[57] CLAIM

The ornamental design for a handset telephone or similar article, substantially as shown and described.

DESCRIPTION

FIG. 1 is a front, top and right side perspective view of a handset telephone or similar article showing our new design;

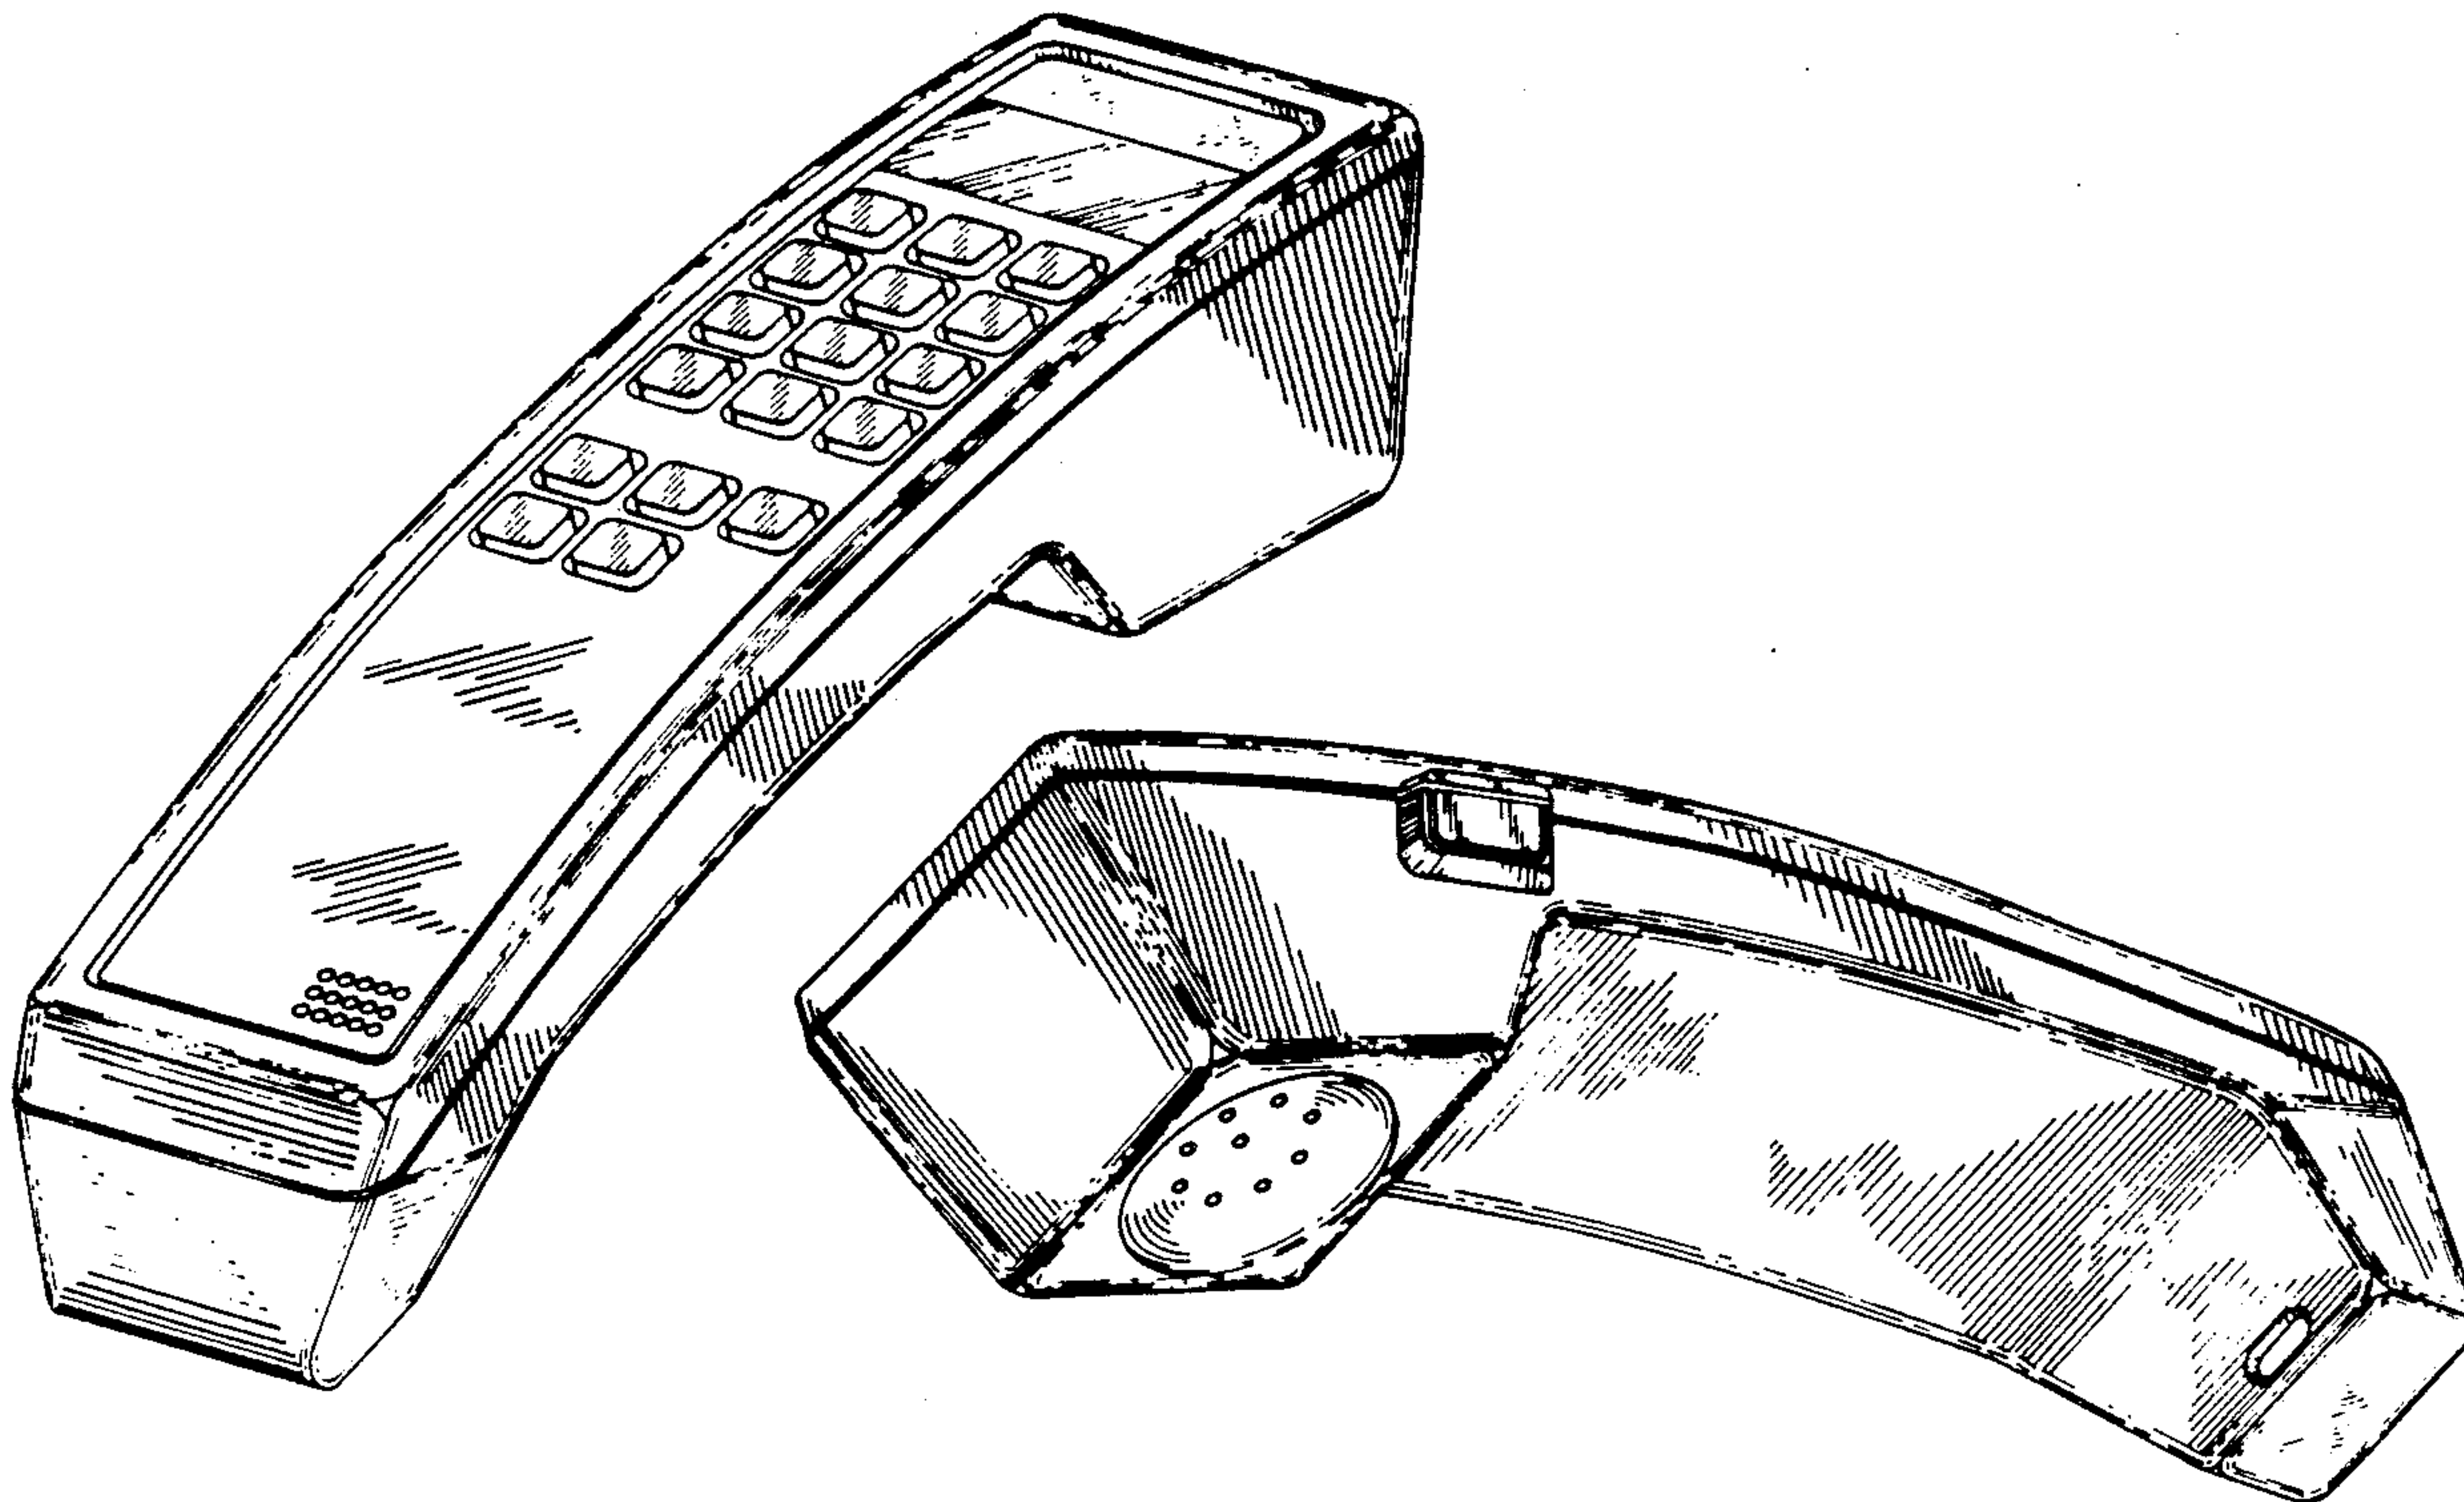

FIG. 2 is a left side elevational view thereof;

FIG. 3 is a bottom plan view thereof;

FIG. 4 is a rear elevational view thereof;

FIG. 5 is a front, top and right side prespective view of second embodiment thereof, the sole difference being that the small circular apertures at the lower portion of the top surface have been centered between the left and right sides; and

FIG. 6 is a rear, bottom and left side view thereof taken 180° from the view in FIGS. 1 and 5.

