[57] CLAIM

The ornamental design for an operative dial-top housing panel for handset telephone or similar article, substantially as shown and described.

DESCRIPTION

FIG. 1 is a rear, top, and right side perspective view of an operative dial-top housing panel for a handset telephone or similar article showing my new design in full lines with the broken line showing of environmental association matter being for illustrative purposes only and forming no part of the claimed design;

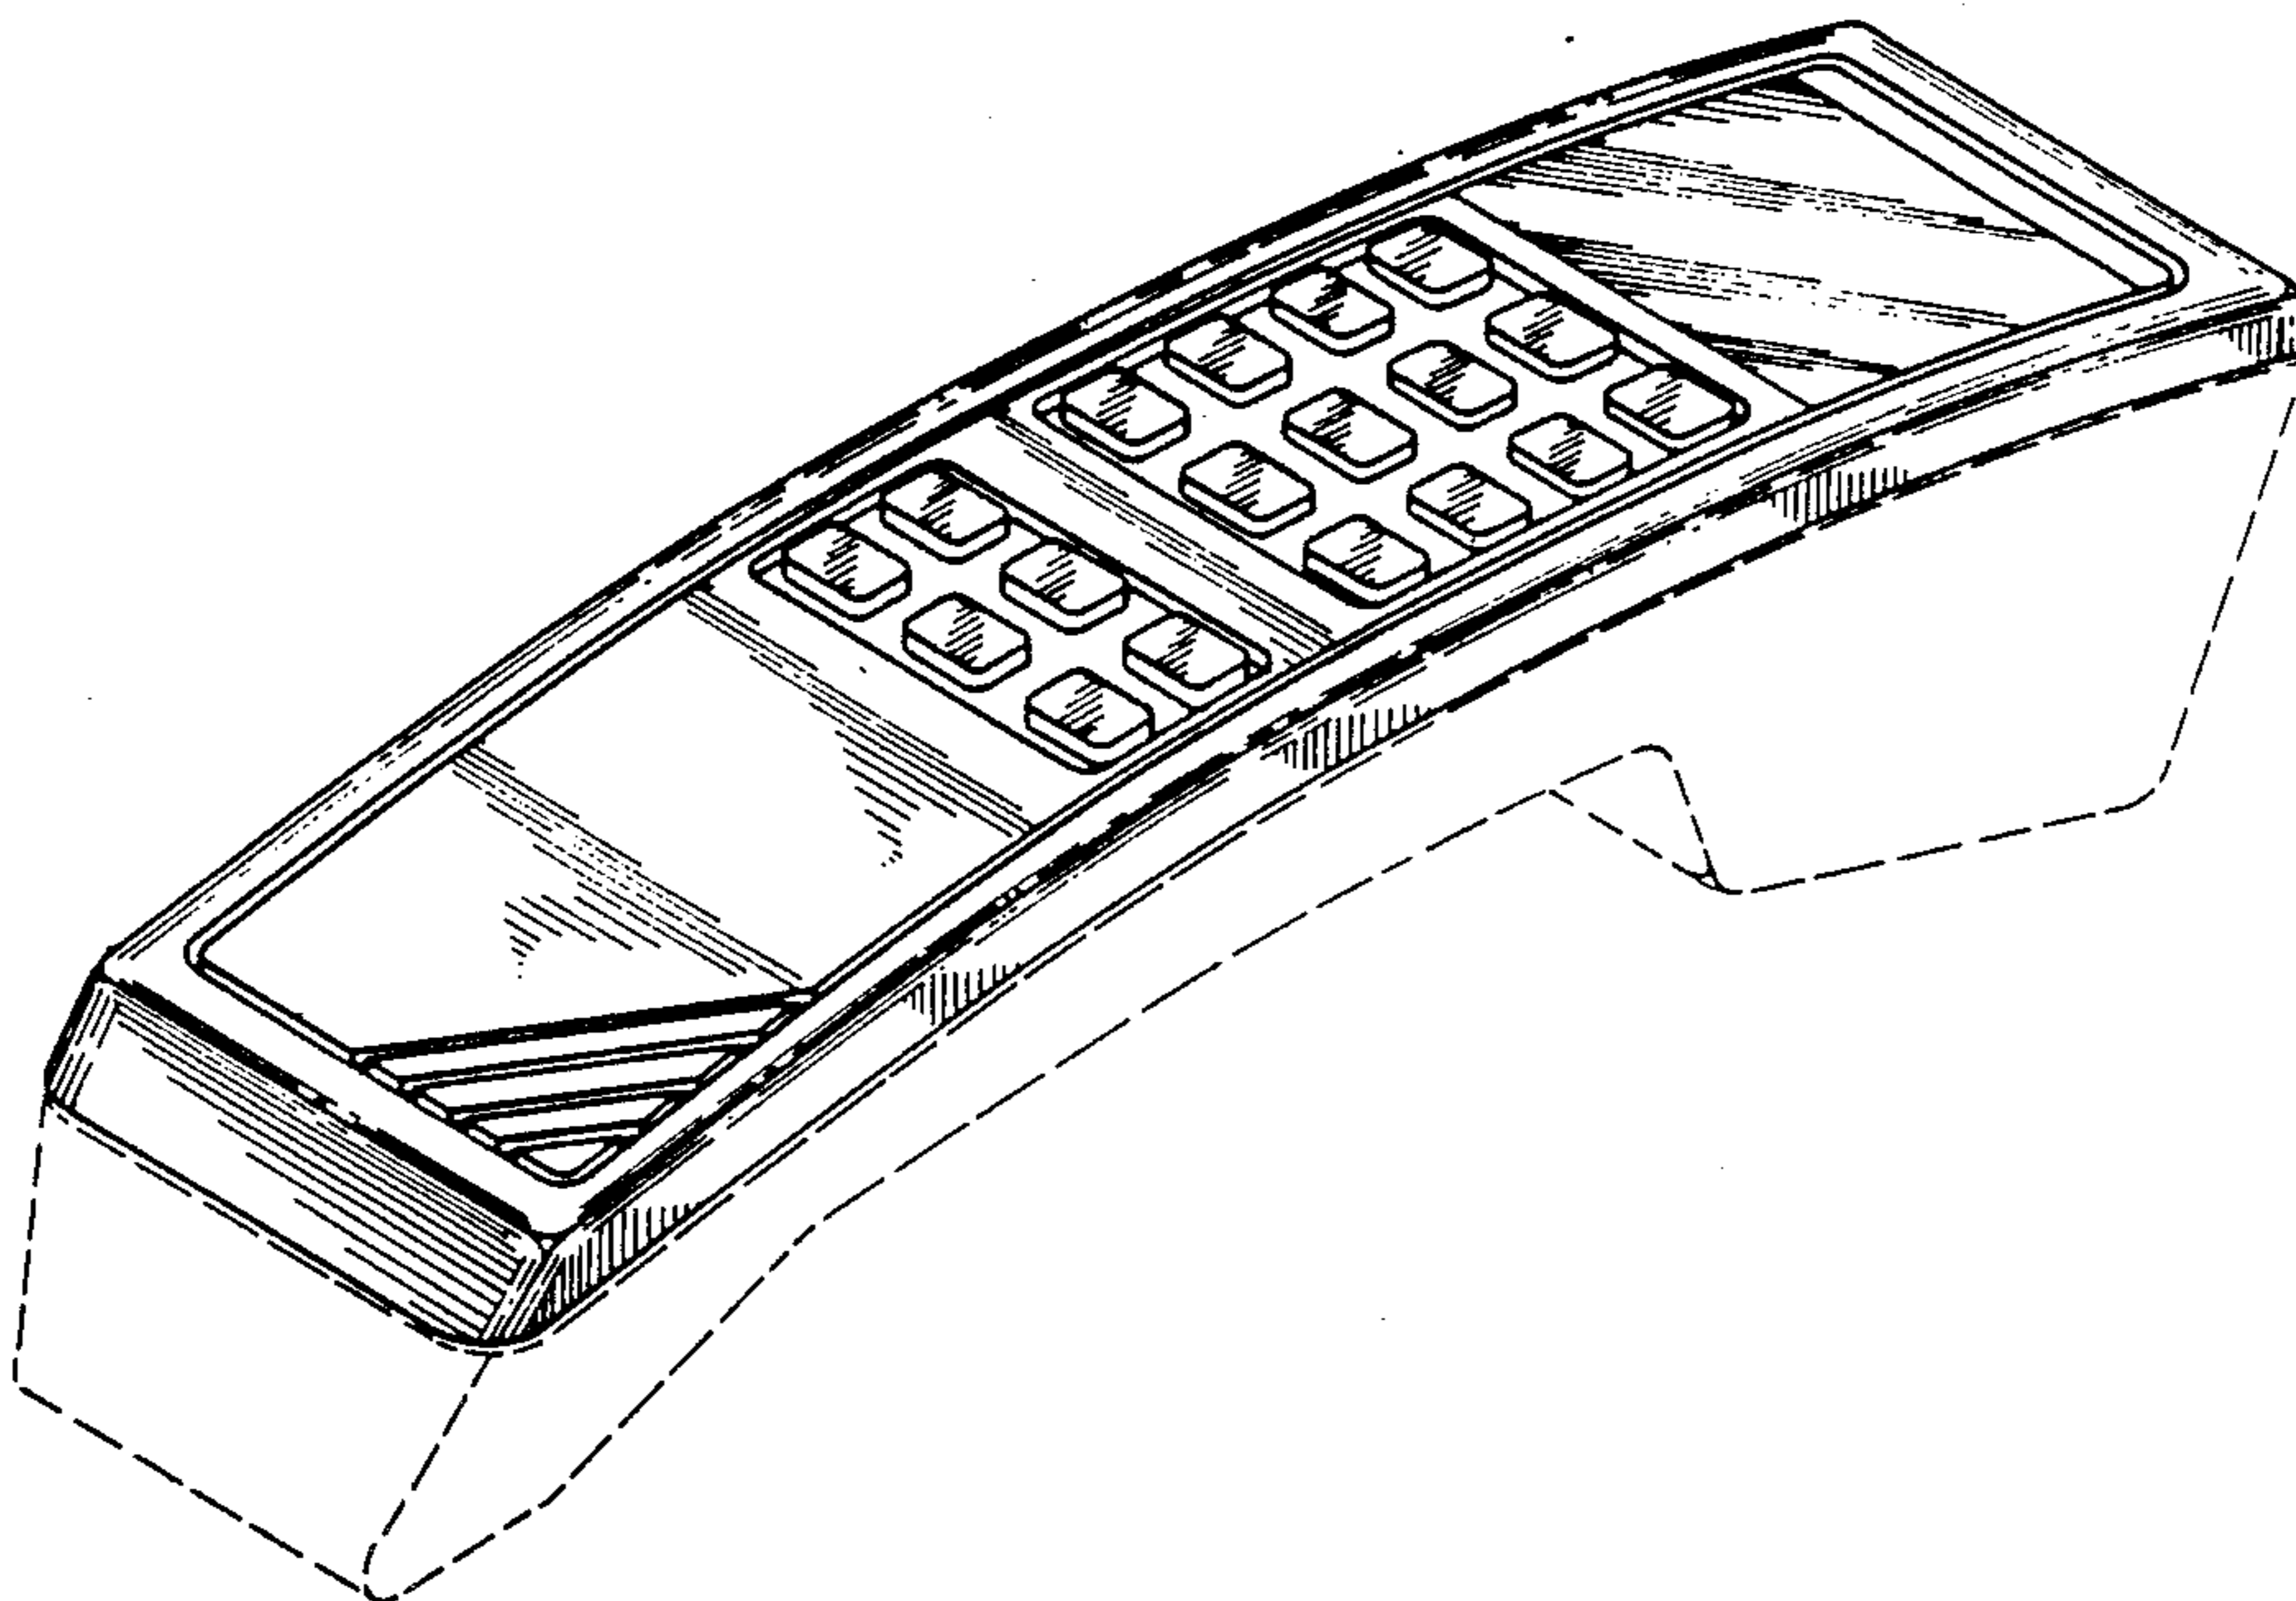

