[57] **CLAIM**

The ornamental design for a combined stand and handset telephone, as shown and described.

DESCRIPTION

FIG. 1 is a top plan view of a combined stand and handset telephone showing my new design in assembled relationship;
 FIG. 2 is a right side elevational view, the side opposite being a mirror image;
 FIG. 3 is a bottom plan view thereof;
 FIG. 4 is a bracketed left side elevational view of the handset alone and a left side elevational view of the stand shown alone;
 FIG. 5 is a bottom plan view of the handset alone; and
 FIG. 6 is a bracketed left side perspective view from below of the handset as represented in FIGS. 4 and 5, and a left side perspective view also of the stand as alone as represented in FIGS. 4 and 5.