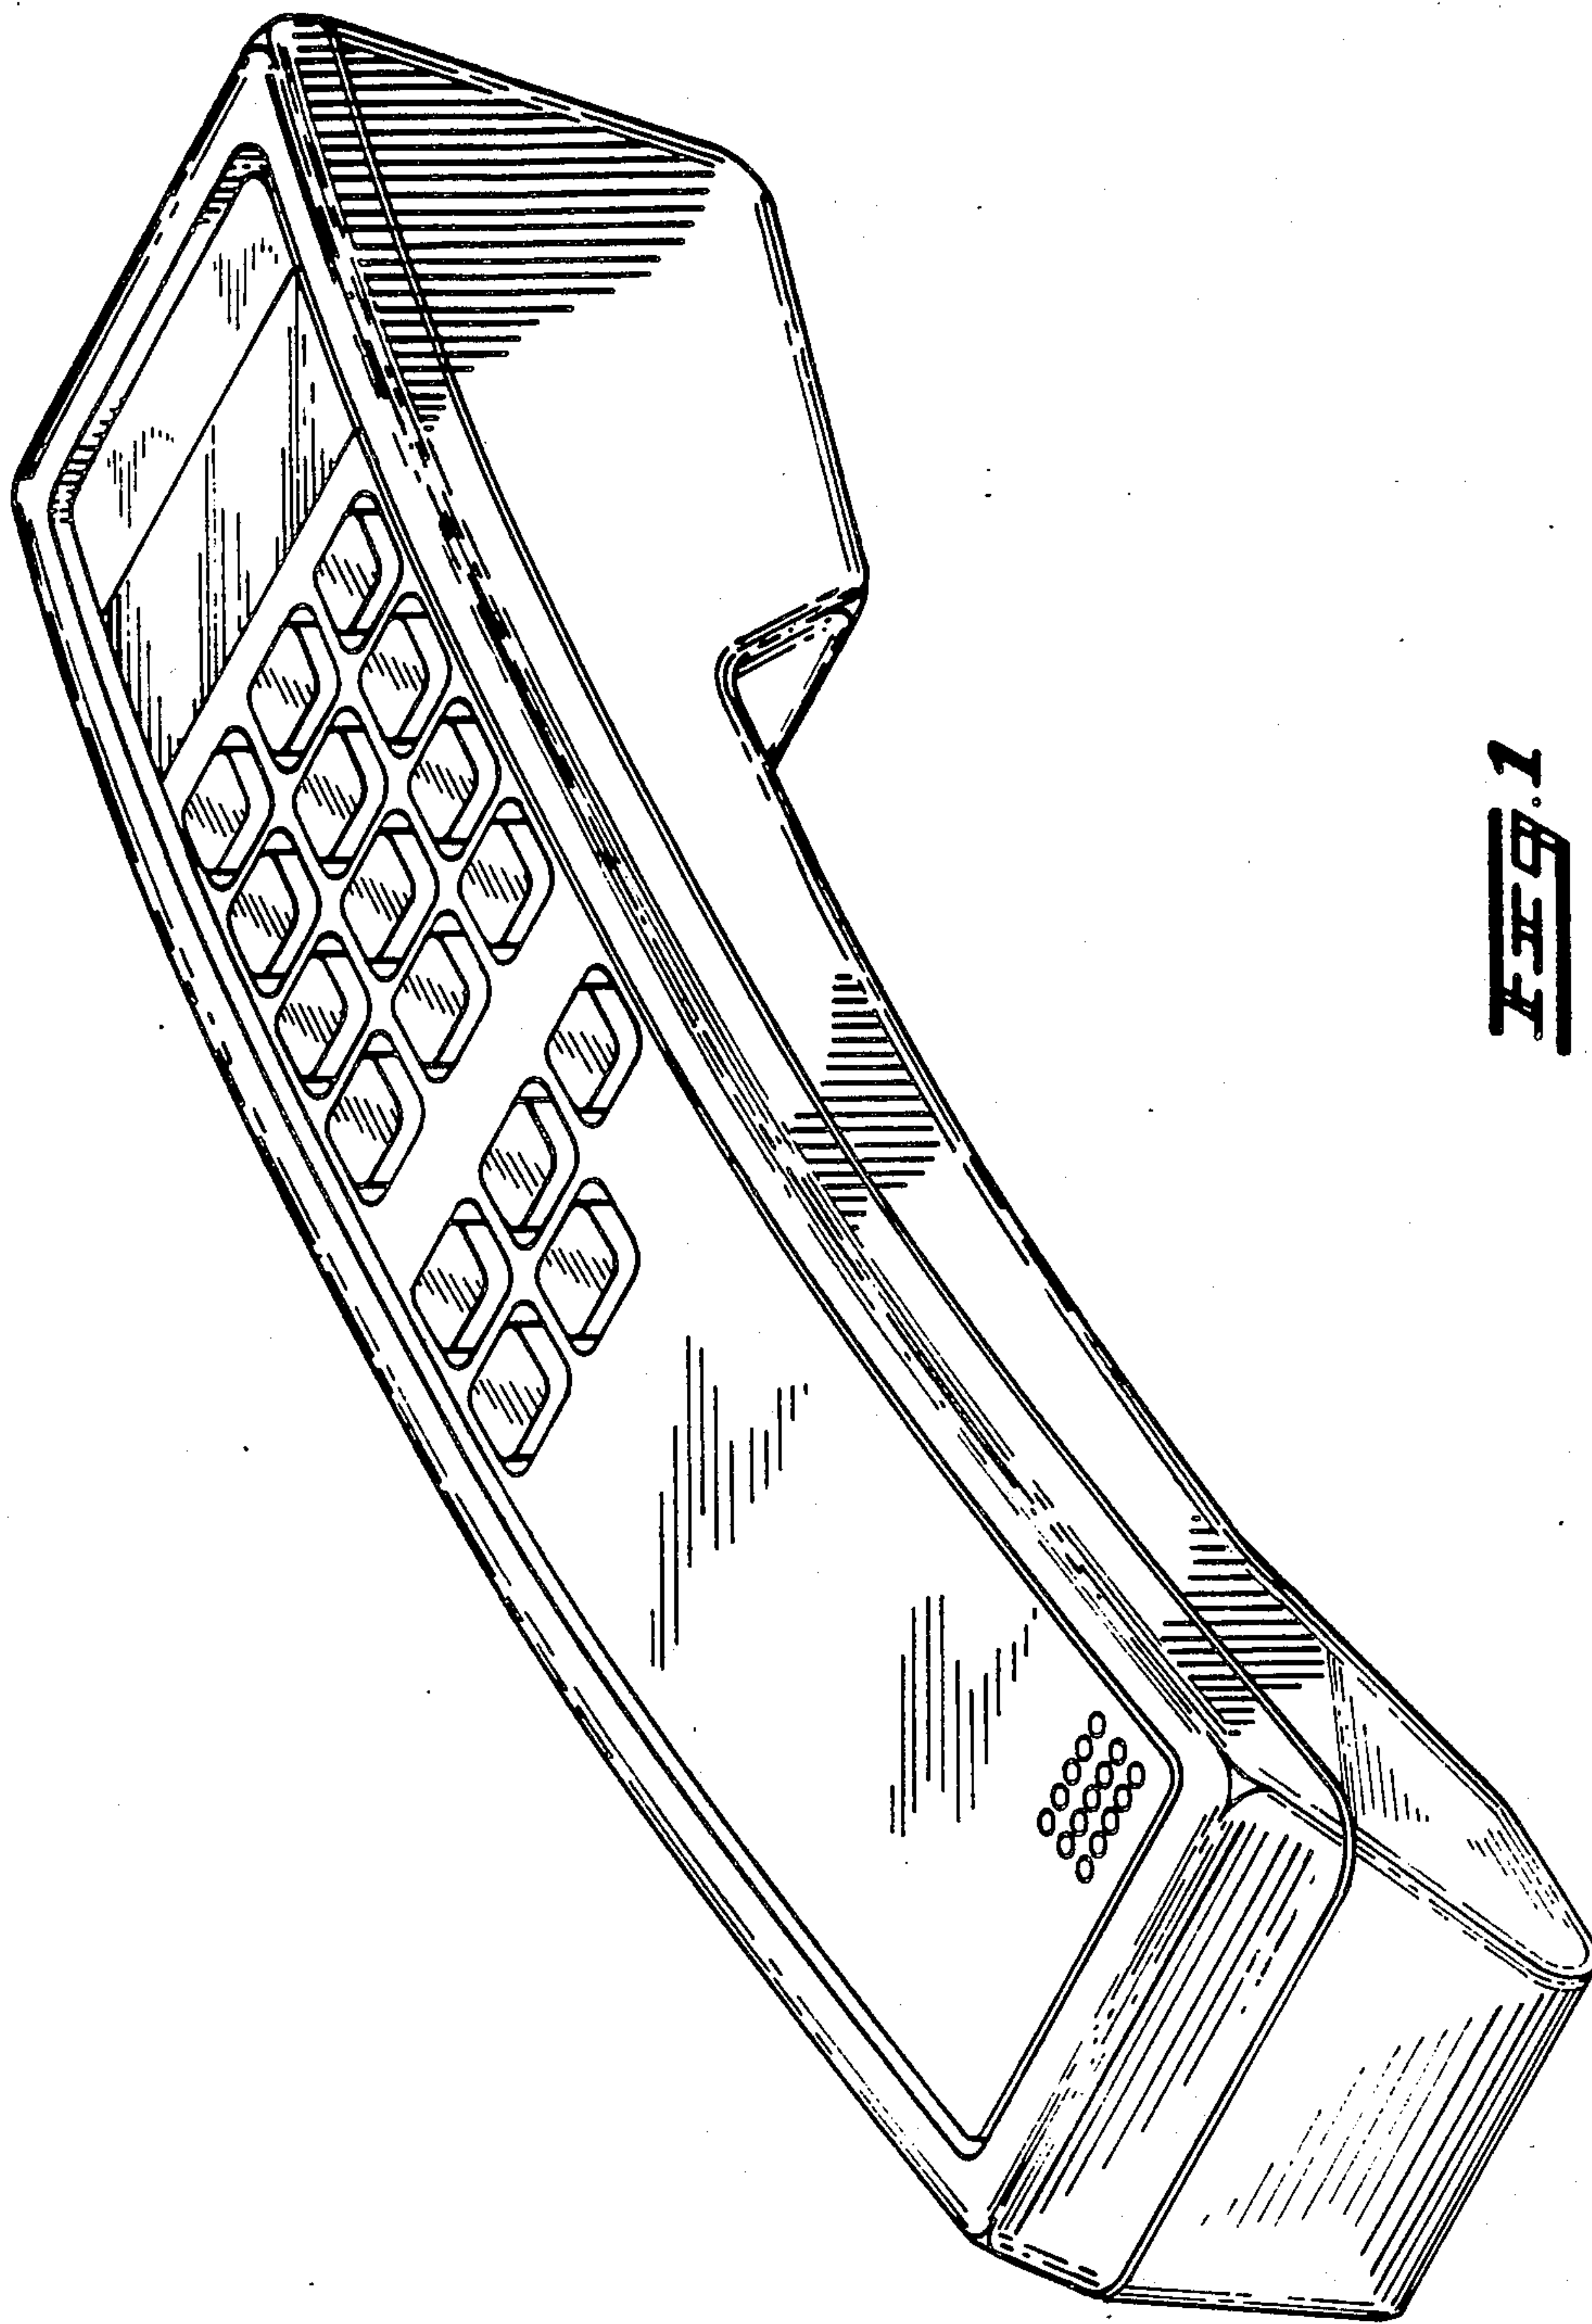

