[57] CLAIM

The ornamental design for lifting handle for toilet seats, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view taken from the top, front and left side of a lifting handle for toilet seats, showing my new design;

FIG. 2 is a left side elevational view thereof, the right side being a mirror image of the left side shown;

FIG. 3 is a front elevational view thereof;

FIG. 4 is a top plan view thereof;

FIG. 5 is a bottom plan view thereof; and

FIG. 6 is a rear elevational view thereof.

The fragmentary broken line representation of a toilet seat and the broken line representation of an adhesive pad in FIG. 1 is for purposes of illustration only and form no part of the claimed design.
