[57] CLAIM

The ornamental design for a combined handle and stem for an air pump, substantially as shown and described.

DESCRIPTION

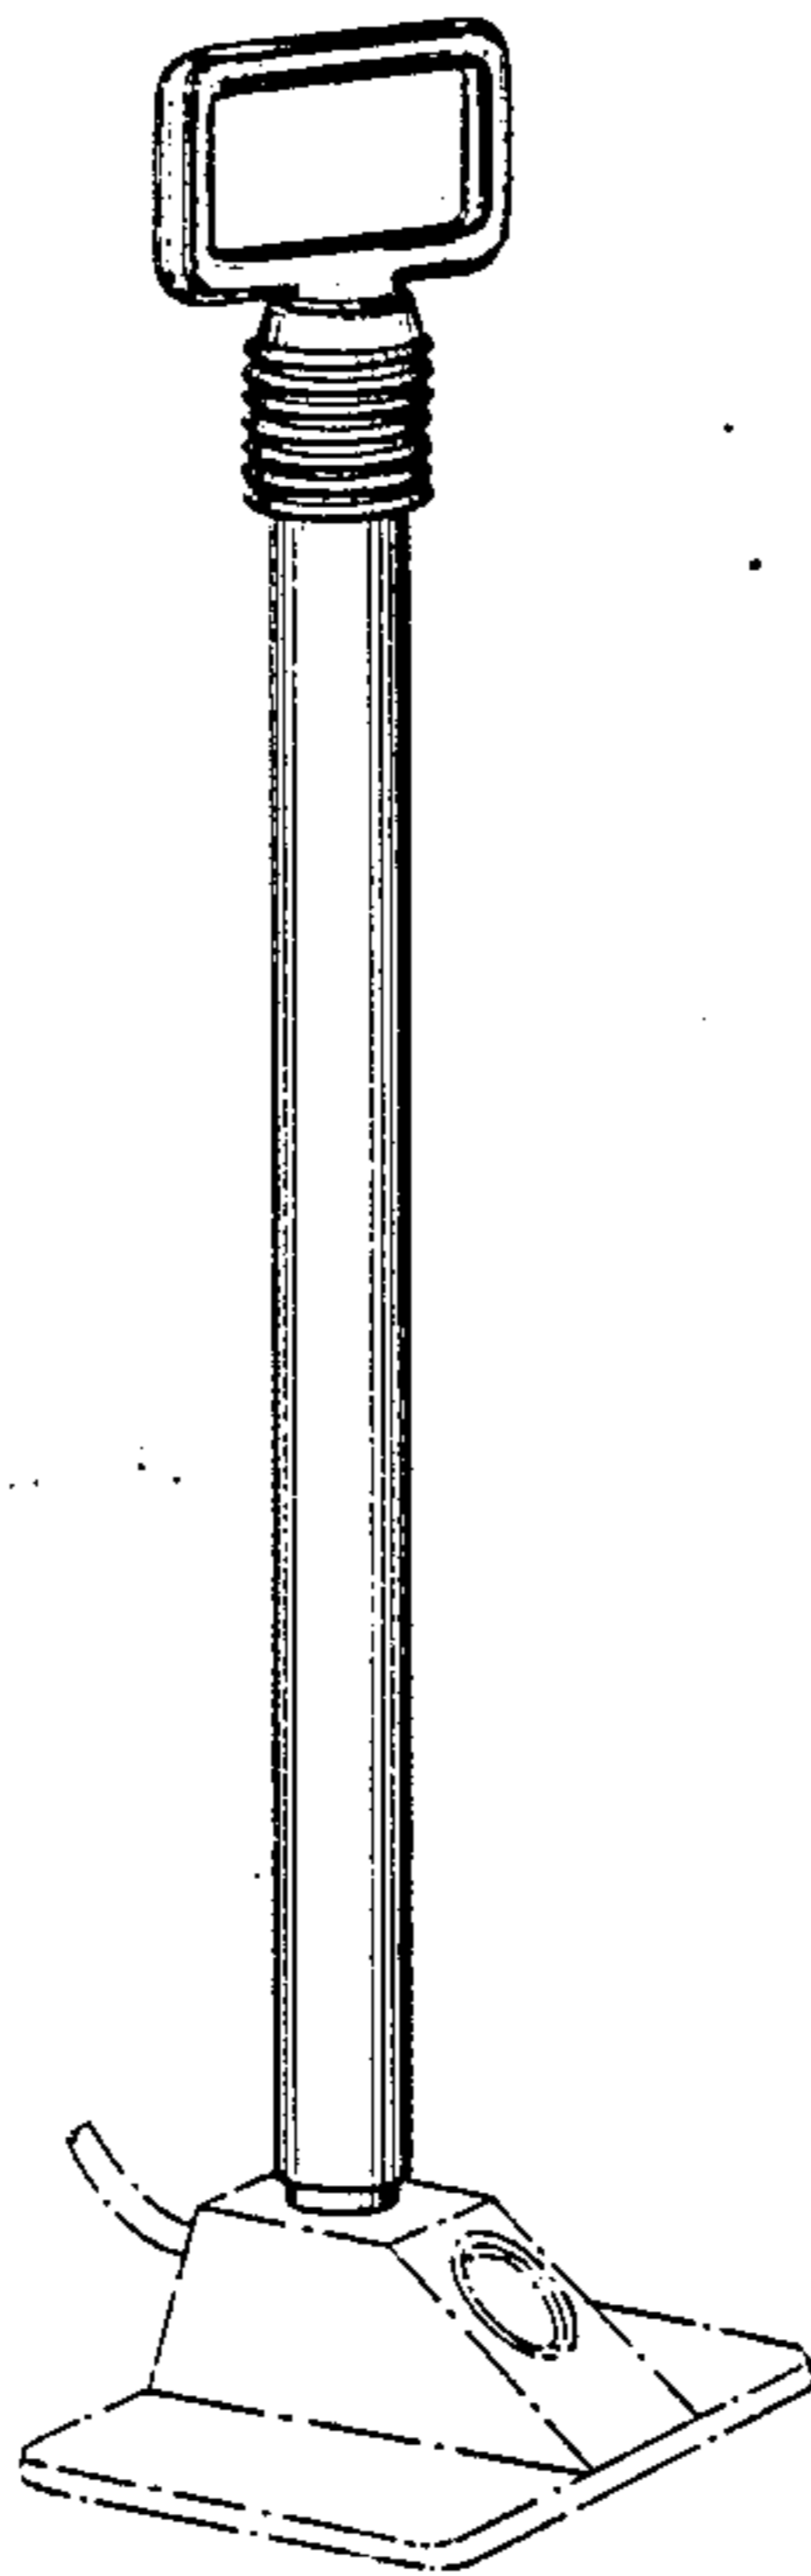

FIG. 1 is a front perspective view of a combined handle and stem for an air pump showing my new design, the broken-line showing of the base being for illustrative purposes only and forming no part of the claimed design;

FIG. 2 is a side elevational view thereof, the side opposite being identified in appearance;

FIG. 3 is a front elevational view thereof, the rear being identical in appearance;

FIG. 4 is a top plan view thereof; and

FIG. 5 is a bottom plan view thereof.

