[57] CLAIM

The ornamental design for a safety cover for electrical outlet, as shown and described.

DESCRIPTION

FIG. 1 is a side elevation view of a safety cover for electrical outlet showing my new design it being understood that the opposite side is a mirror image thereof; FIG. 2 is a rear elevation view thereof; and FIG. 3 is a top plan view it being understood that the bottom is the reverse image thereof.

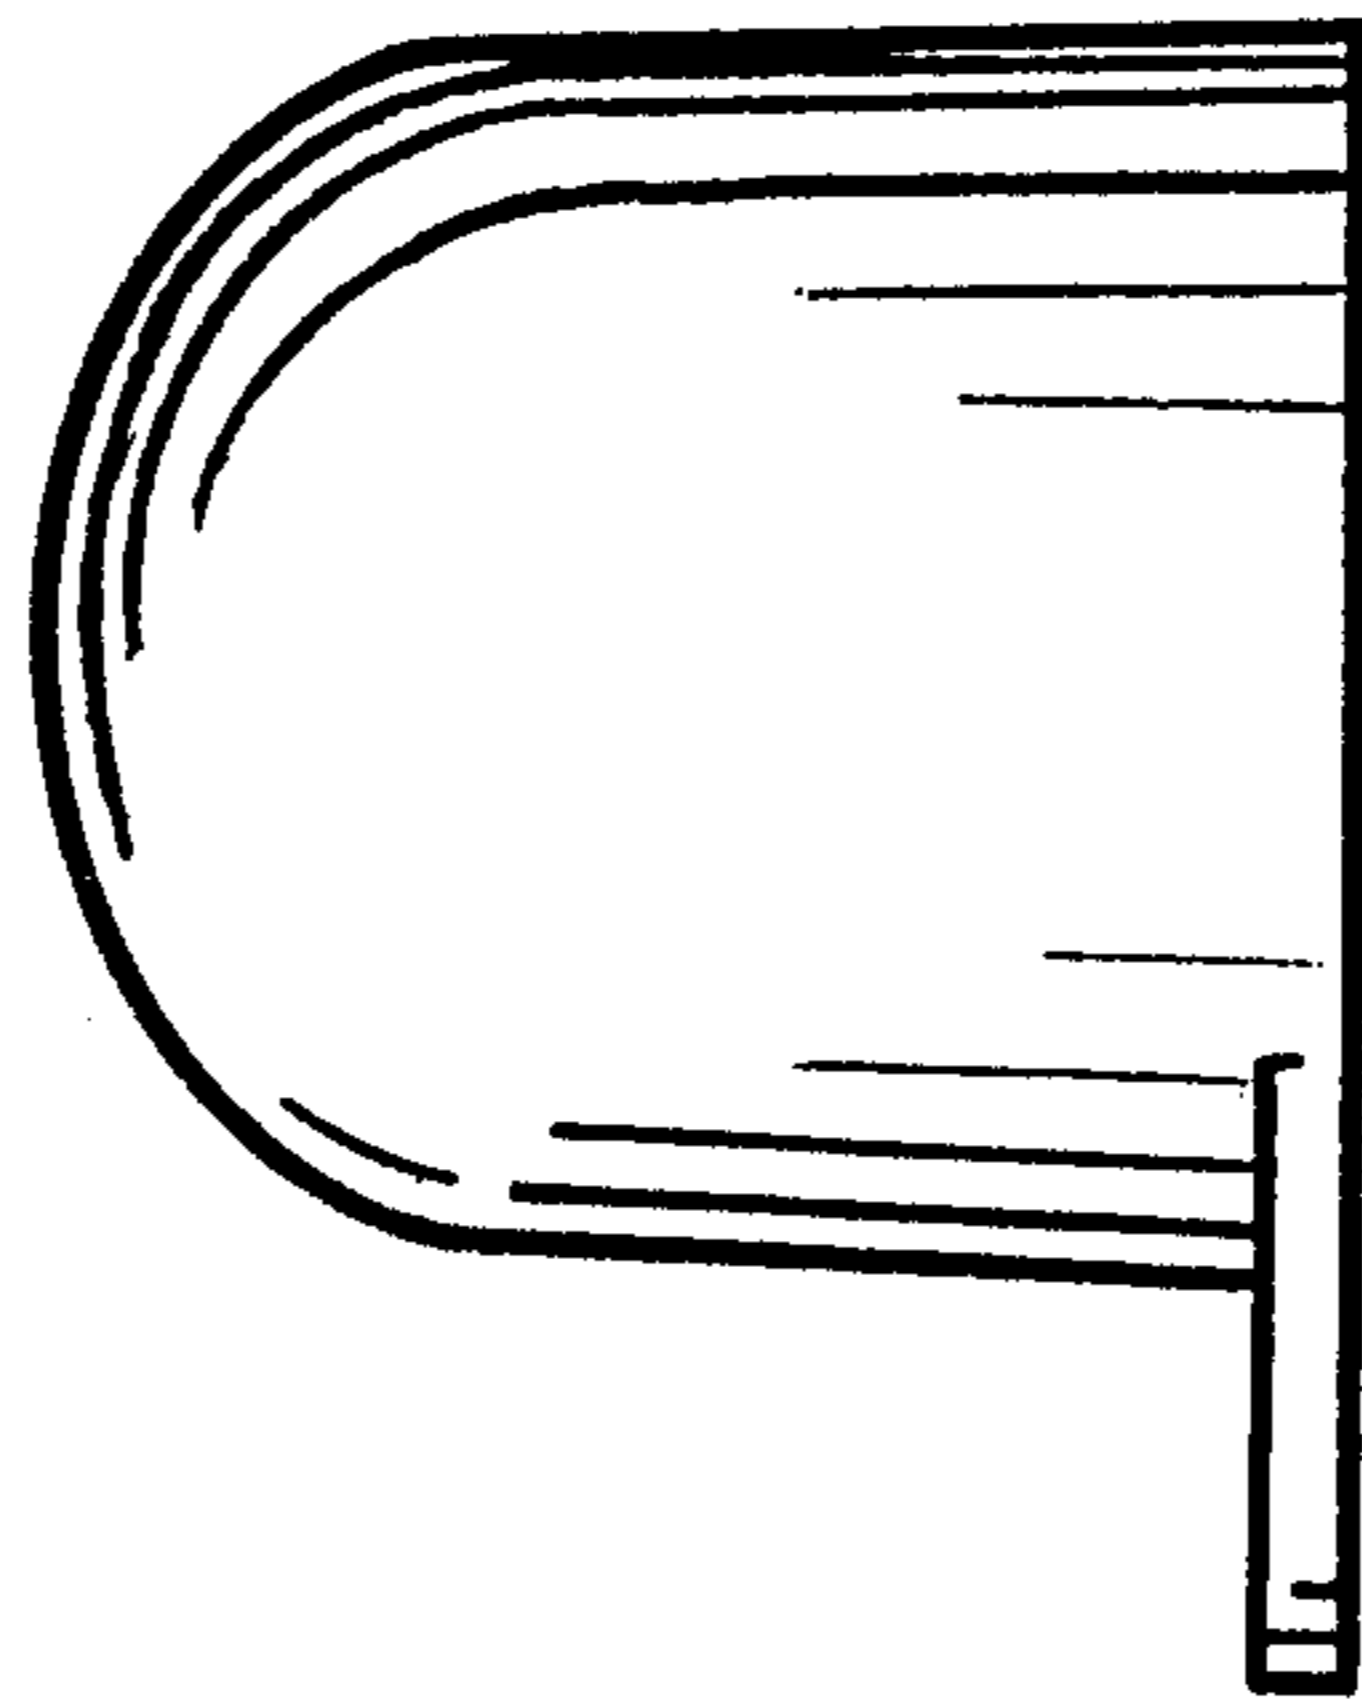

