[57] CLAIM

The ornamental design for an automobile mat, as shown and described.

DESCRIPTION

FIG. 1 is a top plan view of an automobile mat showing my new design;  
FIG. 2 is a bottom plan view thereof;  
FIG. 3 is a sectional view taken on the line 3—3 of FIG. 1;  
FIG. 4 is a top plan view of an automobile mat showing a second embodiment of my new design it being understood that the bottom plan view thereof is identical to that shown in FIG. 2;  
FIG. 5 is a sectional view taken on the line 5—5 of FIG. 4;  
FIG. 6 is a top plan view of an automobile mat showing a third embodiment of my new design;  
FIG. 7 is a sectional view taken on the line 7—7 of FIG. 6;  
FIG. 8 is a bottom plan view of FIG. 6;  
FIG. 9 is a top plan view of an automobile mat showing a fourth embodiment of my new design it being understood that the bottom plan view thereof is identical to that shown in FIG. 8; and  
FIG. 10 is a sectional view taken along line 10—10 in FIG. 9.
