Attorney, Agent, or Firm—Wenderoth, Lind & Ponack

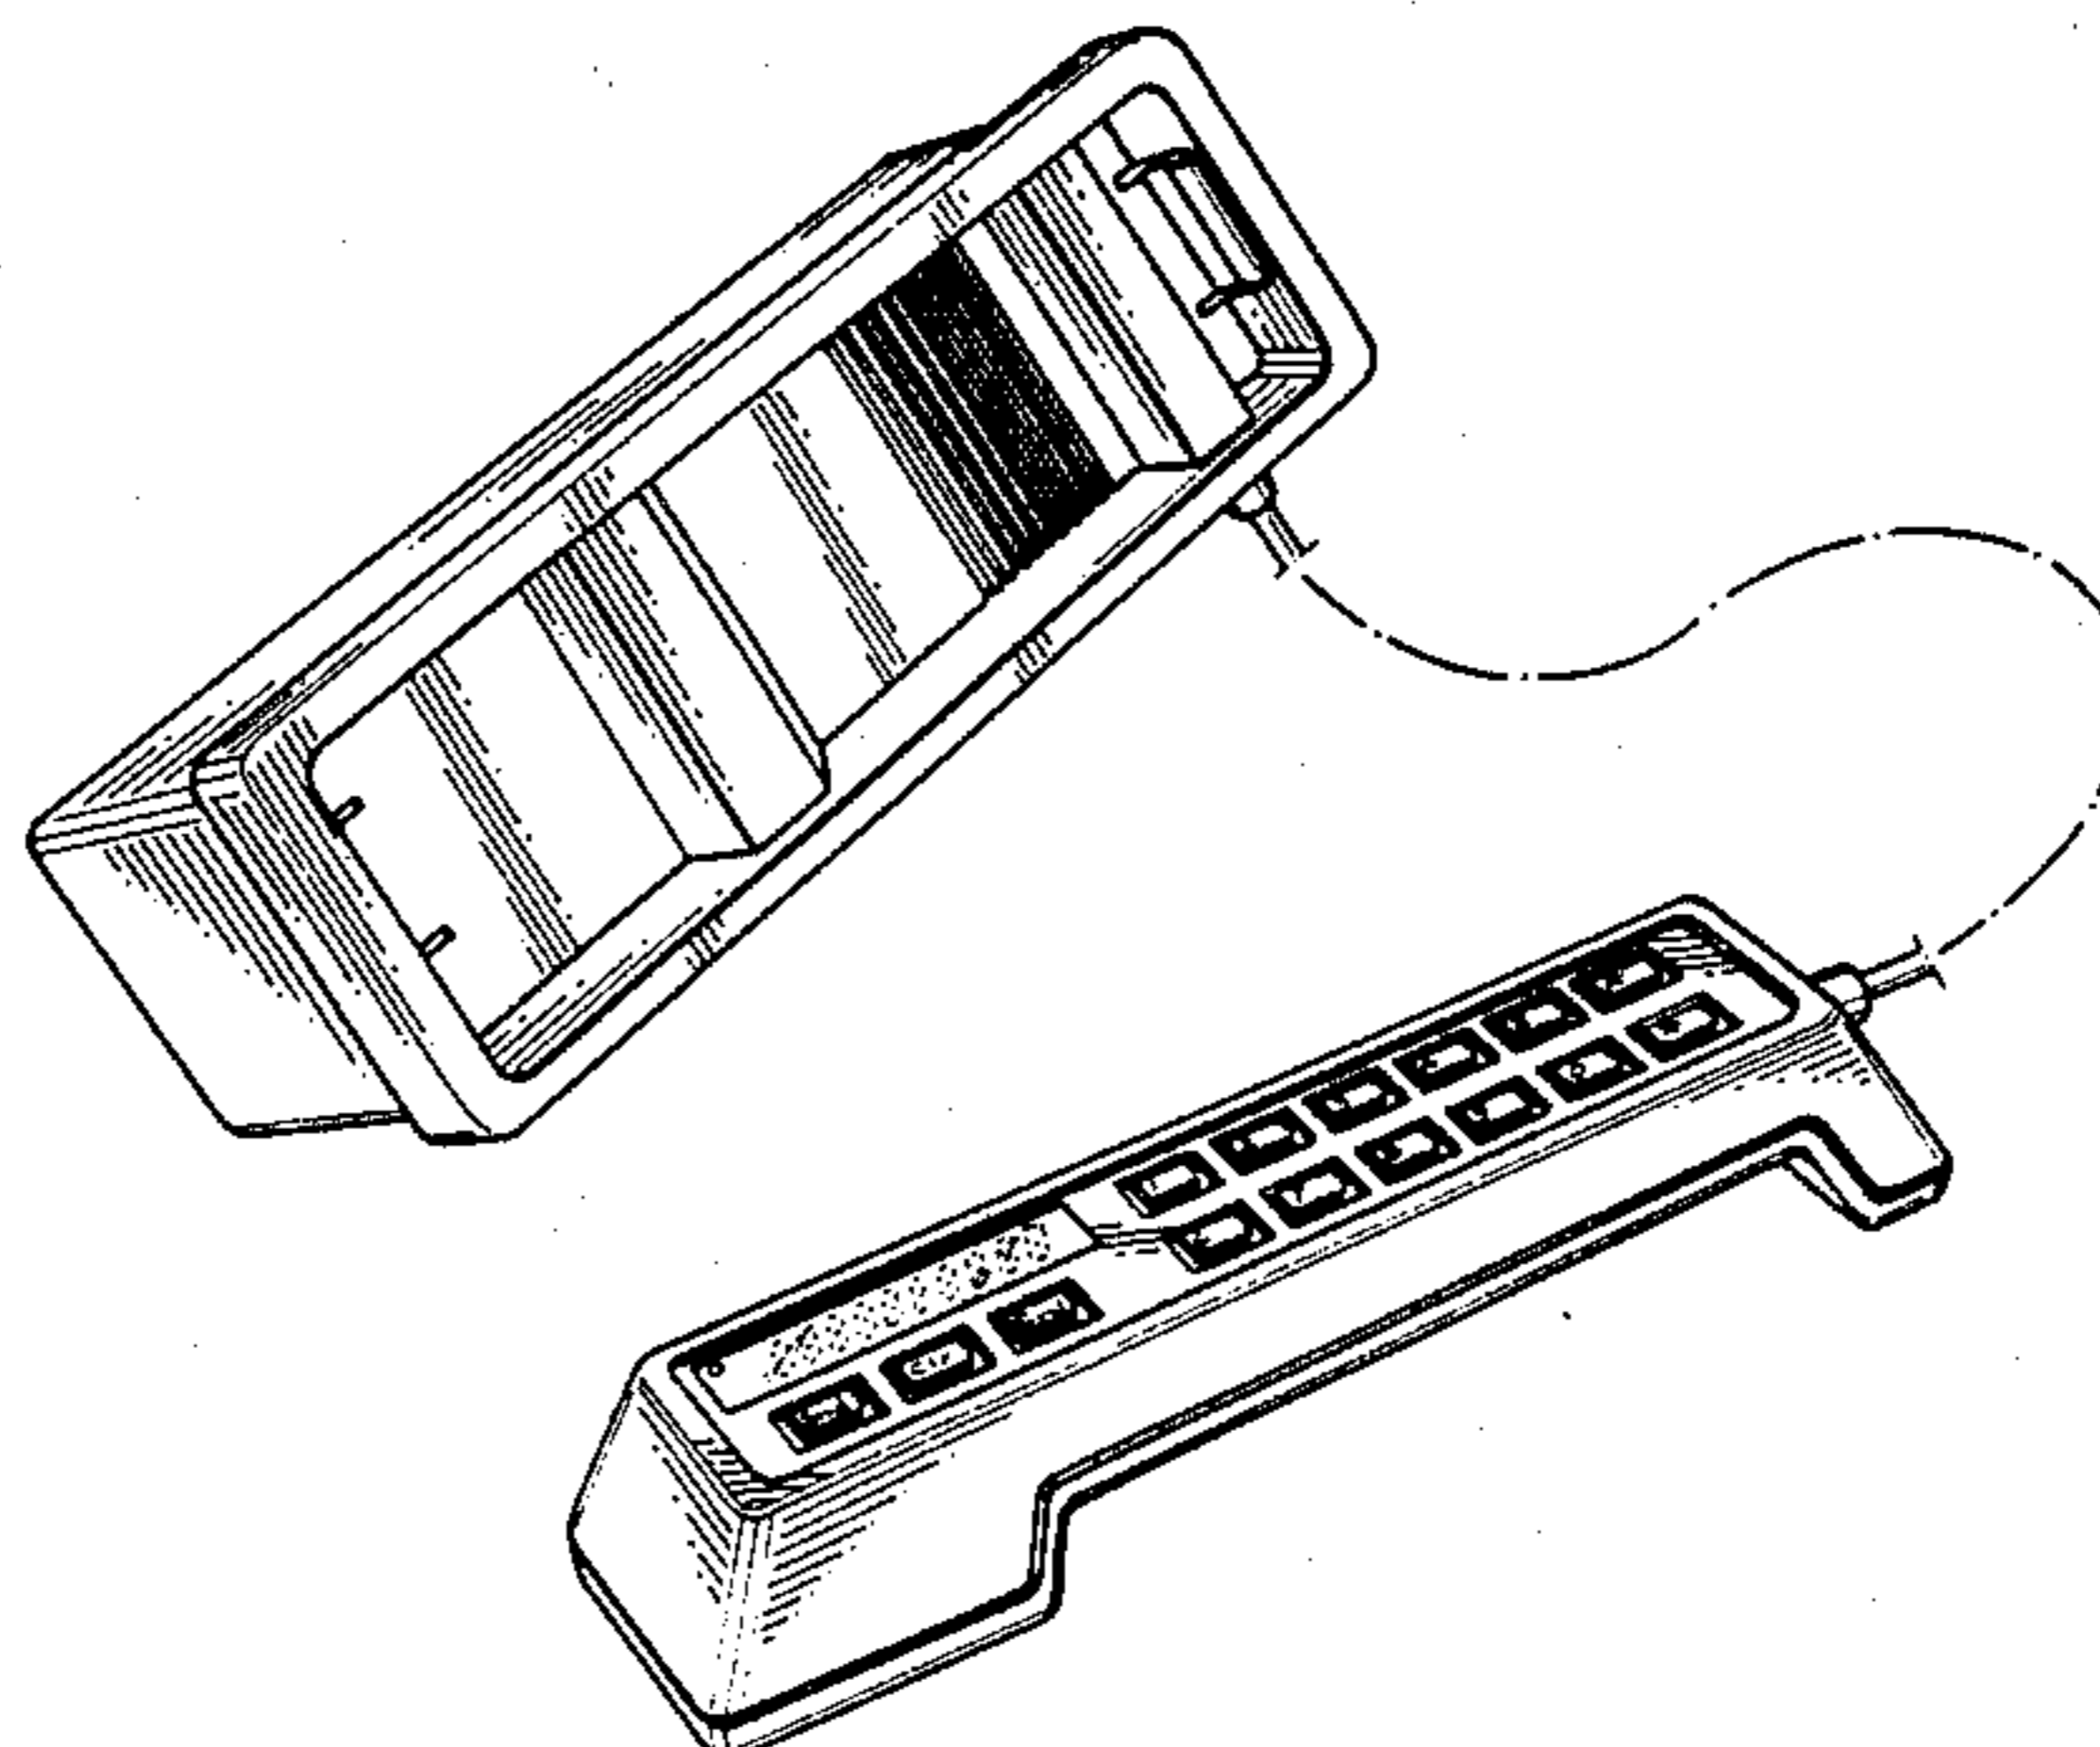