FIG. 1

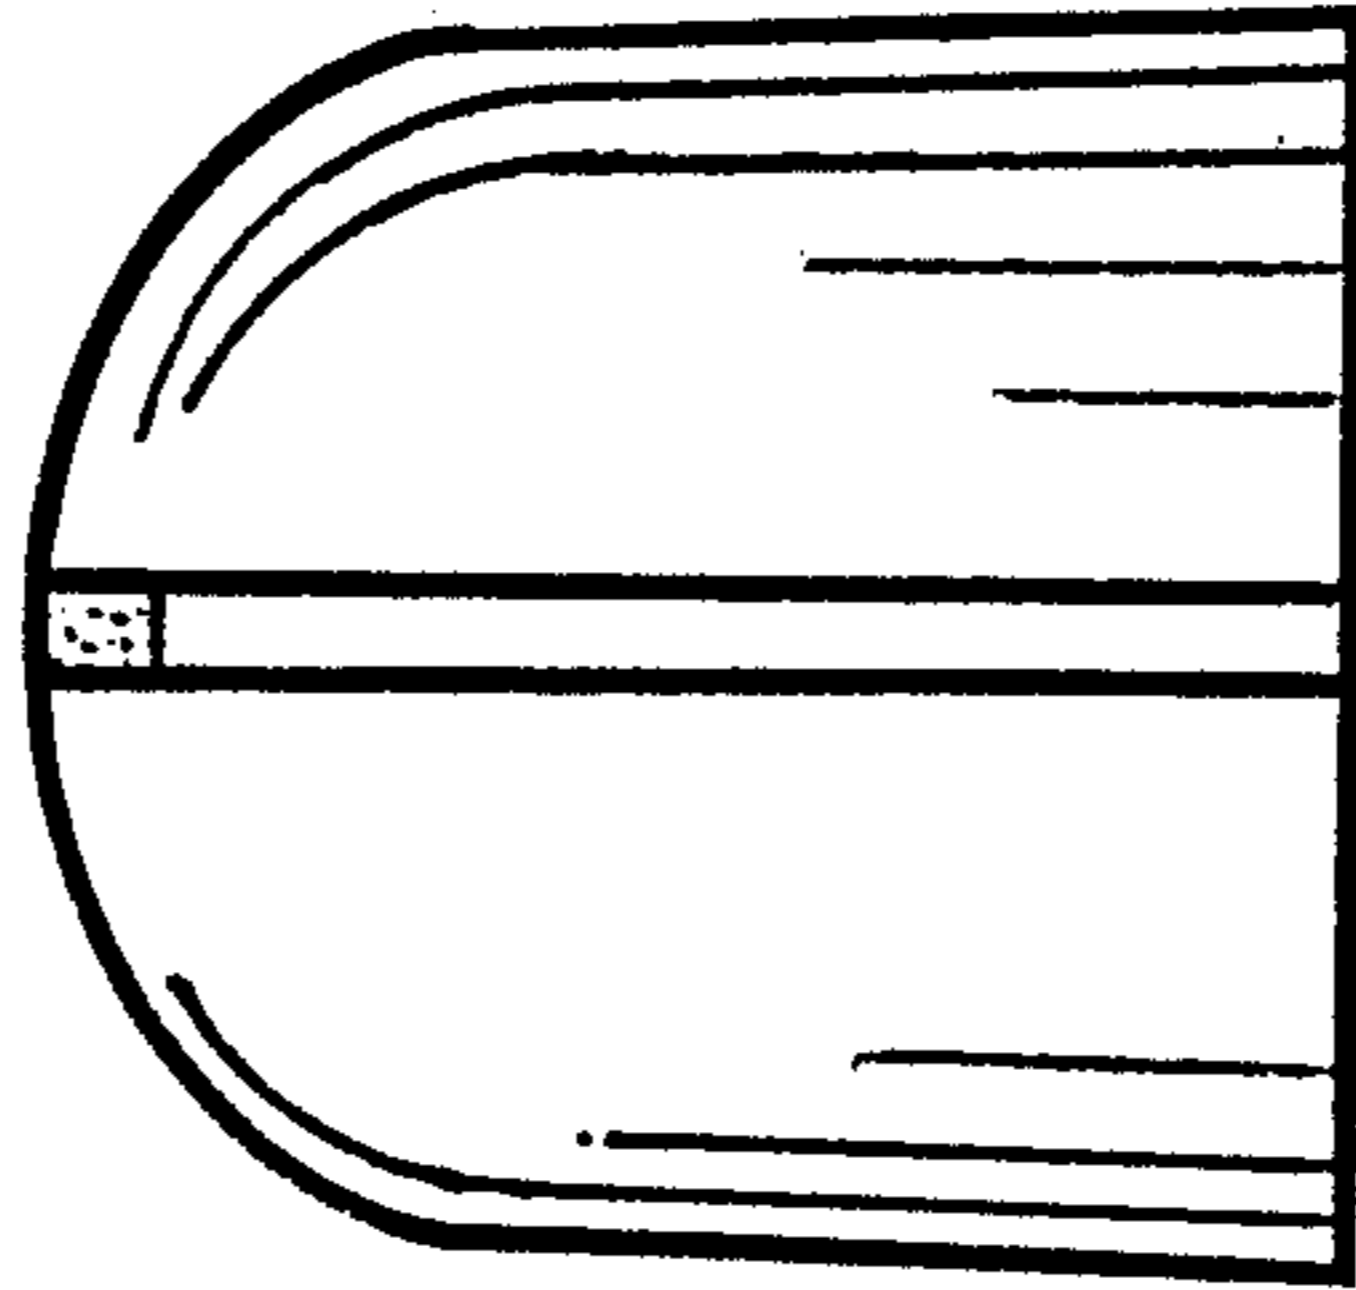

FIG. 2

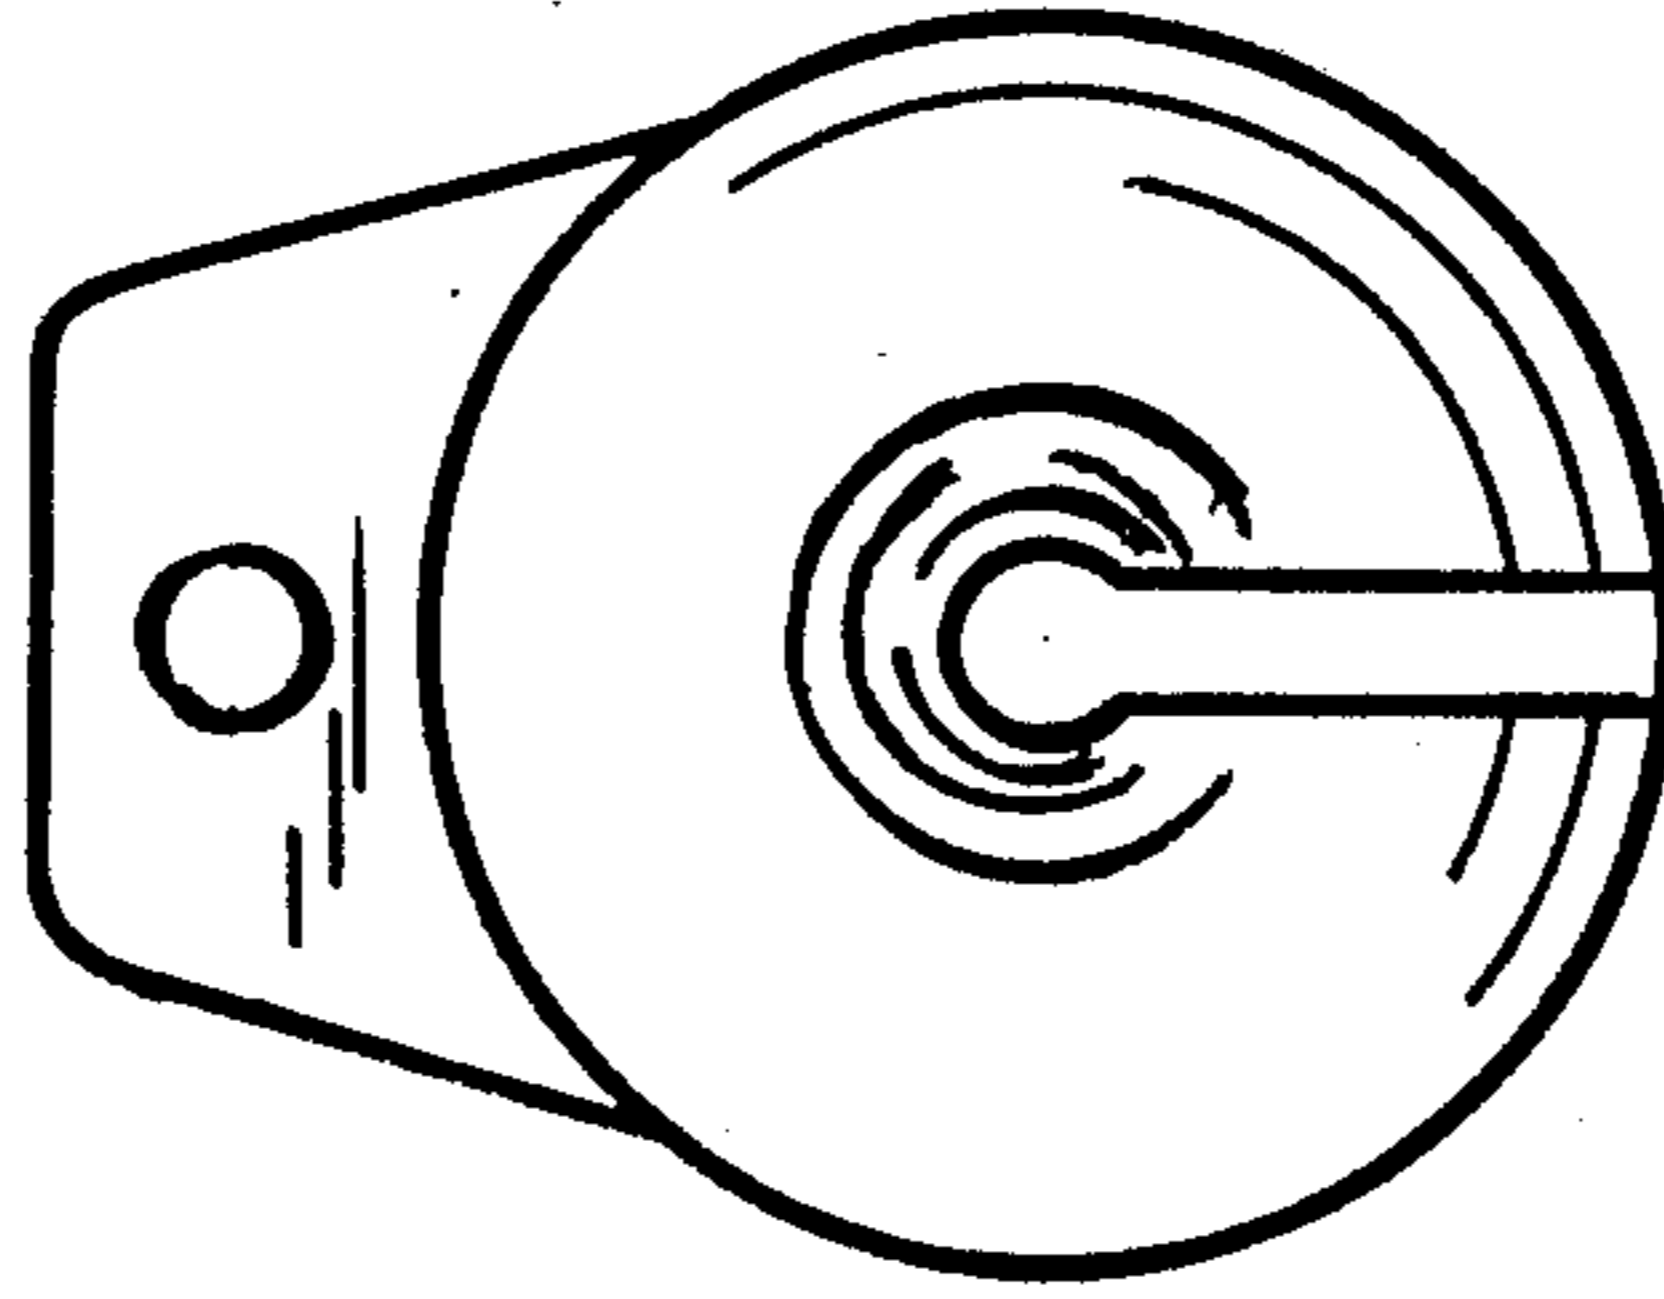

FIG. 3
