[57] CLAIM

The ornamental design for a table telephone set, as shown and described.

DESCRIPTION

FIG. 1 is a front, top and right side perspective view of a table telephone set showing my new design in closed position;

FIG. 2 is a second front, top and right side perspective views thereof showing more detail of the right side portion than in FIG. 1;

FIG. 3 is a front, side and top perspective view showing details of the left side thereof which are obscured from view in FIG. 1;

FIG. 4 is a separated perspective view of the underside of the handset and of the interior of the base; and

FIG. 5 is a second separated perspective view showing the underside of the handset and of the interior of the base.

FIG. 1

FIG. 2

FIG. 3

FIG. 4