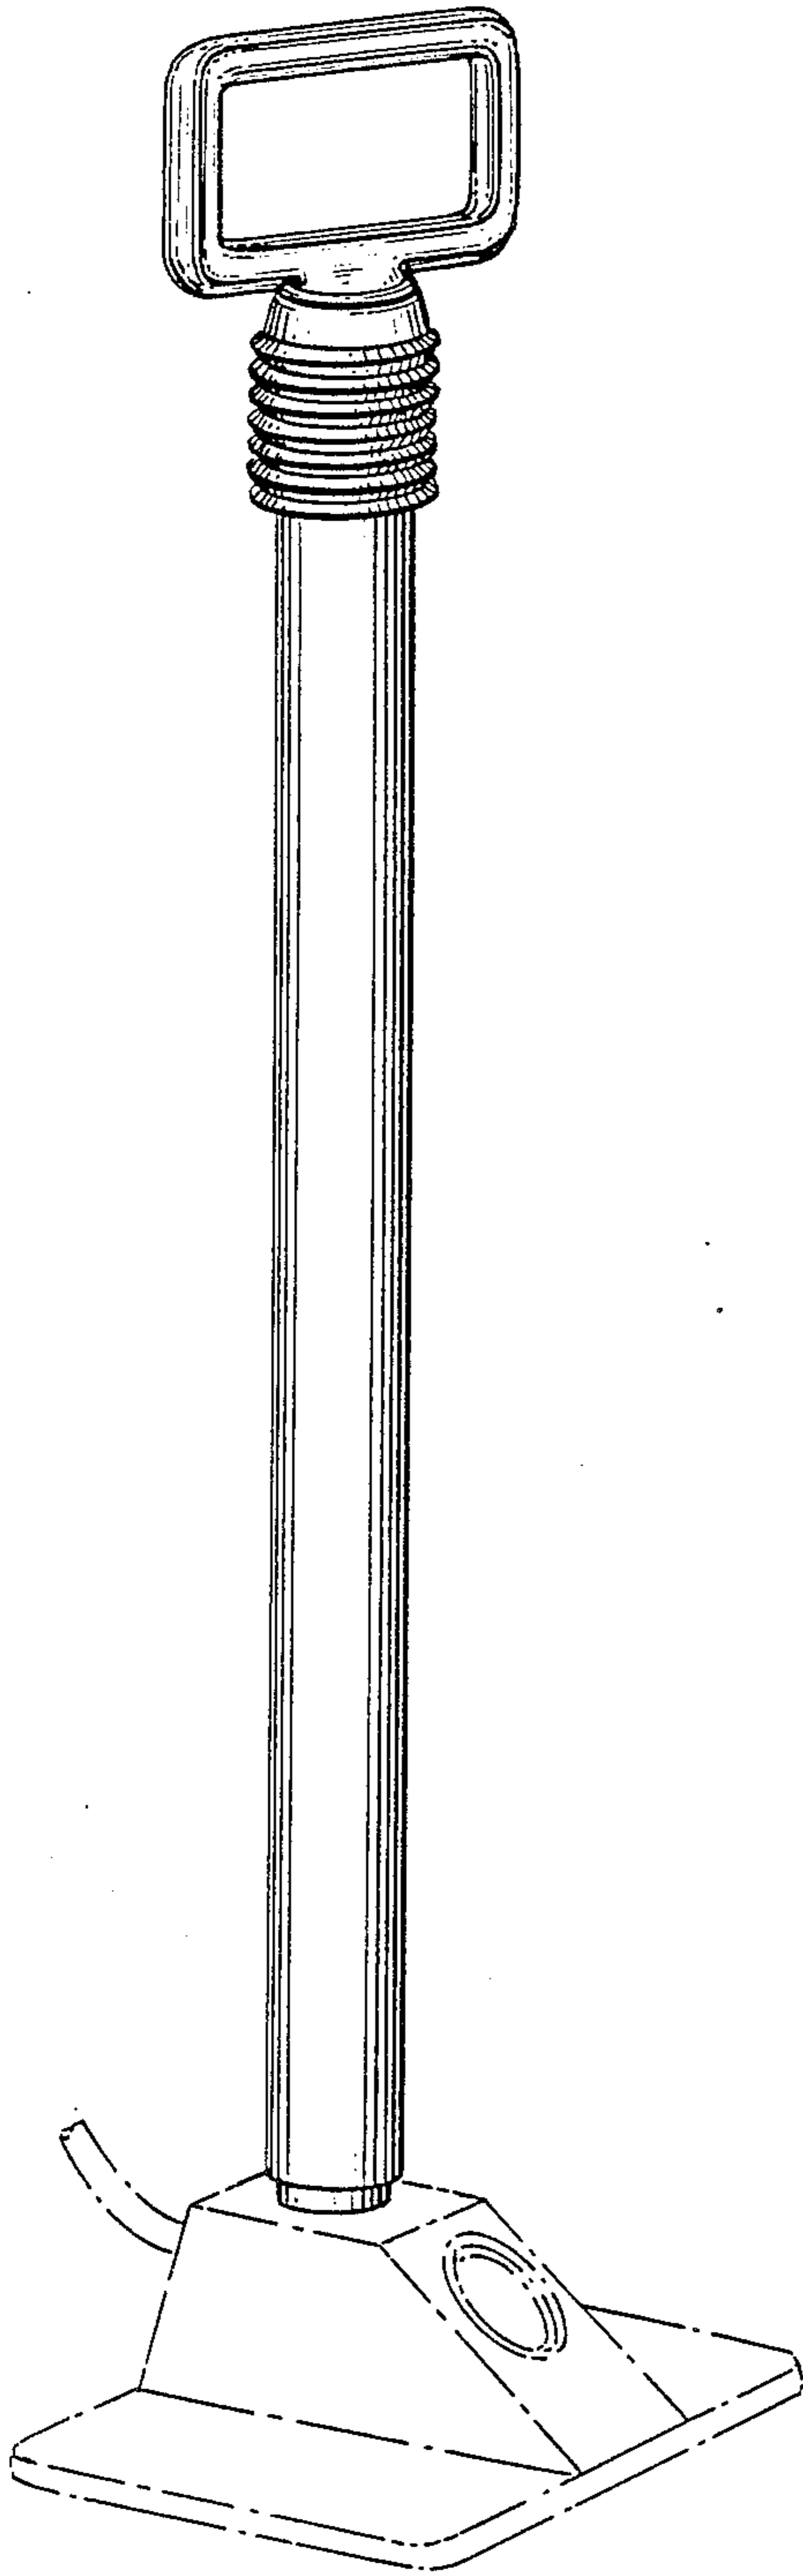

FIG. 1

