[57] CLAIM

The ornamental design for a spent catalyst container, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of a spent catalyst container showing our new design; FIG. 2 is a front elevation view thereof, the rear elevation view being a mirror image of that shown; FIG. 3 is a right side elevation view thereof, the left side being a mirror image of that shown; FIG. 4 is a top plan view thereof; and FIG. 5 is a bottom plan view thereof. The fragmentary criss-cross pattern shown on the top of the container in FIGS. 1 and 4 is understood to be continuous throughout the area shown.
