[57] CLAIM

The ornamental design for a telephone set, as shown and described.

DESCRIPTION

FIG. 1 is a top plan view of a telephone set showing our new design is cradled relationship;
 FIG. 2 is a bottom plan view thereof;
 FIG. 3 is a top plan view of the stand shown separated from the handset, and a right side elevational view of the handset, the side opposite being a mirror image;
 FIG. 4 is a bottom plan view of the handset shown alone for ease of illustration; and
 FIGS. 5 and 6 are respectively left and right side elevational views thereof.
 The cord is shown in abbreviated form in sundry figures for convenience of illustration.