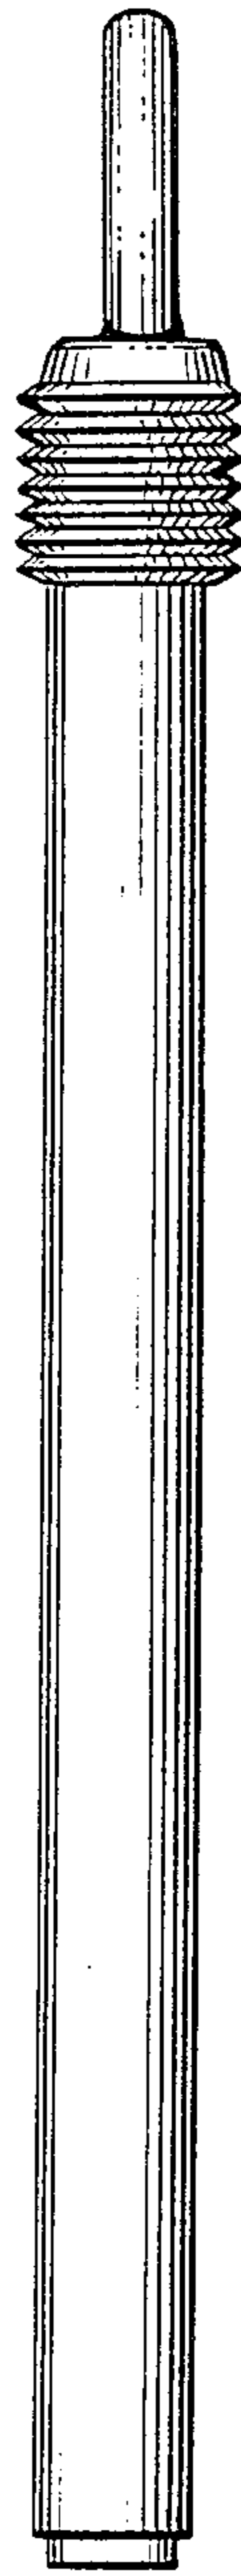

FIG. 2