FIG. 1

FIG. 2

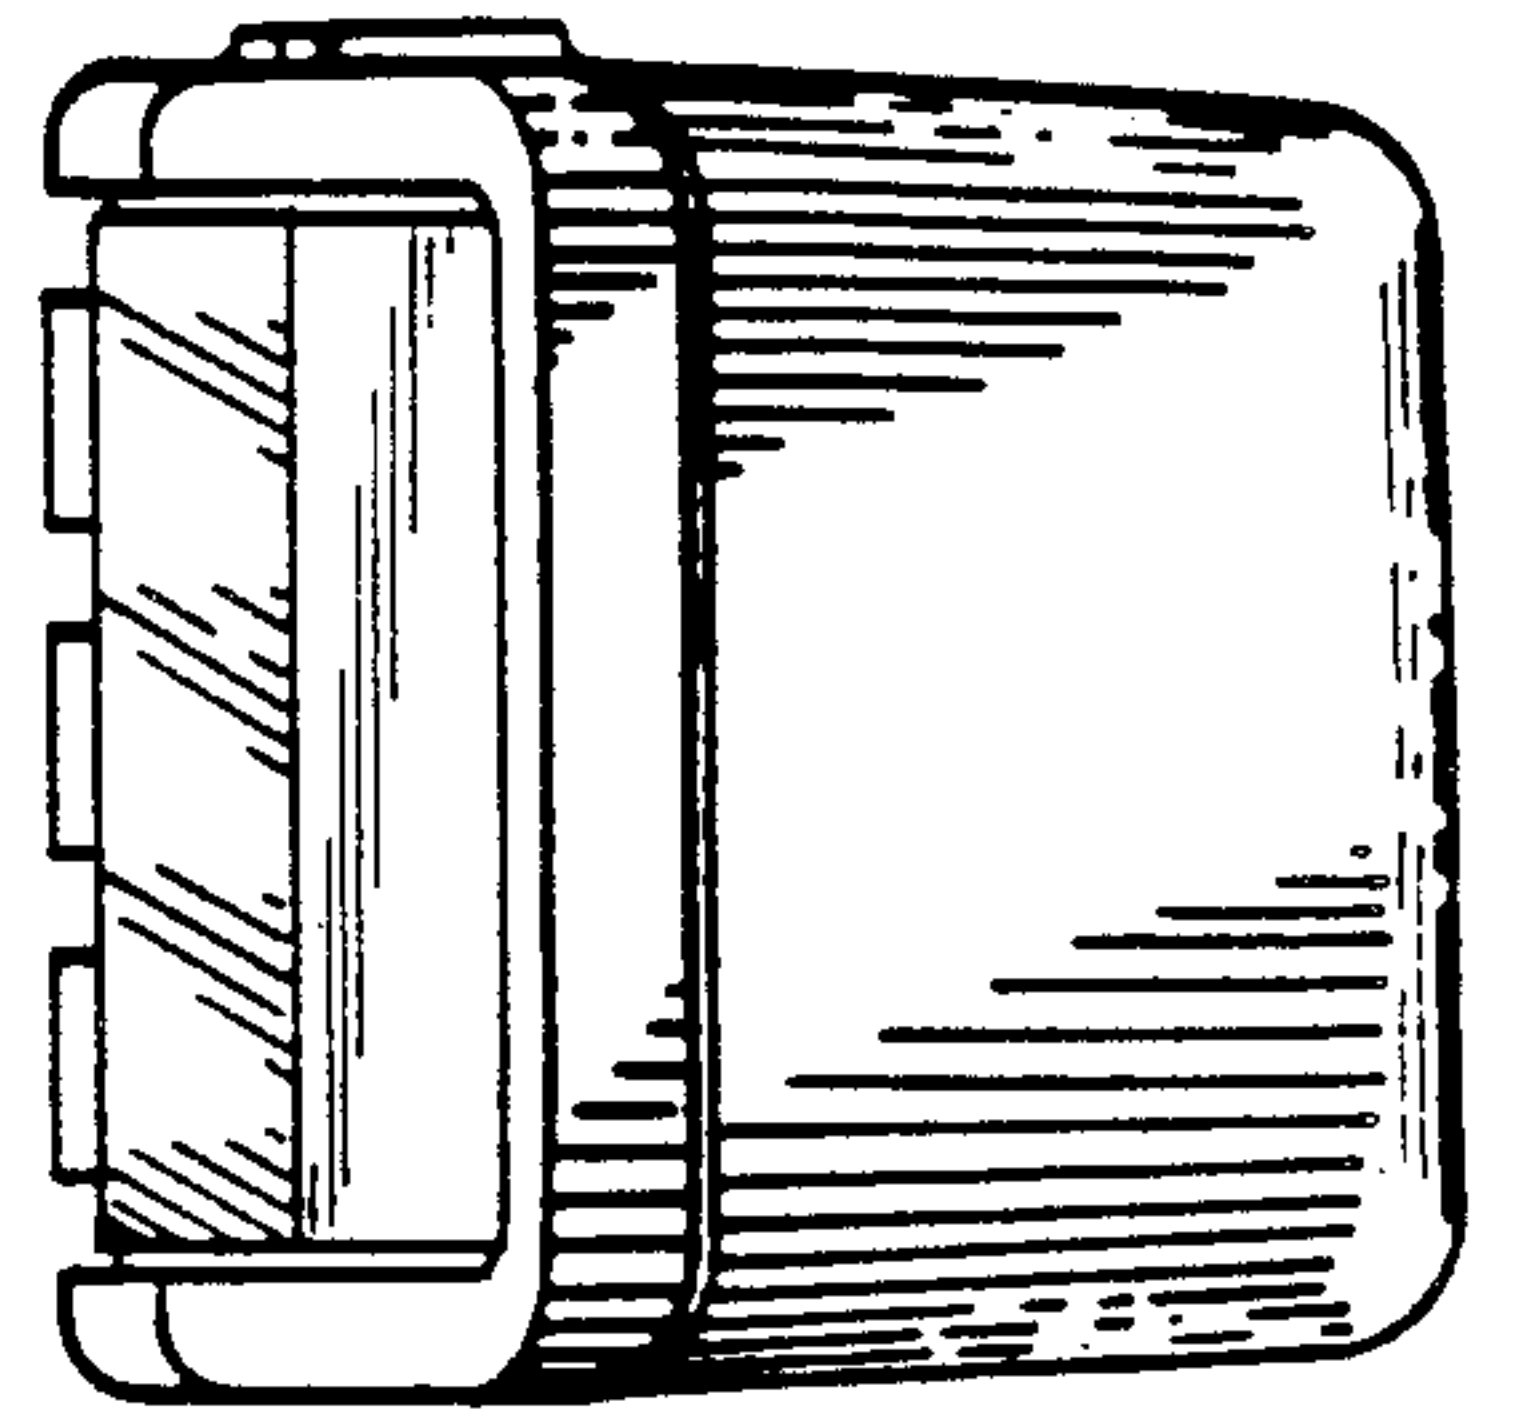

