[57] CLAIM

The ornamental design for a combined main beam and roller carriage for a rowing machine, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of a combined main beam and roller carriage for a rowing machine showing my new design;

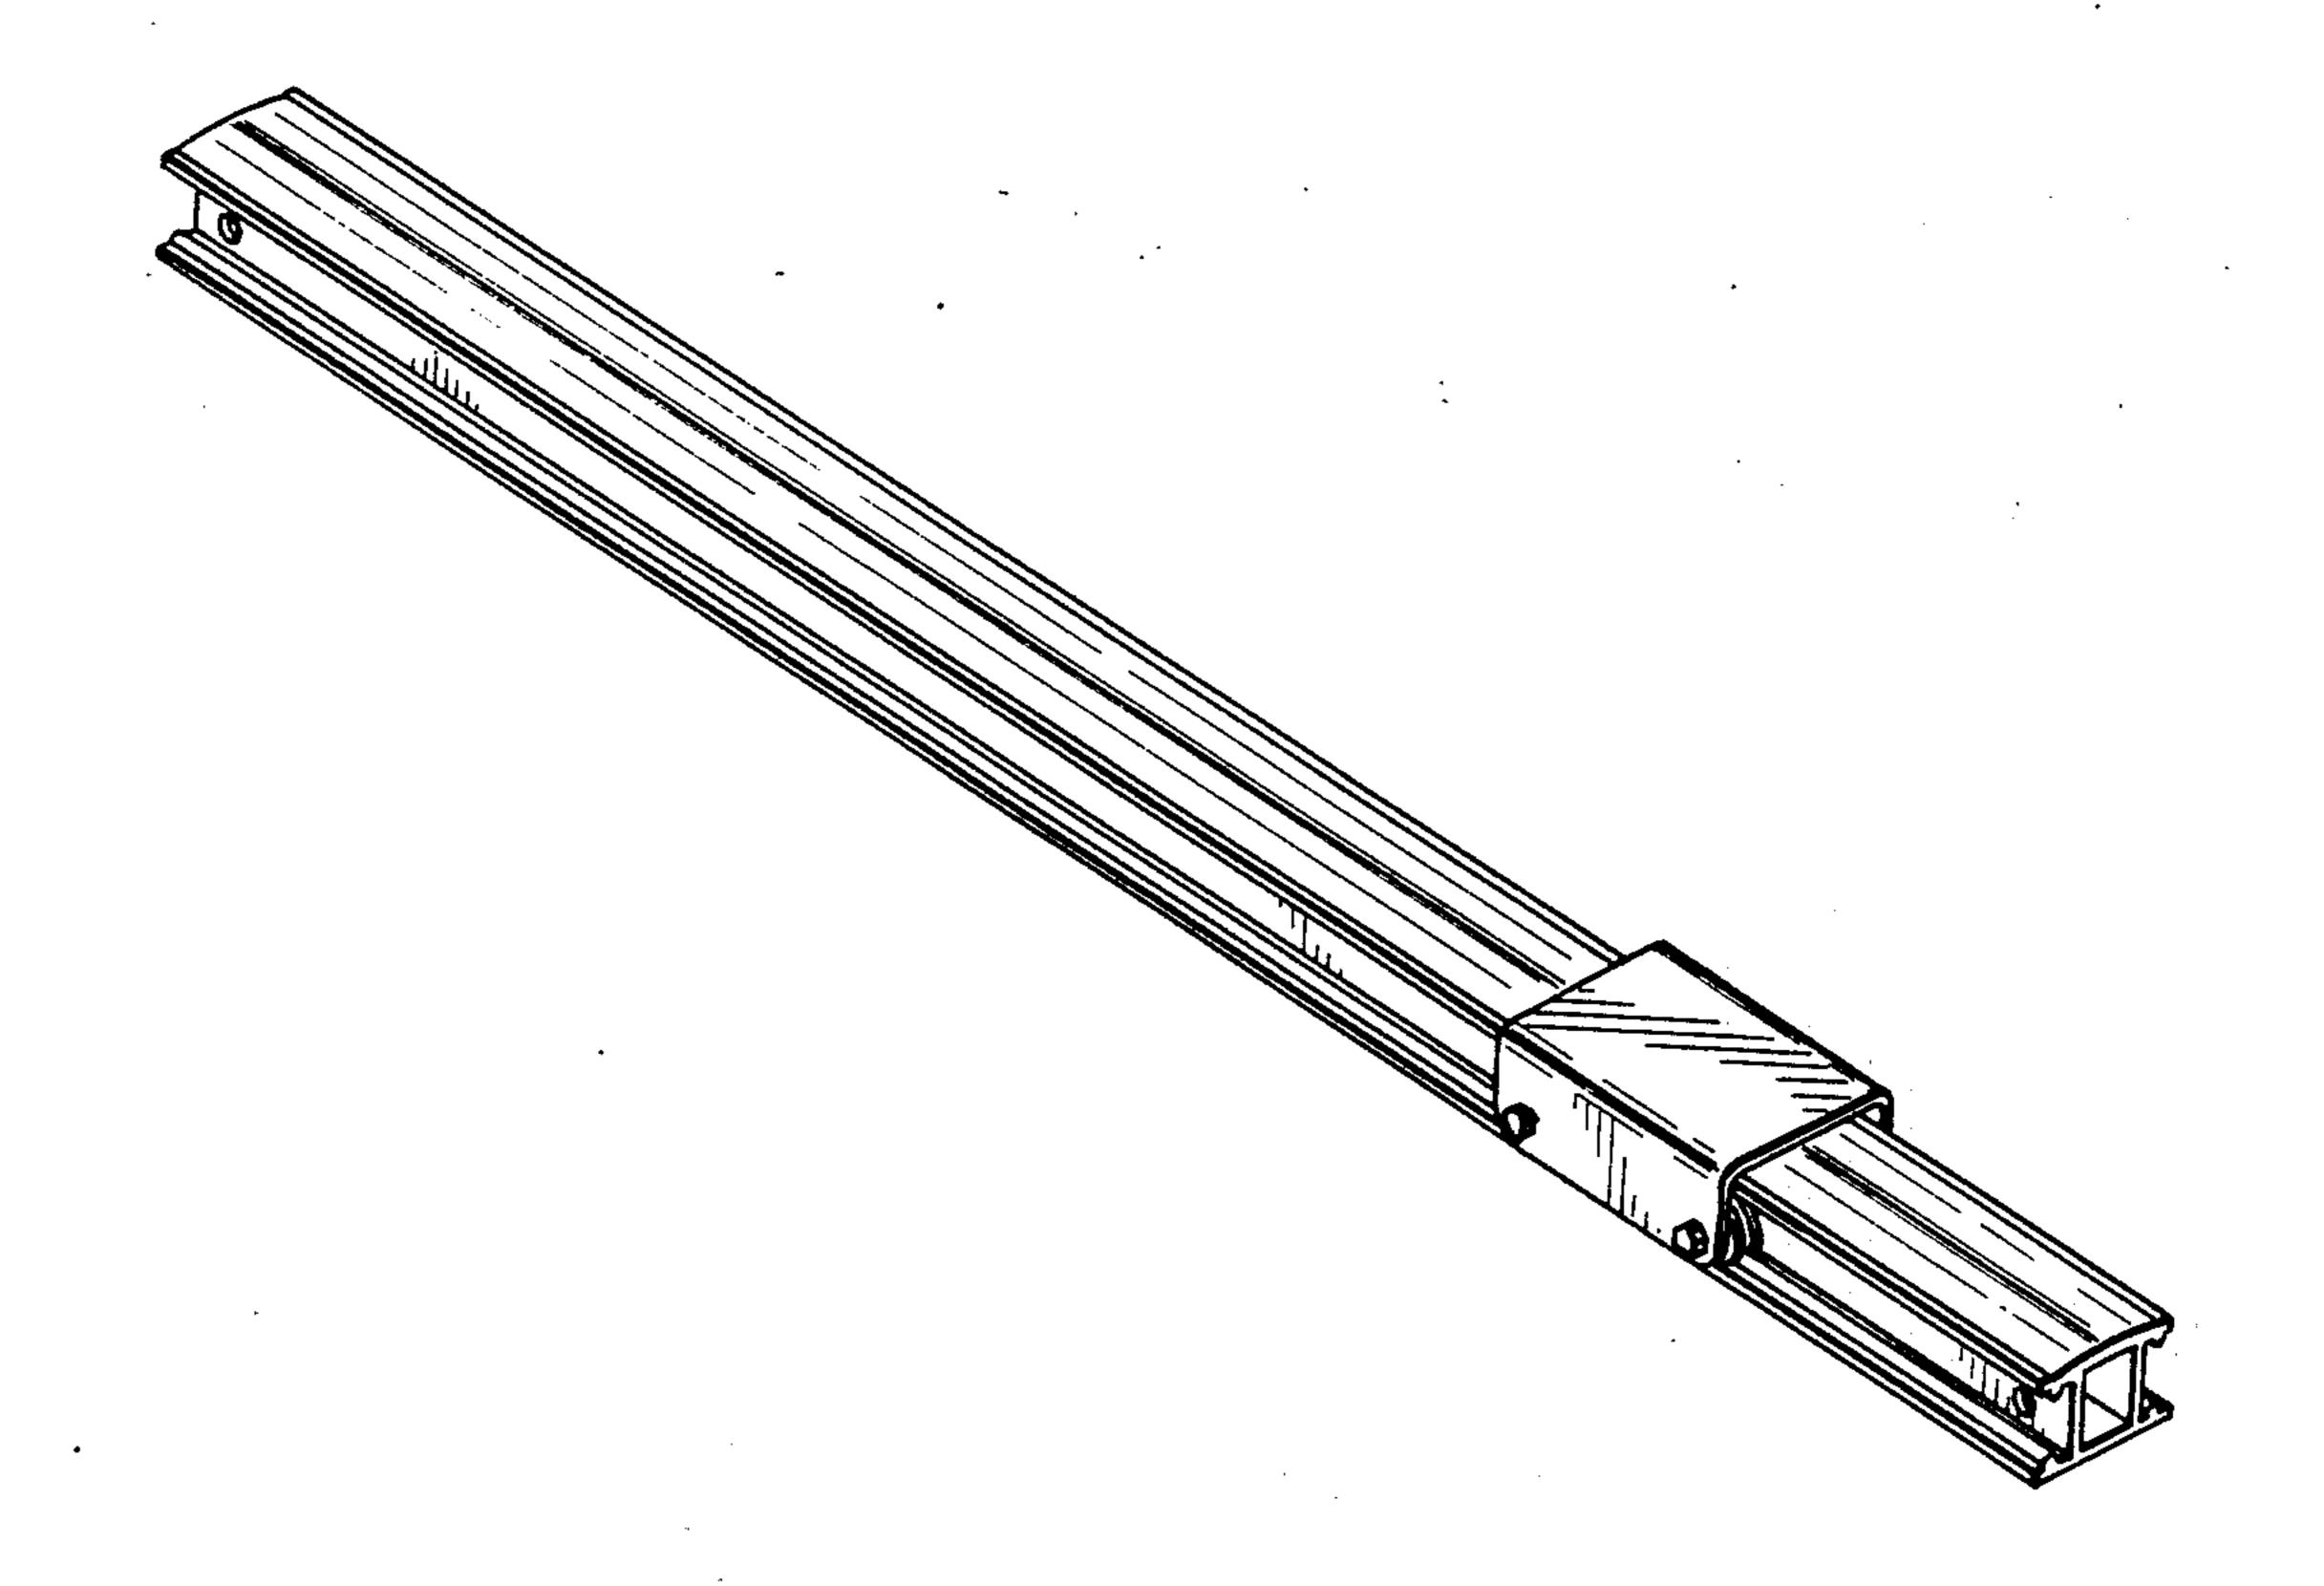