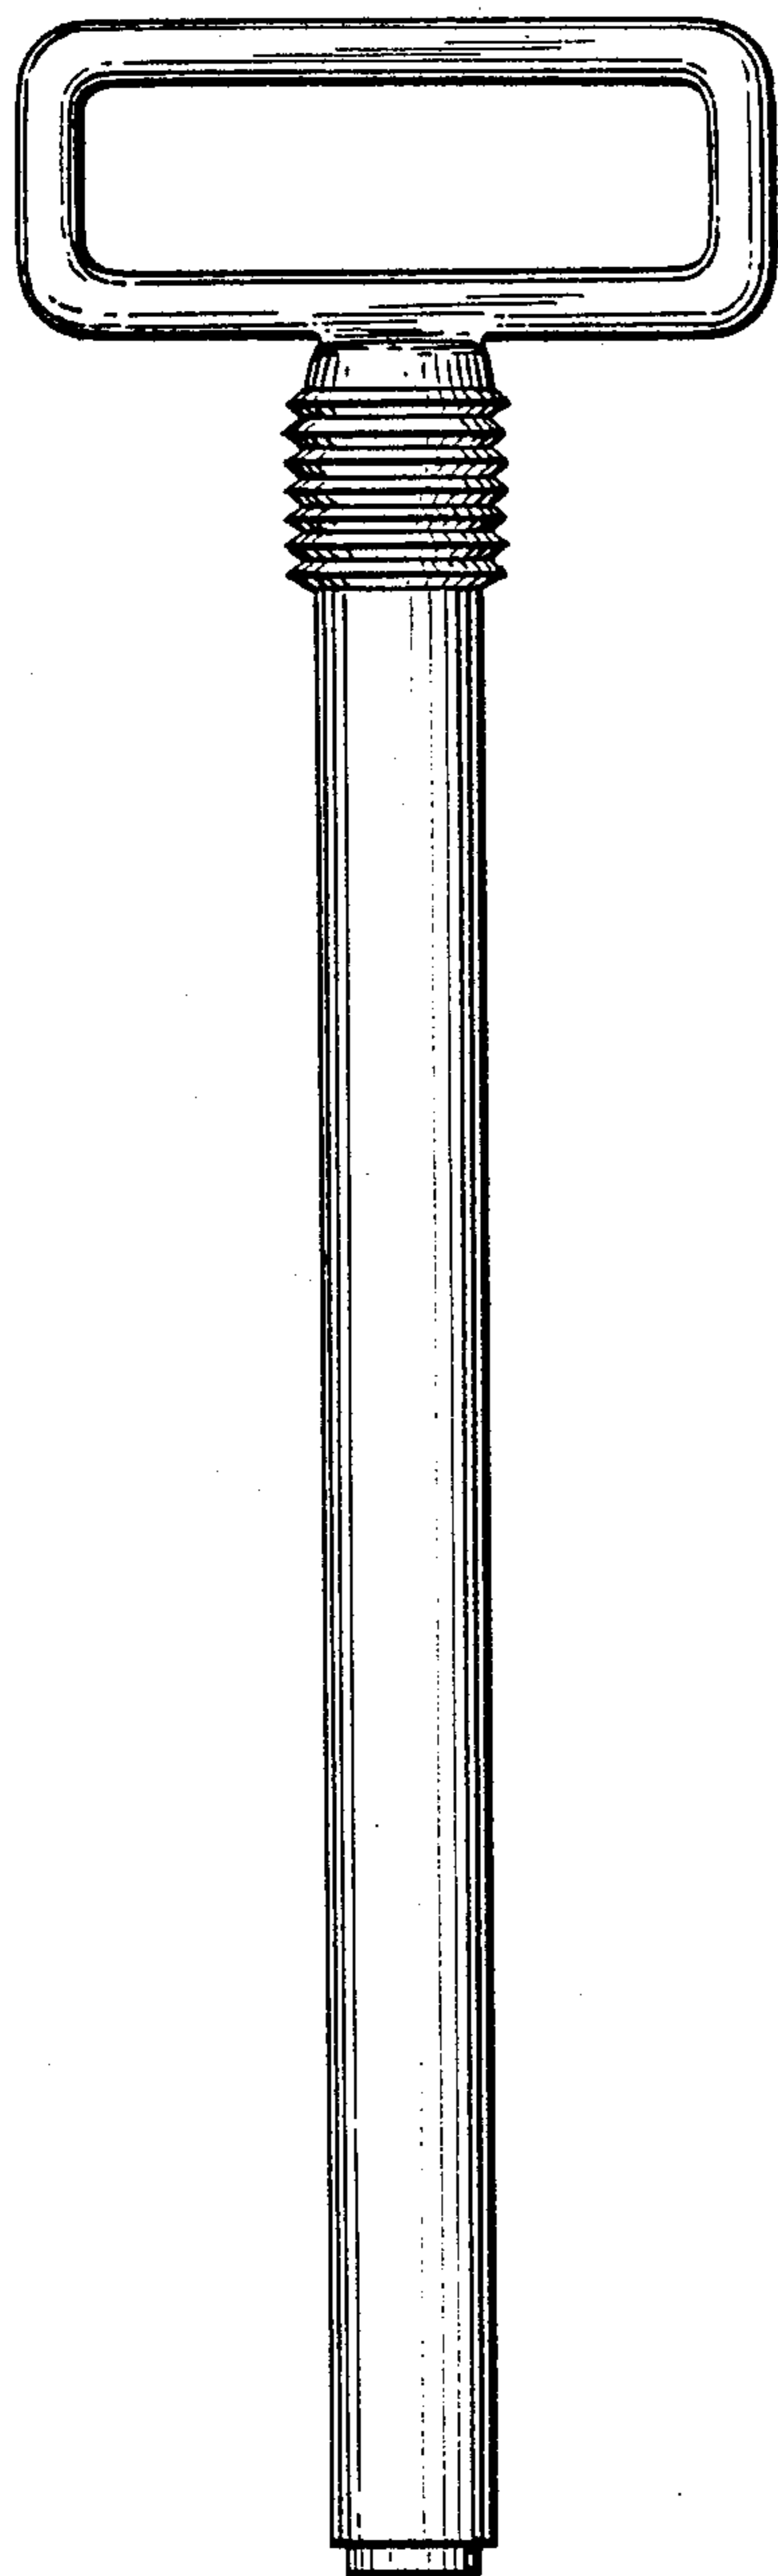

FIG. 3

