[57] CLAIM

The ornamental design for a movable bear sculpture, as shown and described.

DESCRIPTION

FIG. 1 is a left side elevational view of our movable bear sculpture with the right side elevational view being a mirror image thereof;

FIG. 2 is a front view thereof;

FIG. 3 is a rear view thereof;

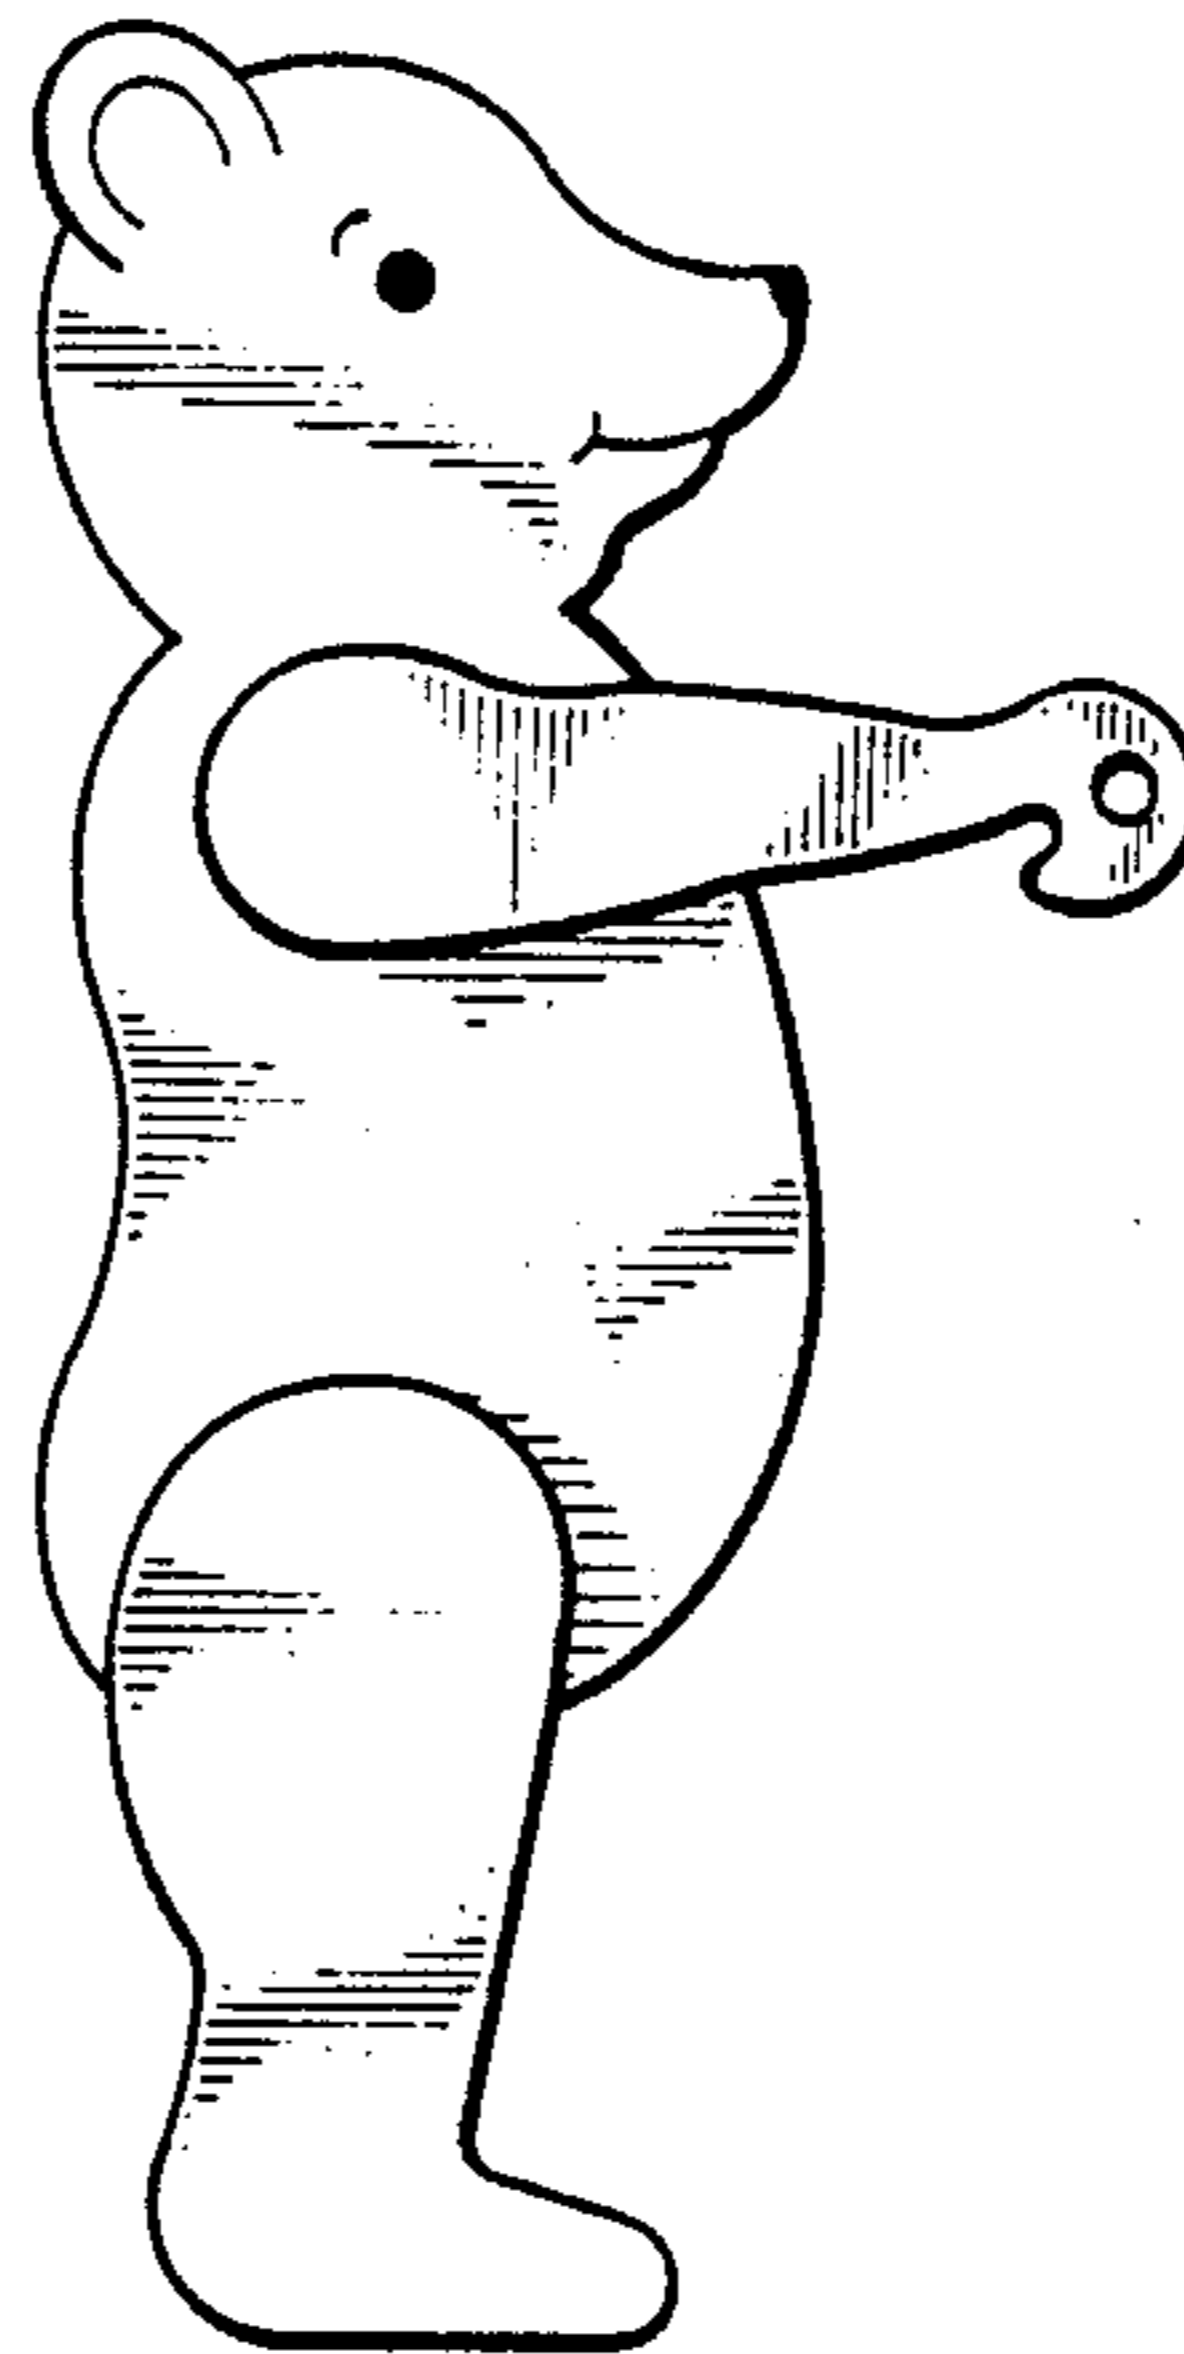

FIG. 4 is a top view thereof;

FIG. 5 is a bottom view thereof;

FIG. 6 is an alternative view of our movable bear sculpture showing a different arm configuration which arm configuration is repeated on the other side thereof with all other aspects of the sculpture remaining the same;

FIG. 7 is still another alternative design similar to that shown in FIG. 6 but again having a different arm configuration; and

FIG. 8 is still another alternative design similar to that shown in FIG. 6 and 7 again having a different arm structure.
