#### [7] CLAIM

The ornamental design for a disposable surgical clamp, substantially as shown and described.

### **DESCRIPTION**

FIG. 1 is a perspective view of a disposable surgical clamp showing our new design;

FIG. 2 is a top plan view thereof;

FIG. 3 is a right side elevational view thereof;

FIG. 4 is a rear elevational view thereof;

FIG. 5 is a bottom plan view thereof;

FIG. 6 is a front elevational view thereof;

FIG. 7 is a left side elevational view thereof;

FIG. 8 is a perspective view of an alternate embodiment of a disposable surgical clamp showing our new design; FIG. 9 is a perspective view of another alternate embodiment of a disposable surgical clamp showing our new design; and

FIG. 10 is a perspective view of a further alternate embodiment of a disposable surgical clamp showing our new design.
