[57] CLAIM

The ornamental design for a vertically adjustable valve and pipe support, as shown and described.

DESCRIPTION

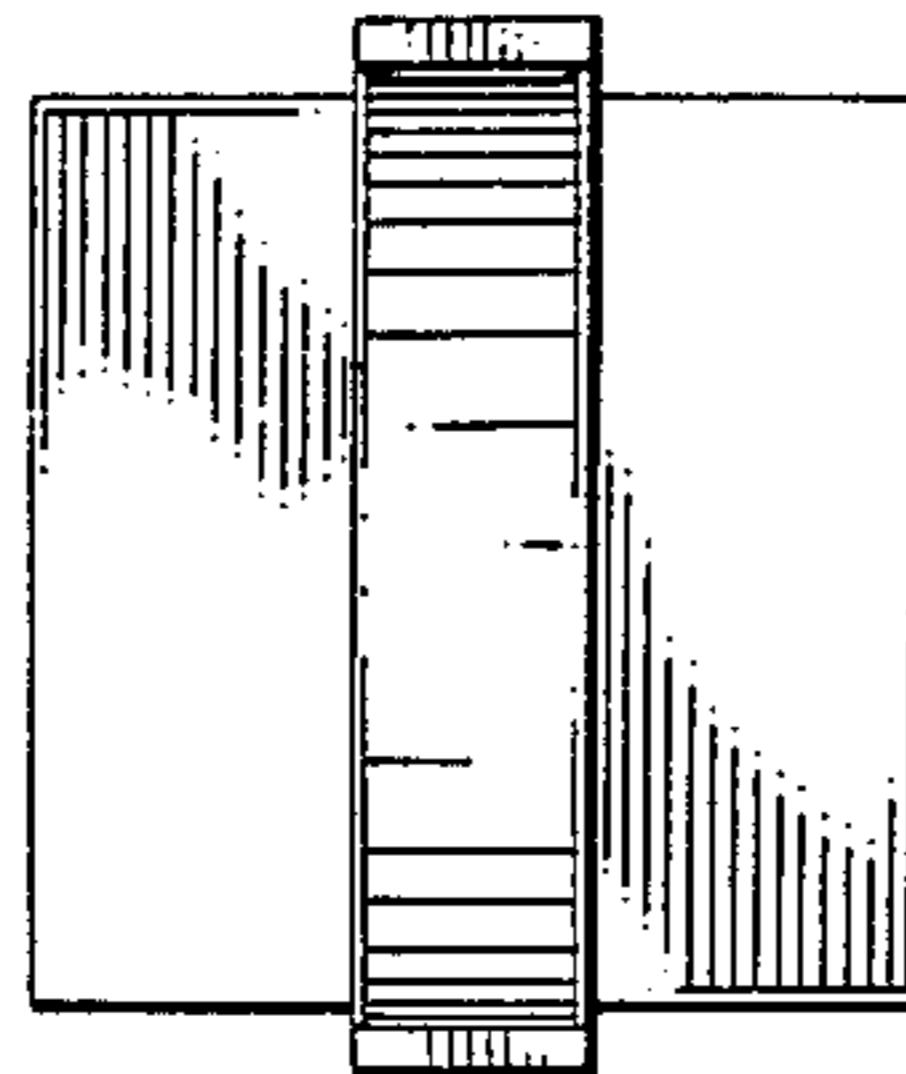

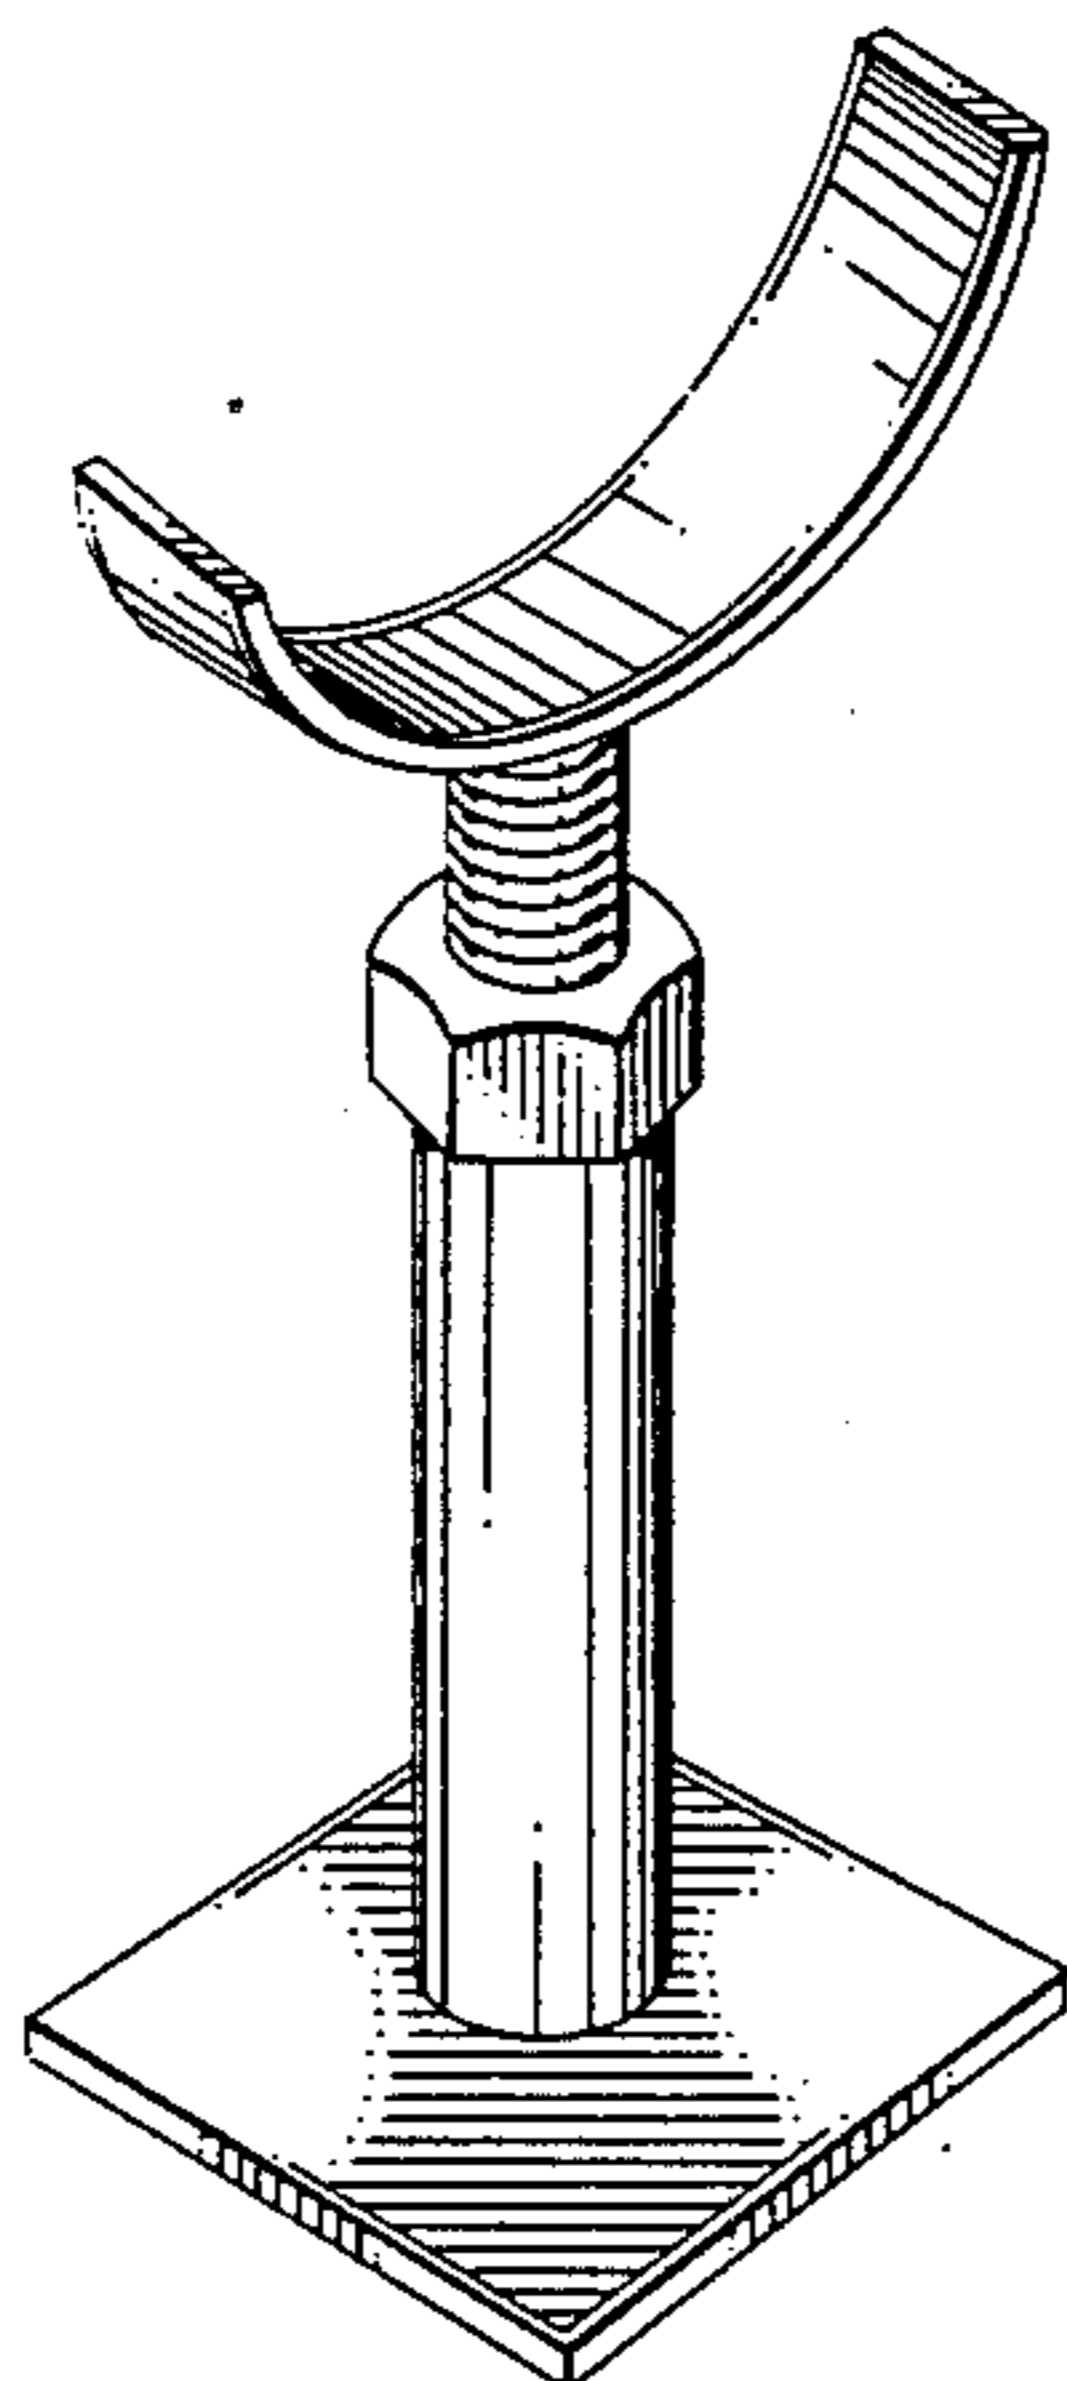

FIG. 1 is a perspective view from the front and side of a vertically adjustable valve and pipe support showing our new design;

FIG. 2 is a front elevational view of the support shown in FIG. 1, the rear elevational view being a mirror image thereof;

FIG. 3 is a left side elevational view of the support shown in FIG. 1, the right elevational view being a mirror image thereof;

FIG. 4 is a top plan view thereof; and

FIG. 5 is a bottom plan view thereof.
