[57] **CLAIM**

The ornamental design for a foldable beverage table or similar article, as shown and described.

**DESCRIPTION**

FIG. 1 is a top plan view of a foldable beverage table or similar article showing my design;  
FIG. 2 a side elevational view; the opposite side being substantially the same; and  
FIG. 3 is an end elevational view, the opposite end being a mirror image thereof.

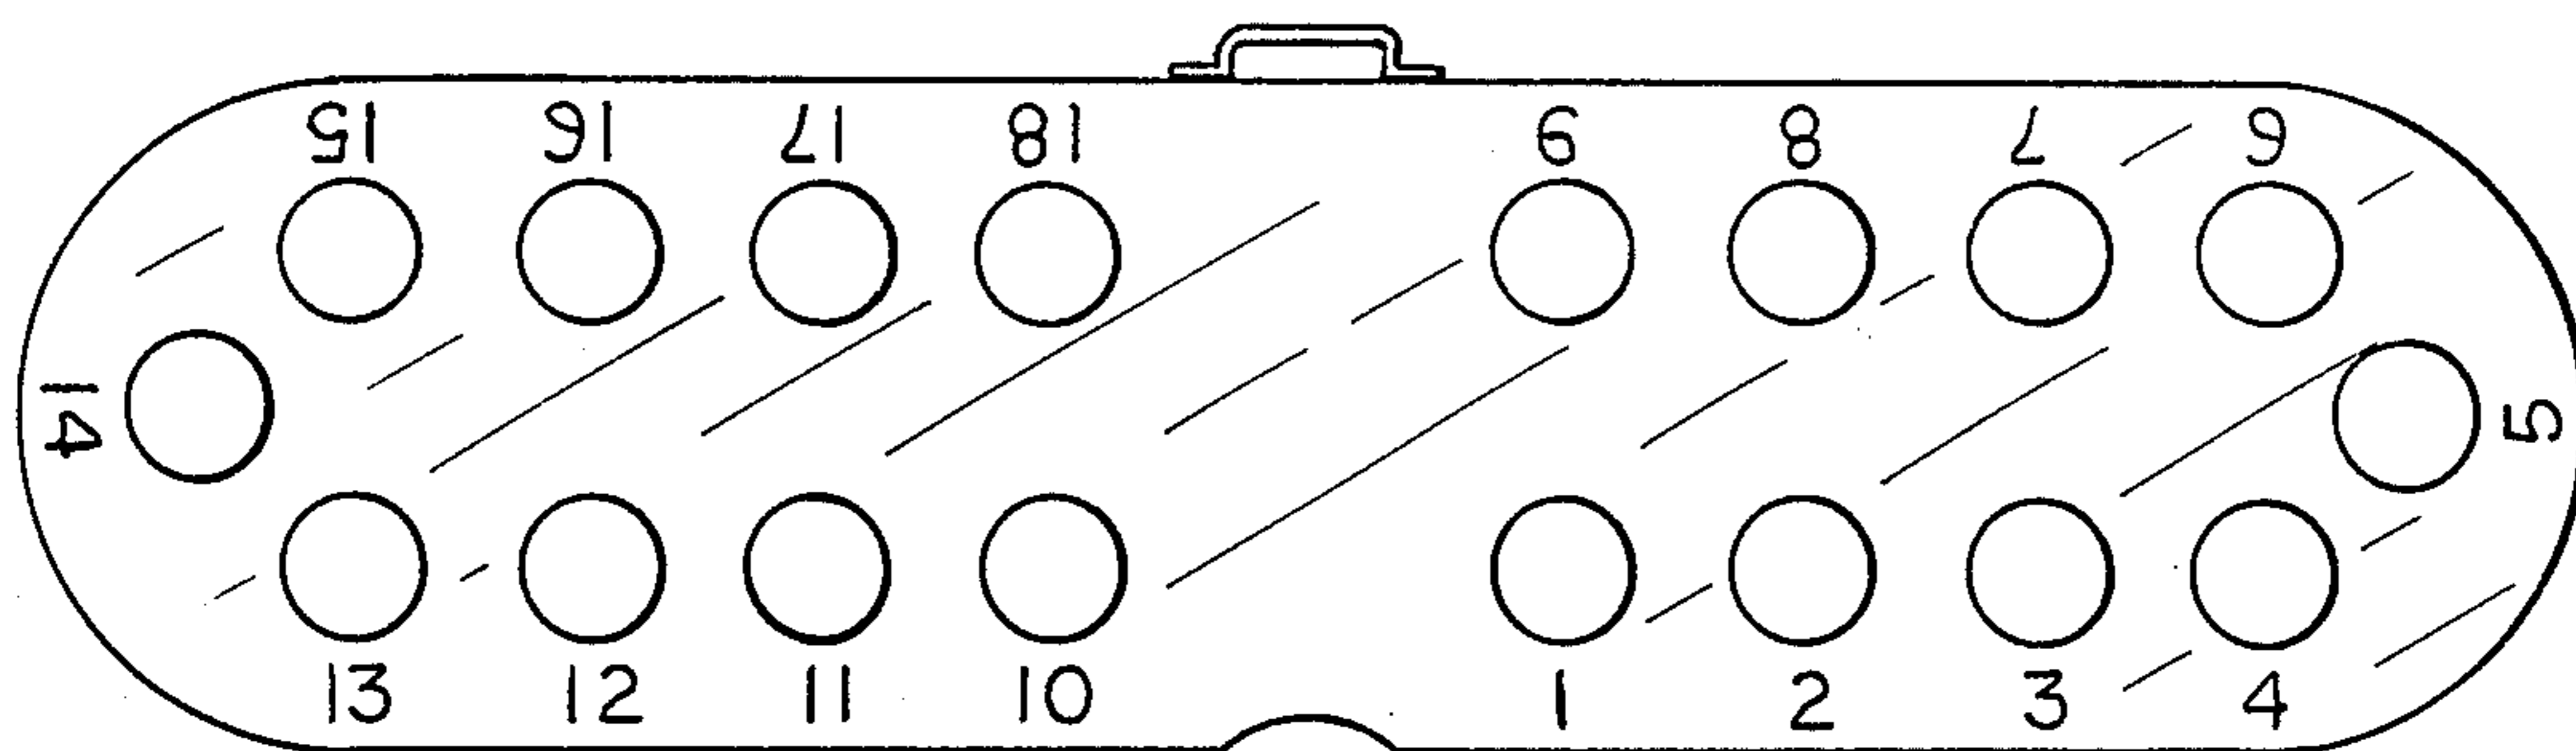

FIG. 1

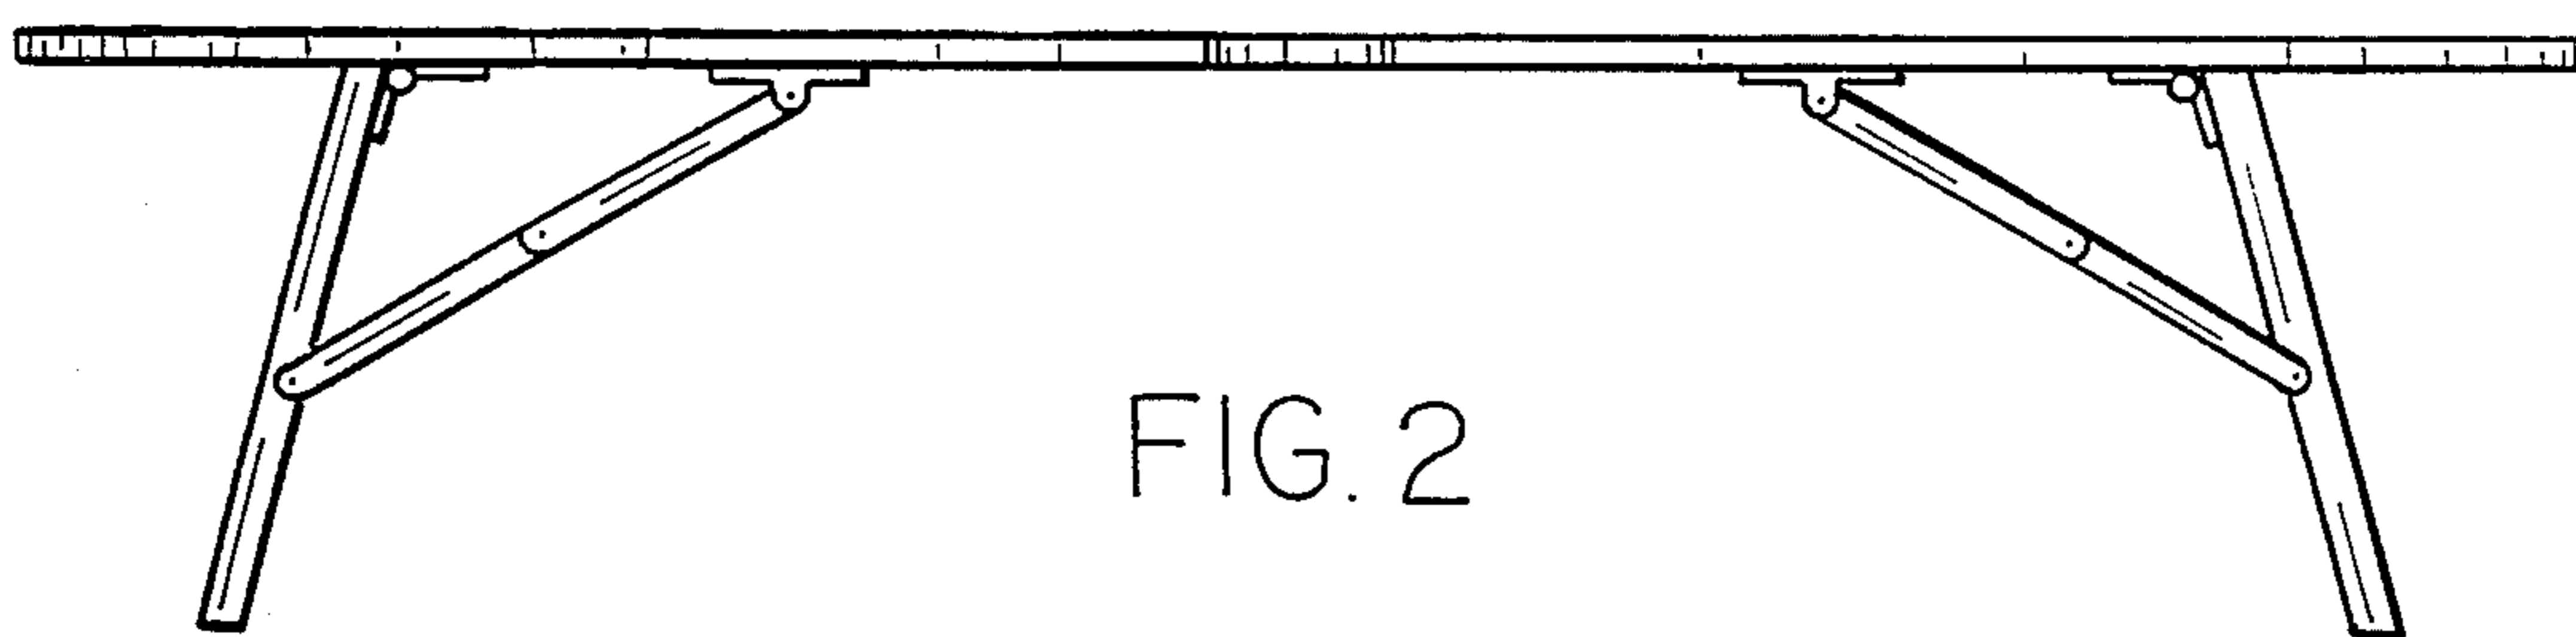

FIG. 2

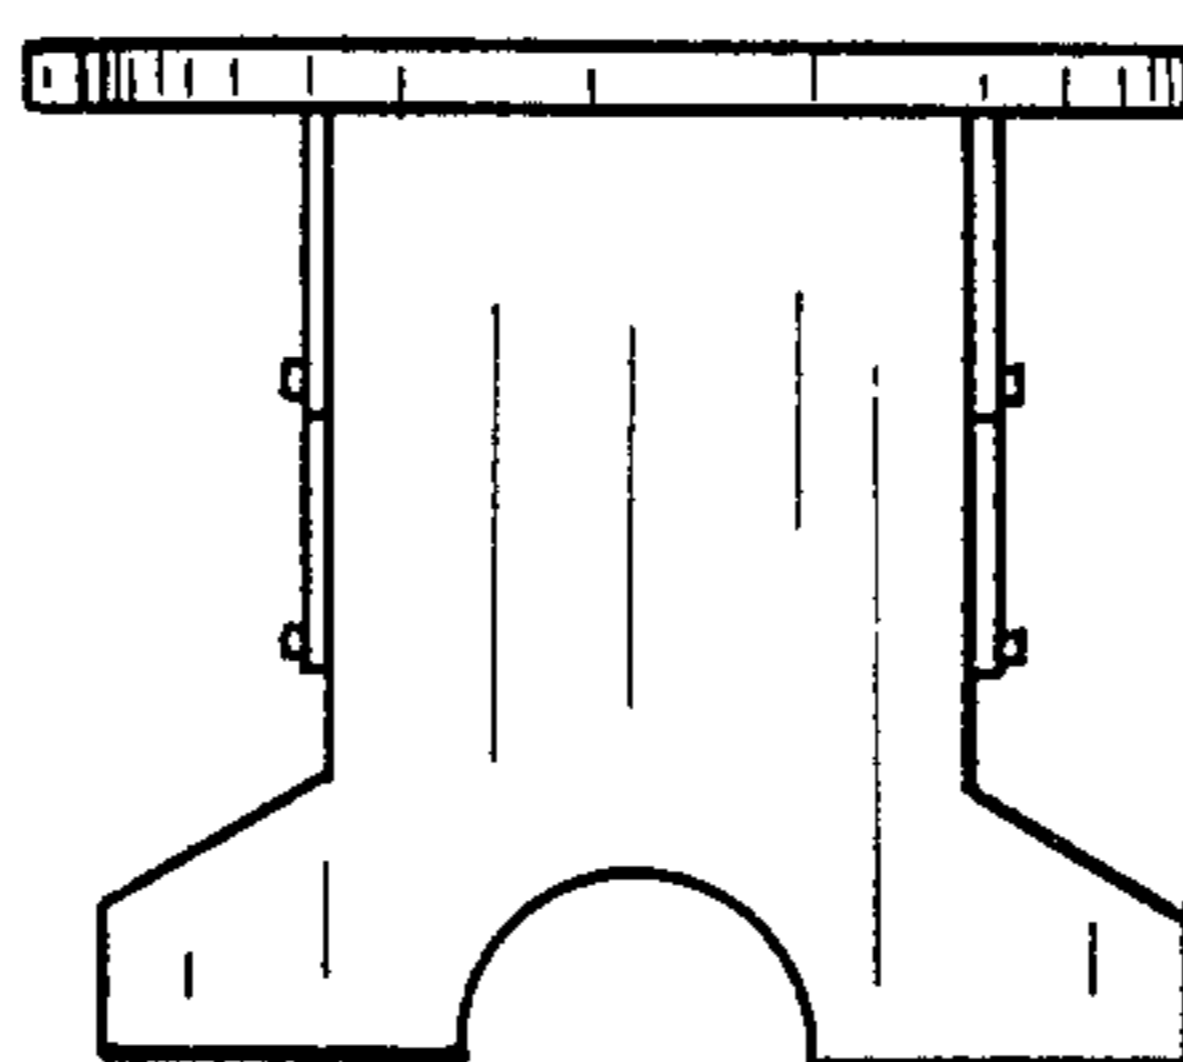

FIG. 3