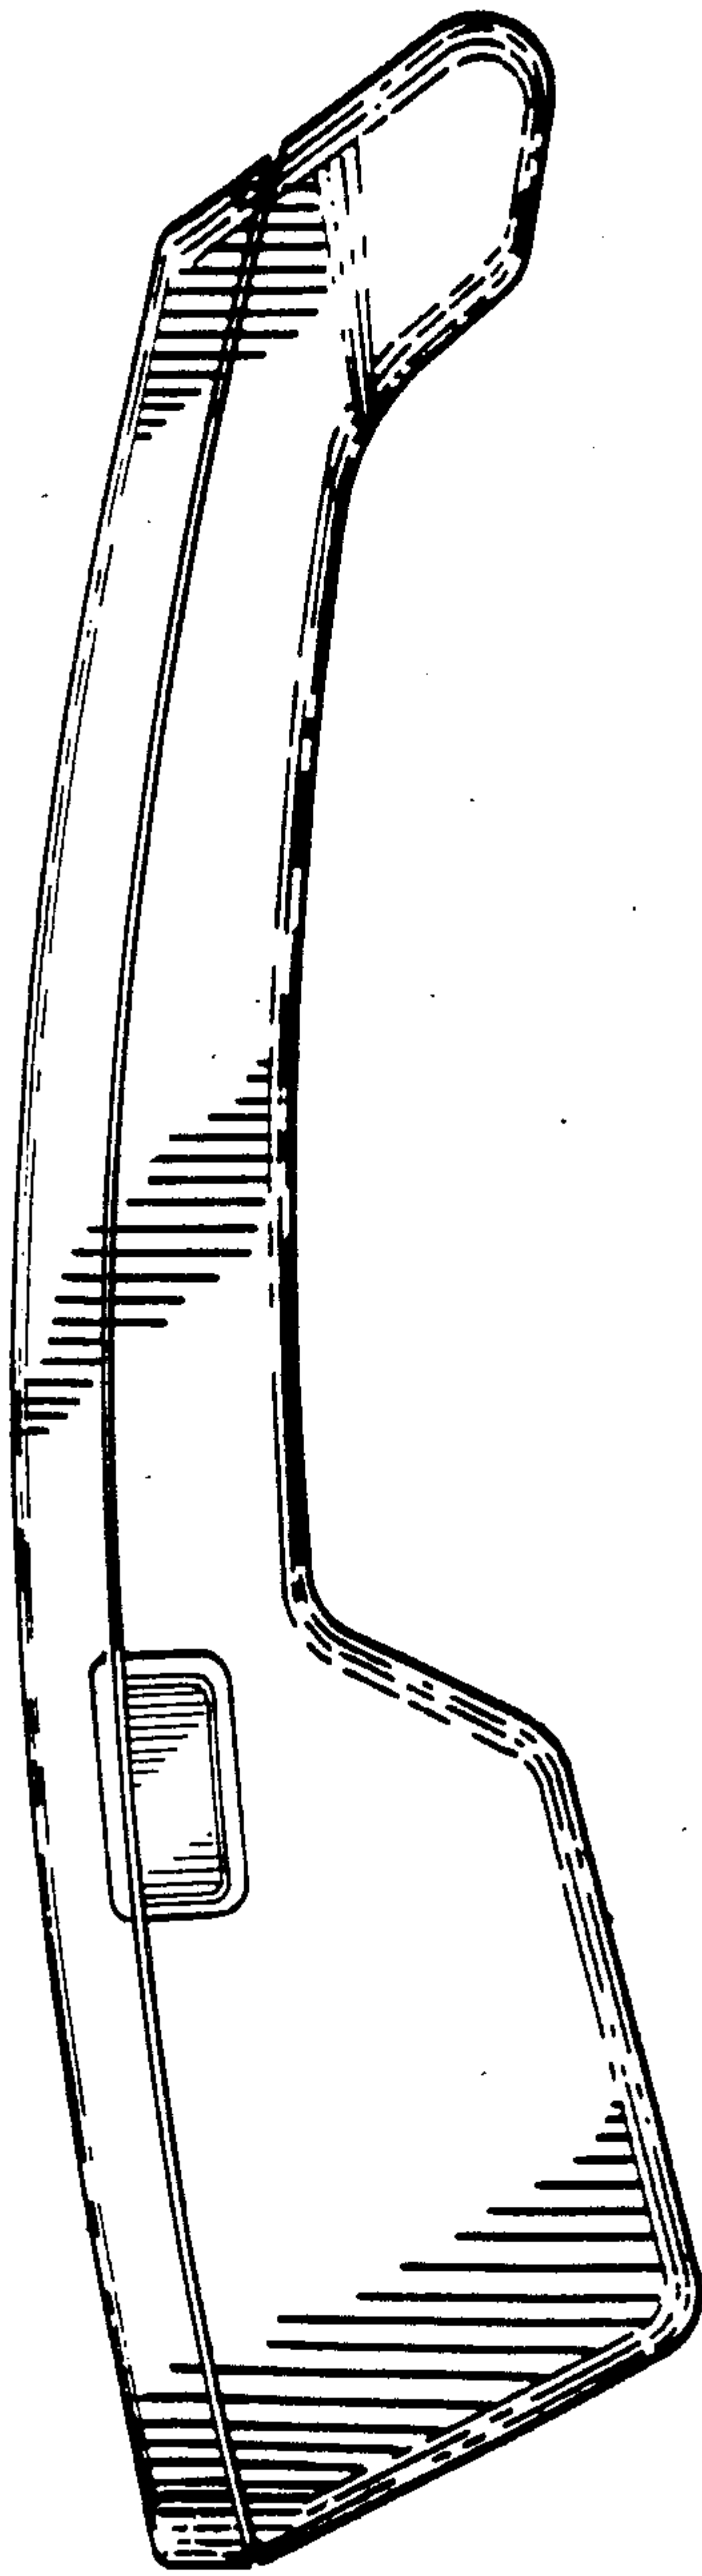