FIG. 2 is a left side elevational view of the housing panel in full lines, and the environmental matter shown in broken lines; and

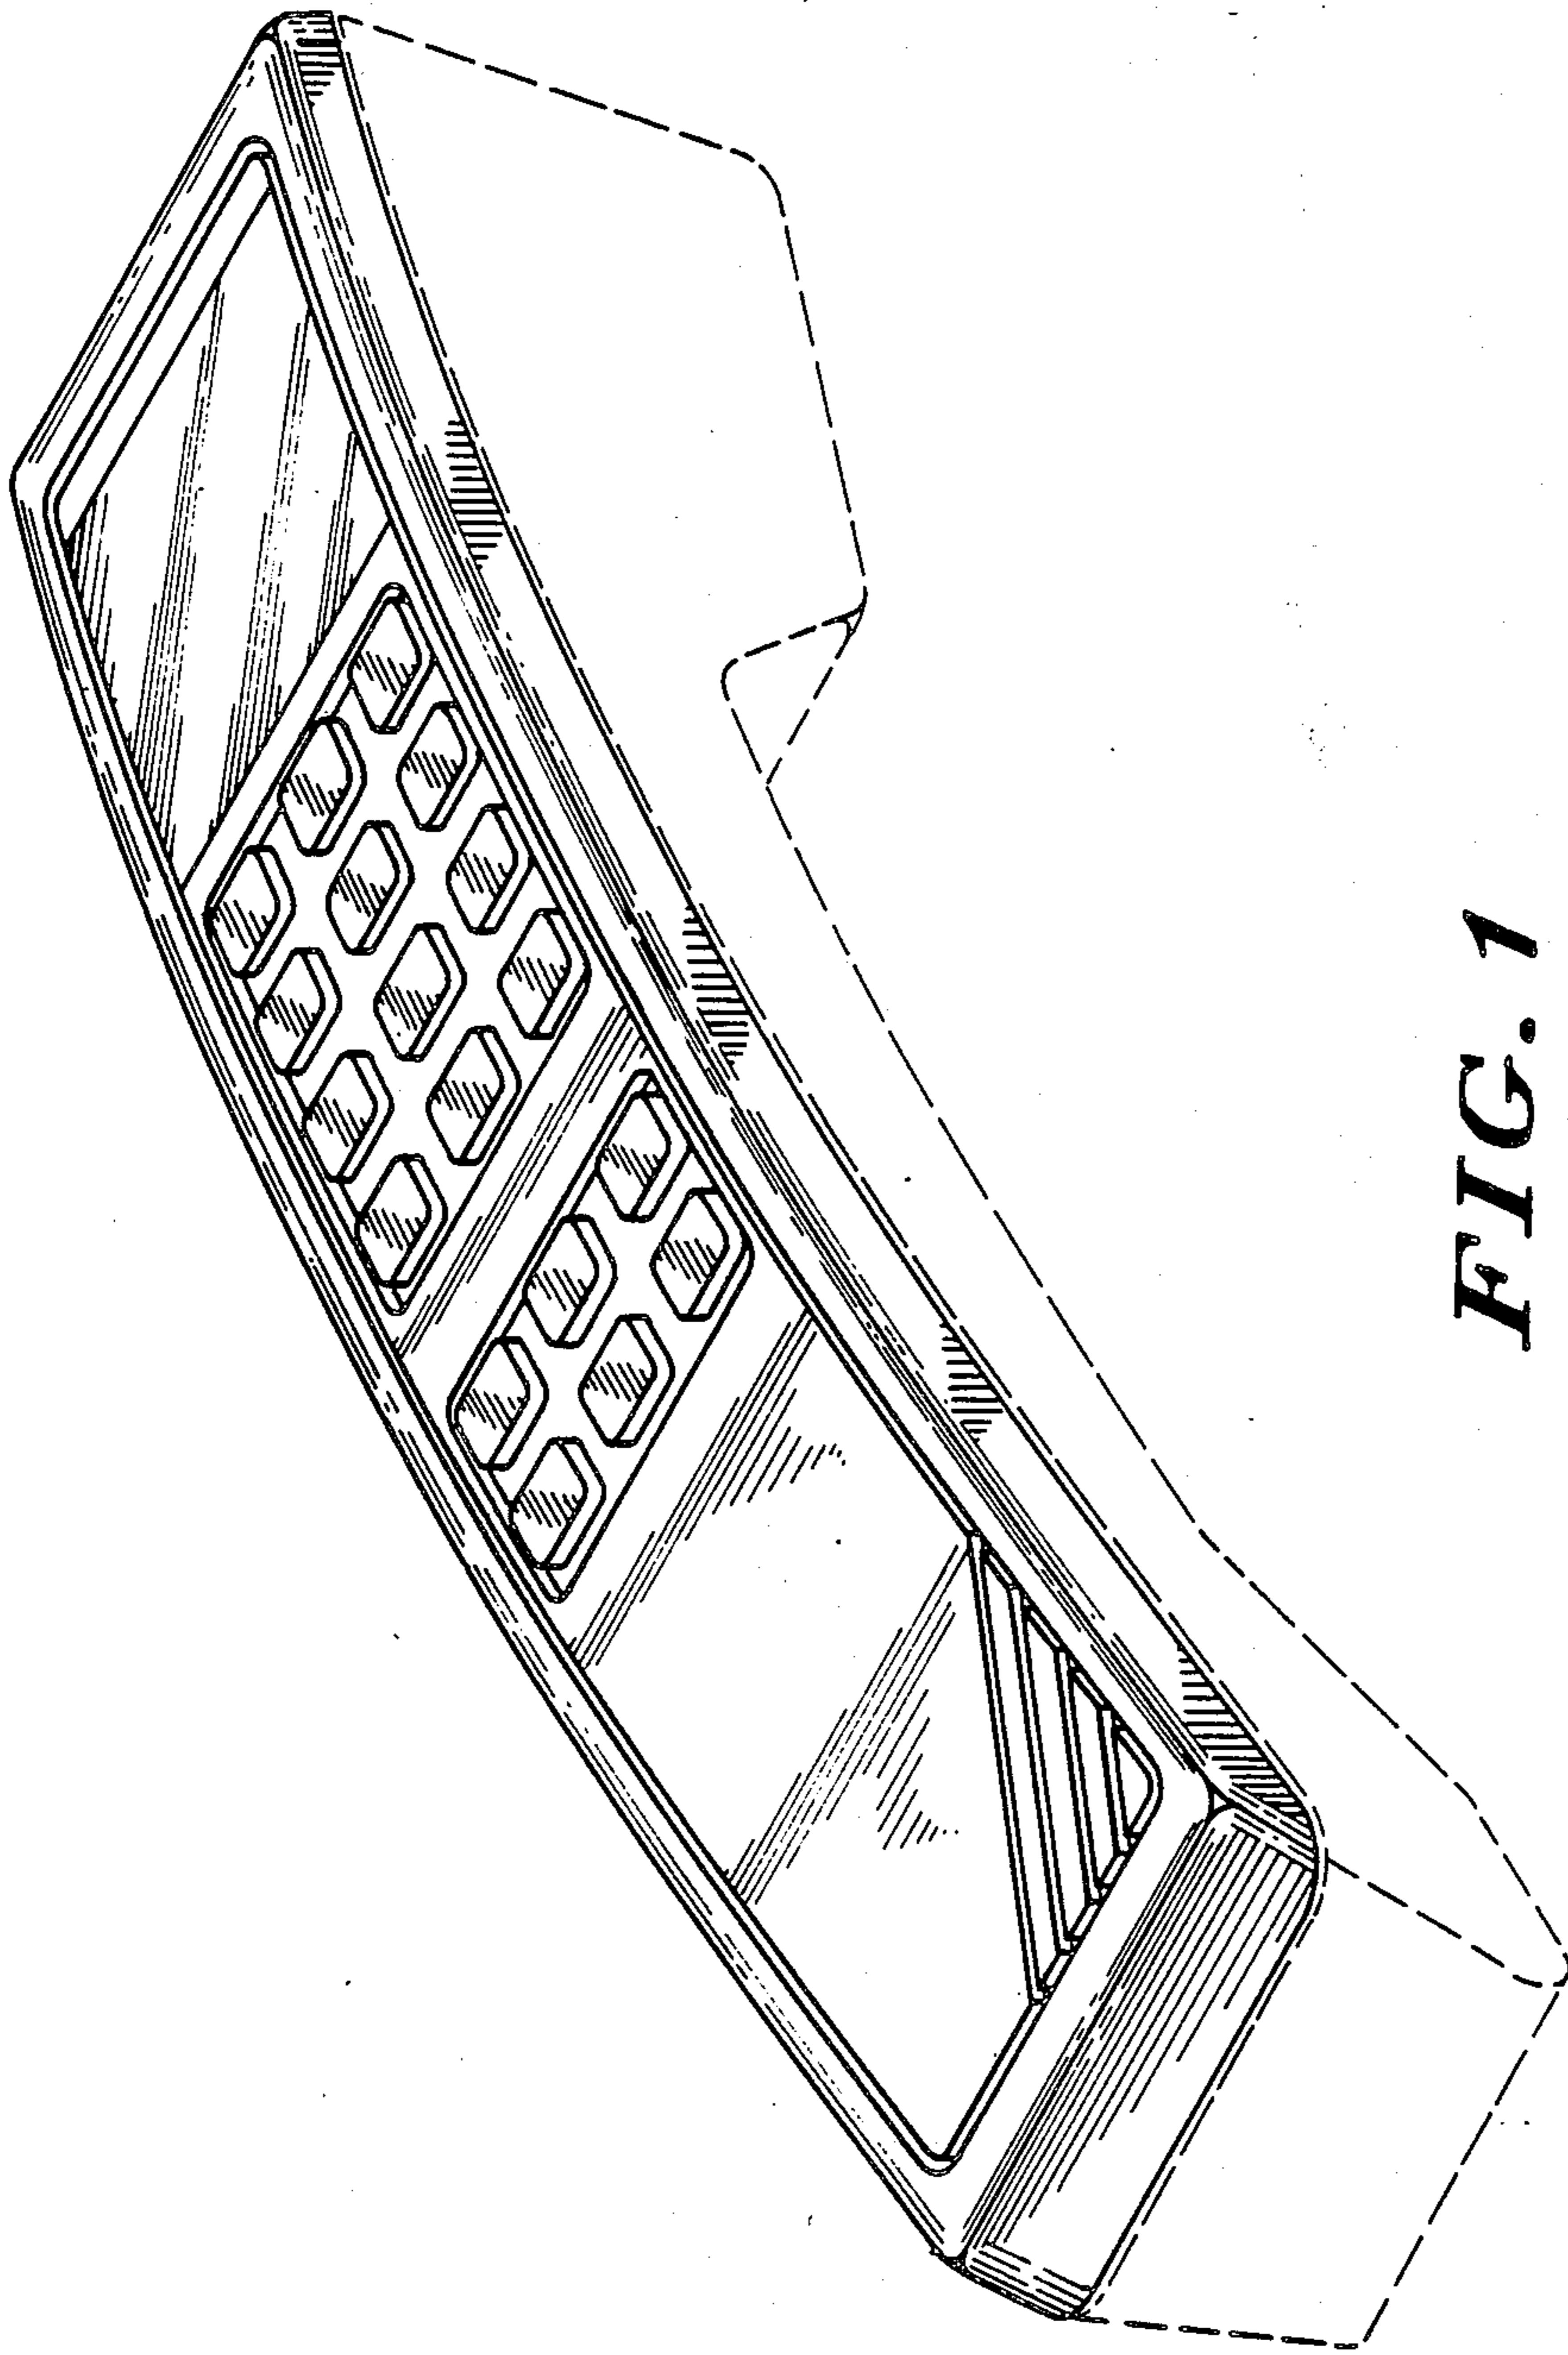

FIG. 3 is a front elevational view of the panel shown in full lines.
