[57] CLAIM

The ornamental design for a combined extruded panel holding and sealing strip and supporting clip therefor for in-jamb insulating window, as shown and described.

#### DESCRIPTION

FIG. 1 is a perspective view of a combined extruded panel holding and sealing strip and supporting clip therefor for in-jamb insulating window showing my new design;

FIG. 2 is an end elevation view thereof;

FIG. 3 is an end elevation view of the supporting clip thereof shown separately for clarity of illustration; and

FIG. 4 is an end elevation view of the panel holding and sealing strip thereof shown separately for clarity of illustration.
