[57] **CLAIM**

The ornamental design for a beach cart, as shown and described.

DESCRIPTION

FIG. 1 is a front perspective view of a beach cart showing our new design;
FIG. 2 is a reduced rear perspective view thereof, showing one cooler door in open condition and the combination back support and handle in collapsed condition; and
FIG. 3 is a reduced bottom plan view thereof.

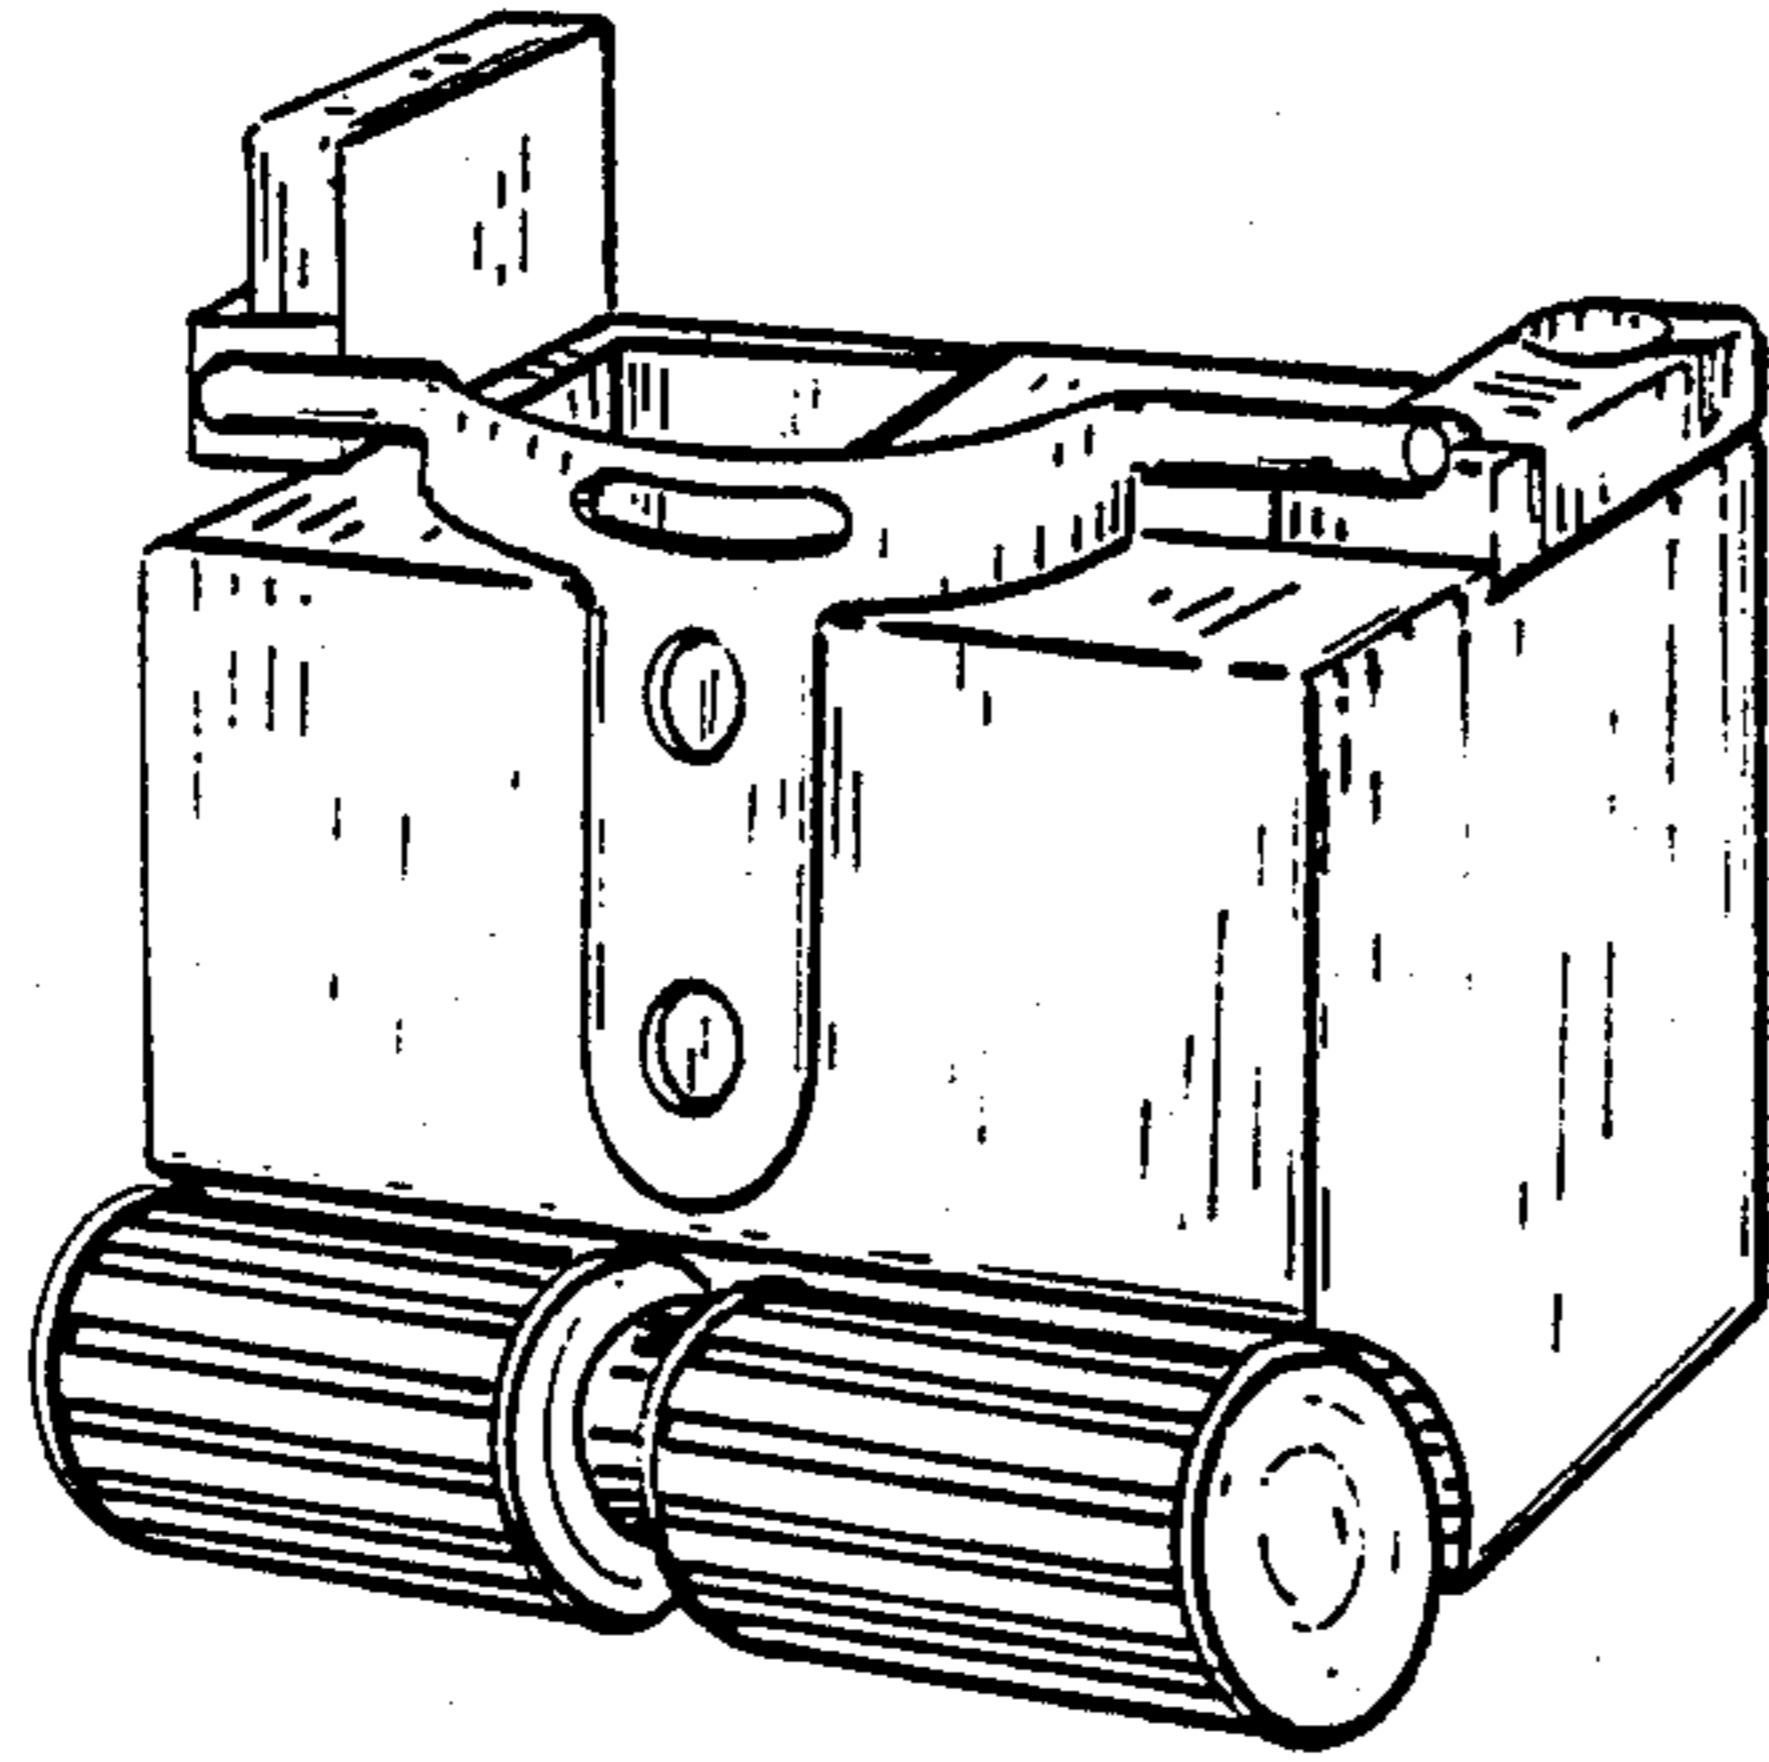

FIG. 2

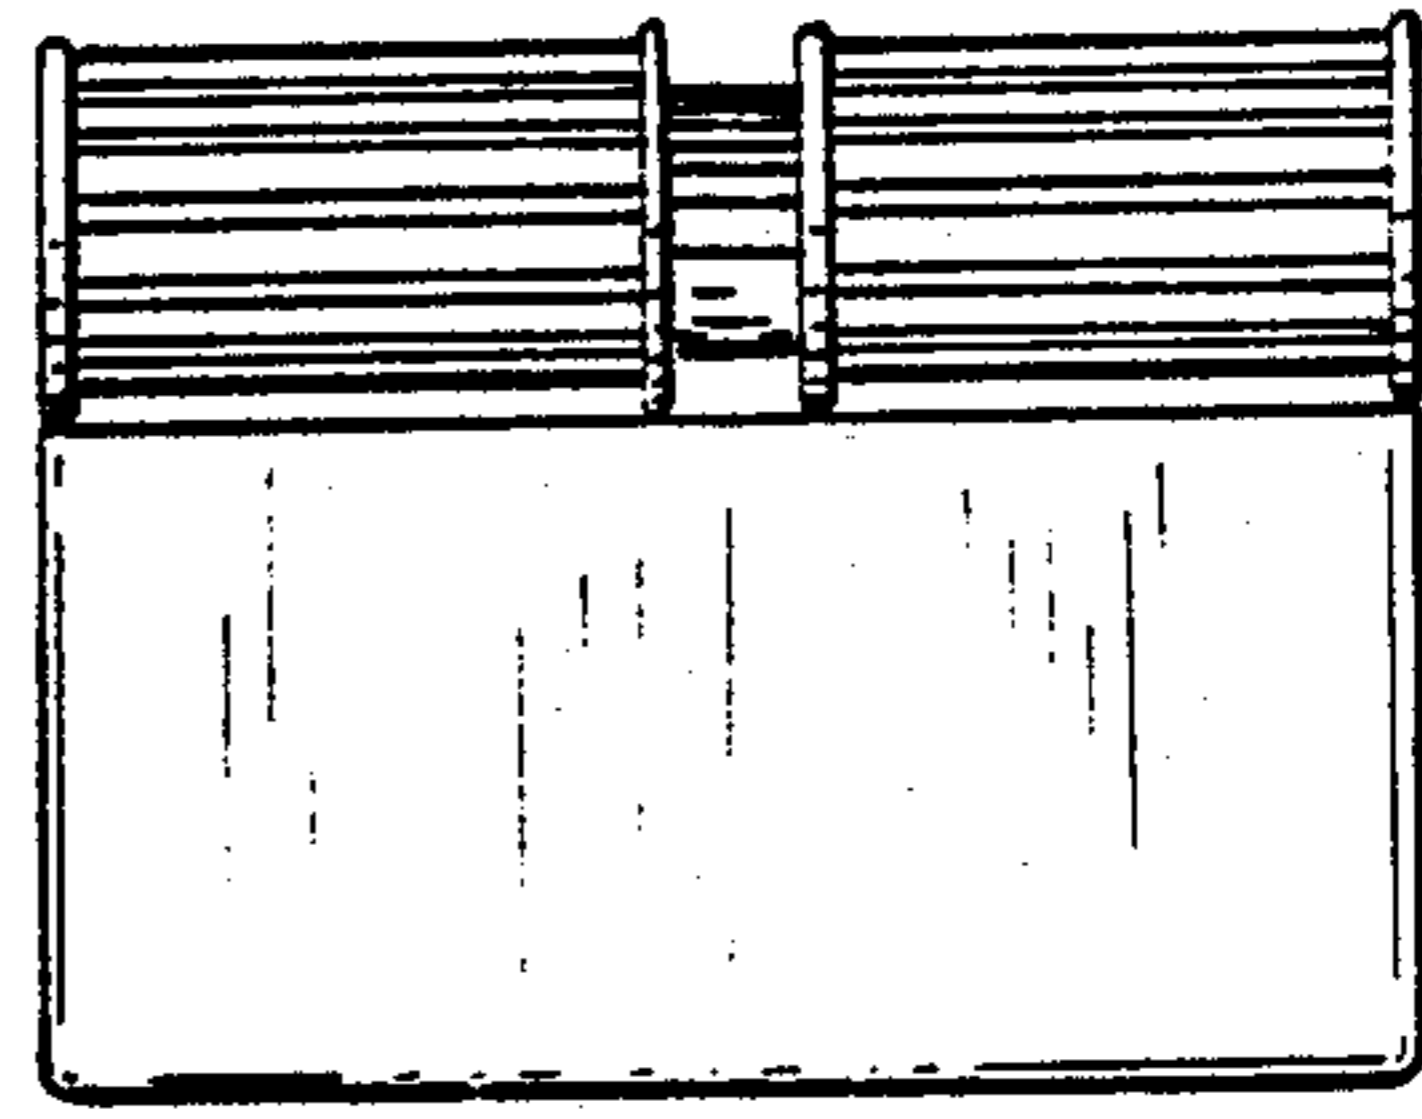