FIG. 2 is a front elevational view thereof;

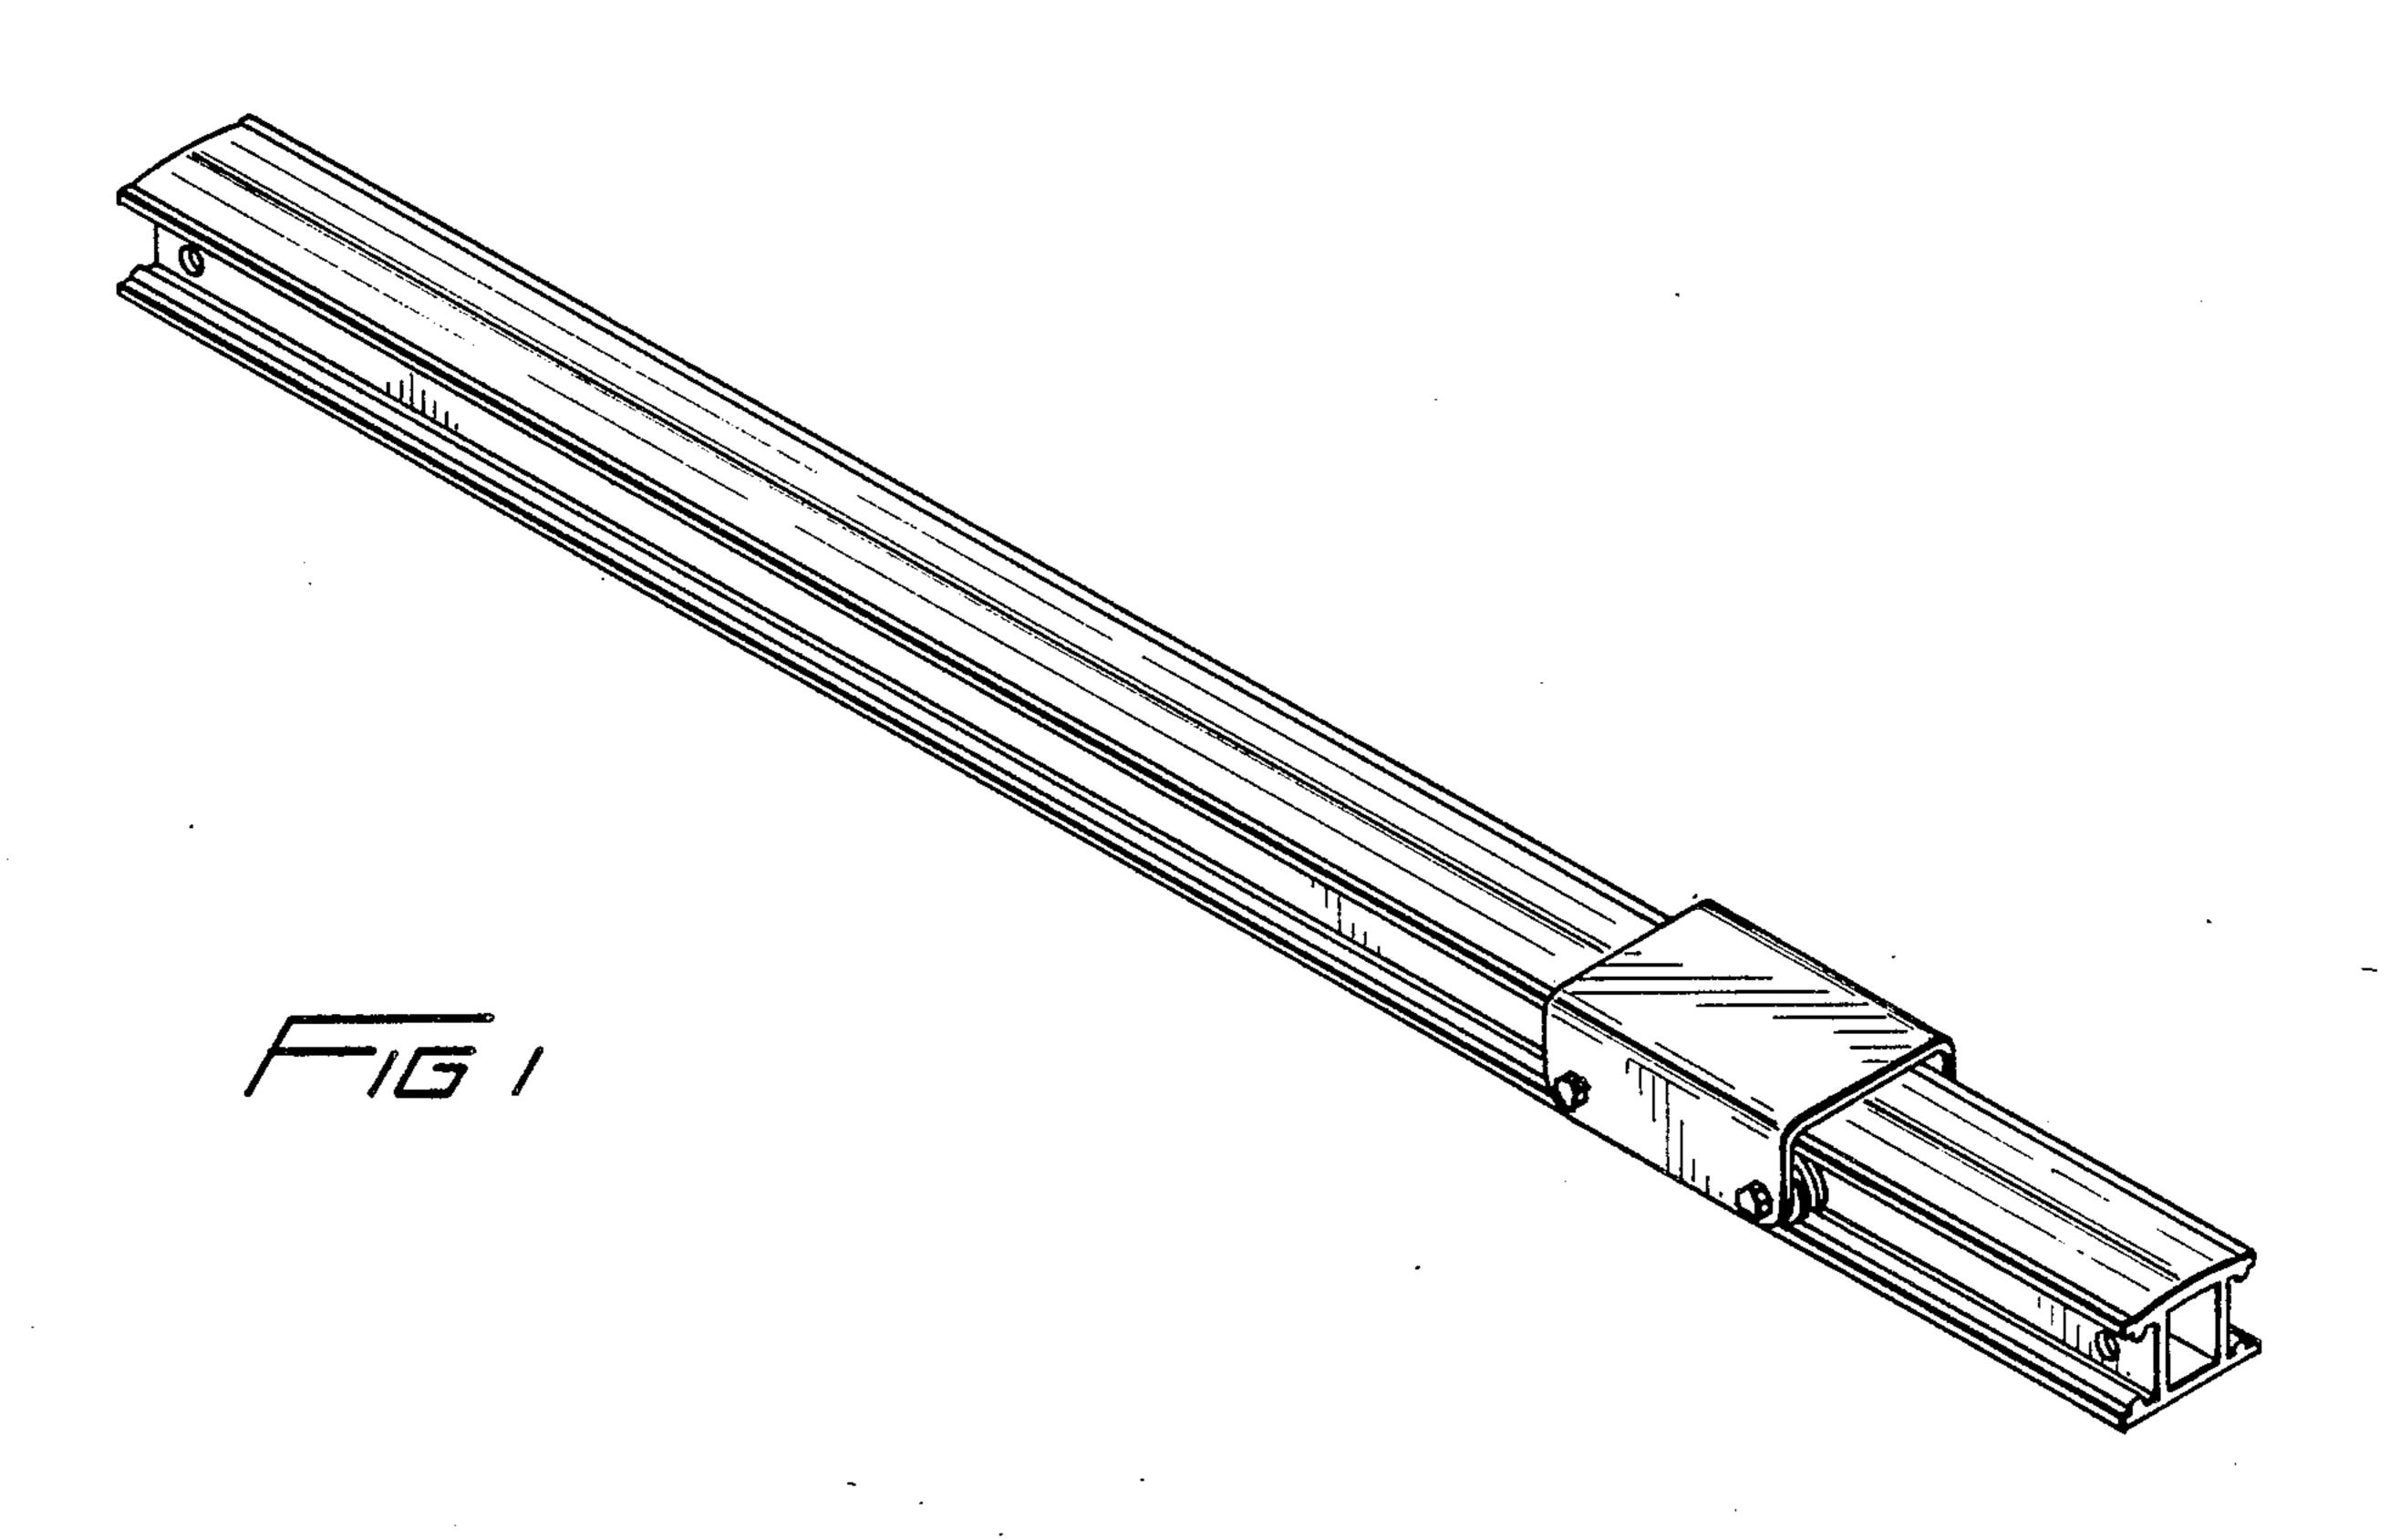

