[57] **CLAIM**

The ornamental design for a telephone set, as shown and described.

DESCRIPTION

FIG. 1 is a front, top and right side perspective view of a telephone set showing my new design; FIGS. 2 and 3 are respectively top and bottom plan views thereof; FIGS. 4 and 5 are respectively front and rear elevational views thereof, and, FIGS. 6 and 7 are respectively right and left side elevational views thereof.

The showing of fragmentary coiled cord connected by dot-dash line in several figures is to indicate cord continuity and for convenience of illustration.