FIG. 3

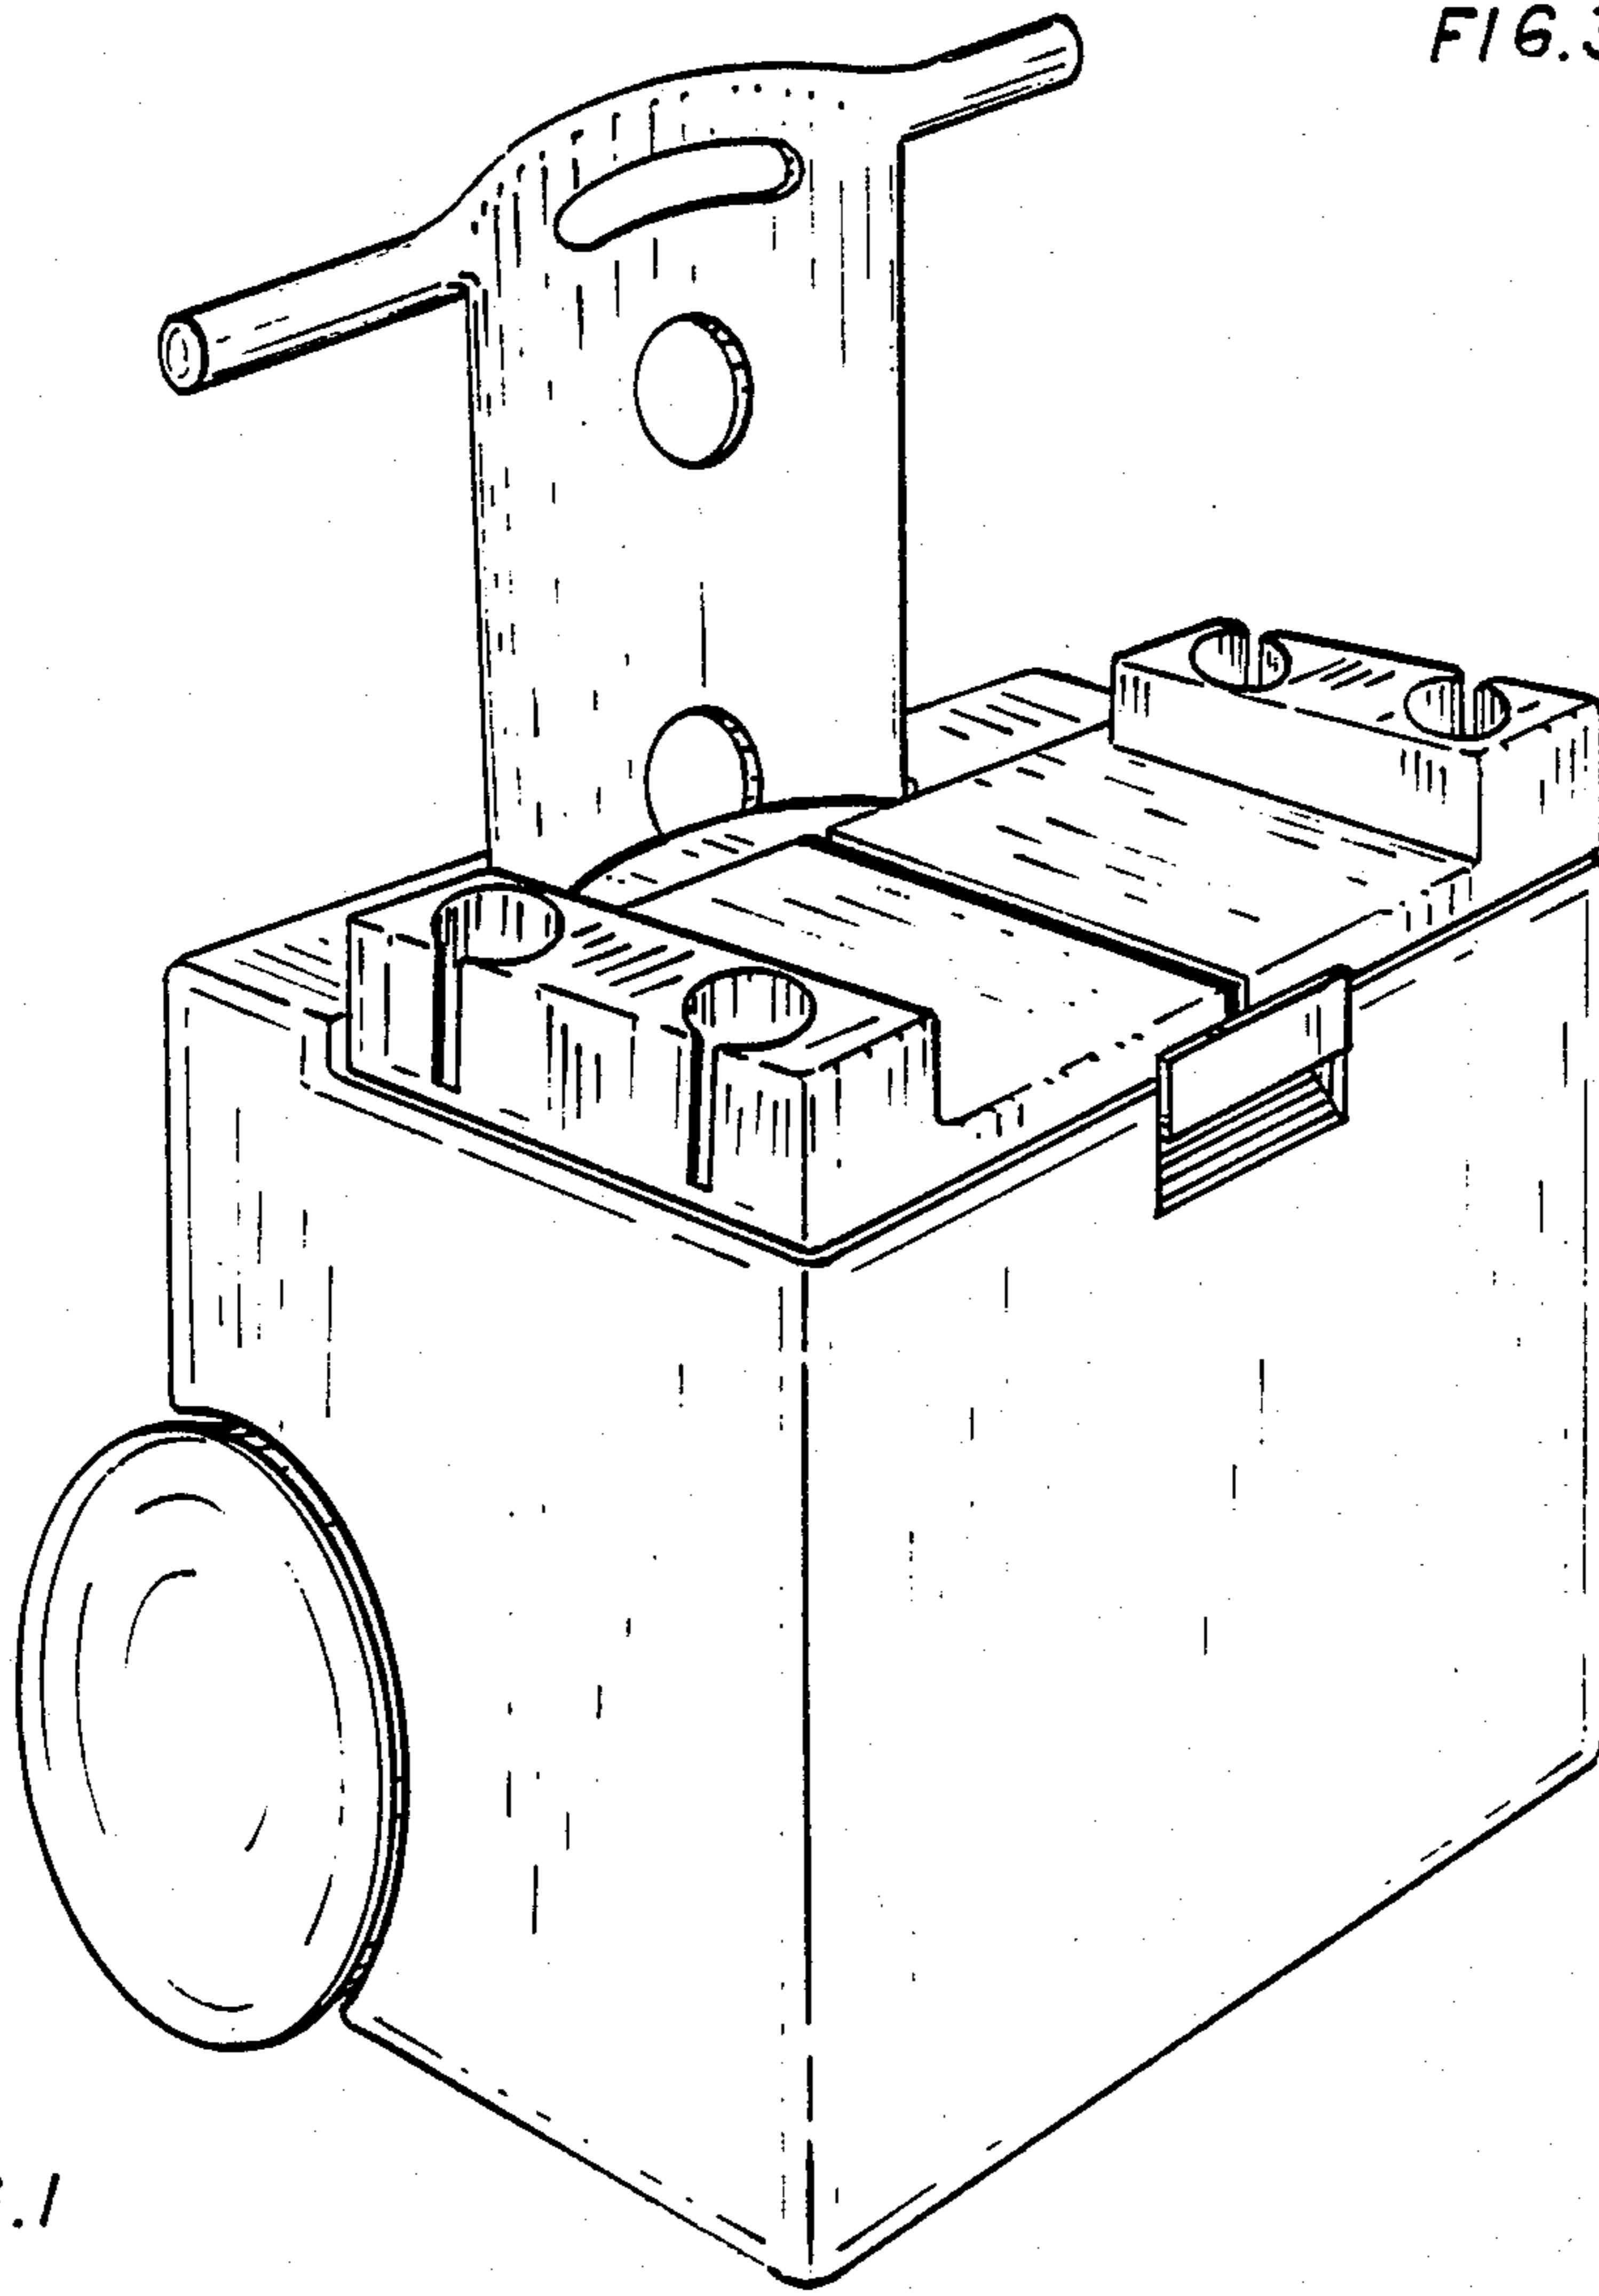

FIG. 1