FIG. 3 is a top plan view thereof;

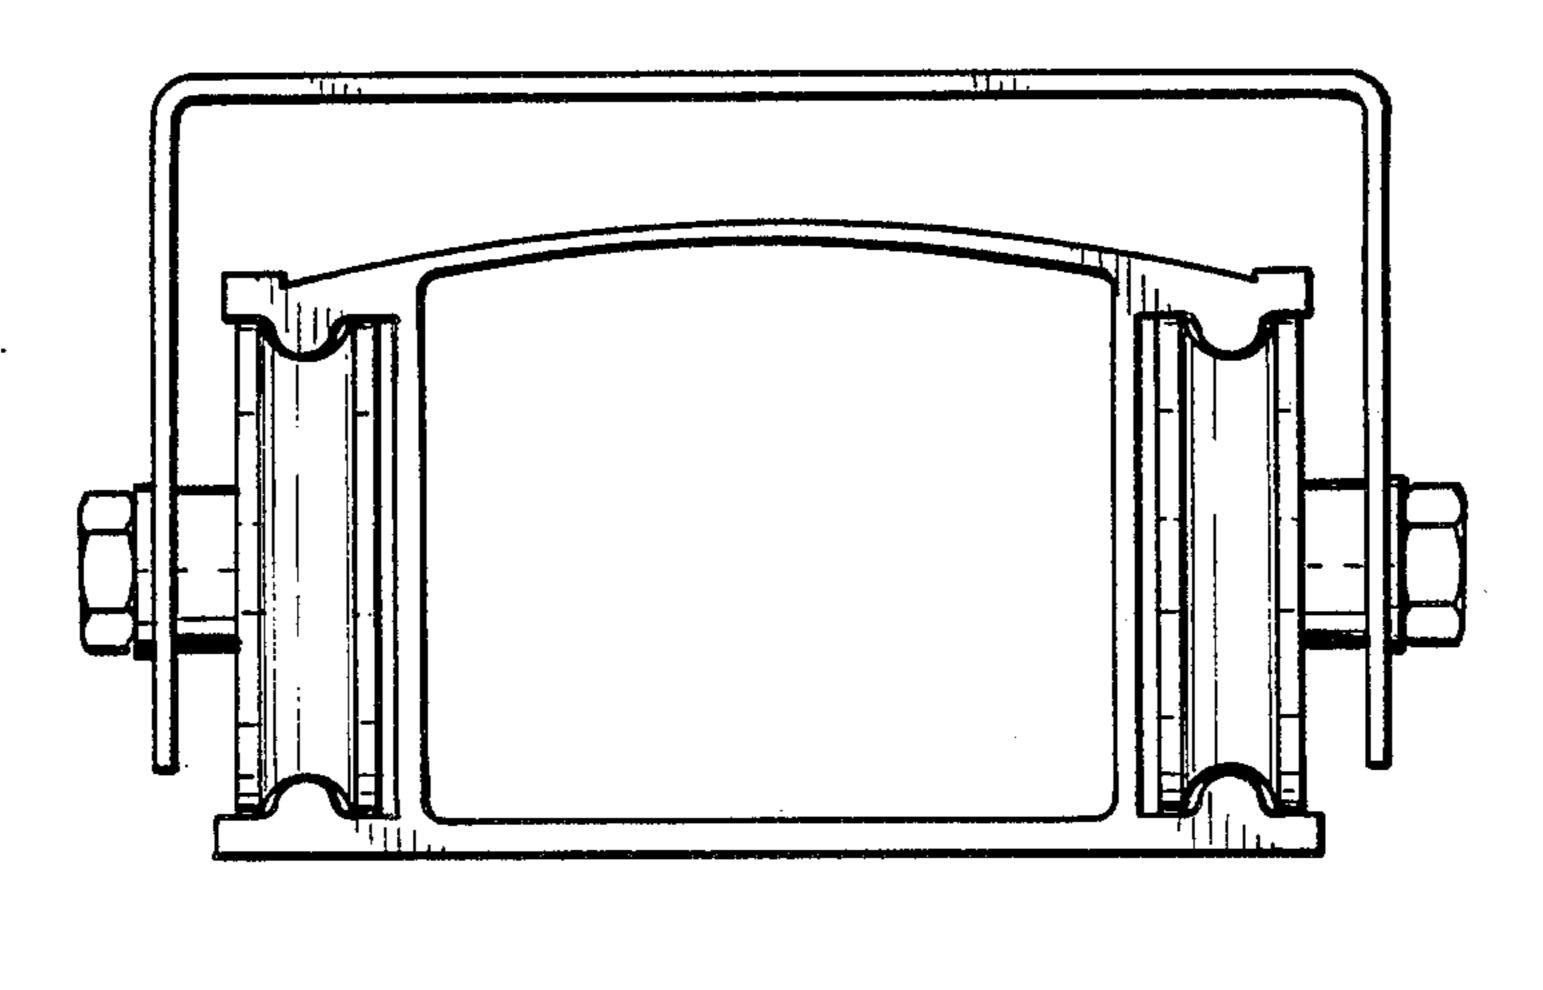