FIG. 4

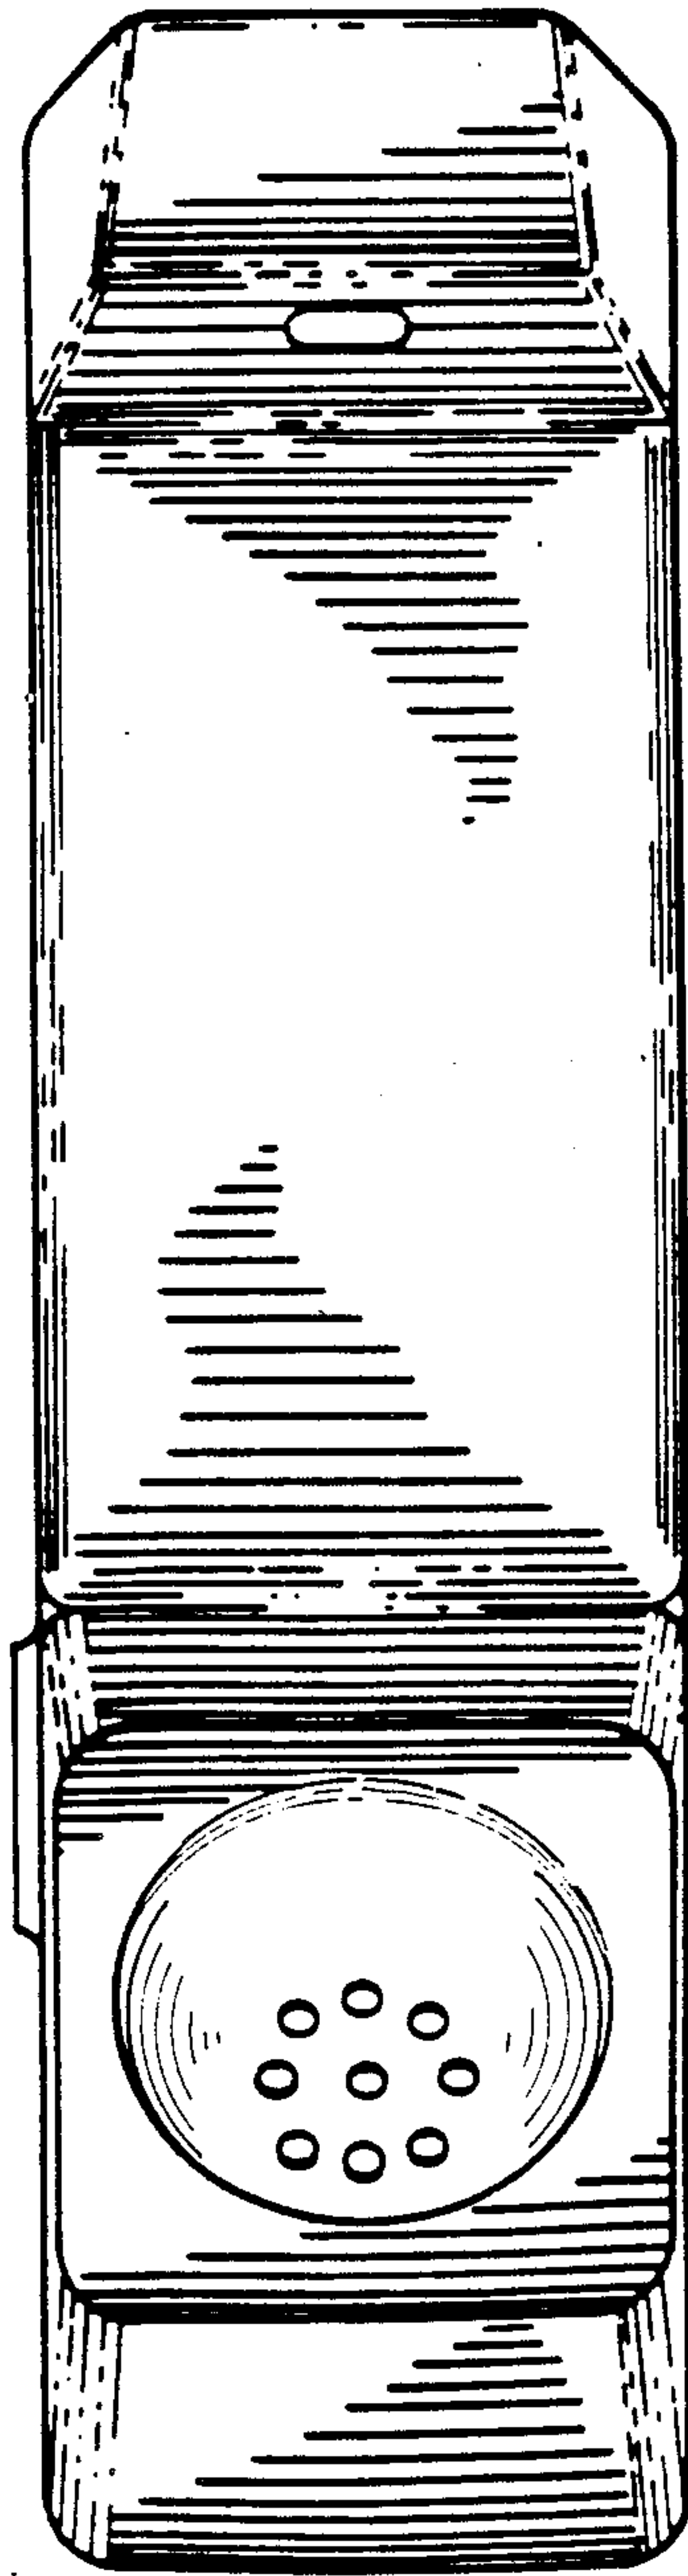

FIG. 3
