[57] CLAIM

The ornamental design of a combined television and radio receiver, as shown and described.

DESCRIPTION

FIG. 1 is a top, front and left side perspective view of a combined television and radio receiver showing my new design;

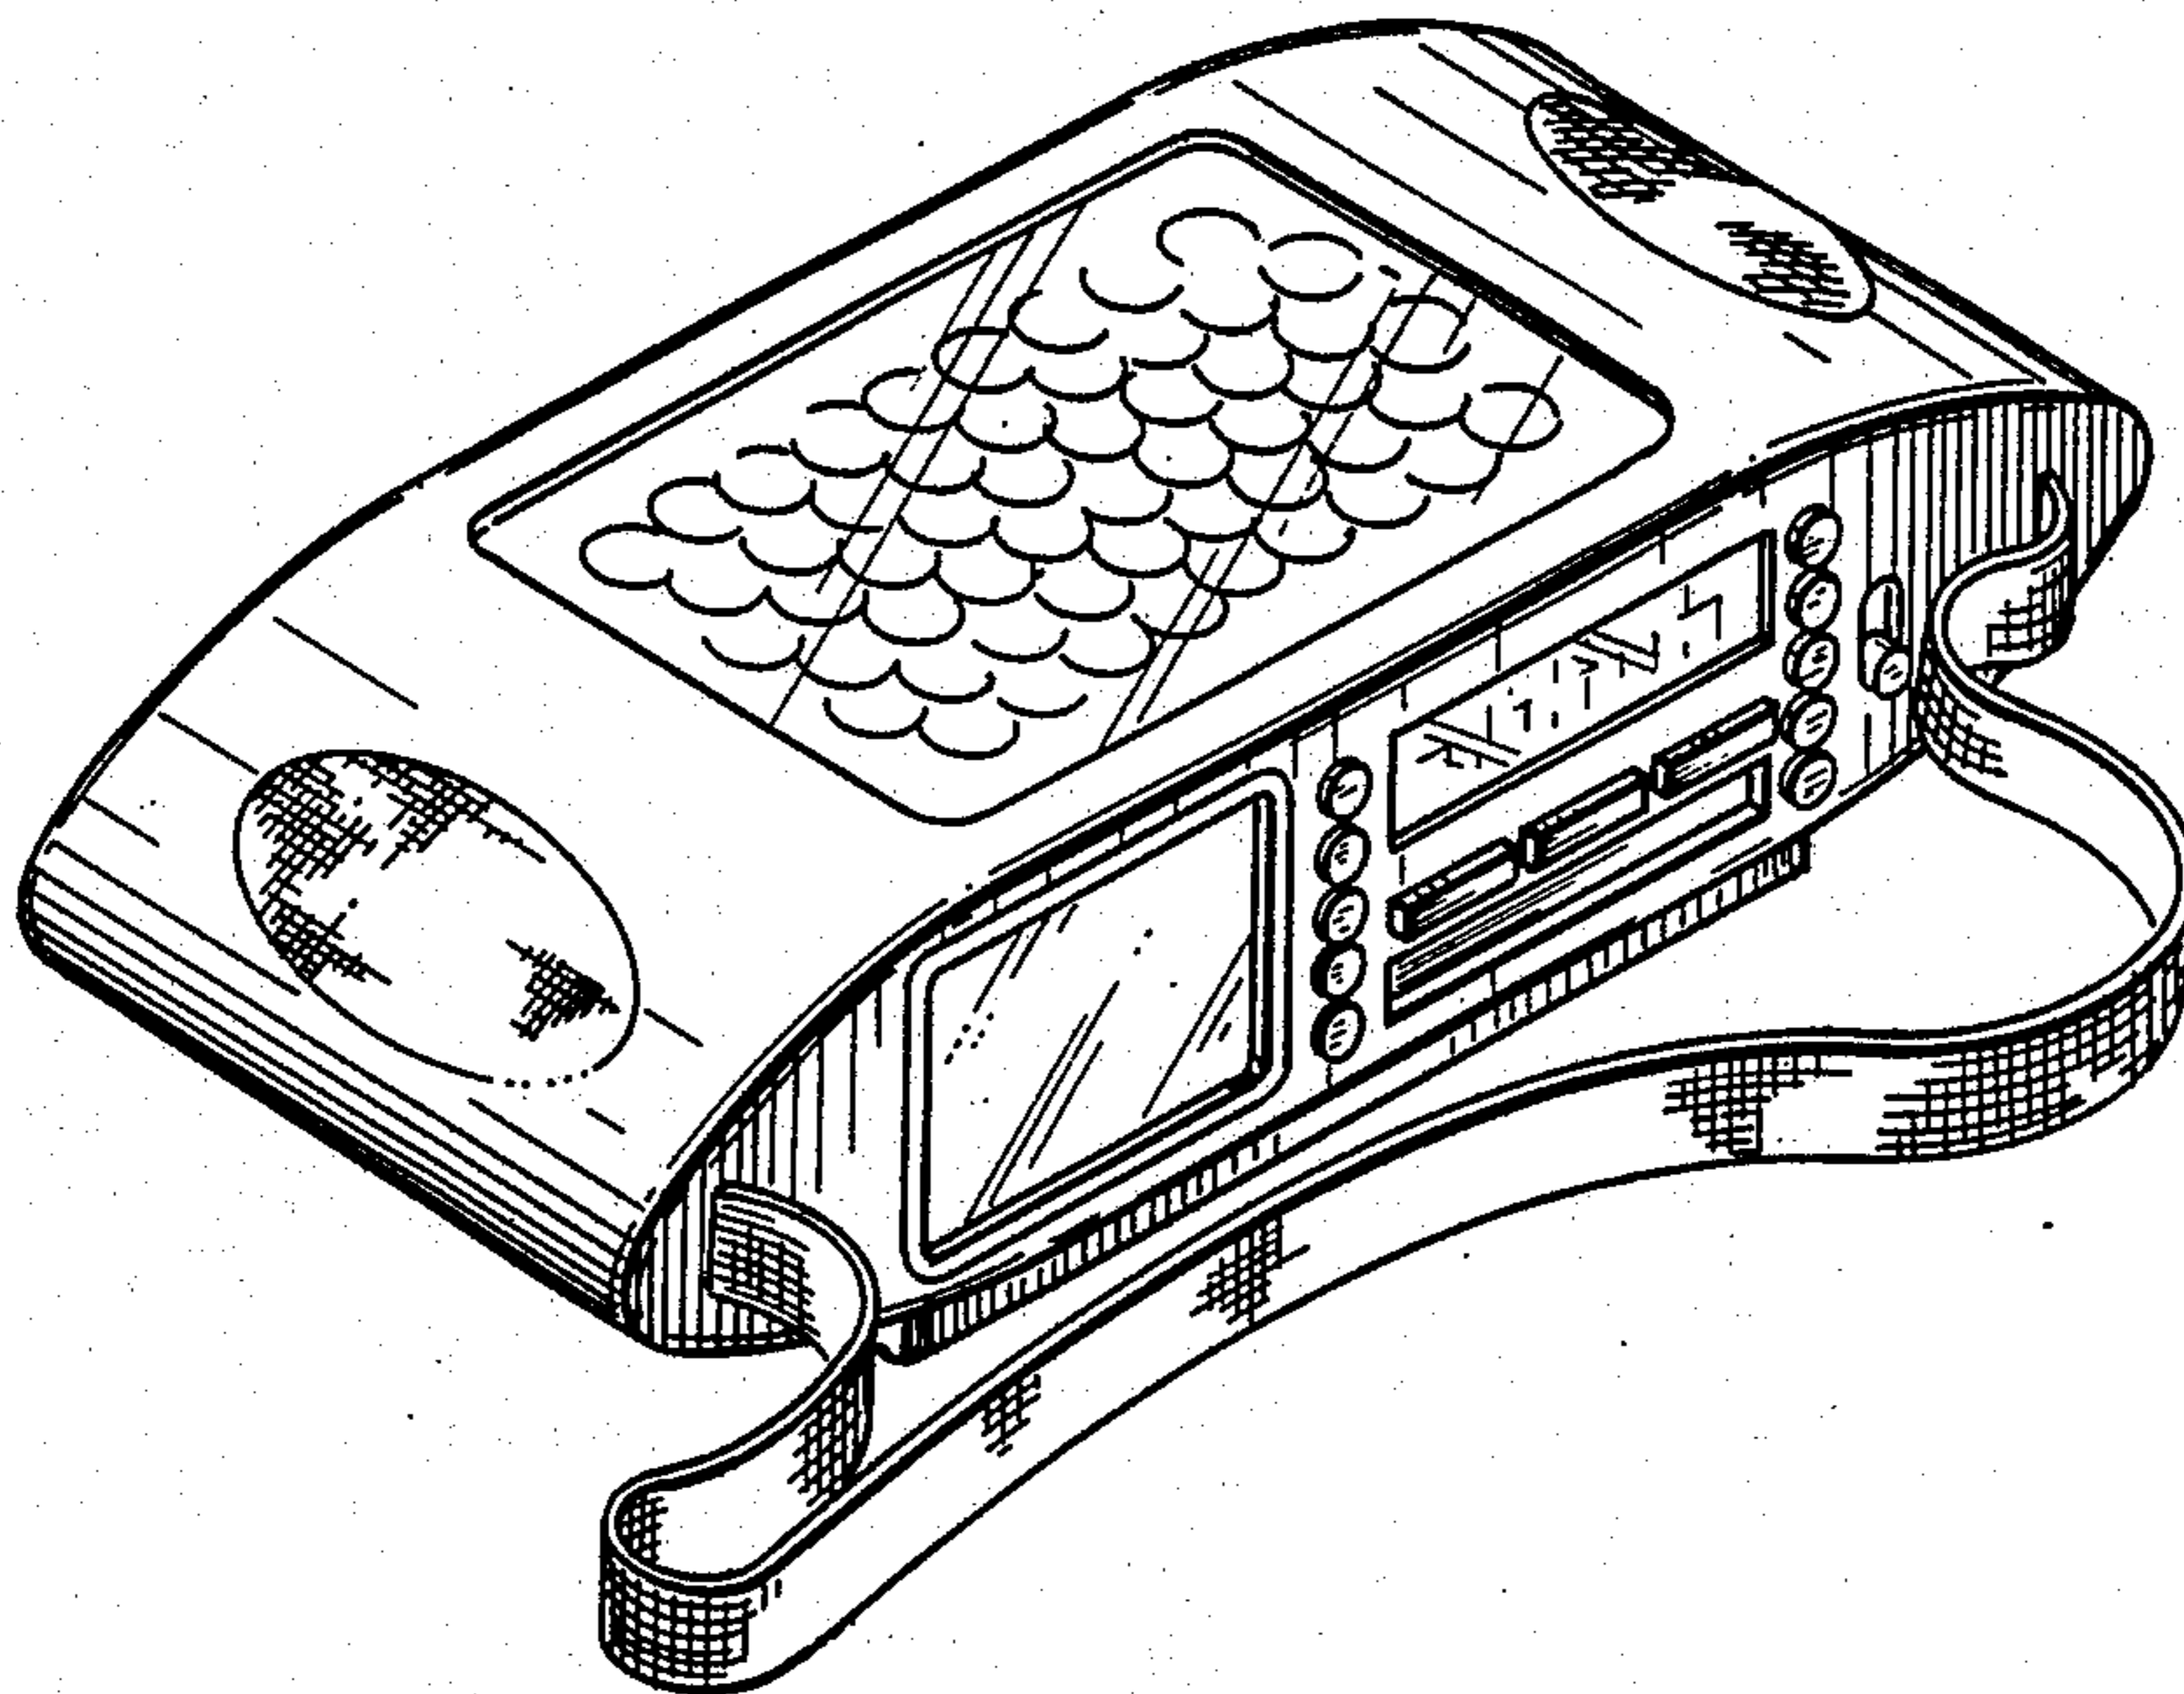

FIG. 2 is a front elevational view thereof, shown with the carrying strap broken away for clarity of illustration;

FIG. 3 is a left side elevational view thereof;

FIG. 4 is a right side elevational view thereof; and

FIG. 5 is a rear elevational view thereof.

The bottom of the receiver is plane and unornamented.
