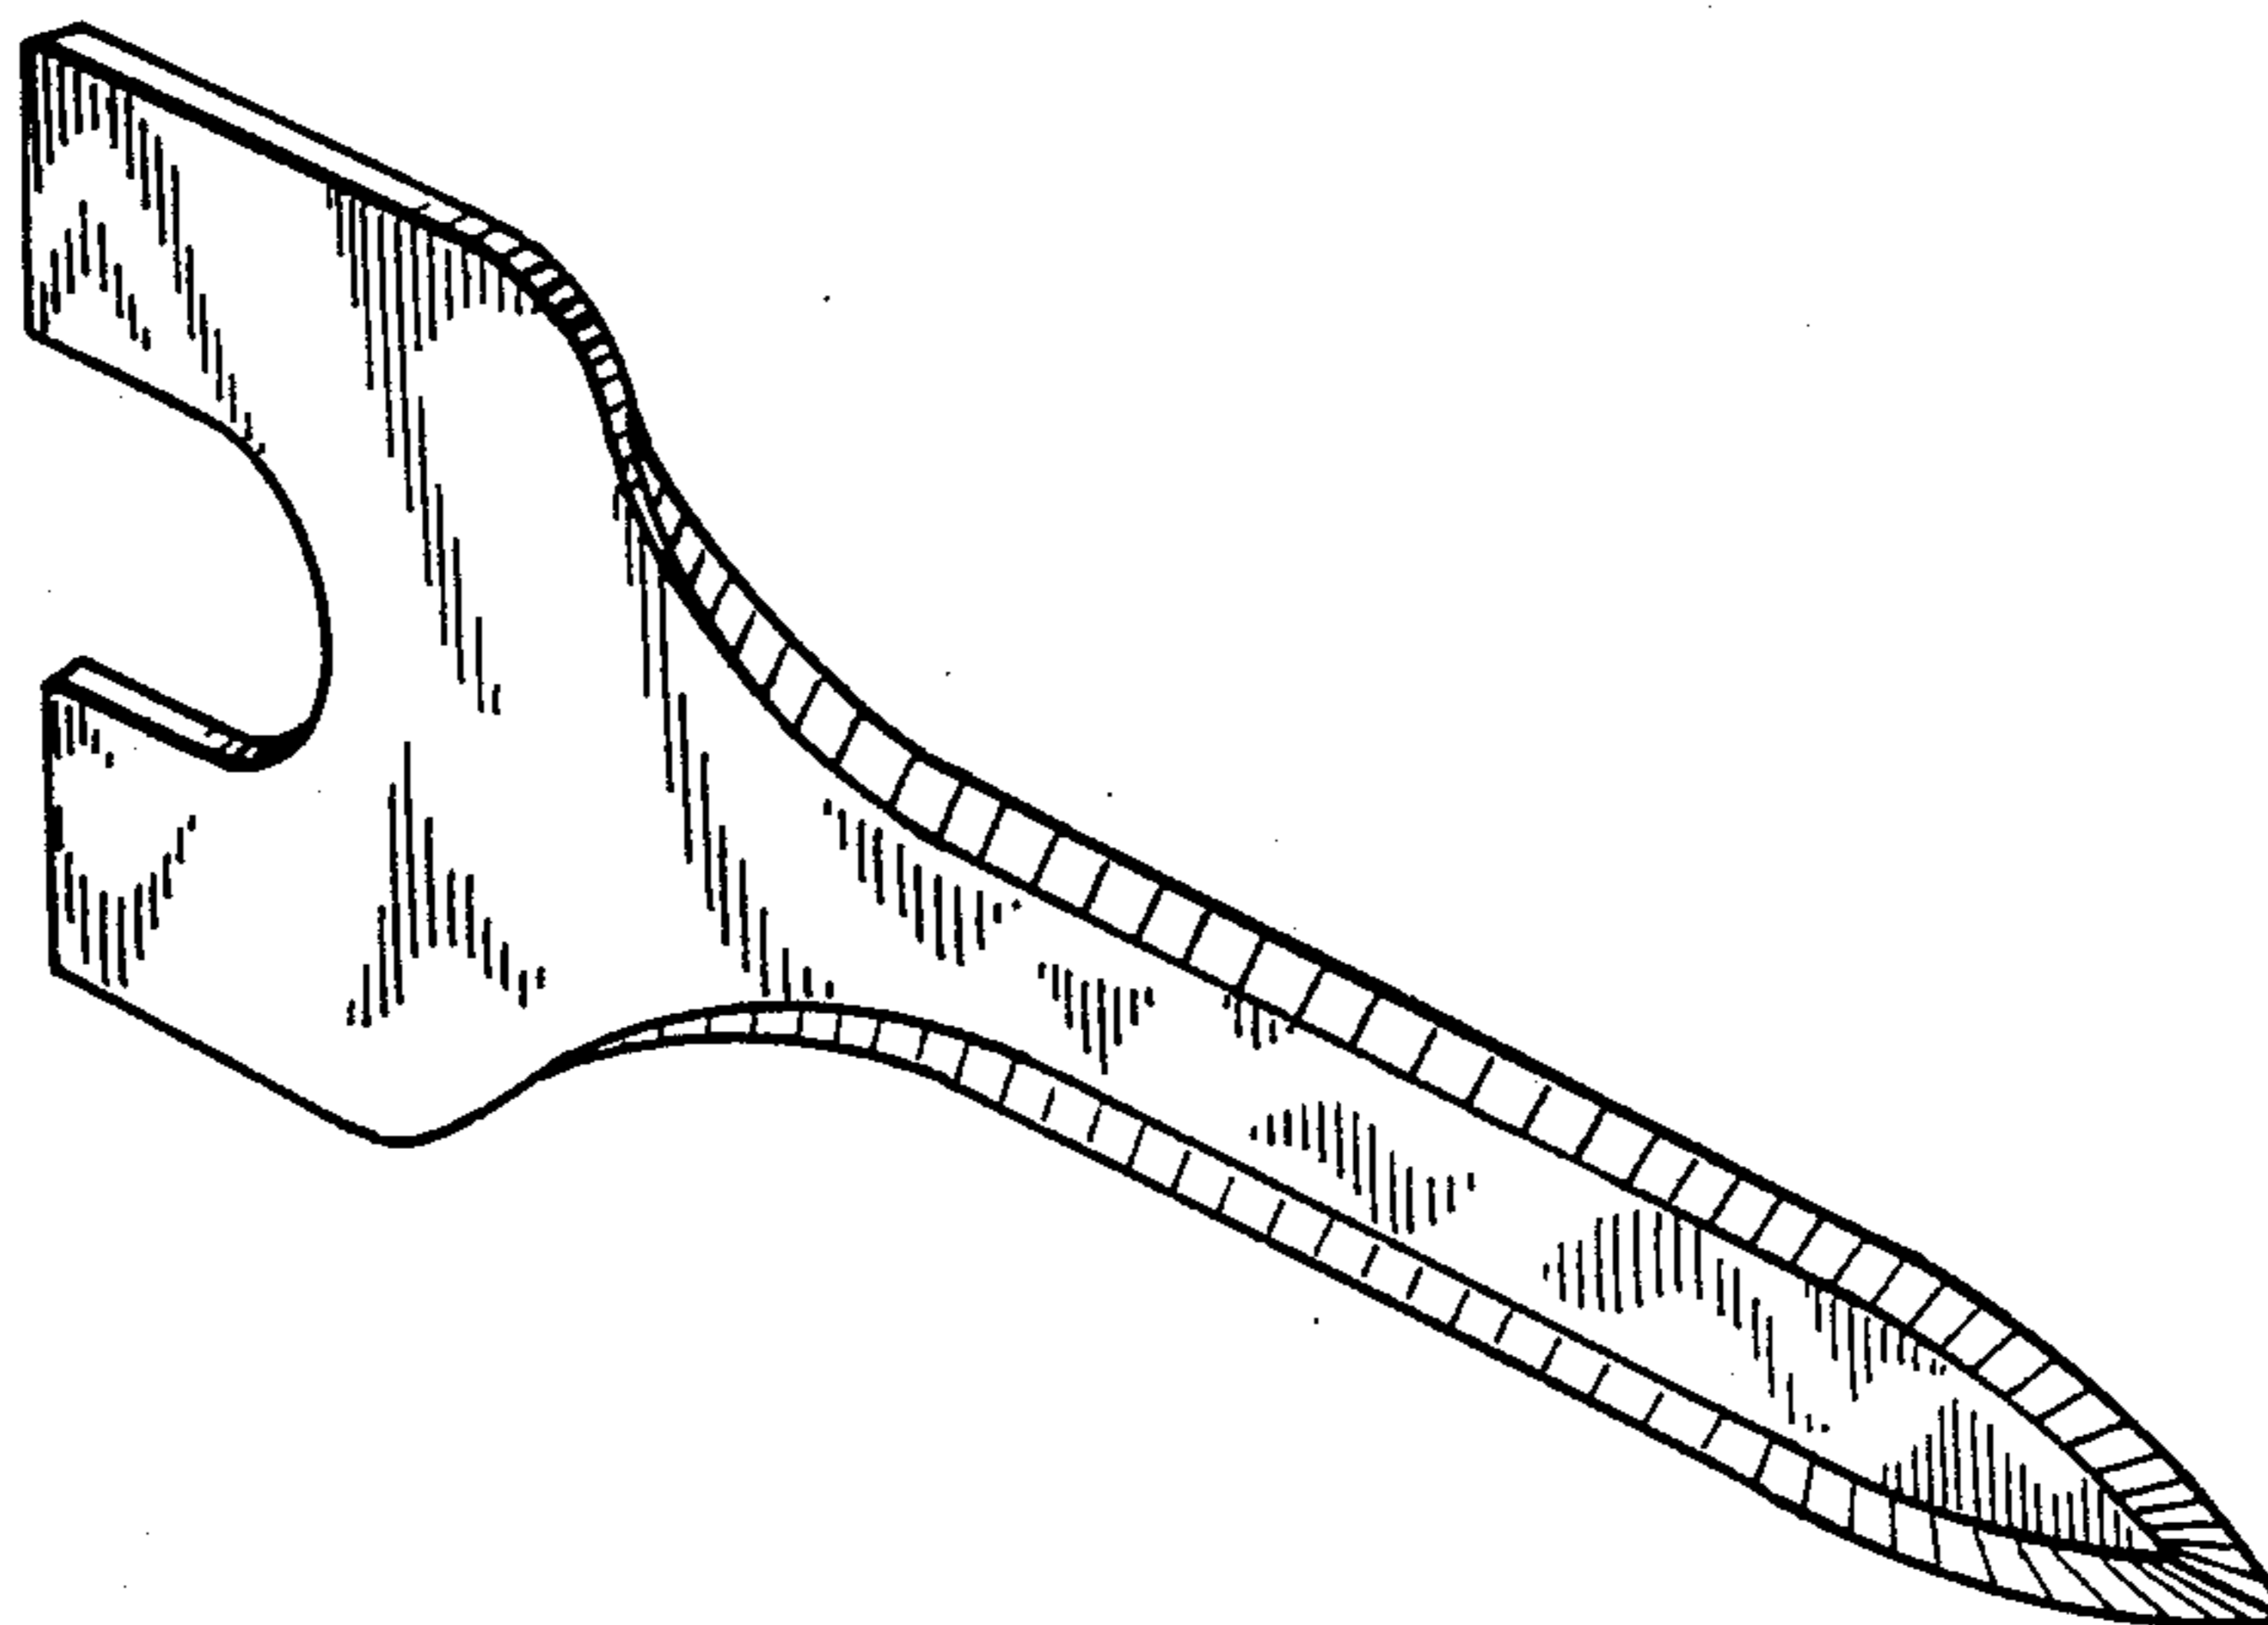

FIG. 2 is a side elevational view thereof, the order side being substantially a mirror image;

FIG. 3 is a top plan view thereof, the bottom plan view being substantially a mirror image;

FIG. 4 is a front elevational view thereof; and,

FIG. 5 is a cross sectional view thereof, taken on line 5—5 of FIG. 2.

The broken lines are shown for illustrative purposes only and forms no part of the claimed design.
