[57] CLAIM

The ornamental design for a dripless paint can spout, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of a dripless paint can spout showing my new design with a portion of a paint can being shown in broken lines to show environmental use only;

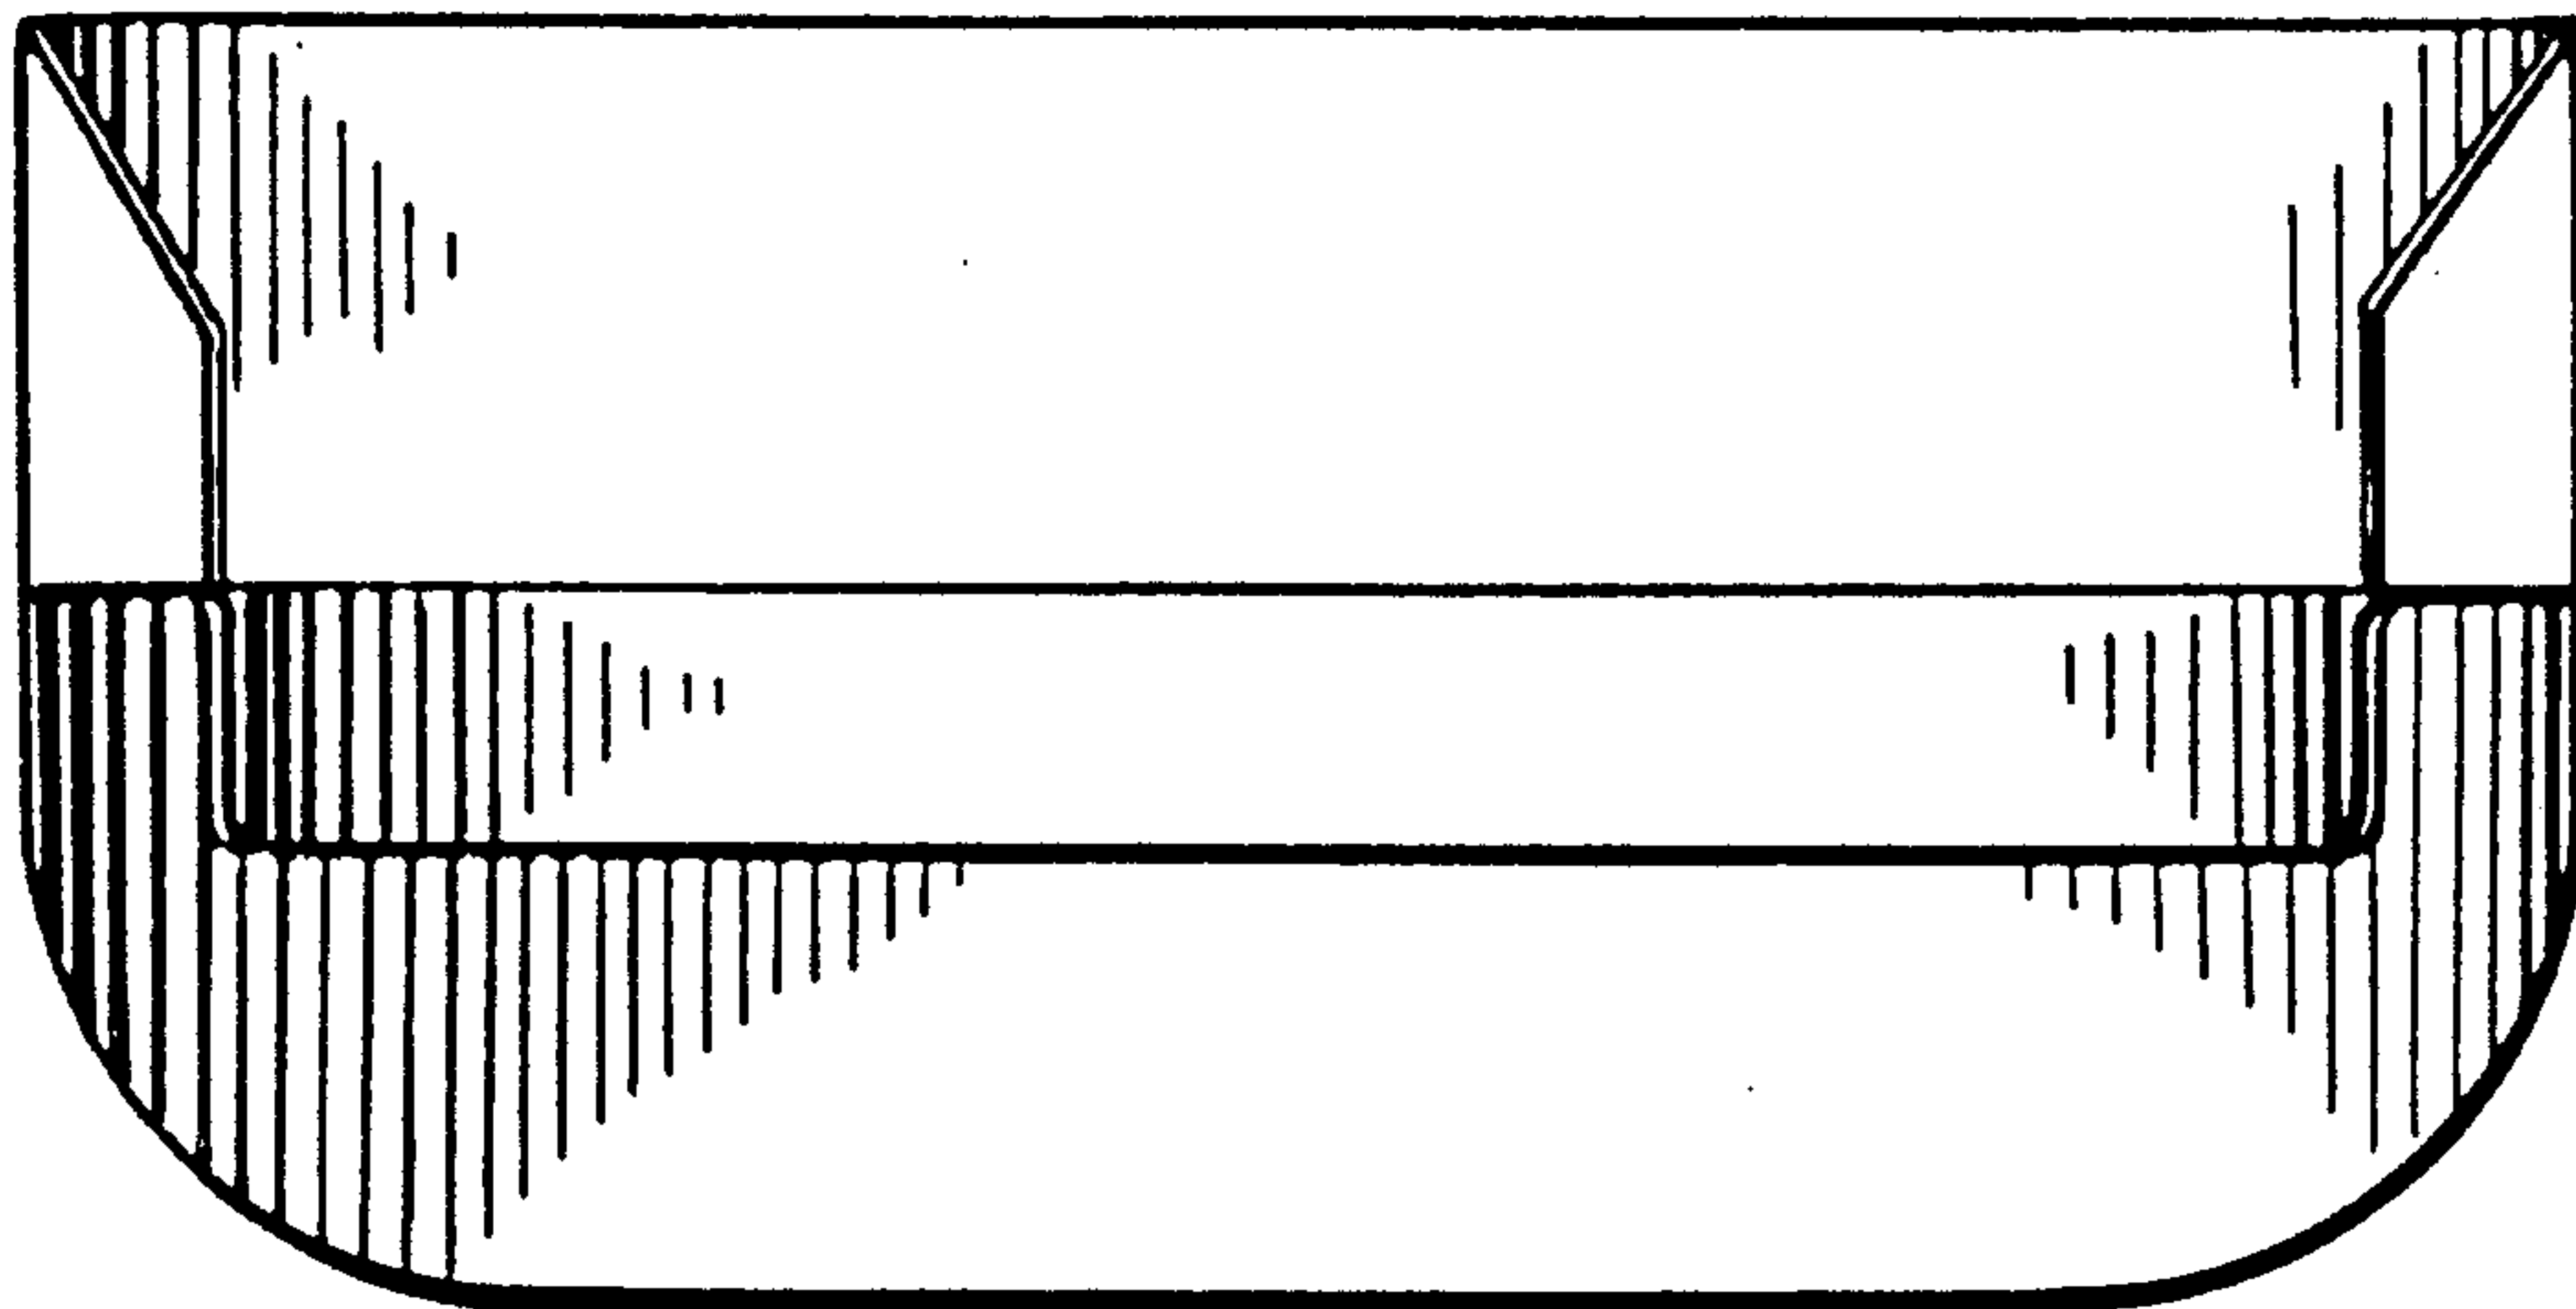

FIG. 2 is a front elevational view;

FIG. 3 is a rear elevational view;

FIG. 4 is a top plan view;

FIG. 5 is a bottom plan view; and

FIG. 6 is a side elevational view, the opposite side being a mirror image thereof.
