[57] CLAIM

The ornamental design for a combination handset and stand telephone, substantially as shown and described.

DESCRIPTION

FIG. 1 is an isometric view of a combination handset and stand telephone, showing my new design, and it is understood that the fabric surface shown fragmentally in the six speaker apertures for ease of illustration does, in fact, extend throughout each circle;
FIG. 2 is a right side elevational view thereof;
FIG. 3 is a rear elevational view thereof; and,
FIG. 4 is a bottom plan view thereof.
