[57] CLAIM

The ornamental design for a multiple doll unit, as shown and described.

DESCRIPTION

FIG. 1 is a front view of a multiple doll unit showing my new design, wherein the doll figures form a single entity joined at the hand.

FIG. 2 is a rear view thereof.

FIG. 3 is an edge view of the doll appearing on the right-hand side of the center doll;

FIG. 4 is an edge view of the doll appearing in the center of the doll unit; and

FIG. 5 is an edge view of the doll appearing on the left-hand side of the center doll.

FIGS. 3, 4 and 5 show the doll detached for convenience of illustration.
