CLAIM

The ornamental design for an element of a shoe upper, as shown and described.

DESCRIPTION

FIG. 1 is a left side elevational view of an element of a shoe upper showing my new design;
FIG. 2 is a right side elevational view of an element of a shoe upper showing my new design; and
FIG. 3 is a top plan view of an element of a shoe upper showing my new design.
The broken line showing of a shoe in FIGS. 1-3 is environmental only and forms no part of the claimed design.
