[57] CLAIM

The ornamental design for a support reel upon which to wind welding wire or the like, as shown and described.

DESCRIPTION

FIG. 1 is a front elevational view of a support reel upon which to wind welding wire or the like showing my new design, the rear elevational view being substantially a mirror image; and FIG. 2 is a front and right side perspective view of the reel from above and to one side.

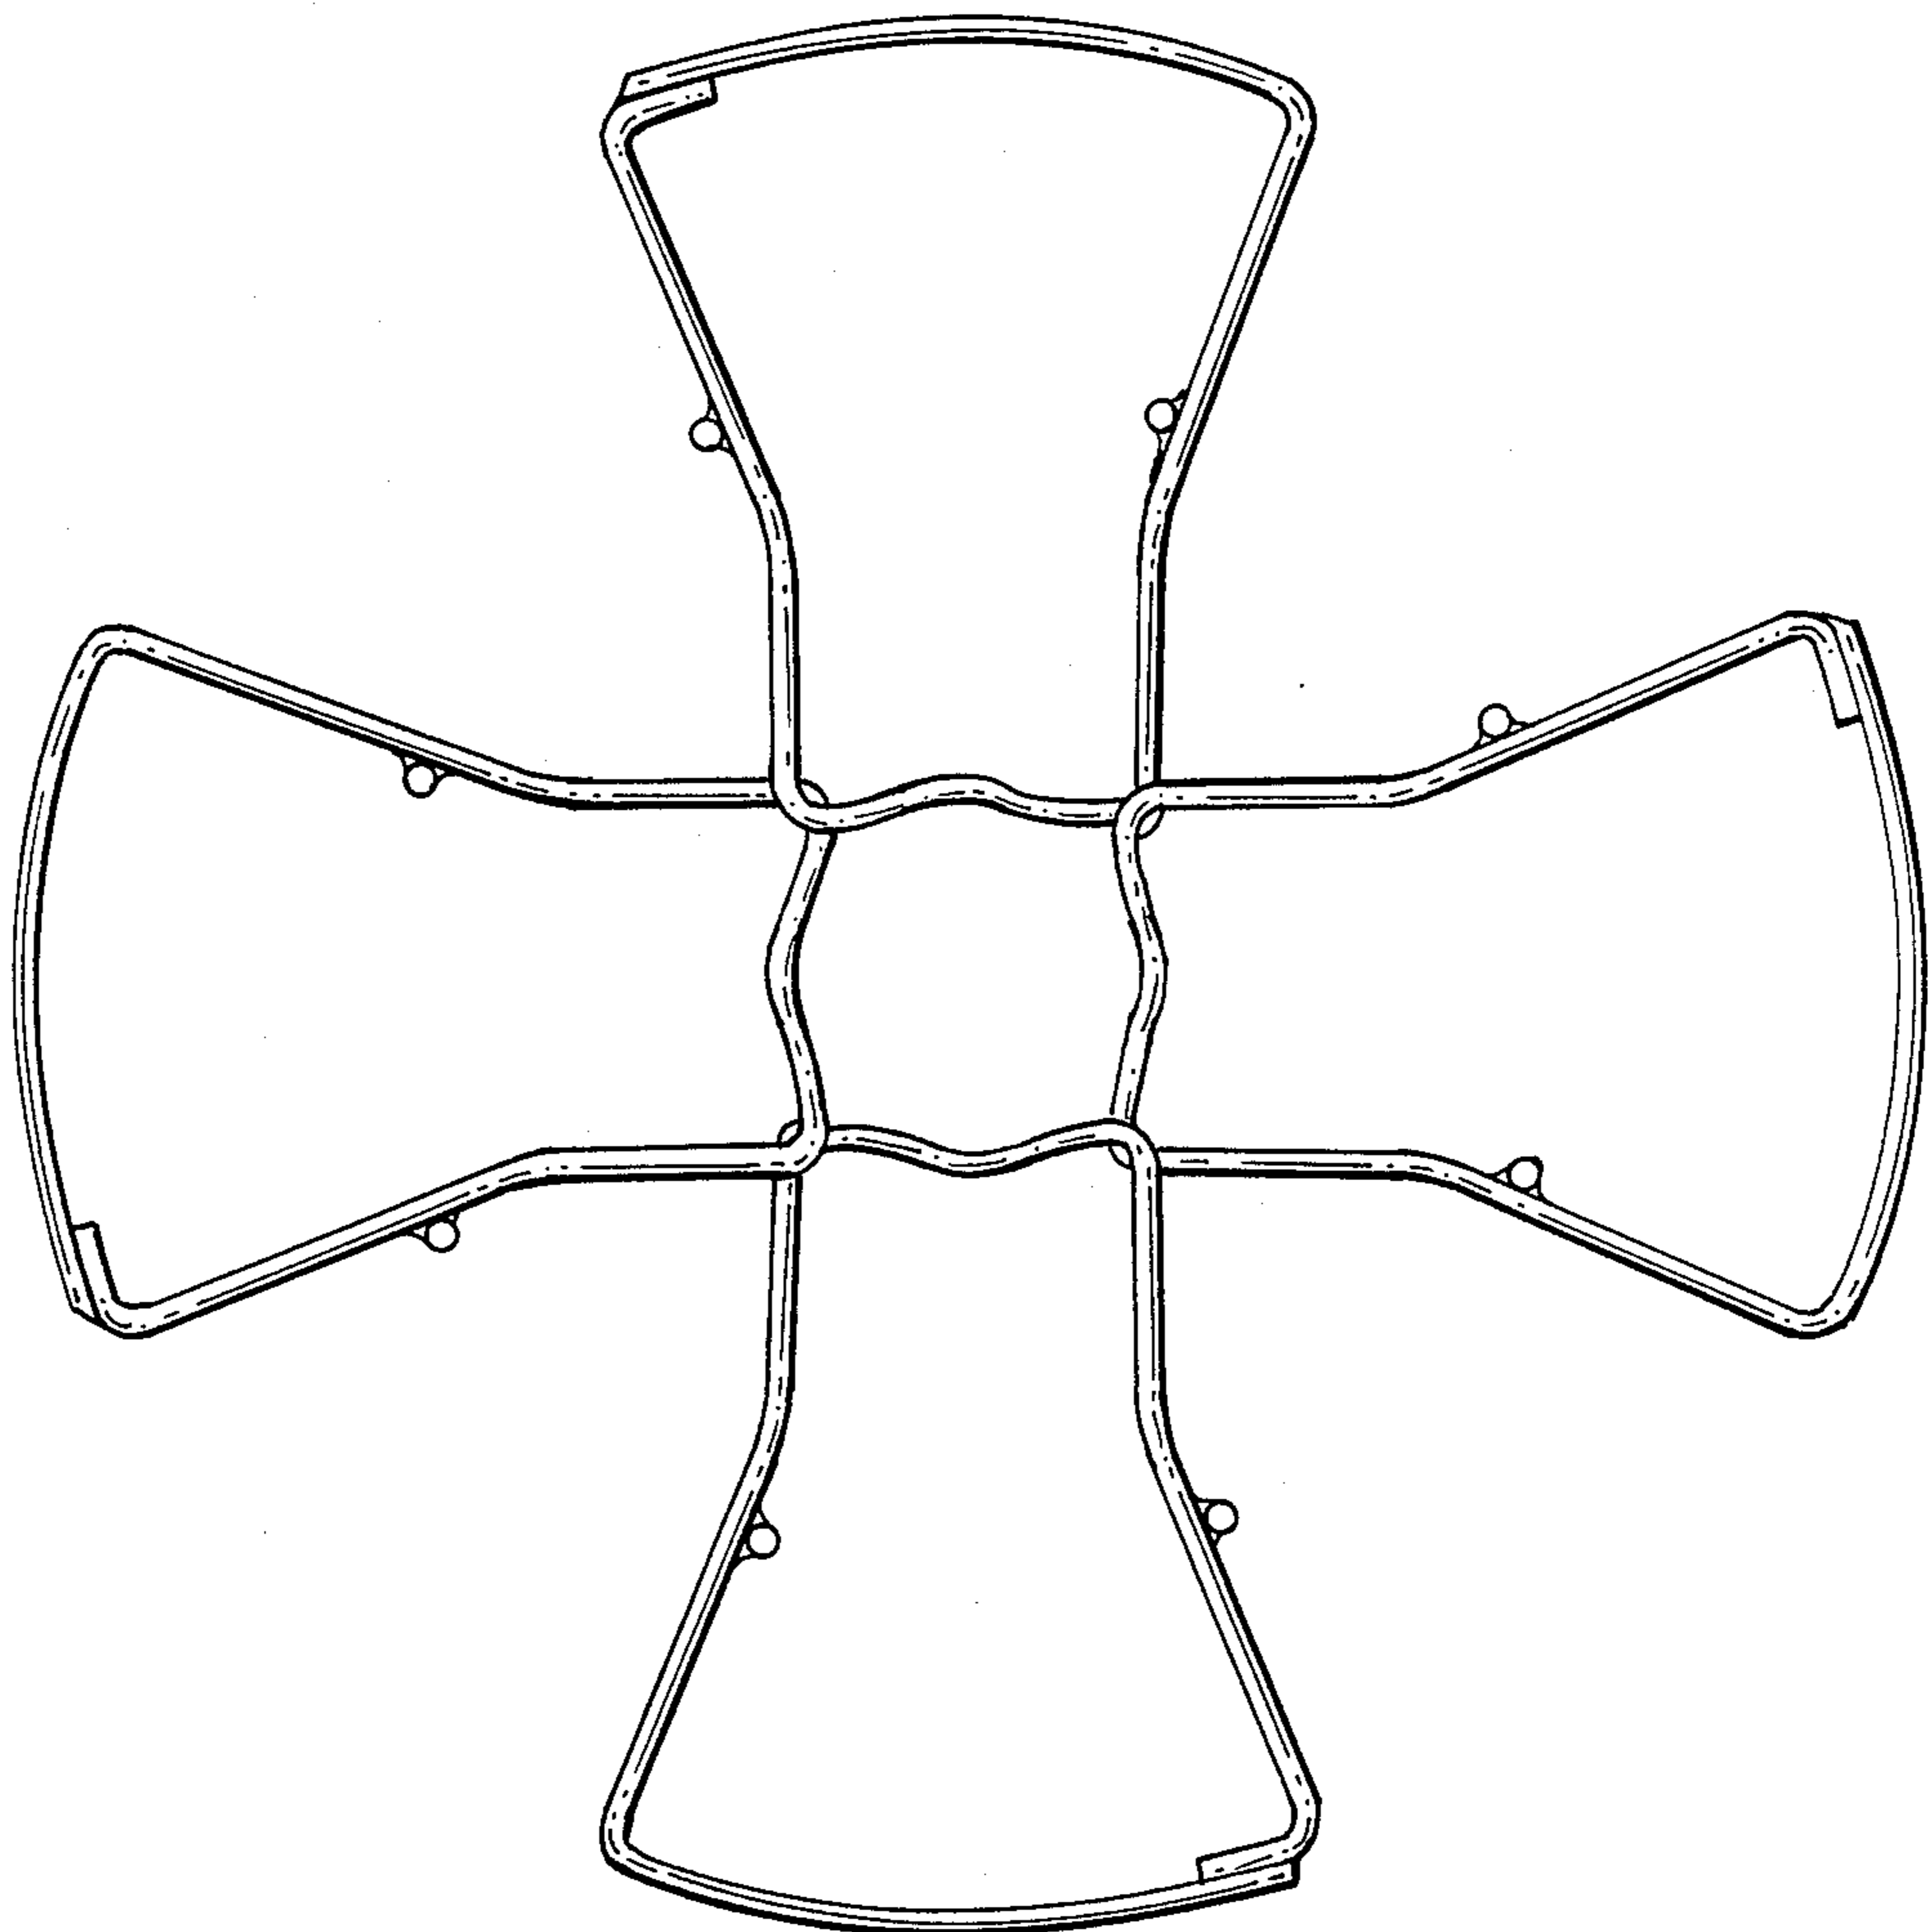

FIG. 1

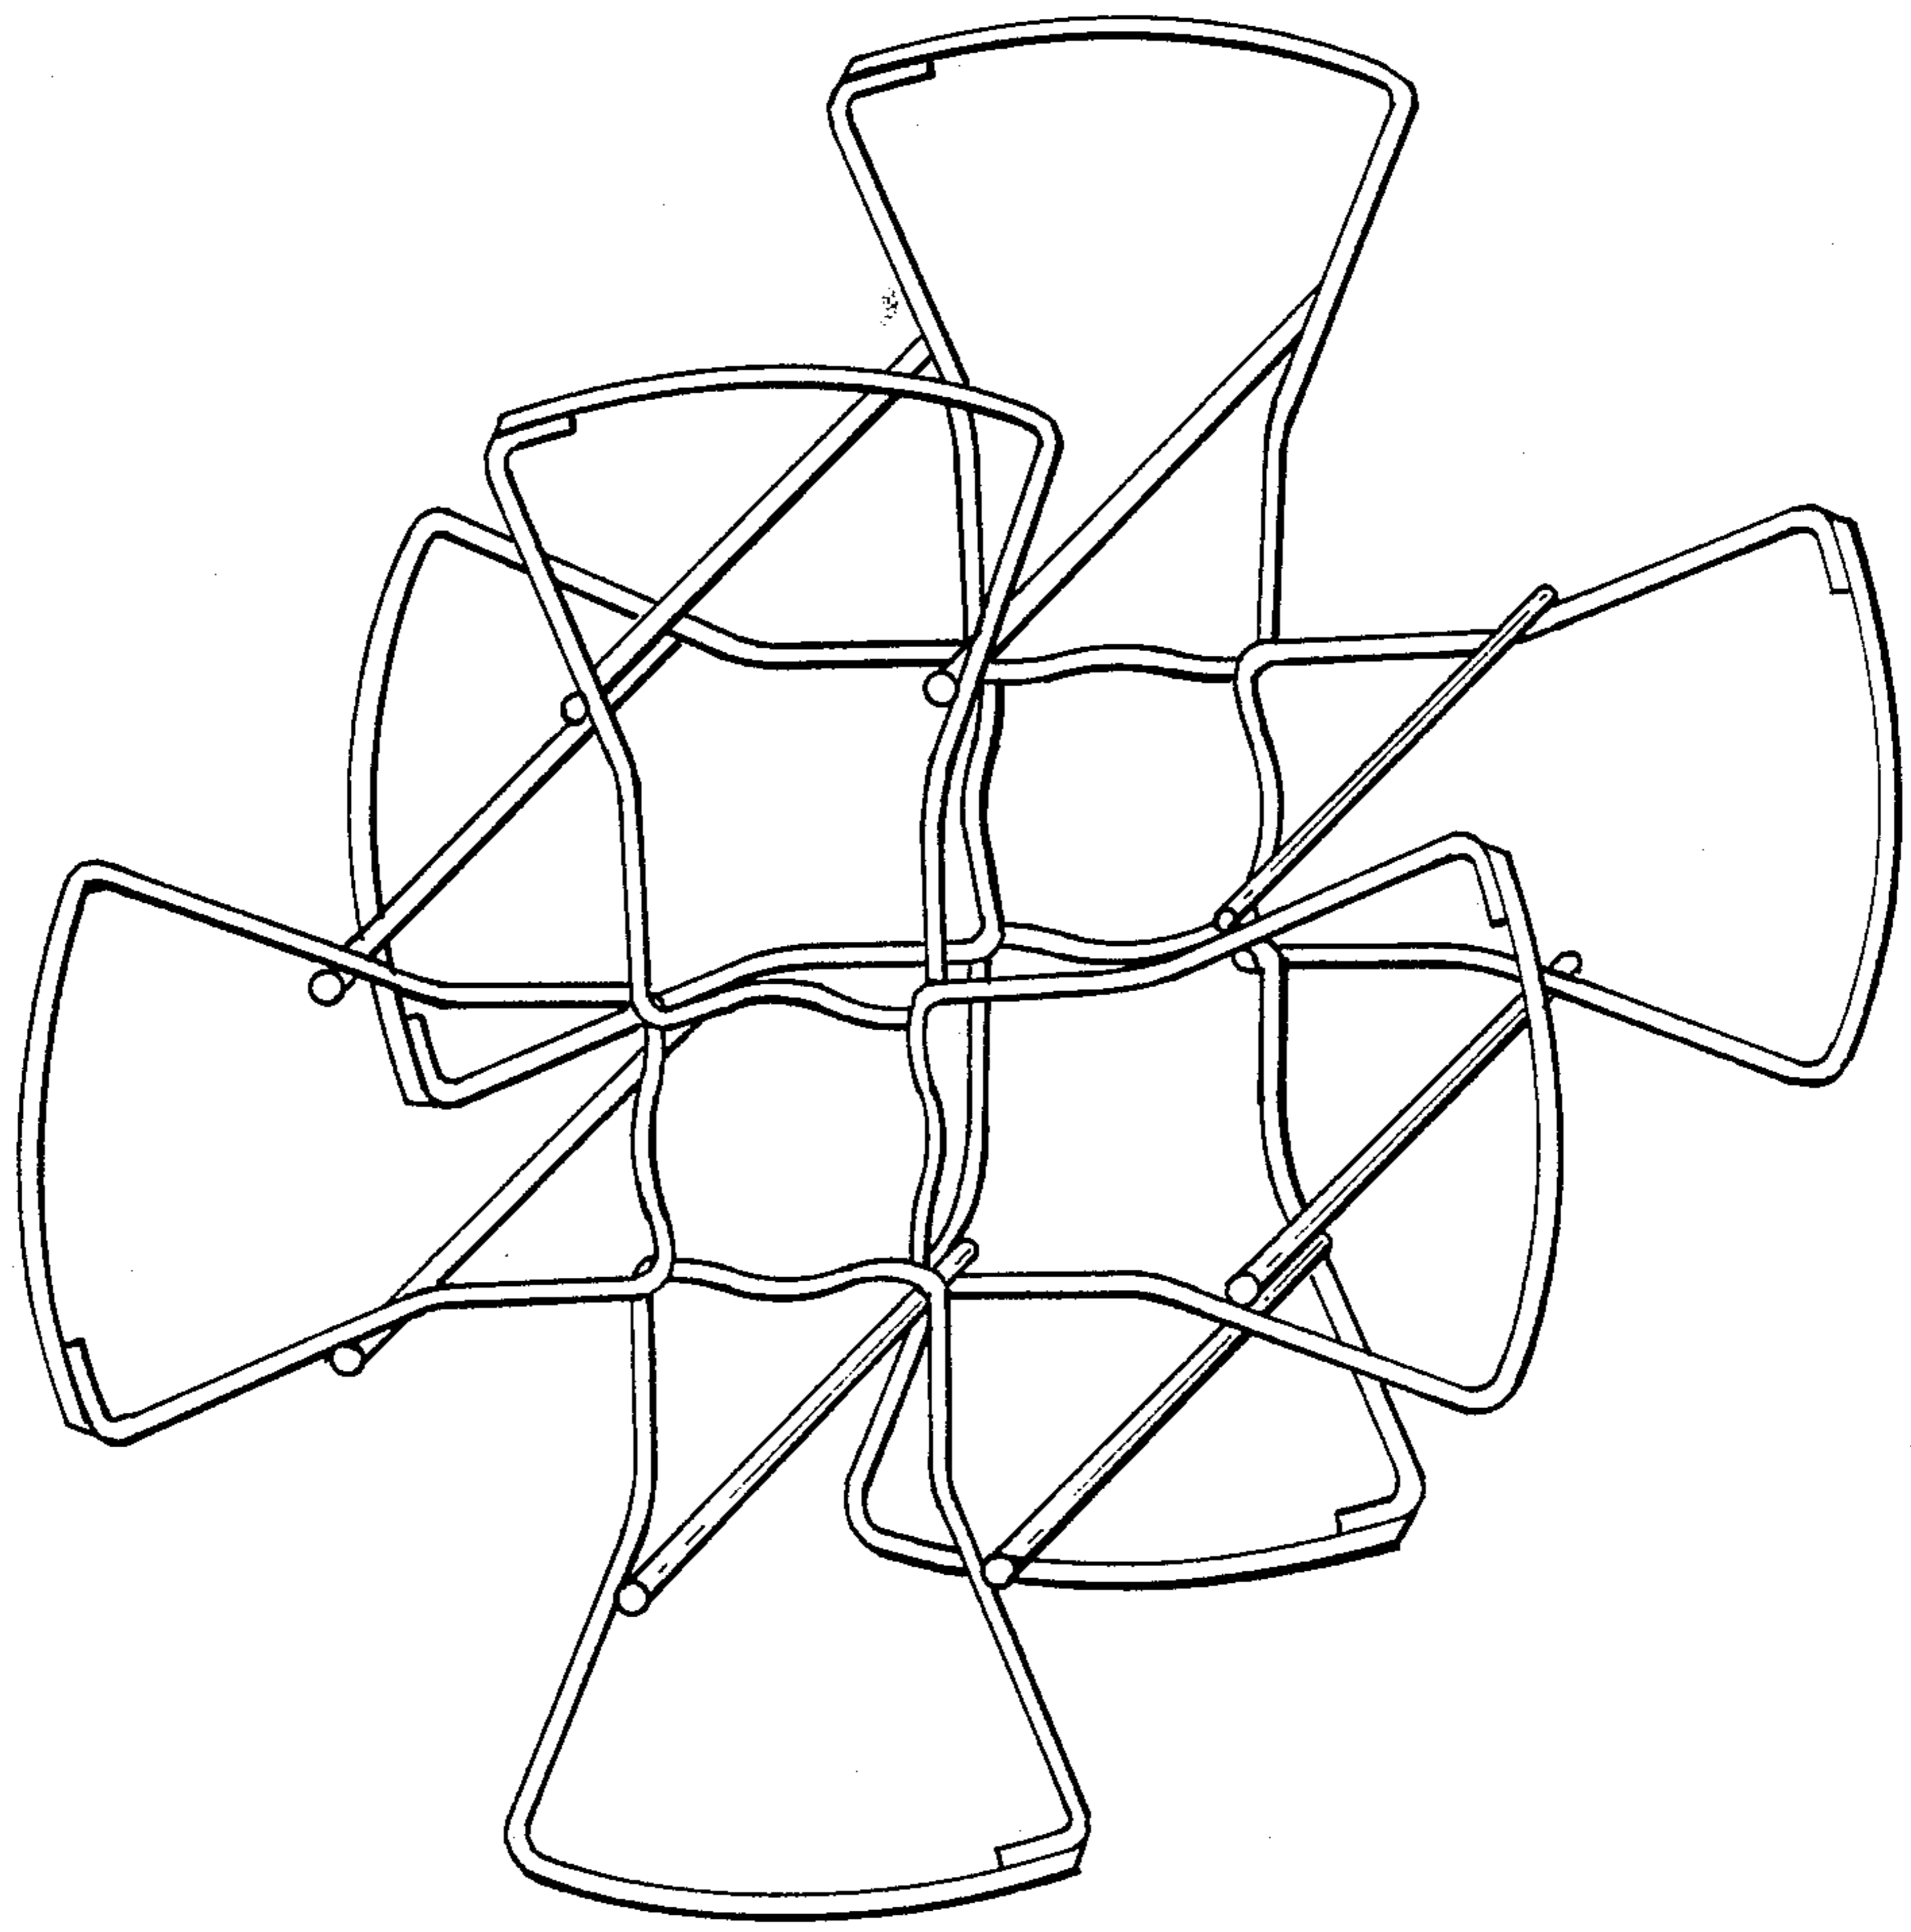

FIG. 2