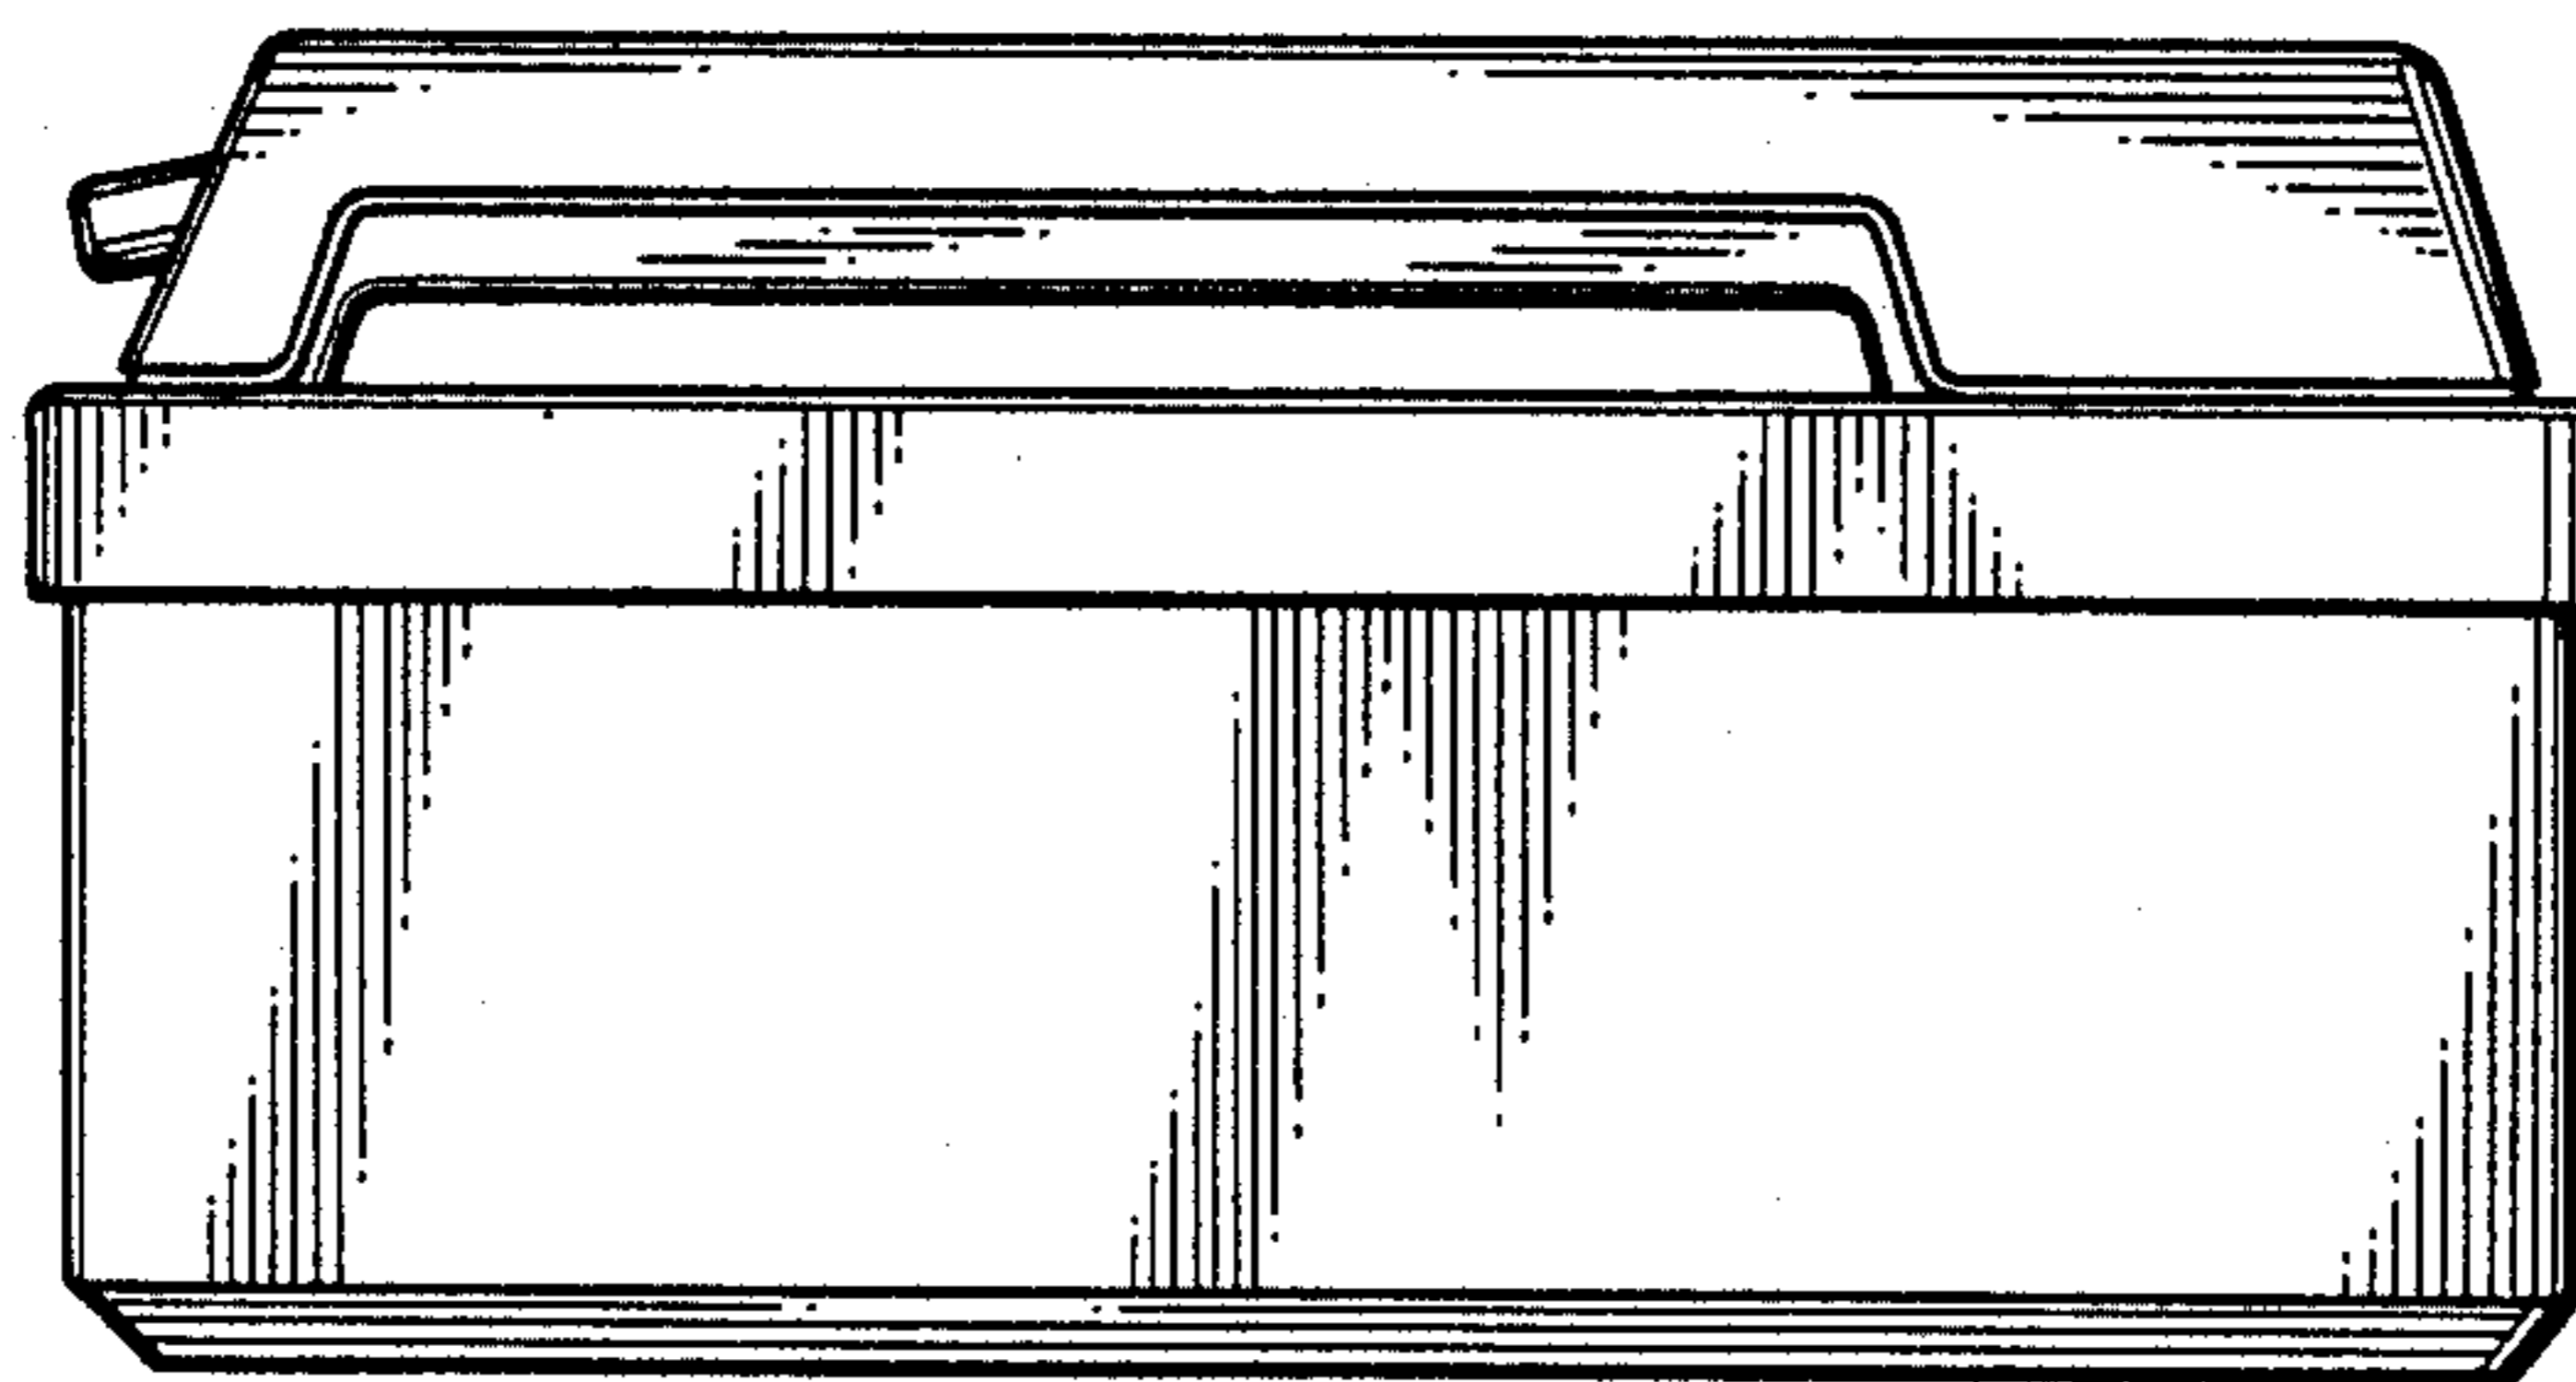

[57] CLAIM

The ornamental design for a handset telephone and stand for vehicles, as shown and described.

