[57] **CLAIM**

The ornamental design for a coin telephone housing set, as shown and described.

DESCRIPTION

FIG. 1 is a left side, top and front perspective view of the stand of a coin telephone housing set, and a bottom plan view of the handset, showing our new design in cord associated relationship with the stand;
 FIG. 2 is a front elevational view thereof with the handset cradled upon the stand;
 FIG. 3 and 4 are respectively left and right side elevational views thereof;
 FIG. 5 is a rear elevational view thereof; and
 FIG. 6 is a bottom plan view thereof.
 Cord connections for the set are shown in abbreviated forms for convenience of illustration.