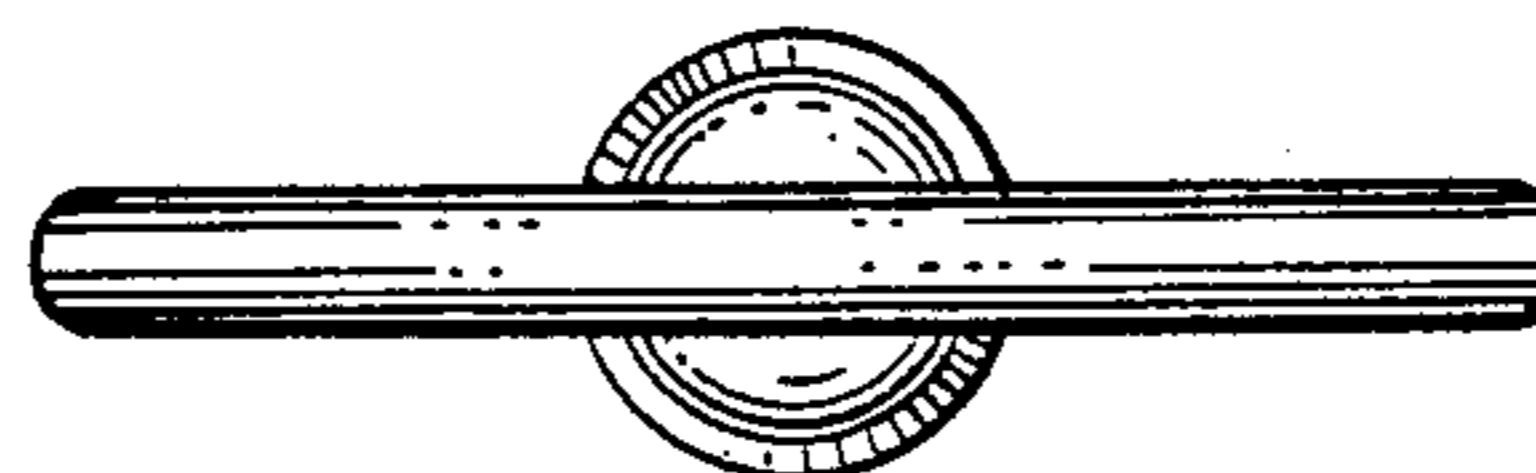

FIG. 4