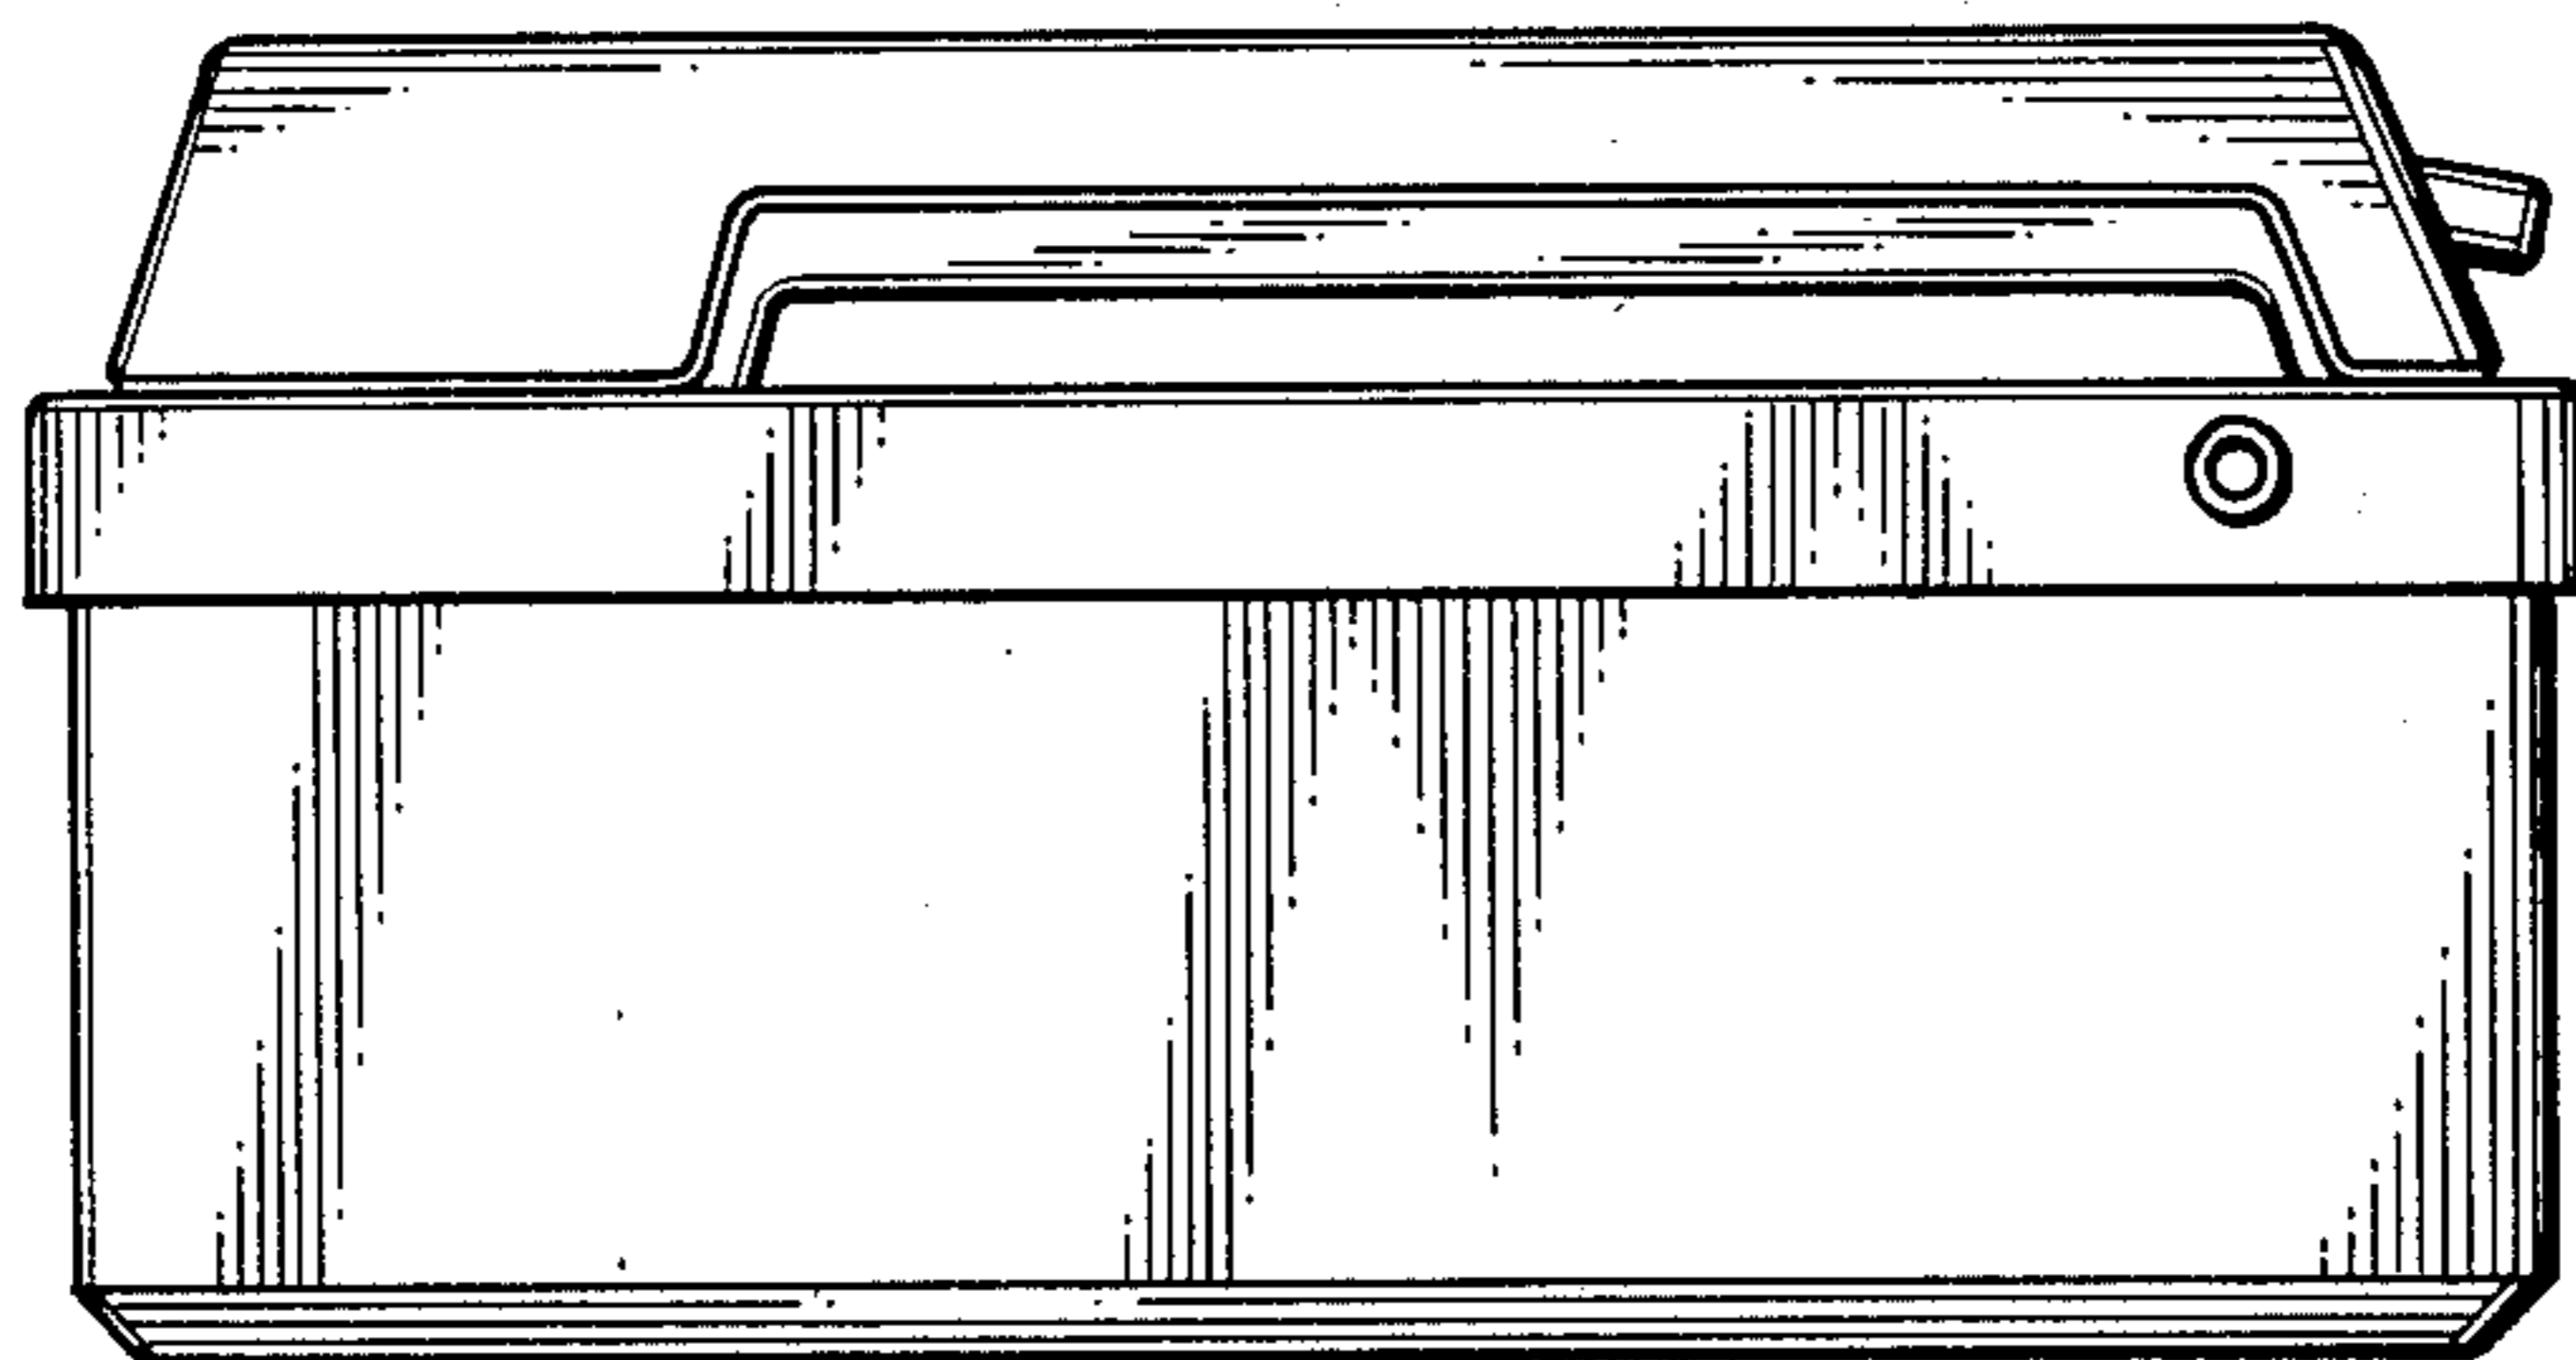

DESCRIPTION

FIGS. 1 and 2 are respectively front and rear elevational views of a handset telephone and stand for vehicles showing my new design in cradled relationship; FIGS. 3 and 4 are respectively right and left elevational views thereof; FIGS. 5 and 6 are respectively top and bottom plan views thereof; FIG. 7 is a sectional view taken on line VI—VI in FIG. 3 with interior construction omitted; FIG. 8 is a left side, rear, and top perspective view of a second embodiment thereof, with sundry words, abbreviations and numbers showing on pushbutton tops, and with three small circles shown at the left end of the display panel, and with operative numerals in the display panel; and FIG. 9 is perspective view of the stand shown separated to present the top surface of the stands interior, and a left side, front and top perspective view of the handset of the second embodiment.

The broken line showing of operative numerals in FIGS. 8 and 9 and a cord in FIG. 9 is for illustrative purposes only and forms no part of the claimed design.
