[57] CLAIM

The ornamental design for a unitary housing base for a handset telephone, radio and a rotatable vertical display unit clock, substantially as shown and described.

DESCRIPTION

FIG. 1 is a top plan view of a unitary housing base for a telephone, radio and a rotatable vertical display unit clock;

FIG. 3 is a bottom plan view thereof;

FIG. 4 is a rear elevational view thereof;

FIGS. 5 and 6 are respectively right and left side elevational views thereof;

FIG. 7 is a front, top and right side perspective view thereof; and,

FIG. 8 is a front, top and left side perspective view thereof, showing the rotatable clock unit in a clockwise rotated position.