FIG. 4 is a right side elevational view thereof, the side opposite being a mirror image;

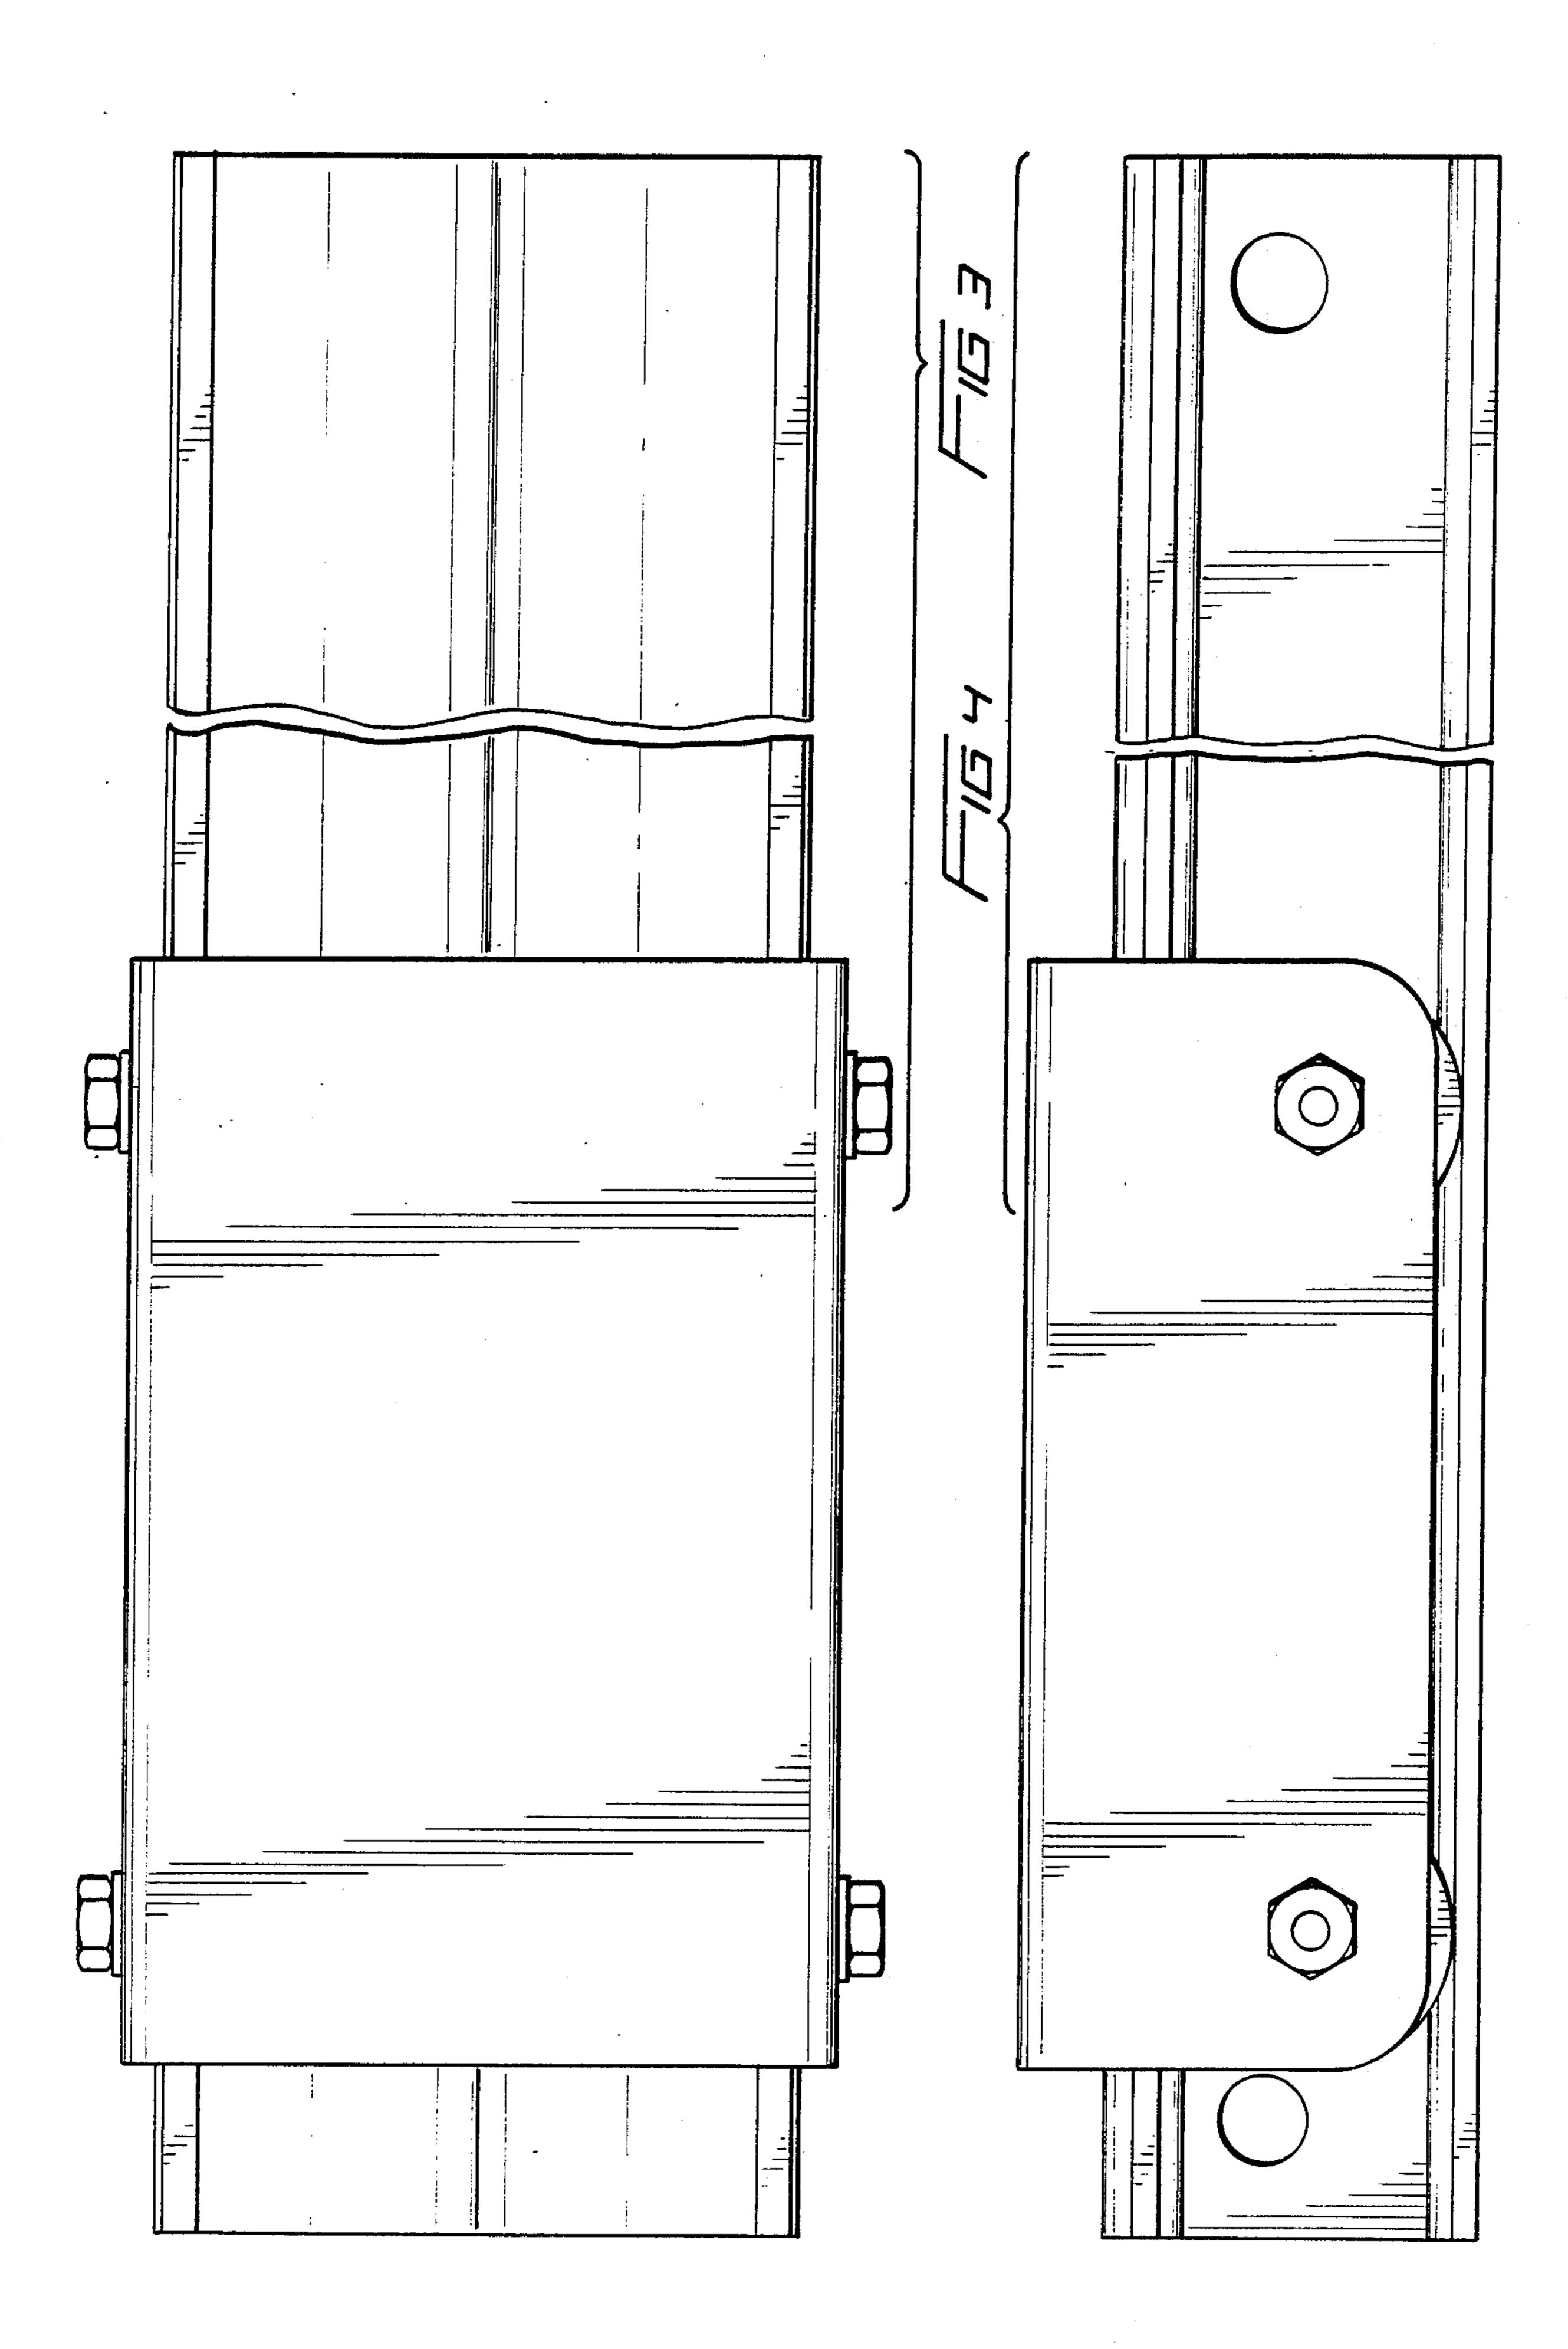

FIG. 5 is a bottom plan view thereof.

Portions of FIGS. 3, 4, and 5 have been shown in fragment for ease of illustration.
